Independent examiner's report	9
Statement of financial activities	10
Balance sheet	11
Notes to the accounts	12 - 18

The legal name of the charity is Limehouse Town Hall Consortium Trust.

The charity is also known by its operating name, Limehouse Town Hall Consortium Trust.

The principal operating address of the charity is:

Limehouse Town Hall
646 Commercial Road
London
E14 7HA

The registered office of the charity for Companies Act purposes is the same as the operating address shown above.

The charity's areas of operation and UK charitable registration:

The charity is registered in England & Wales with the Charity Commission in England & Wales (CCEW) with charity number 1104459.

The charity does not operate in any overseas jurisdictions.

Legal structure of the charity

The charity is constituted as a company limited by guarantee, registered under the Companies Acts. The governing document of the charity is the Memorandum and Articles of Association establishing the company under company legislation.

Directors are elected at AGMs, serving for two years before standing down, at which point they may be proposed for re-election. There are currently six directors.

There are no restrictions in the governing documents on the operation of the Charity or on its investment powers other than those imposed by Charity Law.

By operation of law all trustees are directors under the Companies Act 2006 and all directors are trustees under Charities legislation and have responsibilities, as such, under both company and charity legislation.

Trustees

The Trustees are all individuals.

The trustees in office on the date the report was approved were:

N De Sousa Cunha
K Forster
J King
E Malvern
O Pearson
J Wareing

The following persons served as trustees during the year ended 31 March 2025:

The trustees who served as a trustee in the reporting period, and, if applicable, their dates of appointment or resignation during the year were:

<i>Name</i>	<i>Appointed</i>	<i>Resigned/ Retired</i>
R Ball	2 August 2024	23 November 2024
S Begum Ali		28 June 2024
D Breeze		19 November 2024
N De Sousa Cunha	20 March 2025	
P Garayo		19 November 2024
K Forster	20 August 2024	
J King	20 August 2024	
E Malvern	20 March 2025	
O Pearson		
J Wareing		

All the trustees are also members of the charity. It is considered that all Trustees and any others who could be understood to be 'managers' in the activities and affairs of the Charity - as defined in Schedule 6 of the Finance Act 2010 - have completed declarations confirming that they are 'fit and proper' persons under the terms of the Finance Act 2010.

Objectives, Activities and Performance

Objectives

Limehouse Town Hall Consortium Trust's objectives as set out in the charity's articles and memorandum of association are:

- To act as a resource for artists, community arts organisations, cultural producers, and communities;
- To maintain, improve and promote Limehouse Town Hall's use with the aims of advancing public education and involvement in arts and culture and restoring the building to its place as an active participant in Limehouse, the east end of London and beyond;
- To act as a support organisation for a range of important London artists and organisations working in theatre, visual art, digital art, dance and socially engaged practice who have found a home at Limehouse Town Hall.

A grade II listed building, and one-time National Labour History museum, Limehouse Town Hall is a place where artists, cultural producers, audiences and communities, from Tower Hamlets and beyond, are supported to share ideas, try out new things, and imagine a better here and now.

Activities

The trust's activity over the past year has continued to concentrate on the conservation, maintenance, operation and management of Limehouse Town Hall. This work can be broadly categorised under the following activities:

- The physical infrastructure's conservation, maintenance and refurbishment;
- The development, operation and management of organisational and project activities that support the building's creative residents and their engagement with each other, local communities and the wider public;
- The development of the Trust's own public engagement activities;
- The development of wider networks and partnerships that strengthen the organisation, its visibility and reputation in the sector.

The Trust supported and initiated a range of activities for the benefit of the public. These included:

- Running a local food co-op, which provided great quality fruit & vegetables to the local community at great prices. It aims to address the lack of provision for good quality nutritious food in Tower Hamlets. This project is a part of the Just FACT network in Tower Hamlets, and is funded by the Women's Environmental Network and the Wakefield and Tetley Trust;
- Canary Wharf Group Community Grant used for exercise classes for local women;
- Supporting community groups by providing free activity space, including to Tower Hamlets Wheelers who run a monthly bicycle repair workshop, Limehouse Library of Tools, coffee mornings for local residents and a Makers Meet craft group;
- Supporting community groups by providing discounted activity space to local groups such as Capoeira Ginga de Quilombo and East London Circus Hub.;

- Ongoing maintenance of the building – including obtaining a grant for solar panels and heat efficiency to improve the sustainability of the building and reduce running costs;
- A successful application for the building to be given Asset of Community Value status which was awarded on 10 December 2024.
- Ensuring the future availability of the building by further investigating strategies for renewing our lease, and varying our existing building lease to permit more activities to take place in the building.
- Providing affordable studio space to local creatives, cultural producers, charities and organisations who provide services to local residents.

Achievements, performance and how this has impacted our beneficiaries

Widening access

Working closely with community partners we have developed a thriving regular programme of activities for local residents, including Tower Hamlets Wheelers' bicycle repair workshop, East London Circus Hub, Capoeira Ginga de Quilombo, Limehouse Library of Tools, coffee mornings, and a food Co-op. Central to our Widening Access programme is that we actively welcome people from all socio-economic backgrounds, religions and ethnicities.

Trustees' Annual Report for the year ended 31 March 2025

We have greatly improved the income brought into the charity through the widening access programme, through higher paid corporate and filming bookings, which has in turn enabled us to provide subsidised and free space to local community groups on a regular and ad-hoc basis.

Throughout this year, an Access Coordinator has been employed to implement these systems.

Affordable studio space

Our studio spaces have been let out through 2024/25 at an affordable rate, to local individual artists and cultural producers, creative collectives such as *The Boxing Club* and *Limehouse Labs*, charities such as *Stitches in Time* and their social enterprise arm *FabricWorks*, and other organisations.

We have continued pursuing access to a nearby building operated by another Limehouse charity with vacant space available, in order to increase the number of affordable studios and spaces we have available and hope to come to an agreement in the near future.

Policies and procedures

Limehouse Town Hall Consortium Trust has strengthened its organisational stability by compiling and reviewing policies to be implemented across the organisation, in consultation with building users and charity beneficiaries. These have included:

- Safeguarding for vulnerable adults
- Safeguarding for children
- Health & safety
- Equality, diversity & inclusion
- Volunteer policy

The Trust will continue to review and introduce further policies and procedures as necessary, with reviews taking place once a quarter.

Strategic development

The Trust has been working on compiling a medium- and long-term strategy for development, in consultation with local residents, building users and beneficiaries. These strategic strands include:

- Income generation to ensure financial sustainability, to ensure that the building can continue to be a resource for thousands of people each year;
- Continuing to widen access to the building and its resources to communities in Tower Hamlets and beyond;
- Developing partnerships with neighbouring organisations and communities, to build on existing community knowledge and resources whilst increasing our impact and outreach;
- To start working on renewing our lease with the council, which will allow us to continue the integral work we do in Tower Hamlets and beyond.

- In 2025-26 the Trust plans to make adjustments to its Licence/Space Hire Fee income, in light of increasing costs and the volatile nature of the economy more generally. The Trust will undertake these adjustments whilst ensuring that all current creative residents and organisations are supported to remain in the building, and widen access to ever more people.
- The Trust's financial reserves policy will continue in 2025/26 to maintain our reserves to cover 3 months of operating costs, including an adjustment for inflation.

Structure, governance and management of the charity

The methods used to recruit and appoint new charity Trustees

The Trust engages in regular strategy meetings where it reflects on the needs of the organisation and the kinds of skills, expertise and knowledge needed from its Board. Its recruitment process engages with the Trust's current networks and its mailing lists, by reaching beyond existing networks at partnership events and advertising on trustee recruitment boards.

Recruitment includes proper briefing of prospective candidates (e.g. information packs, attendance at some building events and monthly open meetings before formal invitation, etc.). Trustees must be members of the organisation and Directors of the company. Trustees are elected at the Annual General Meeting. Trustees may be co-opted between Annual General Meetings if a slot is free, but must stand for election at the next Annual General Meeting. The Trust plans to continue revitalising its Board and aims to recruit at least three new members in 2025-26.

The Trust is committed to being a beneficiary led organisation. As such, monthly open meetings are held with users of the building and working groups are supported to address specific operational issues. We continue to relook at our meeting structures to support further centring access as a core to our governance work.

Financial Review

The Statement of Financial Activities shows total income for the year of £148,630 (2024: £134,146) and total expenditure of £145,225 (2024: £123,309) resulting in surplus of £3,405 (2024: £10,836). Total reserves of £49,591 are carried forward of which £45,591 are unrestricted and £4,000 are restricted.

Financial review of the position at the reporting date, 31 March 2025

All spaces for hire within the Trust's property are currently in use and producing income for the Trust. Income from licensing spaces within the Town Hall covers the Trust's core costs, including rent (to London Borough of Tower Hamlets), building insurance, utilities, basic administration, audit and statutory costs.

The Trust acknowledges a discretionary charitable rates reduction granted by the London Borough of Tower Hamlets.

Policies on Reserves

Limehouse Town Hall Consortium Trust has a formal reserves policy. This ensures that there are sufficient funds to cover outstanding liabilities to suppliers and employees for two months. It also ensures there are resources for emergency capital repairs.

The Trust's policy will be updated in 2025/26 to increase our financial reserves to cover 3 months of operating costs, including an adjustment for inflation.

Availability and adequacy of assets of each of the funds

The board of trustees is satisfied that the charity's assets in each fund are available and adequate to fulfil its obligations in respect of each fund.

The major risks to which the Charity is exposed and systems to mitigate them

The Board has conducted a review of the major risks to which the charity is exposed. These include governance, operational, financial, compliance and external risks. Where appropriate, systems, procedures and resources have been established or allocated to mitigate the risks the charity faces.

Internal control risks are reduced by systems for authorising expenditure and clear levels of delegated responsibilities. Procedures are in place to ensure compliance with health and safety of staff, volunteers, creative residents and visitors to the building. The Trust holds monthly meetings with regular users of the building to engage with their views on how it is operating and formally consults with them over the development of any policy change that may affect them. All these procedures and initiatives are periodically reviewed to ensure that they continue to meet the needs of the charity. Financial reports are made at each Board meeting and the company takes a pragmatic view with regards to new initiatives and to income generation.

