RAGHUVANSHI MAHAJAN LONDON ('RAMA') (SHREE JALARAM MANDIR - GREENFORD) TRUSTEES' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2021

The trustees present their report and accounts for the year ended 31 December 2021.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's Trust Deed dated 23 May 2004 (amended 29 April 2018), the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective from 1 January 2019).

Objectives and activities

The objects as set out in its Trust Deed are:

- The advancement of the Hindu culture and religion in the London Boroughs of Ealing, Harrow, Hillingdon, Hounslow, Barnet, Brent, Hammersmith and Richmond-Upon-Thames and environs.
- The advancement of education and the relief of poverty and sickness among the Community generally and the promotion of public education in Hindu culture and religion.
- The provision of, or assisting the provision of, facilities for leisure time occupation for members of the community resident in the said London Boroughs and surrounding areas in the interests of social welfare with the object of improving their conditions of life.

The charity's aim is to advance Hindu culture and religion. Also it seeks to promote public education in Hindu culture and religion and to provide facilities in the interest of social welfare to the community residing in the London Boroughs of Ealing, Brent, Harrow, Hillingdon, Hounslow, Barnet, Hammersmith and Richmond-Upon-Thames.

All proposals for grants are generated internally and the trustees regret that external applications will not be considered.

Public Benefit

The trustees have complied with their duty in section 17 of the Charities Act 2011 and guidance issued by the Charity Commission in deciding what activities the RAMA should undertake.

RAMA's policy is to consult and discuss with employees, staff councils and at meetings, matters likely to affect employees' interests.

Information of matters of concern to employees is given through information bulletins and reports which seek to achieve a common awareness on the part of all employees of the financial and economic factors affecting the group's performance.

Applications for employment by disabled persons are always fully considered, bearing in mind the aptitudes of the applicant concerned. In the event of members of staff becoming disabled, every effort is made to ensure that their employment within the RAMA continues and that the appropriate training is arranged. It is the policy of the RAMA that the training, career development and promotion of disabled persons should, as far as possible, be identical to that of other employees.

**RAGHUVANSHI MAHAJAN LONDON ('RAMA')
(SHREE JALARAM MANDIR - GREENFORD)
TRUSTEES' REPORT**

FOR THE YEAR ENDED 31 DECEMBER 2021

Achievements and performance

As part of its activity the Charity operates and maintains a Hindu Temple and Community Centre (Shree Jalaram Mandir Greenford & Community Centre) at Greenford and previously until June 2019 located at Perivale, whilst redevelopment was under way. The Charity operates a community center where a hot kitchen operates 7 days a week. The Charity also provides the financial and operational facilities to celebrate a number of Hindu religious events, ceremonies and activities.

Activities

The Charity during the year provided the following:

1. Provided approximately three thousand hot meals a week at the Temple center.
2. Provided on average 200 hot meals a week to the homeless in Central London.
3. Eye and dental camps were on hold due to Covid.
4. All children in one school in India were provided with free lunch for the entire year.
5. Meals for 85,000 plus (approximately) slums kids in last one year. Chhas/Sarbat distribution for patients and their relatives outside Covid centers, approximately to 4,500 plus. Ration kit (lasting for 20 to 25 days for a family) approximately to 250 families, thrice during Covid crisis.
6. In Madhavpur, we provided oxygen cylinders, wheelchairs, medical equipment, and ration kits to the needy and underprivileged. We provided sewing machines to the ladies of the slum areas enabling them to be self-sufficient.
7. Between 80 to 100 volunteers give their time every week.

All of the above services were provided free and no fees or costs were charged to anyone. We thank all the sponsors enabling us to provide these services.

Digital bereavement services continued to be provided during 2021, by our inhouse priests. It has been of immense comfort to those who lost their loved ones as their last rites were conducted even during the lock down. Apart from this, the daily broadcast of hymns, discourses etc. kept the community connected.

During the year, The Charity has also joined hands with The Felix Project, Tesco Fair Share and Harrow Food Bank to distribute free food in Central London. With their support, about 49 tons of free food distributed, equating to about 116,871 meals. This is over and above what is done through the community center.

