REPORT OF THE INVESTMENT COMMITTEE

YEAR ENDED 31 OCTOBER 2020

The Investment Committee presents its report and financial statements for the year ended 31 October 2020. The financial statements have been prepared in accordance with the accounting policies set out in note 1 and comply with the Charity's governing documents and applicable law.

Constitution

The Fund was established under the initial Scheme of the Charity Commissioners dated 29 May 1958 and subsequent Schemes dated 11 January 1967 and 7 August 1969. The Fund is defined as a common investment fund under the Charities Act 2011, and was registered with the Charity Commission on 21 June 2004.

Investment Policy

The Investment Committee aims to achieve a good overall return on the investments and they have set a medium/conservative risk profile as agreed with Walker Crips. The fund is not operating on a unit basis. Income distributions are made twice a year and withdrawals of capital are only permitted at the end of each financial year.

Objects and Activities

The objects of the Fund are to invest as a common fund for the benefits of its participating charities.

Review of investment activities and policies

The total return (net income/(loss) plus capital gains/(loss)) of the charity was £(639,958) (2019: £684,609). This represents an overall return of (6.14)% (2019: return of 7.23%). The return of the FTSE All Share Index Total Return for the year was (18.64)% (2019: 6.79%).

The gross income earned on investments was £294,202 (2019: £350,312). Net withdrawals made by participating charities during the year were £(204,747) (2019 withdrawals £(180,247)). Net losses on investment assets were £(843,723) (2019: gains of £426,310), this was split between unrealised losses of £(627,199) (2019: gains of £430,034) and realised losses of £(216,532) (2019: losses of £(3,724)). The net income of £204,125 (2019: £258,300) was distributed to the participating charities.

At the year end the charity had total investments of £9,253,632 (2019: £10,527,763), the composition of these investments is summarised below.

	<i>Value at 31 October 2020</i>	<i>ratio</i>	<i>Value at 31 October 2019</i>	<i>ratio</i>
	£	%	£	%
Quoted Investments	8,908,351	96.3%	9,472,814	90.0%
Deposits and loans (current)	345,281	3.7%	1,054,949	10.0%
	9,253,632		10,527,763	

At 31 October 2020, the market value of the quoted portfolio of investments was £8,908,351 (2019: £9,472,814), this accounts for 96.3% (2019: 90.0%) of total investments.

The decrease of 42.4% in the proportion of net current assets held is due to the capital withdrawal, a lower level of capital contributions made during the year and net purchases of investments made out of cash. The increase of 6.0% in the proportion of quoted investments held is due to amounts being invested in the main investment pool out of cash. The committee considers that the current asset allocation is appropriate in the current circumstances and continues to be guided by market experts.

REPORT OF THE INVESTMENT COMMITTEE

YEAR ENDED 31 OCTOBER 2020

Latest activities

The latest available investment valuation is at 28th June 2021 and is £10,544,835. There have also been £(350,000) of capital withdrawals between 1st November 2020 and 28th June 2021 and £nil contributions.

Reserves Policy

All the income net of expenses is distributed to the participating charities except for accumulation investments where the income is reinvested.

Public Benefit Statement

The sections of this report above entitled "Objects" and "Review of the investment activities and policies" set out Spanish and Portuguese Jews' Synagogue Common Investment Fund's objectives and report on the activity in the year to 31 October 2020. Spanish and Portuguese Jews' Synagogue Common Investment Fund's work benefits the charities associated with the Spanish and Portuguese Jews' Congregation.

The Investment Committee has reviewed the latest guidance issued by the Charity Commission, and is satisfied that the Fund meets the charitable objectives laid out on the Charity Commission website.

Investment Managers

The Fund is managed by Walker Crips Stockbrokers Limited. The firm is regulated by The Financial Conduct Authority. Portfolio management fees are charged in the capital account and totalled £37,760 (2019: £28,741) in the year.

Performance Measurement

The performance of the fund was monitored on behalf of the Committee by a performance measurement firm, Portfolio Evaluation Ltd.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

YEAR ENDED 31 OCTOBER 2020

The Trustees are responsible for preparing the Report of Investment Committee and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources of the Charity for that year.

In preparing these accounts, the Trustees are required to:

- select suitable Accounting Policies and then apply them consistently
- observe the methods and principles in the authorised funds SORP (Statement of Recommended Practice) issued by the Investment Management Association in May 2014;
- make judgements and estimates that are reasonable and prudent
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the and enable them to ensure that the accounts comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF

THE SPANISH AND PORTUGUESE JEWS' SYNANGOGUE COMMON INVESTMENT FUND

YEAR ENDED 31 OCTOBER 2020

Opinion

We have audited the financial statements of Spanish and Portuguese Jews' Synagogue Common Investment Fund for the year ended 31 October 2020 which comprise Statement of Financial Activities, Balance Sheet, Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 October 2020 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF

THE SPANISH AND PORTUGUESE JEWS' SYNANGOGUE COMMON INVESTMENT FUND

YEAR ENDED 31 OCTOBER 2020

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit

Responsibilities of the Investment Committee

As explained more fully in the trustees' responsibilities statement set out on page 5, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the

[Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

1 .3 Recognition of Income

Income is recognised when the charity has entitlement to the funds, any conditions attached to the items(s) of income have been met, it is probable that the income will be received, and the amount can be measured reliably.

1 .4 Treatment of expenses

Expenditure is recognised on an accrual basis.

Charitable Expenditure

Direct costs from charitable activities comprises all expenditure directly relating to the objectives of the Investment Fund.

Governance Costs

Governance costs include audit costs and those costs associated with constitutional and statutory

1 .5 Distribution policy

The income for the year net of expenses is distributed to the participating charities in proportion to their respective interests.

1 .6 Transaction costs

Transaction costs incurred during the year amounted to £16,994 (2019: £12,470). In addition to the transaction costs disclosed above, indirect costs are incurred through the bid-offer spread on investments within pooled investment vehicles.

11 Calculation of participants' percentages

The percentages are in proportion to the capital contributions of the various participants which have been consolidated into the Pool. When additional capital contributions are made or capital withdrawn the participants' percentages are recalculated as follows:

(a) the total market value of the Pool before the additional capital contribution or withdrawal is calculated

by reference to the last quarterly valuation date;

(b) the additional capital contribution or withdrawal is then added to or subtracted from the total market value of the Pool and then the participants' percentages are recalculated; and

(c) the individual value of each charity, fund or foundation is ascertained by applying the participants' percentages, as calculated in (b) above, to the total market value at the end of the quarter.