The external risks to the charity include pressures on the organisation due to rapid urban development in the locality and the potential impact of possible changes to statutory support from the local council in relation to the organisation's premises. The Trust continues its research into lease renewal of its premises.

Economic uncertainty impacts Limehouse Town Hall's financial stability. It is likely that core operating costs will rise in the coming years, and so the Trust is looking into different funding streams to support its operations, and continue supporting thousands of local residents every year.

Exemptions from disclosure

The Trust does not claim any exemptions from disclosing the names of Trustees, the charity's address, or other information normally included in a Trustees' annual report.

Funds held as custodian trustee on behalf of others

No funds were held as a custodian trustee on behalf of others during the year.

Statement of the Directors Trustees' Responsibilities

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Companies Act 2006, the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP).

In particular, the Companies Act 2006 and charity law require the Board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to:

- Prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law)
- Select suitable accounting policies and apply them consistently
- Make judgements and estimates that are reasonable and prudent
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006 and comply with regulations made under the Charities Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the contents of the Trustees' report, and the statutory responsibility of the Independent Examiner in relation to the Trustees' report is limited to examining the report and ensuring that, on the face of the report, there are no material inconsistencies with the figures disclosed in the financial statements.

Method of preparation of accounts - Small company provisions

The financial statements have been prepared implementing the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, and in accordance with the Financial Reporting Standard 102.

These financial statements have been prepared in accordance with the provisions in Part 15 of the Companies Act 2006, applicable to companies subject to the small companies regime.

This report was approved by the board of trustees on **19 March 2026**.

OWEN PEARSON
Director and Trustee

Independent examiner's report to the trustees of Limehouse Town hall Consortium Trust ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2025.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
- the accounts do not accord with those records; or
- the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

OWEN PEARSON
Director and Trustee

1 Accounting policies

Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities in preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

Public benefit entity

The Charitable company meets the definition of a public benefit entity under FRS 102.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern for a period of at least 12 months from the date on which these financial statements are approved. The accounts have been prepared on the assumption that the charity is able to continue as a going concern based on the level of unrestricted reserves held at the year end.

Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from the government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

Donated services and facilities

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item, is probable and the economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), general volunteer time is not recognised.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity: this is normally upon notification of the interest paid or payable by the bank.

Funds accounting

Unrestricted funds are available to spend on activities that further any of the purposes of the charity. Restricted funds are donations which the donor has specified are to be solely used for particular areas of the charity's work or for specific projects being undertaken by the charity.

Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Limehouse Town Hall Consortium Trust

Notes to the financial statements

For the year ended 31 March 2025

1 Accounting policies (continued)

Allocation of support and governance costs

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Governance costs are the costs associated with the governance arrangements of the charity, including the costs of complying with constitutional and statutory requirements and any costs associated with the strategic management of the charity's activities. These costs have been allocated between cost of raising funds and expenditure on charitable activities based on the proportion of staff costs.

Tangible fixed assets

Items of equipment are capitalised where the purchase price exceeds £500. Assets are reviewed for impairment if circumstances indicate their carrying value may exceed their net realisable value and value in use. Depreciation is provided at rates calculated to write down the cost of each asset to its estimated residual value over its expected useful life. The depreciation rates in use are as follows:

Computer equipment	3 years straight line basis
Office equipment	3 years straight line basis

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Creditors

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently recognised at amortised cost using the effective interest method.

Accounting estimates and key judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

There are no key sources of estimation uncertainty that have a significant effect on the amounts recognised in the financial statements.

Legal and Administrative Information

The legal name of the charity is:- Limehouse Town Hall Consortium Trust.

The charity is also known by its operating name, Limehouse Town Hall Consortium Trust. **The charity's areas operation and UK charitable registration.**

The charity is registered in England & Wales with the Charity Commission in England & Wales (CCEW) with charity number 1104459.

The charity does not operate in any overseas jurisdictions.

Legal structure of the charity

The charity is constituted as a company limited by guarantee, registered under the Companies Acts. The governing document of the charity is the Memorandum and Articles of Association establishing the company under company legislation.

Directors are elected at AGMs, serving for two years before standing down, at which point they may be proposed for re-election. There are currently five directors.

There are no restrictions in the governing documents on the operation of the Charity or on its investment powers other than those imposed by Charity Law.

By operation of law all trustees are directors under the Companies Act 2006 and all directors are trustees under Charities legislation and have responsibilities, as such, under both company and charity legislation.

The Trustees are all individuals.

The principal operating address of the charity is:-

Limehouse Town Hall
646 Commercial Road
London
E14 7HA

The registered office of the charity for Companies Act purposes is the same as the operating address shown above.

Trustees' Annual Report for the year ended 31 March 2023

The Trustees in office on the date the report was approved were:-

S Begum Ali
P Garayo
O Pearson
J D Wareing
D Breeze

The following persons served as Trustees during the year ended 31 March 2023:-

The trustees who served as a trustee in the reporting period, and, if applicable, their dates of appointment or resignation during the year were:-

<i>Name</i>	<i>Appointed</i>	<i>Resigned/Retired</i>
S Begum Ali		
O Bellas		6 January 2023
M S Boyle		
P Garayo		
O Pearson		
J D Wareing	6 December 2022	

All the trustees are also members of the charity. It is considered that all Trustees and any others who could be understood to be 'managers' in the activities and affairs of the Charity - as defined in Schedule 6 of the Finance Act 2010 - have completed declarations confirming that they are 'fit and proper' persons under the terms of the Finance Act 2010.

Trustees' Report

Objectives, Activities and Performance

Objectives

Limehouse Town Hall Consortium Trust's objectives as set out in the charity's articles and memorandum of association are:

- To act as a resource for artists, community arts organisations, cultural producers, and communities;
- To maintain, improve and promote Limehouse Town Hall's use with the aims of advancing public education and involvement in arts and culture and restoring the building to its place as an active participant in Limehouse, the east end of London and beyond;
- To act as a support organisation for a range of important London artists and organisations working in theatre, visual art, digital art, dance and socially engaged practice who have found a home at Limehouse Town Hall.

A grade II listed building, and one-time National Labour History museum, Limehouse Town Hall is a place where artists, cultural producers, audiences and communities, from Tower Hamlets and beyond, are supported to share ideas, try out new things, and imagine a better here and now.

Activities

The trust's activity over the year has continued to concentrate on the conservation, maintenance, operation and management of Limehouse Town Hall. This work can be broadly categorised under the following activities:

- The physical infrastructure's conservation, maintenance and refurbishment;
- The development, operation and management of organisational and project activities that support the building's creative residents and their engagement with each other, local communities and the wider public;
- The development of the Trust's own public engagement activities;
- The development of wider networks and partnerships that strengthen the organisation, its visibility and reputation in the sector.

The Trust supported and initiated a range of activities for the benefit of the public. These included:

- Preparing to launch a local food co-op, which would provide great quality fruit & vegetables to the local community at great prices, which aims to address the lack of provision for good quality nutritious food in Tower Hamlets. This project is a part of the Just FACT network in Tower Hamlets, and is funded by the Women's Environmental Network and the Wakefield and Tetley Trust;
- In consultation with community hall users and building residents, continuing our "Widening Access" project, with the primary aim of opening up our main hall and focussing on how the building could best be used as a resource for hyper local activity;
- Supporting community groups by providing free activity space, including to Tower Hamlets Wheelers who run a monthly bicycle repair workshop, Limehouse Library of Tools, coffee mornings for local residents and a Makers Meet craft group.
- Supporting community groups by providing discounted activity space to local groups such as Capoeira Ginga de Quilombo and East London Circus Hub.
- Ongoing maintenance of the building – including responding to and proactively addressing emergency and ongoing capital repairs to ensure the conservation of the building;
- Continuing to open up our yard spaces for meeting, growing and celebrating;
- Providing affordable studio space to local creatives, cultural producers, charities and organisations who provide services to local residents.

"Limehouse Town Hall is one of very few community-run, non-profit spaces remaining in central London. Without this building and the support of its community we could not exist as a group, nor would we be able to do the work we do."

- Building resident

Achievements, performance and how this has impacted our beneficiaries

Widening access

Throughout the COVID-19 pandemic, the main hall has gone through long periods of low/no activity due to health and safety concerns and Government guidance. The Widening Access project, implemented in late 2021, has been continuing throughout 2022/23 to reduce barriers for local people to the community space at Limehouse Town Hall. The project has produced improved usability and transparency for the hall management, a robust and clear booking system and duty management training to enhance employment opportunities for local residents.

Working closely with community partners we have developed a thriving regular programme of activities for local residents, including a bicycle repair workshop, East London Circus Hub, Capoeira Ginga de Quilombo, Limehouse Library of Tools, coffee mornings and Makers Meets. Central to our Widening Access programme is that we actively welcome people from all socio-economic backgrounds, religions and ethnicities.

We have greatly improved the income brought into the charity through the widening access programme, through higher paid corporate and film & tv bookings, which has in turn enabled us to provide subsidised and free space to local community groups on a regular and ad-hoc basis.

Throughout this year, an Access Coordinator has been employed to implement these systems which has been hugely beneficial to bring about structural and cultural changes to the organisation, with the employment contract finishing at the end of the financial year due to the role's aims being fulfilled.

"The building is a new landmark in the circus and physical theatre community's world, and provides a crucial home for the community's growth. It also provides a central hub allowing us to make deeper connections with the local area, with other groups and residents who also use the building, and to contribute to wellbeing and cultural diversity."

- Regular community group user

Affordable studio space

Our studio spaces have been let out through 2022/23 at an affordable rate, to local individual artists and cultural producers, creative collectives such as *The Boxing Club* and *Limehouse Labs*, charities such as *Stitches in Time* and their social enterprise arm *FabricWorks*, and other organisations including *Primal Pictures* and *Concrete Action*.

In 2022/23 we increased residents' space hire fees, in order to move the organisation forward and build toward safeguarding its short- & medium-term future, while creating more financial transparency by addressing historical disparities in square footage costs. The proposal also realised our aim to increase access to the building from April 2023.