RAGHUVANSHI MAHAJAN LONDON ('RAMA') (SHREE JALARAM MANDIR - GREENFORD) TRUSTEES' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2021

Financial review

The charity made a surplus of £244,678 (2020: £264,780) and accumulated reserves in surplus of £6,750,391 (2020: £6,505,713) at the year end. The present level of funding is adequate to support the activities of the charity and the Trustees consider the financial position of the Charity to be satisfactory.

Fundraising

The charity takes the fundraising regulations seriously. The charity raises funds through donations received from visitors to the Centre. Fundraising from individuals is carefully controlled following industry guidelines and no cold calling takes place.

Reserves policy

It is the policy of the RAMA that unrestricted funds should aim to be maintained at a level equivalent to between six and twelve month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the RAMA's current activities while consideration is given to ways in which additional funds may be raised.

Investments

The Trust Deed authorises the trustees to make and hold investments using general funds of the charity.

The Trustees have decided to adopt a cautious approach to investment and have their funds spread in multiple deposit accounts until the funds are needed to repay the loans for the construction of the temple that was completed during the year. A review of the investment policy and returns is undertaken at Trustee meetings during the year.

Key risks

The board of trustees is responsible for the management of the risks faced by the charity. A review of the charity's risk management process is undertaken on a regular basis.

The key controls used by the charity include:

- 1) comprehensive budgeting and management accounting.
- 2) comprehensive internal checks of the cash allocated.
- 3) adequate authorisation and approval of the transactions undertaken.

The charity has a focus on non-financial risks arising from fire, health and safety and food hygiene. In order to manage these risks RAMA employs outside professionals to come in and perform checks. For the past few years, the Charity has been awarded 5 stars for its Food and Hygiene.

In 2015, the Charity was awarded "The Innovation Award", by the British Heart Foundation for promoting healthy food.

In addition, courses are run for volunteers, staff and Trustees to ensure hygiene and health and safety regulations are adhered to.

Significant post balance sheet events

The trustees have considered the effect of the Covid-19 outbreak. As the Mandir had to close for a time, as well as being somewhat limited in its operations once it could re-open, the outbreak has caused some disruption to the charity's activities to date and the trustees consider that a prolonged outbreak is likely to cause further disruption.

However, measures have been taken to mitigate the effects of the disruption as follows:

- We have taken a Bounce Back Loan.
- We have been holding extensive online services to raise funds
- We have also reduced staff to save some costs

Accordingly, the trustees have a reasonable expectation that the charity has adequate resources to continue in operation for the foreseeable future. Thus, the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

Charity registration number:
1104605

Principal office:
39-45 Oldfield Lane, South
Greenford, Middlesex
UB6 9LB

The appointment of trustees is governed by the Trust Deed of the charity. The Board of Trustees is authorised to appoint new trustees to fill vacancies arising through resignation or death of an existing trustee. Trustees are recruited by nominations upon which members vote at the AGM.

The trustees of the Charity are legally responsible for the overall management and control of Raghuvanshi Mahajan London ('RAMA') and meet regularly. The work of implementing most of their policies is carried out by the chairpersons.

The trustees' report was approved by the Board of Trustees.

Rajnikant Samji Davda

**RAGHUVANSHI MAHAJAN LONDON ('RAMA')
(SHREE JALARAM MANDIR - GREENFORD)
STATEMENT OF TRUSTEES' RESPONSIBILITIES
*FOR THE YEAR ENDED 31 DECEMBER 2021***

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**RAGHUVANSHI MAHAJAN LONDON ('RAMA')
(SHREE JALARAM MANDIR - GREENFORD)
INDEPENDENT AUDITOR'S REPORT
TO THE TRUSTEES OF RAGHUVANSHI MAHAJAN LONDON ('RAMA')**

Opinion

We have audited the financial statements of Raghuvanshi Mahajan London ('RAMA') (the 'charity') for the year ended 31 December 2021 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2021 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the statement of trustees' responsibilities, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

**RAGHUVANSHI MAHAJAN LONDON ('RAMA')
(SHREE JALARAM MANDIR - GREENFORD)
INDEPENDENT AUDITOR'S REPORT (CONTINUED)
TO THE TRUSTEES OF RAGHUVANSHI MAHAJAN LONDON ('RAMA')**

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the charity through discussions with trustees and other management, and from our commercial knowledge and experience of the sector; and
- we focused on specific laws and regulations which we considered may have a direct material effect on the operations of the charity financial statements or the operations of the charity, including the Charities Act 2011, data protection, anti-bribery, employment laws, environmental, health and safety legislation and food hygiene compliance.