Policies and procedures

Limehouse Town Hall Consortium Trust has strengthened its organisational stability by compiling and reviewing policies to be implemented across the organisation, in consultation with building users and charity beneficiaries. These have included:

- Safeguarding for vulnerable adults
- Safeguarding for children
- Health & safety
- Equality, diversity & inclusion
- Volunteer policy

LTHCT will continue to review and introduce further policies and procedures as necessary, with reviews taking place once a quarter.

Volunteer programme

Prior to this financial year, the Trust has worked with volunteers on a mostly informal ad-hoc basis. The Trust recognises that the advancement of Limehouse Town Hall in becoming an active cultural and community participant has been significantly enhanced by dedicated volunteers over the years, including

in maintenance & repairs to the building and providing assistance during community-led projects and events.

This year, it has been the aim of the Trust to develop a more structured volunteer programme, in order to start recruiting volunteers to work with us during the weekly food coop. We have compiled and implemented the following as part of our recruitment processes:

- Volunteer policy
- Volunteer handbook
- Volunteer induction & agreements
- Volunteer expenses procedures

We hope that a structured volunteer programme will contribute to the building's supportive ecosystem for local residents and building users, and will reinforce the building's position as a nurturing space where people can come together to create, innovate and thrive.

Strategic development

The Trust has been working on compiling a medium- & long-term strategy for development, in consultation with local residents, building users and beneficiaries. These strategic strands include:

- Income generation to ensure financial sustainability, to ensure that the building can continue to be a resource for thousands of people each year;
- Continuing to widen access to the building and its resources to communities in Tower Hamlets and beyond;
- Developing partnerships with neighbouring organisations and communities, to build on existing community knowledge and resources whilst increasing our impact and outreach;
- To develop the Access Coordinator role to better suit the current needs of the charity & communities we serve;
- To make a case for Limehouse Town Hall to be assigned as an Asset of Community Value in Tower Hamlets, which will help to ensure our longevity and impact for years to come;
- To start working on renewing our lease with the council, which will allow us to continue the integral work we do in Tower Hamlets and beyond.
- In 2023-24 the Trust plans to make adjustments to its Licence/Space Hire Fee income, in light of increasing costs and the volatile nature of the economy more generally. The Trust will undertake these adjustments whilst ensuring that all current creative residents and organisations are supported to remain in the building, and widen access to ever more people.
- The Trust's financial reserves policy will be amended in 2023/24 to increase our reserves to cover 3 months of operating costs, including an adjustment for inflation.

"Preserving Limehouse Town Hall is not just about safeguarding a historic structure; it is about preserving the beating heart of our community. The hall's continued existence ensures that future generations can benefit from the same cultural exchange and community spirit that we currently enjoy."

- Regular community group user

Structure, governance and management of the charity

The methods used to recruit and appoint new charity Trustees

The Trust engages in regular strategy meetings where it reflects on the needs of the organisation and the kinds of skills, expertise and knowledge needed from its Board. Its recruitment process engages with the Trust's current networks and its mailing lists, by reaching beyond existing networks at partnership events and advertising on trustee recruitment boards.

Recruitment includes proper briefing of prospective candidates (e.g. information packs, attendance at some building events and monthly open meetings before formal invitation, etc.). Trustee's must be members of the organisation and Directors of the company. They are appointed at the Annual General Meeting of the organisation. The Trust plans to continue revitalising its Board and aims to recruit at least two new members in 2023-24.

The Board recruited a new Trustee, Jonty Wareing, in December 2022, to support the Trust and Operations Group in working on strategies to renew the lease and develop its community work in order for the Trust to fulfil its charitable aims.

With four part-time employees and a handful of project-based workers and volunteers, the Directors have been able to continue to attend to strategy formation.

LTHCT is committed to being a beneficiary led organisation. As such, monthly open meetings are held with users of the building and working groups are supported to address specific operational issues. We

continue to relook at our meeting structures to support further centring access as a core to our governance work.

Financial Review

The charity's financial position at the end of the year ended 31 March 2023

The financial position of the charity at 31 March 2022 and comparatives for the prior period, as more fully detailed in the accounts, can be summarised as follows:

	2023	2022
	£	£
Net Income	12,305	-20,679
Unrestricted Revenue Funds available for the		
general purposes of the charity	27,350	14,665
Designated Revenue Funds	8,000	8,000
Total Unrestricted Funds	35,350	22,665
Restricted Revenue Funds	-	379
Total Funds	35,350	23,044

Financial review of the position at the reporting date, 31 March 2023

All spaces for hire within the Trust's property are currently in use and producing income for the Trust. Income from licensing spaces within the Town Hall covers the Trust's core costs, including rent (to London Borough of Tower Hamlets), building insurance, utilities, basic administration, audit and statutory costs.

The Trust acknowledges a discretionary charitable rates reduction granted by the London Borough of Tower Hamlets.

Policies on Reserves

Limehouse Town Hall Consortium Trust has a formal reserves policy. This ensures that there are sufficient funds to cover outstanding liabilities to suppliers and employees for two months. It also ensures there are resources for emergency capital repairs.

The Trust's policy will be updated in 2023/24 to increase our financial reserves to cover 3 months of operating costs, including an adjustment for inflation.

Availability and adequacy of assets of each of the funds

The board of trustees is satisfied that the charity's assets in each fund are available and adequate to fulfil its obligations in respect of each fund.

The major risks to which the Charity is exposed and systems to mitigate them

The Board has conducted a review of the major risks to which the charity is exposed. These include governance, operational, financial, compliance and external risks. Where appropriate, systems, procedures and resources have been established or allocated to mitigate the risks the charity faces.

Internal control risks are reduced by systems for authorising expenditure and clear levels of delegated responsibilities. Procedures are in place to ensure compliance with health and safety of staff, volunteers, creative residents and visitors to the building. The Trust holds monthly meetings with regular users of the building to engage with their views on how it is operating and formally consults with them over the development of any policy change that may affect them. All these procedures and initiatives are periodically reviewed to ensure that they continue to meet the needs of the charity. Financial reports are made at each Board meeting and the company takes a pragmatic view with regards to new initiatives and to income generation.

The external risks to the charity include pressures on the organisation due to rapid urban development in the locality and the potential impact of possible changes to statutory support from the local council in relation to the organisation's premises. The Trust continues its research into lease renewal of its premises.

Economic uncertainty impacts Limehouse Town Hall's financial stability. It is likely that core operating costs will rise in the coming years, and so the Trust is looking into different funding streams to support its operations, and continue supporting thousands of local residents every year.

Exemptions from disclosure

LTHCT does not claim any exemptions from disclosing the names of Trustees, the charity's address, or other information normally included in a Trustees' annual report.

Funds held as custodian trustee on behalf of others

No funds were held as a custodian trustee on behalf of others during the year.

Trustees' thank you!

In our 20th year as an organisation, it is heartening to reflect on the diverse artistic, social benefit communities and all the individuals who have been supported and enabled to thrive and develop over the decades thanks to Limehouse Town Hall.

The Trustees wish to acknowledge and thank the staff for their hard work and dedication throughout the year, in often very challenging circumstances as we emerge from the COVID-19 pandemic. Their vision, energy and innovation have driven organisational development that will continue to increase our community offer whilst ensuring financial sustainability for the future.

We also acknowledge the important and essential contribution of all our volunteers and residents whose goodwill and support is invaluable to us. We very much appreciate the pro-bono support we have been given in a variety of specialist areas.

We are extremely grateful to the funders and donors that have recognised the value of our work and continue to support us, as we continue to enhance our public programme.

Trustees' Annual Report for the year ended 31 March 2023

Statement of the Directors Trustees' Responsibilities

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Companies Act 2006, the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the Trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts according to the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP).

In particular, the Companies Act 2006 and charity law require the Board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to:-

- Prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law)
- Select suitable accounting policies and apply them consistently
- Make judgements and estimates that are reasonable and prudent
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006 and comply with regulations made under the Charities Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the contents of the Trustees' report, and the statutory responsibility of the Independent Examiner in relation to the Trustees' report is limited to examining the report and ensuring that, on the face of the report, there are no material inconsistencies with the figures disclosed in the financial statements.

Method of preparation of accounts - Small company provisions

The financial statements are set out on pages **17 - 36**.

The financial statements have been prepared implementing the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016).

These financial statements have been prepared in accordance with the provisions in Part 15 of the Companies Act 2006. applicable to companies subject to the small companies regime.

This report was approved by the board of trustees on **Tuesday 23 January 2024**.

OWEN PEARSON
Director and Trustee

Independent examiner's report to the trustees of Limehouse Town Hall Consortium Trust ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2023.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The 'SORP Ref' indicated above is the classification of Balance Sheet items as set out in the formal SORP documents. As required by paragraph 4.60 of the SORP, the brought forward and carried forward funds above have been agreed to the SOFA.

The directors are satisfied that the company is entitled to exemption from the requirement to obtain an audit under section 477 of the Companies Act 2006. The members have not required the company to obtain an audit in accordance with section 476 of the Act.

The directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of accounts.

The charity is subject to Independent Examination under charity legislation, and the report of the Independent Examiner is on page 16. The financial statements have been prepared in accordance with the provisions in Part 15 of the Companies Act 2006, applicable to companies subject to the small companies regime.

Trustee

Approved by the board of trustees on 23 January 2024

The notes attached on pages 26 to 36 form an integral part of these accounts.

Limehouse Town hall Consortium Trust

Notes to the Accounts for the year ended 31 March 2023

1 Accounting policies

Policies relating to the production of the accounts.

Basis of preparation and accounting convention

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW) , effective January 2016, , and in accordance with all applicable law in the charity's jurisdiction of registration, except that the charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

Going Concern

The charitable activities are entirely dependent on continuing grant aid and voluntary donations as well as trading revenues. As a consequence, the going concern basis is dependent on the future flow of these uncertain funding streams. Accordingly, the Trustees have obtained forecasts and, after reviewing the financial forecasts for future periods to **31 December 2024**, the Trustees are satisfied that, at the time of approving the financial statements, it is appropriate to adopt the going concern basis in preparing the financial statements. Other than these matters, the Trustees are not aware of any material uncertainties about the charity's ability to continue as a going concern.

Risks and future assumptions

The Trustees recognise that in relation to 'Risk Assessment', risk is defined as 'the threat of any action or event which will adversely affect an organisation's ability to achieve its objectives and execute its strategies'. It also accepts that the term 'risk' can include any circumstances that may, or do, have an adverse effect, and is wider than financial matters. 'Risks' relate not only to the negative consequences of a threat, but also to the impact of not taking advantage of opportunities. The Trustees maintains and reviews at least annually its risk register.

The Trustees recognise it requires a practical Health and Safety Policy covering activities within the community hall. This is reviewed on a regular basis. An Accident Book is maintained.

The contents and obligations of the Equality Act 2010 and the 2018 General Data Protection Regulation are known and complied with to the best of the Trustee's ability. The Trustees are aware of its responsibilities in respect of the Regulatory Reform (Fire Safety) Order 2005 in its requirement to carry out a fire assessment to identify any possible dangers and risks, to take action to minimise the risks and to create a plan to deal with any emergencies, and also to write up and keep a record of its findings and to review its assessment annually.

Areas of Judgement or Estimation

The preparation of the financial statements in line with the Charities' SORP and FRS102 requires the Trustees' to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenditure.

The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. Revisions to accounting estimates are recognised in the period in which the estimate is revised, if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Policies relating to categories of income and income recognition.

Nature of income

Gross income represents the value, net of value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers.

Categories of Income

Income is categorised as income from exchange transactions (contract income) and income from non-exchange transactions (gifts), investment income and other income.

Income from exchange transactions is received by the charity for goods or services supplied under contract or where entitlement is subject to fulfilling performance related conditions. The income the charity receives is approximately equal in value to the goods or services supplied by the charity to the purchaser.

Income from a non-exchange transaction is where the charity receives value from the donor without providing equal value in exchange, and includes donations of money, goods and services freely given without giving equal value in exchange.

Income recognition

Income, whether from exchange or non exchange transactions, is recognised in the statement of financial activities (SOFA) on a receivable basis, when a transaction or other event results in an increase in the charity's assets or a reduction in its liabilities and only when the charity has legal entitlement, the income is probable and can be measured reliably.

Dividends are accrued when the shareholder's right to receive payment is established.

Income subject to terms and conditions which must be met before the charity is entitled to the resources is not recognised until the conditions have been met.

All income is accounted for gross, before deducting any related fees or costs.

Accounting for deferred income and income received in advance

Where terms and conditions relating to income have not been met or uncertainty exists as to whether the charity can meet any terms or conditions otherwise within its control, income is not recognised but is deferred as a liability until it is probable that the terms or conditions imposed can be met.

Any grant that is subject to performance-related conditions received in advance of delivering the goods and services required by that condition, or is subject to unmet conditions wholly outside the control of the recipient charity, is accounted for as a liability and shown on the balance sheet as deferred income. Deferred income is released to income in the reporting period in which the performance-related or other conditions that limit recognition are met.

When income from a grant or donation has not been recognised due to the conditions applying to the gift not being wholly within the control of the recipient charity, it is disclosed as a contingent asset if receipt of the grant or donation is probable once those conditions are met.

Where time related conditions are imposed or implied by a funder, then the income is apportioned to the time periods concerned, and, where applicable, is accounted for as a liability and shown on the balance sheet as deferred income. When grants are received in advance of the expenditure on the activity funded by them, but there are no specific time related conditions, then the income is not deferred.

Any condition that allows for the recovery by the donor of any unexpended part of a grant does not prevent recognition of the income concerned, but a liability to any repayment is recognised when repayment becomes probable.

Policies relating to expenditure on goods and services provided to the charity.

Recognition of liabilities and expenditure

A liability, and the related expenditure, is recognised when a legal or constructive obligation exists as a result of a past event, and when it is more likely than not that a transfer of economic benefits will be required in settlement, and when the amount of the obligation can be measured or reliably estimated.

Liabilities arising from future funding commitments and constructive obligations, including performance related grants, where the timing or the amount of the future expenditure required to settle the obligation are uncertain, give rise to a provision in the accounts, which is reviewed at the accounting year end. The provision is increased to reflect any increases in liabilities, and is decreased by the utilisation of any provision within the period, and reversed if any provision is no longer required. These movements are charged or credited to the respective funds and activities to which the provision relates.

Policies relating to assets, liabilities and provisions and other matters.

Tangible fixed assets

Tangible fixed assets are measured at their original cost value, or subsequent revaluation, or if donated, as described above. Cost value includes all costs expended in bringing the asset into its intended working condition.

Depreciation has been provided at the following rates in order to write off the assets to their anticipated residual value over their estimated useful lives.

Freehold premises	0 % straight line
Leasehold premises	2 % straight line
Plant and machinery	20 % straight line

A regular annual review of the likelihood of asset impairment is undertaken.

Accounting for capital grants and fixed asset funds.

Gifts of tangible fixed assets or grants of a capital nature, given for the purposes of acquiring specific assets to be fully utilised in the furtherance of the objects of the charity, are credited to fixed asset funds after the donated asset has been received or sums have been properly expended on the restricted purpose.

Where the terms of the gift require the charity to hold the asset on an ongoing basis for a specific purpose, then the fixed asset fund so created is categorised as a restricted fixed asset fund, and the relevant restrictions are noted in the fixed asset note 10.

Where the terms of the gift are met once the asset is acquired, so allowing the charity to use the asset on an unrestricted basis, including the right to receive the proceeds of any future sale of the asset on an unrestricted basis, then the fixed asset fund so created is categorised as a designated fixed asset fund.

When assets are acquired for the furtherance of the charity's objects, utilising the charity's own unrestricted funds, a transfer is made from unrestricted funds to a designated fixed asset fund.

Whether acquired with unrestricted or restricted funds, the asset acquired is initially shown in the balance sheet at the full

cost of acquisition or subsequent revaluation.

As the related assets are depreciated, in accordance with the depreciation policy, in order to reflect the diminution in the asset, a transfer is made from the relevant fixed asset funds to either unrestricted or restricted revenue funds, as appropriate to the terms of the original gift, if any.

The effect of this policy is that the aggregate of all fixed asset funds shall equate to the net book value of fixed assets.

In the first year that this policy was adopted, a transfer to fixed asset funds was made equivalent to the net book value of the assets.

Any residual liability to the donor arising from, for example, the asset's future sale, is disclosed as a contingent liability unless the event that would trigger repayment of the grant becomes probable in which case a liability for repayment is recognised.

Insofar as this policy relates to Government grants and to the extent that it may be a departure from the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), such departure is justified on the basis that it is in order to comply with the SORP.

Stocks and work in progress

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Debtors

Trade and other debtors are recognised at the settlement amount. Prepayments are valued at the amount prepaid.

Creditors and provisions

The financial statements are prepared using the accruals basis and liabilities are recognised in the period in which they are incurred

Cash and bank balances

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal or as implied by law.

There are no endowment funds.

2 Liability to taxation

The Trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is not recoverable by the charity, and is therefore included in the relevant costs in the Statement of Financial Activities.

3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

4 Significance of financial instruments to the charity's position

There was no significance of financial instruments to the charity's position either in this financial year or the one preceding

5 Net surplus before tax in the financial year

Limehouse Town hall Consortium Trust

Trustees' Annual Report for the year ended 31 March 2022

The Trustees present their Report and Accounts for the year ended 31 March 2022, which also comprises the Directors' Report required by the Companies Act 2006.

Reference and administrative details

The charity name.

The legal name of the charity is:- Limehouse Town hall Consortium Trust.

The charity is also known by its operating name, Limehouse Town Hall Consortium Trust.

The charity's areas operation and UK charitable registration.

The charity is registered in England & Wales with the Charity Commission in England & Wales (CCEW) with charity number 1104459.

The charity does not operate in any overseas jurisdictions.

Legal structure of the charity

The charity is constituted as a company limited by guarantee, registered under the Companies Acts. The governing document of the charity is the Memorandum and Articles of Association establishing the company under company legislation.

Directors are elected at AGMs, serving for two years before standing down, at which point they may be proposed for re-election. There are currently **six** directors.

There are no restrictions in the governing documents on the operation of the Charity or on its investment powers other than those imposed by Charity Law.

By operation of law all, trustees are directors under the Companies Act 2006 and all directors are trustees under Charities legislation and have responsibilities, as such, under both company and charity legislation.

The trustees are all individuals.

The principal operating address of the charity are:-

Limehouse Town Hall
646 Commercial Road, London E14 7HA

The registered office of the charity for Companies Act purposes is the same as the operating address shown above.

The Trustees in office on the date the report was approved were:-

S Begum Ali
M S Boyle
P Garayo
O Pearson
J D Wareing

The following persons served as Trustees during the year ended 31 March 2022 :-

The trustees who served as a trustee in the reporting period, and, if applicable, their dates of appointment or resignation during the year were:-.

Name	Appointed	Resigned/Retired
S Begum Ali		
O Bellas		
M S Boyle		
P Garayo		
O Pearson	07-May-21	
M Hayder		22-Feb-22

All the trustees are also members of the charity.

Objects and activities of the charity

The purposes of the charity as set out in its governing document.

Limehouse Town Hall Consortium Trust (LTHCT) is a charity founded in 2004 as a resource for artists, community arts organisations, cultural producers, and communities. Its mission is to maintain, improve and promote Limehouse Town Hall's use with the aims of advancing public education and involvement in arts and culture and restoring the building to its place as an active participant in Limehouse, the east end of London and beyond. It has acted as a support organisation for a range of important London artists and organisations working in theatre, visual art, digital art, dance and socially engaged practice who have found a home at Limehouse Town Hall.

A grade II listed building, and one-time national labour history museum, Limehouse Town Hall is a place where artists, cultural producers, audiences and communities, from Tower Hamlets and beyond, are supported to share ideas, try out new things, and imagine a better here and now.

The main activities undertaken in relation to those purposes during the year.

The company's activity over the year has continued to concentrate on the conservation, maintenance, operation and management of Limehouse Town Hall. This work can be broadly categorised under the following activities:

- 1 The physical infrastructure's conservation, maintenance and refurbishment
- 2 The development, operation and management of organisational and project activities that support the building's creative residents and their engagement with each other, local communities and the wider public
- 3 The development of the Trust's own public engagement activities
- 4 The development of wider networks and partnerships that strengthen the organisation, its visibility and reputation in the sector

The main activities undertaken during the year to further the charity's purpose for the public benefit.

The Directors/Trustees confirm that they have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers and duties. Despite reduced access to the building to wider publics throughout most of 2021, the Trust supported and initiated a range of activities for the benefit of the public. These included:

- Ongoing maintenance of building – responding to and proactively addressing emergency and ongoing capital repairs to ensure the conservation of the building
- Running our “Widening Access” project, with the primary aim of opening up our main hall, following a period of reduced activity due to Covid. The project focused on how the building could best be used as a resource for hyper local activity
- Continuing to open up our garden and yard spaces for; growing, meeting and celebrating
- Running 3 weeks of a “pop up” Food Coop in our entrance hall, offering a range of fresh produce at affordable prices

The main achievements and performance of the charity during the year.

Due to Covid-19, our main hall had gone through long periods of low/no activity due to health and safety concerns, and Government guidance. With thanks to The Wakefield and Tetley Trust, we were able to run our Widening Access Programme to reduce barriers for local people to the community space at Limehouse Town Hall. The project produced improved usability and transparency for the hall management, robust and clear booking system and duty management training to enhance employment opportunities for local residents. The project took place with public health at the forefront, taking precautions including face coverings, ventilation and social distancing.

Limehouse Town Hall Consortium Trust partnered with Women's Environmental Network (WEN) and St. Hilda's East Community Centre to deliver a series of “pop up” Food Coops at Limehouse Town Hall. Residents were able to; purchase fresh produce at an affordable cost, learn skills through volunteering and socialise. The pop up Food Coops were a massive success, and received a positive response and so Limehouse Town Hall Consortium Trust plan to work with WEN and St. Hilda's East Community Centre in 2022/23 to deliver a regular, weekly, Food Coop for residents in Limehouse and Tower Hamlets.

The difference the charity's performance during the year has made to the beneficiaries of the charity.

Limehouse Town Hall Consortium Trust has strengthened its organisational stability by taking steps to open up its main hall, with scope for further community activities to take place, as well as greater

income generating potential. The Board recruited a new Director/Trustee, Owen Pearson, to support the Operations Group in managing the organisational finances.

The Trust also employed the freelance services of a Finance Director, on a short term agreement, to support the introduction of a new budgeting and financial management system.

As the Trust ends the 2021/22 financial year, it is planning to make further structural changes to ensure the long term sustainability of the organisation.

The Trust acknowledges that organisational sustainability is key to ensuring that the building can continue to be a resource for thousands of local residents each year, and will continue to prioritise this.

Structure, governance and management of the charity

The methods used to recruit and appoint new charity trustees.

The Trust engages in bi-annual strategy meetings where it reflects on the needs of the organisation and the kinds of skills, expertise and knowledge needed from its Board. Its recruitment process engages with the Trust's current networks and its mailing lists as well as reaching beyond existing networks at partnership events.

Recruitment includes proper briefing of prospective candidates (e.g. information packs, attendance at some building events and monthly open meetings before formal invitation, etc.). Trustees must be members of the organisation and Directors of the company. They are appointed at the Annual General Meeting of the organisation. The Trust plans to continue revitalising its Board and aims to recruit at least one new member in 2021-22

With two part time employees, three project-based freelance workers and a handful of project-based workers and volunteers, the Directors have been able to continue to attend to strategy formation.

LTHCT is committed to being a beneficiary led organisation. As such, monthly open meetings are held with users of the building and working groups are supported to address specific operational issues. Work continues to examine how to best facilitate participation at open meetings by non-English speaking constituencies and we are currently trialing live translations at all building wide meetings. We continue to relook at our meeting structures to support further centering access as a core to our governance work.

Financial review

The charity's financial position at the end of the year ended 31 March 2022

The financial position of the charity at 31 March 2022 and comparatives for the prior period, as more fully detailed in the accounts, can be summarised as follows:-

	2022	2021
	£	£
Net Income	-20,679	11,063

Unrestricted Revenue Funds available for the		
general purposes of the	14,665	29,201
charity Designated Revenue Funds	8,000	8,000
Total Unrestricted Funds	22,665	37,201
Restricted Revenue Funds	379	6,522
Total Funds	23,044	43,723

Financial review of the position at the reporting date, 31 March 2022.

All spaces for hire within the Trust's property are currently in use and producing income for the Trust. Income from licensing spaces within the Town Hall covers the Trust's core costs, including rent (to London Borough of Tower Hamlets), building insurance, utilities, basic administration, audit and statutory costs. In the financial year the Trust's income did not produce a surplus, and so the charity utilised some of its free reserves to cover extraordinary expenditure.

The Trust made a deficit of **£20,679** in 2021-22. The Trust took the decision to utilise free reserves, as part of its organisational sustainability strategy.

In 2022-23 The Trust plans to make adjustments to its Licence/Space Hire Fee income, in light of increasing costs and the volatile nature of the economy more generally. The Trust will undertake these adjustments whilst ensuring that all current creative residents and organisations are supported to remain in the building, and widen access to ever more people.

The Trust acknowledges a discretionary charitable rates reduction granted by the London Borough of Tower Hamlets.

Policies on reserves.

Limehouse Town Hall Consortium Trust has a formal reserves policy. This ensures that there are sufficient funds to cover outstanding liabilities to suppliers and employees for two months. It also ensures there are resources for emergency capital repairs and seed funding for small research and development projects that benefit the organisation and its aims.

Availability and adequacy of assets of each of the funds

The board of trustees is satisfied that the charity's assets in each fund are available and adequate to fulfil its obligations in respect of each fund.

The major risks to which the Charity is exposed and reviews and systems to mitigate them.

The Board has conducted a review of the major risks to which the charity is exposed. These include governance, operational, financial, compliance and external risks. Where appropriate, systems, procedures and resources have been established or allocated to mitigate the risks the charity faces.

Internal control risks are reduced by systems for authorising expenditure and clear levels of delegated responsibilities. Procedures are in place to ensure compliance with health and safety of staff, volunteers, creative residents and visitors to the building. The Trust holds monthly meetings with regular users of the building to engage with their views on how it is operating and formally consults with them over the development of any policy change that may affect them. All these procedures and initiatives are periodically reviewed to ensure that they continue to meet the needs of the charity. Financial reports are made at each Board meeting and the company takes a pragmatic view with regards to new initiatives and to income generation

The external risks to the charity include pressures on the organisation due to rapid urban development in the locality and the potential impact of possible changes to statutory support from the local council in relation to the organisation's premises. The Trust continues its research into lease renewal of its premises.

Economic uncertainty impacts Limehouse Town Hall's financial stability. It is likely that core operating costs will rise in the coming years, and so the Trust is looking into different funding streams to support its operations, and continue supporting thousands of local residents every year.

Trustees' Annual Report for the year ended 31 March 2022

Statement of the Directors Trustees' Responsibilities

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Companies Act 2006, the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the Trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts according to the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP).

In particular, the Companies Act 2006 and charity law require the Board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to:-

- Prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law)

- Select suitable accounting policies and apply them consistently
- Make judgements and estimates that are reasonable and prudent
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006 and comply with regulations made under the Charities Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the contents of the Trustees' report, and the statutory responsibility of the Independent Examiner in relation to the Trustees' report is limited to examining the report and ensuring that, on the face of the report, there are no material inconsistencies with the figures disclosed in the financial statements.

The Trustees consider that the audit requirement of Section 144(1) of the Charities Act 2011 (the Act) does not apply, and that there is no requirement in the memorandum and articles of the charity for the conducting of an audit, and that the accounts do not require an audit in accordance with Part 16 of the Companies Act 2006 and that no member or members have requested an audit pursuant to Section 476 of the Companies Act 2006. As a consequence, the Trustees have elected that the financial statements be subject to independent examination.

Method of preparation of accounts - Small company provisions

The financial statements are set out on pages **8 - 25**.

The financial statements have been prepared implementing the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016).

These financial statements have been prepared in accordance with the provisions in Part 15 of the Companies Act 2006, applicable to companies subject to the small companies regime.

This report was approved by the board of trustees on **21 March 2023**.

A handwritten signature in black ink, appearing to read "Owen Pearson". The signature is fluid and cursive, with the first name "Owen" being more prominent than the last name "Pearson".

OWEN PEARSON
Director and Trustee

Independent examiner's report to the trustees of Limehouse Town hall Consortium Trust ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2022.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The 'SORP Ref' indicated above is the classification of Balance Sheet items as set out in the formal SORP documents. As required by paragraph 4.60 of the SORP, the brought forward and carried forward funds above have been agreed to the SOFA.

The directors are satisfied that the company is entitled to exemption from the requirement to obtain an audit under section 477 of the Companies Act 2006. The members have not required the company to obtain an audit in accordance with section 476 of the Act.

The directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of accounts.

The charity is subject to Independent Examination under charity legislation, and the report of the Independent Examiner is on page 8. The financial statements have been prepared in accordance

with the provisions in Part 15 of the Companies Act 2006, applicable to companies subject to the small companies regime.

Approved by the board of trustees on 21 March 2023.

The notes attached on pages 14 to 24 form an integral part of these accounts.

Limehouse Town hall Consortium Trust

Notes to the Accounts for the year ended 31 March 2022

1 Accounting policies

Policies relating to the production of the accounts.

Basis of preparation and accounting convention

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW) , effective January 2016, , and in accordance with all applicable law in the charity's jurisdiction of registration, except that the charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

Going Concern

The charitable activities are entirely dependent on continuing grant aid and voluntary donations as well as trading revenues. As a consequence, the going concern basis is dependent on the future flow of these uncertain funding streams. Accordingly, the Trustees have obtained forecasts and, after reviewing the financial forecasts for future periods to **31 December 2023**, the Trustees are satisfied that, at the time of approving the financial statements, it is appropriate to adopt the going concern basis in preparing the financial statements. Other than these matters, the Trustees are not aware of any material uncertainties about the charity's ability to continue as a going concern.

Risks and future assumptions

The Trustees recognise that in relation to 'Risk Assessment', risk is defined as 'the threat of any action or event which will adversely affect an organisation's ability to achieve its objectives and execute its strategies'. It also accepts that the term 'risk' can include any circumstances that may, or do, have an adverse effect, and is wider than financial matters. 'Risks' relate not only to the negative consequences of a threat, but also to the impact of not taking advantage of opportunities. The Trustees maintains and reviews at least annually its risk register.

The Trustees recognise it requires a practical Health and Safety Policy covering activities within the community hall. This is reviewed on a regular basis. An Accident Book is maintained.

The contents and obligations of the Equality Act 2010 and the 2018 General Data Protection Regulation are known and complied with to the best of the Trustee's ability. The Trustees are aware

of its responsibilities in respect of the Regulatory Reform (Fire Safety) Order 2005 in its requirement to carry out a fire assessment to identify any possible dangers and risks, to take action to minimise the risks and to create a plan to deal with any emergencies, and also to write up and keep a record of its findings and to review its assessment annually.

Policies relating to categories of income and income recognition.

Nature of income

Gross income represents the value, net of value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers.

Categories of Income

Income is categorised as income from exchange transactions (contract income) and income from non-exchange transactions (gifts), investment income and other income.

Income from exchange transactions is received by the charity for goods or services supplied under contract or where entitlement is subject to fulfilling performance related conditions. The income the charity receives is approximately equal in value to the goods or services supplied by the charity to the purchaser.

Income from a non-exchange transaction is where the charity receives value from the donor without providing equal value in exchange, and includes donations of money, goods and services freely given without giving equal value in exchange.

Income recognition

Income, whether from exchange or non exchange transactions, is recognised in the statement of financial activities (SOFA) on a receivable basis, when a transaction or other event results in an increase in the charity's assets or a reduction in its liabilities and only when the charity has legal entitlement, the income is probable and can be measured reliably.

Dividends are accrued when the shareholder's right to receive payment is established.

Income subject to terms and conditions which must be met before the charity is entitled to the resources is not recognised until the conditions have been met.

All income is accounted for gross, before deducting any related fees or costs.

Accounting for deferred income and income received in advance

Where terms and conditions relating to income have not been met or uncertainty exists as to whether the charity can meet any terms or conditions otherwise within its control, income is not recognised but is deferred as a liability until it is probable that the terms or conditions imposed can

be met.

Any grant that is subject to performance-related conditions received in advance of delivering the goods and services required by that condition, or is subject to unmet conditions wholly outside the control of the recipient charity, is accounted for as a liability and shown on the balance sheet as deferred income. Deferred income is released to income in the reporting period in which the performance-related or other conditions that limit recognition are met.

When income from a grant or donation has not been recognised due to the conditions applying to the gift not being wholly within the control of the recipient charity, it is disclosed as a contingent asset if receipt of the grant or donation is probable once those conditions are met.

Where time related conditions are imposed or implied by a funder, then the income is apportioned to the time periods concerned, and, where applicable, is accounted for as a liability and shown on the balance sheet as deferred income. When grants are received in advance of the expenditure on the activity funded by them, but there are no specific time related conditions, then the income is not deferred.

Any condition that allows for the recovery by the donor of any unexpended part of a grant does not prevent recognition of the income concerned, but a liability to any repayment is recognised when repayment becomes probable.

Policies relating to expenditure on goods and services provided to the charity.

Recognition of liabilities and expenditure

A liability, and the related expenditure, is recognised when a legal or constructive obligation exists as a result of a past event, and when it is more likely than not that a transfer of economic benefits will be required in settlement, and when the amount of the obligation can be measured or reliably estimated.

Liabilities arising from future funding commitments and constructive obligations, including performance related grants, where the timing or the amount of the future expenditure required to settle the obligation are uncertain, give rise to a provision in the accounts, which is reviewed at the accounting year end. The provision is increased to reflect any increases in liabilities, and is decreased by the utilisation of any provision within the period, and reversed if any provision is no longer required. These movements are charged or credited to the respective funds and activities to which the provision relates.

Policies relating to assets, liabilities and provisions and other matters.

Tangible fixed assets

Tangible fixed assets are measured at their original cost value, or subsequent revaluation, or if donated, as described above. Cost value includes all costs expended in bringing the asset into its intended working condition.

Depreciation has been provided at the following rates in order to write off the assets to their anticipated residual value over their estimated useful lives.

Freehold premises	0 % straight line
Leasehold premises	2 % straight line
Plant and machinery	20 % straight line

A regular annual review of the likelihood of asset impairment is undertaken.

Accounting for capital grants and fixed asset funds.

Gifts of tangible fixed assets or grants of a capital nature, given for the purposes of acquiring specific assets to be fully utilised in the furtherance of the objects of the charity, are credited to fixed asset funds after the donated asset has been received or sums have been properly expended on the restricted purpose.

Where the terms of the gift require the charity to hold the asset on an ongoing basis for a specific purpose, then the fixed asset fund so created is categorised as a restricted fixed asset fund, and the relevant restrictions are noted in the fixed asset note 10.

Where the terms of the gift are met once the asset is acquired, so allowing the charity to use the asset on an unrestricted basis, including the right to receive the proceeds of any future sale of the asset on an unrestricted basis, then the fixed asset fund so created is categorised as a designated fixed asset fund.

When assets are acquired for the furtherance of the charity's objects, utilising the charity's own unrestricted funds, a transfer is made from unrestricted funds to a designated fixed asset fund.

Whether acquired with unrestricted or restricted funds, the asset acquired is initially shown in the balance sheet at the full cost of acquisition or subsequent revaluation.

As the related assets are depreciated, in accordance with the depreciation policy, in order to reflect the diminution in the asset, a transfer is made from the relevant fixed asset funds to either unrestricted or restricted revenue funds, as appropriate to the terms of the original gift, if any.

The effect of this policy is that the aggregate of all fixed asset funds shall equate to the net book value of fixed assets.

In the first year that this policy was adopted, a transfer to fixed asset funds was made equivalent to the net book value of the assets.

Any residual liability to the donor arising from, for example, the asset's future sale, is disclosed as a contingent liability unless the event that would trigger repayment of the grant becomes probable in which case a liability for repayment is recognised.

Insofar as this policy relates to Government grants and to the extent that it may be a departure from the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by

Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), such departure is justified on the basis that it is in order to comply with the SORP.

Stocks and work in progress

Stock is valued at the lower of cost and net realisable value.

Debtors

Debtors are measured at their recoverable amounts at the balance sheet date.

Creditors and provisions

The financial statements are prepared using the accruals basis and liabilities are recognised in the period in which they are incurred

Cash and bank balances

Cash held by the charity is included at the amount actually held and counted at the year end. Bank balances, whether in credit or overdrawn, are shown at the amounts properly reconciled to the bank statements.

Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal or as implied by law.

There are no endowment funds.

2 Liability to taxation

The Trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is not recoverable by the charity, and is therefore included in the relevant costs in the Statement of Financial Activities.

3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

4 Significance of financial instruments to the charity's position

There was no significance of financial instruments to the charity's position either in this financial year or the one preceding

	£	£
Remuneration payable to trustees or connected persons		
M Hayder	x 5,855	
S Begum	x 680	
Total remuneration	x 6,535	

In the financial year 2020/21 the Board agreed to pay M Hayder a significantly reduced fee for his specialist skills in building maintenance to support the charity's aims and objectives. The amount was agreed by the Board in respect of remuneration outside of his normal responsibilities as a Trustee. In the same financial year, S Begum stepped onto the Board, whilst the Leadership and Lived Experience Project had paused due to Covid-19. When the project resumed, the Board agreed to pay S Begum to complete her work on the project, outside of her responsibilities as a Trustee.

As laid out in the charity's governing document, Trustees can provide professional services. Their paid roles proved the most cost effective and good value in relation to the needs and resources of the organisation. They reported to the Board on matters related to this role, took direction from them and the Board undertook ongoing monitoring of the effectiveness of the roles.

O Bellas		
M S Boyle		
P Garayo		
M Hayder		
P Brownell		01-Dec-20

All the trustees are also members of the charity.

Objects and activities of the charity

The purposes of the charity as set out in its governing document.

Limehouse Town Hall Consortium Trust (LTHCT) is a charity founded in 2004 as a resource for artists, community arts organisations, cultural producers, and communities. Its mission is to maintain, improve and promote Limehouse Town Hall's use with the aims of advancing public education and involvement in arts and culture and restoring the building to its place as an active participant in Limehouse, the east end of London and beyond. It has acted as a support organisation for a range of important London artists and organisations working in theatre, visual art, digital art, dance and socially engaged practice who have found a home at Limehouse Town Hall.

A grade II listed building, and one-time national labour history museum, Limehouse Town Hall is a place where artists, cultural producers, audiences and communities, from Tower Hamlets and beyond, are supported to share ideas, try out new things, and imagine a better here and now.

The main activities undertaken in relation to those purposes during the year.

The charity's main activities broadly encompass the conservation, maintenance, operation, and management of Limehouse Town Hall. Broadly speaking our activities fall under the following strands:

- **Supporting:** the development, operation and management of organisational and project activities that support the building's creative residents and their engagement with each other, local communities and wider publics.

Limehouse Town hall Consortium Trust

Company Registration Number - 04847059

Trustees' Annual Report for the year ended 31 March 2021

The main activities undertaken during the year to further the charity's purpose for the public benefit.

The Directors/Trustees confirm that they have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers and duties. Despite reduced access to the building to wider publics throughout most of 2020 and 2021, the Trust supported and initiated a range of activities for the benefit of the public. These included:

- Restoring an underutilised outdoor yard space and making our garden space more accessible - bringing communities together to learn skills, promote well-being and address isolation.
- An online participatory education project to support local Bangladeshi women into leadership roles in our organisation to increase confidence in their own abilities and combat social isolation
- Ongoing maintenance of building – responding to and proactively addressing emergency and ongoing capital repairs to ensure the conservation of the building
- Regular support and check-ins with our creative resident organisations and individuals during the first six months of the pandemic.

The trustees have had regard to the Charity Commission's guidance on public benefit in managing the activities of the charity.

The main achievements and performance of the charity during the year.

With thanks to emergency support secured from Arts Council England, the Creative Land Trust and Tower Hamlets Council in the face of COVID-19 we were able to put resources into a co-ordinated response to risk assessment, health and safety and communications with building users and the wider constituencies. Throughout the year we maintained and adapted our operations in response to changing public health restrictions. We were able to act robustly to unexpected emergency maintenance works in our building that arose early in the pandemic as a result of closure. When restrictions allowed, we opened our doors to limited use including use of studios by our creative residents. For example, our creative residents Stitches in Time were able to offer support and cultural activities for women and vulnerable young people and our creative residents the Boxing Club were able to offer rehearsal/meeting space for artists and communities.

We directly supported 29 creative users through the emergency funding we received.

We consulted with all creative users through one-to-one discussion, an online survey, facilitated open meetings on how best to allocate rent relief during the pandemic and were also able to create a hardship fund, to support creative residents experiencing hardship during this period. Supporting existing organisations with members from local ethnic minority communities to continue to operate through this emergency period made it possible to safeguard access to and use of the space into the future.

The difference the charity's performance during the year has made to the beneficiaries of the charity.

We have been able to build our organisational stability

We have strengthened our organisation. Through the pandemic we further strengthened an operations working group and launched a wider operations working group to help steer the building and work to ensure a secure future. These groups comprise our part time Operations Coordinator, Freelance Project Lead, Maintenance Co-ordinators and building based artists. LTHCT plans to expand this group and build capacity to ensure sustainable growth. The Trust has made permanent its contract for its part time Operations Coordinator and created a fixed term part time maintenance co-ordinator role to respond to another productive year of increased building organisation and strategic planning.

Limehouse Town hall Consortium Trust

Company Registration Number - 04847059

Trustees' Annual Report for the year ended 31 March 2021

The degree to which the achievements and performance during the year have benefited wider society.

We have been able to continue our cultural education programmes:

Food and celebration are integral to the Town Hall. While we have not been able to gather to cook and eat together, through a series of online events participants in the leadership project and the wider building have begun to explore the relationship between food co-operatives, sustainability and creative celebration.

The Lived Experience and Leadership Project engaged 5 local Bangladeshi women to work with designers Studio Hyte on a tester set of pictorial infographics to be developed in 2021-22 as icons for the Town Hall. The aim is to communicate what is happening in and around the building to local residents whose written English and Sylheti is a barrier to participation.

Structure, governance and management of the charity

The methods used to recruit and appoint new charity trustees.

The Trust engages in bi-annual strategy meetings where it reflects on the needs of the organisation and the kinds of skills, expertise and knowledge needed from its Board. Its recruitment process engages with the Trust's current networks and its mailing lists as well as reaching beyond existing networks at partnership events.

Recruitment includes proper briefing of prospective candidates (e.g. information packs, attendance at some building events and monthly open meetings before formal invitation, etc.). Trustees must be members of the organisation and Directors of the company. They are appointed at the Annual General Meeting of the organisation. The Trust recruited one new member to its Board who was appointed at the 2019-20 AGM in May 2021 (postponed due to COVID-19). The Trust plans to continue revitalising its board and aims to recruit at least one new member in 2020-21.

With two part-time employees, three project-based freelance workers and a handful of project-based workers and volunteers, the Directors have been able to continue to attend to strategy formation.

LTHCT is committed to being a beneficiary led organisation. As such, monthly open meetings are held with users of the building and working groups are supported to address specific operational issues. Work continues to examine how to best facilitate participation at open meetings by non-English speaking constituencies and we are currently trialling live translations at all building wide meetings. We are also re-looking at our meeting structures to support further centring access as a core to our governance work.

Limehouse Town hall Consortium Trust

Company Registration Number - 04847059

Trustees' Annual Report for the year ended 31 March 2021

Financial review

The charity's financial position at the end of the year ended 31 March 2021

The financial position of the charity at 31 March 2021 and comparatives for the prior period, as more fully detailed in the accounts, can be summarised as follows:-

	2021 £	2020 £
Net income	11,063	2,159
Unrestricted Revenue Funds available for the general purposes of the charity	29,201	13,867
Designated Revenue Funds	8,000	8,000
Total Unrestricted Funds	37,201	21,867
Restricted Revenue Funds	6,522	10,793
Total Funds	43,723	32,660

Financial review of the position at the reporting date, 31 March 2021 .

All spaces for hire within the Trust's property are currently in use and producing income for the Trust. Income from licensing spaces within the Town Hall covers the Trust's core costs, including rent (to London Borough of Tower Hamlets), building insurance, utilities, basic administration, audit and statutory costs, while providing a modest surplus.

The Trust made a surplus of £11,063 in 2020-21. This surplus includes restricted funds of £6,522 that will be spent in 2021-22.

The Covid-19 pandemic posed great risks to the organisation. To address these risks, the Trust successfully applied for emergency funds from; Arts Council England, The Creative Land Trust, The London Borough of Tower Hamlets Discretionary Fund. Without these grants the Trust would have had significant difficulties in covering its expenditure, as our income generation was directly impacted by the pandemic.

The Trust was able to successfully apply for a grant from the Government Coronavirus Jobs Retention Scheme (CJRS), covering 80% of eligible employee salaries. Given that our operations were severely impacted, this grant was vital to ensuring that we could pay our staff and be able to reopen speedily and successfully, when it was safe to do so.

Policies on reserves.

Limehouse Town Hall Consortium Trust has a formal reserves policy. This ensures that there are sufficient funds to cover outstanding liabilities to suppliers and employees for two months. It also ensures there are resources for emergency capital repairs and seed funding for small research and development projects that benefit the organisation and its aims.

Limehouse Town hall Consortium Trust

Company Registration Number - 04847059

Trustees' Annual Report for the year ended 31 March 2021

Availability and adequacy of assets of each of the funds

The board of trustees is satisfied that the charity's assets in each fund are available and adequate to fulfil its obligations in respect of each fund.

The major risks to which the Charity is exposed and reviews and systems to mitigate them.

The Board has conducted a review of the major risks to which the charity is exposed. These include governance, operational, financial, compliance and external risks. Where appropriate, systems, procedures and resources have been established or allocated to mitigate the risks the charity faces.

Internal control risks are reduced by systems for authorising expenditure and clear levels of delegated responsibilities. Procedures are in place to ensure compliance with health and safety of staff, volunteers, creative residents and visitors to the building. The Trust holds bi-annual meetings with creative residents to engage with their views on how it is operating and formally consults with creative residents over the development of any policy change that may affect them. All these procedures and initiatives are periodically reviewed to ensure that they continue to meet the needs of the charity. Financial reports are made at each Board meeting and the company takes a pragmatic view with regards to new initiatives and to income generation.

The external risks to the charity include pressures on the organisation due to rapid urban development in the locality and the potential impact of possible changes to statutory support from the local council in relation to the organisation's premises. The Trust continues its research into lease renewal of its premises and will undertake community asset registration in the next financial year. The public health, social and economic impact of COVID-19 has had a negative impact on the wider arts, culture and social sector and will continue to be a risk to the organisation in the years to come. The Board has been proactive in its approach to this unprecedented and evolving situation and is supporting a building-wide re-evaluation beginning in Autumn 2021 of how it uses its space to support its aims and longer-term stability.

Trustees' Annual Report for the year ended 31 March 2021

Statement of the Directors Trustees' Responsibilities

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Companies Act 2006, the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the Trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts according to the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), .

In particular, the Companies Act 2006 and charity law require the Board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to :-

- prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006 and comply with regulations made under the Charities Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the contents of the Trustees' report, and the statutory responsibility of the Independent Examiner in relation to the Trustees' report is limited to examining the report and ensuring that, on the face of the report, there are no material inconsistencies with the figures disclosed in the financial statements.

Method of preparation of accounts - Small company provisions

The financial statements are set out on pages 10 to 25.

The financial statements have been prepared implementing the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016)

These financial statements have been prepared in accordance with the provisions in Part 15 of the Companies Act 2006. applicable to companies subject to the small companies regime.

This report was approved by the board of trustees on 18 March 2022.

OWEN PEARSON
Director and Trustee

Limehouse Town hall Consortium Trust

Report of the Independent Examiner to the Trustees of the charitable company on the accounts for the year ended 31 March 2021

I report to the Trustees on my examination of the financial statements of the charitable company on pages 10 to 25 for the year ended 31 March 2021 which have been prepared in accordance with the Charities Act 2011 (the Act) and with the Financial Reporting Standard 102, (effective 1st January 2016) as modified by FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW) , and under the historical cost convention and the accounting policies set out on page 16.

Respective responsibilities of the Trustees and the Independent Examiner and the basis of the report

As described on page 7, you, the charitable company's Trustees, who are also the Directors of the Company for the purposes of Company law, are responsible for the preparation of the financial statements in accordance with the Companies Act 2006, the Charities Act 2011 and all other applicable law and with United Kingdom Generally Accepted Accounting Practice, applicable to smaller entities, and for being satisfied that the financial statements give a true and fair view.

The Trustees consider that the audit requirement of Section 144(1) of the Charities Act 2011 (the Act) does not apply, and that there is no requirement in the memorandum and articles of the charity for the conducting of an audit, and that the accounts do not require an audit in accordance with Part 16 of the Companies Act 2006 and that no member or members have requested an audit pursuant to Section 476 of the Companies Act 2006. As a consequence, the Trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the financial statements are not required to be audited under any legal provision, or otherwise, and are eligible for independent examination, it is my responsibility to:-

- a) examine the financial statements of the charity under Section 145 of the Act;
- b) follow the applicable procedures in the Directions given by the Charity Commission under section 145(5)(b) of the Act.

Basis of Independent Examiner's Statement and scope of work undertaken

I report in respect of my examination of the charity's financial statements carried out under s145 of the Act. In carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act setting out the duties of an independent examiner in relation to the conducting of an independent examination. An independent examination includes a review of the accounting records kept by the charitable company and of the accounting systems employed by the charitable company and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you, as Trustees, concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of charity legislation and that, on a test basis of evidence relevant to the amounts and disclosures made, the financial statements comply with the SORP.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the Trustees in the course of the examination is not subjected to audit tests or enquiries and does not cover all the matters that an auditor would consider in arriving at an opinion. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide

Consequently, I do not express an audit opinion on the view given by the financial statements, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the charity, and my report is limited to the matters set out in the statement below.

I planned and performed my examination so as to satisfy myself that the objectives of the independent examination are achieved and before finalising the report I obtained written assurances from the Trustees of all material matters.

Limehouse Town hall Consortium Trust

Independent Examiner's Statement, Report and Opinion

Subject to the limitations upon the scope of my work as detailed above, I have completed my examination: and can confirm that:-

The accounts of this charitable company are not required to be audited under Part 16 of the Companies Act 2006;

This is a report in respect of an examination carried out under 145 of the Act and in accordance with Directions given by the Charity Commission under section 145(5)(b) of the Act which may be applicable;

and that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:-

accounting records were not kept in respect of the charity as required by Section 386 of the Companies Act 2006 and Section 130 of The Charities Act 2011;

the financial statements do not accord with those records; or

the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view, which is not a matter considered as part of an independent examination;

have not been prepared in accordance with the methods and principles set out in the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

Signed:-

Jennifer Tandy - Independent Examiner

Limehouse Town hall Consortium Trust - Balance Sheet as at 31 March 2021

The 'SORP Ref' indicated above is the classification of Balance Sheet items as set out in the formal SORP documents. As required by paragraph 4.60 of the SORP, the brought forward and carried forward funds above have been agreed to the SOFA..

The directors are satisfied that the company is entitled to exemption from the requirement to obtain an audit under section 477 of the Companies Act 2006.

The members have not required the company to obtain an audit in accordance with section 476 of the Act.

The directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of accounts.

The charity is subject to Independent Examination under charity legislation, and the report of the Independent Examiner is on page 9.

The financial statements have been prepared in accordance with the provisions in Part 15 of the Companies Act 2006. applicable to companies subject to the small companies regime.

OWEN PEARSON

Trustee

Approved by the board of trustees on 18 March 2022

The notes attached on pages 16 to 25 form an integral part of these accounts.

Limehouse Town hall Consortium Trust

Notes to the Accounts for the year ended 31 March 2021

1 Accounting policies

Policies relating to the production of the accounts.

Basis of preparation and accounting convention

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW), effective January 2016, and in accordance with all applicable law in the charity's jurisdiction of registration, except that the charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

Going Concern

Under 3.38 and to comply with 3.14, if there are no uncertainties about going concern this MUST be stated. Under 3.39, if there are uncertainties details must be given. Enter text here to comply

Suggested normal text (which may require modification to meet the circumstances):-

The charitable activities are entirely dependent on continuing grant aid and voluntary donations as well as trading revenues. As a consequence, the going concern basis is dependent on the future flow of these uncertain funding streams. Accordingly, the Trustees have obtained forecasts and, after reviewing the financial forecasts for future periods to **31 December 2022**, the Trustees are satisfied that, at the time of approving the financial statements, it is appropriate to adopt the going concern basis in preparing the financial statements. Other than these matters, the Trustees are not aware of any material uncertainties about the charity's ability to continue as a going concern.

Risks and future assumptions

The charity is a public benefit entity.

Policies relating to categories of income and income recognition.

Nature of income

Gross income represents the value, net of value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers.

Categories of Income

Income is categorised as income from exchange transactions (contract income) and income from non-exchange transactions (gifts), investment income and other income.

Income from exchange transactions is received by the charity for goods or services supplied under contract or where entitlement is subject to fulfilling performance related conditions. The income the charity receives is approximately equal in value to the goods or services supplied by the charity to the purchaser.

Income from a non-exchange transaction is where the charity receives value from the donor without providing equal value in exchange, and includes donations of money, goods and services freely given without giving equal value in exchange.

Limehouse Town hall Consortium Trust

Notes to the Accounts for the year ended 31 March 2021

Income recognition

Income, whether from exchange or non exchange transactions, is recognised in the statement of financial activities (SOFA) on a receivable basis, when a transaction or other event results in an increase in the charity's assets or a reduction in its liabilities and only when the charity has legal entitlement, the income is probable and can be measured reliably.

Dividends are accrued when the shareholder's right to receive payment is established.

Income subject to terms and conditions which must be met before the charity is entitled to the resources is not recognised until the conditions have been met.

All income is accounted for gross, before deducting any related fees or costs.

Accounting for deferred income and income received in advance

Where terms and conditions relating to income have not been met or uncertainty exists as to whether the charity can meet any terms or conditions otherwise within its control, income is not recognised but is deferred as a liability until it is probable that the terms or conditions imposed can be met.

Any grant that is subject to performance-related conditions received in advance of delivering the goods and services required by that condition, or is subject to unmet conditions wholly outside the control of the recipient charity, is accounted for as a liability and shown on the balance sheet as deferred income. Deferred income is released to income in the reporting period in which the performance-related or other conditions that limit recognition are met.

When income from a grant or donation has not been recognised due to the conditions applying to the gift not being wholly within the control of the recipient charity, it is disclosed as a contingent asset if receipt of the grant or donation is probable once those conditions are met.

Where time related conditions are imposed or implied by a funder, then the income is apportioned to the time periods concerned, and, where applicable, is accounted for as a liability and shown on the balance sheet as deferred income. When grants are received in advance of the expenditure on the activity funded by them, but there are no specific time related conditions, then the income is not deferred.

Any condition that allows for the recovery by the donor of any unexpended part of a grant does not prevent recognition of the income concerned, but a liability to any repayment is recognised when repayment becomes probable.

Policies relating to expenditure on goods and services provided to the charity.

Recognition of liabilities and expenditure

A liability, and the related expenditure, is recognised when a legal or constructive obligation exists as a result of a past event, and when it is more likely than not that a transfer of economic benefits will be required in settlement, and when the amount of the obligation can be measured or reliably estimated.

Liabilities arising from future funding commitments and constructive obligations, including performance related grants, where the timing or the amount of the future expenditure required to settle the obligation are uncertain, give rise to a provision in the accounts, which is reviewed at the accounting year end. The provision is increased to reflect any increases in liabilities, and is decreased by the utilisation of any provision within the period, and reversed if any provision is no longer required. These movements are charged or credited to the respective funds and activities to which the provision relates.

Policies relating to assets, liabilities and provisions and other matters.

Tangible fixed assets

Tangible fixed assets are measured at their original cost value, or subsequent revaluation, or if donated, as described above. Cost value includes all costs expended in bringing the asset into its intended working condition.

Depreciation has been provided at the following rates in order to write off the assets to their anticipated residual value over their estimated useful lives.

Freehold premises	0 % straight line
Leasehold premises	2 % straight line
Plant and machinery	20 % straight line

A regular annual review of the likelihood of asset impairment is undertaken.

Limehouse Town hall Consortium Trust

Notes to the Accounts for the year ended 31 March 2021

Accounting for capital grants and fixed asset funds.

Gifts of tangible fixed assets or grants of a capital nature, given for the purposes of acquiring specific assets to be fully utilised in the furtherance of the objects of the charity, are credited to fixed asset funds after the donated asset has been received or sums have been properly expended on the restricted purpose.

Where the terms of the gift require the charity to hold the asset on an ongoing basis for a specific purpose, then the fixed asset fund so created is categorised as a restricted fixed asset fund, and the relevant restrictions are noted in the fixed asset note 10.

Where the terms of the gift are met once the asset is acquired, so allowing the charity to use the asset on an unrestricted basis, including the right to receive the proceeds of any future sale of the asset on an unrestricted basis, then the fixed asset fund so created is categorised as a designated fixed asset fund.

When assets are acquired for the furtherance of the charity's objects, utilising the charity's own unrestricted funds, a transfer is made from unrestricted funds to a designated fixed asset fund.

Whether acquired with unrestricted or restricted funds, the asset acquired is initially shown in the balance sheet at the full cost of acquisition or subsequent revaluation.

As the related assets are depreciated, in accordance with the depreciation policy, in order to reflect the diminution in the asset, a transfer is made from the relevant fixed asset funds to either unrestricted or restricted revenue funds, as appropriate to the terms of the original gift, if any.

The effect of this policy is that the aggregate of all fixed asset funds shall equate to the net book value of fixed assets.

In the first year that this policy was adopted, a transfer to fixed asset funds was made equivalent to the net book value of the assets.

Any residual liability to the donor arising from, for example, the asset's future sale, is disclosed as a contingent liability unless the event that would trigger repayment of the grant becomes probable in which case a liability for repayment is recognised.

Insofar as this policy relates to Government grants and to the extent that it may be a departure from the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), such departure is justified on the basis that it is in order to comply with the SORP.

Stocks and work in progress

Stock is valued at the lower of cost and net realisable value.

Debtors

Debtors are measured at their recoverable amounts at the balance sheet date.

Creditors and provisions

The financial statements are prepared using the accruals basis and liabilities are recognised in the period in which they are incurred

Cash and bank balances

Cash held by the charity is included at the amount actually held and counted at the year end. Bank balances, whether in credit or overdrawn, are shown at the amounts properly reconciled to the bank statements.

Limehouse Town hall Consortium Trust

Notes to the Accounts for the year ended 31 March 2021

Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal or as implied by law.

There are no endowment funds.

2 Liability to taxation

The Trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is not recoverable by the charity, and is therefore included in the relevant costs in the Statement of Financial Activities.

3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

4 Significance of financial instruments to the charity's position

There was no significance of financial instruments to the charity's position either in this financial year or the one preceding

M Hayder	5,855	3,168
S Begum	680	-
Total remuneration	6,535	3,168

In the financial year 2020/21 the Board agreed to pay M Hayder a significantly reduced fee for his specialist skills in building maintenance to support the charity's aims and objectives. The amount was agreed by the Board in respect of remuneration outside of his normal responsibilities as a Trustee. In the same financial year, S Begum stepped onto the Board, whilst the Leadership and Lived Experience Project had paused due to Covid-19. When the project resumed, the Board agreed to pay S Begum to complete her work on the project, outside of her responsibilities as a Trustee.

As laid out in the charity's governing document, Trustees can provide professional services. Their paid roles proved the most cost effective and good value in relation to the needs and resources of the organisation. They reported to the Board on matters related to this role, took direction from them and the Board undertook ongoing monitoring of the effectiveness of the roles.