We assessed the susceptibility of the Charity's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

There are inherent limitations in the audit procedures described above; any instance of non-compliance with laws and regulations and fraud which is far removed from transactions reflected in the financial statements would diminish the likelihood of detection. Furthermore, the risk of not detecting a material misstatement due to fraud is greater than the risk of not detecting one resulting from error. Fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentation, or through an act of collusion that would mitigate internal controls. A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

RAGHUVANSHI MAHAJAN LONDON ('RAMA')
(SHREE JALARAM MANDIR - GREENFORD)
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2021

1 Accounting policies

Charity information

Raghuvanshi Mahajan London ('RAMA') is an unincorporated charity. Its registered office is 39-41 Oldfield Lane, South Greenford, Middlesex, UB6 9LB. The charity meets the definition of a public benefit entity under FRS102.

1.1 Accounting convention

The accounts have been prepared in accordance with the charity's trust deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective from 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

The Trustees have considered the effect of the Covid-19 outbreak. The Trustees consider that the outbreak had caused some disruption to the charity's activities to the balance. However, measures had been taken to mitigate the effects of the disruption in the form of taking a Bounce Back Loan, holding online services to raise funds, and cutting costs. After the balance sheet date, as the government had relaxed the measures which were in place to combat the Covid-19, the charity's activities have returned back to pre-Covid level. Therefore, the Trustees are confident that the organisation can continue as a going concern for a period of at least twelve months from the date of approval of these financial statements.

The Trustees have a reasonable expectation that the organisation has adequate resources to continue in operation for the foreseeable future. Thus, the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt basis. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Interest on funds held on deposit is included upon notification of the interest paid or payable by the bank.

Gifts in kind represent food donations, which are recognised upon receipt at estimated cost.

Government grants are recognised when it is reasonable to expect that the grants will be received and that all related conditions will be met, usually on submission of a valid claim for payment. Grants of a revenue nature are credited to income so as to match them with the expenditure to which they relate. Government grants in respect of capital expenditure are credited to a deferred income account and are released to profit over the expected useful lives of the relevant assets by equal annual installments.

1.5 Resources expended

Liabilities are recognised as expenditure once there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accrual basis. All expenses, including support costs and governance costs, are allocated to charitable activities in the statement of financial activities.

Costs not directly attributable to a particular functional category are apportioned over the relevant categories on the basis of management estimates of the amount attributable to that activity to that year.

Costs of raising funds are those costs incurred in staging the charity's fundraising events.

Grants payable are payments made to third parties in the furtherance of the charitable objects of the charity. In the case of an unconditional grant offer this is accrued once the recipient has been notified of the grant award. The notification gives the recipient a reasonable expectation that they will receive the one year or multi-year grant. Grant awards that are subject to the recipient fulfilling performance conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled conditions attaching to that grant are outside of the control of the charity.

Governance costs comprise the costs of running the charity, including all costs of complying with constitutional and statutory requirements such as preparing statutory financial statements. It is apportioned to relevant categories on the basis of staff costs.

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost, net of depreciation and any impairment losses.

Freehold mandir land is not depreciated. The construction of the new mandir has now been completed and therefore depreciation of the building has commenced in the year.

Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Freehold land & buildings	2% straight line
Fixtures, fittings & equipment	20% straight line
Motor vehicles	33% straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2021**

1 Accounting policies

(Continued)

1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised immediately in expenditure for the year, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Recognised impairment losses are reversed if, and only if, the reasons for the impairment loss have ceased to apply. Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised immediately, unless the relevant asset is carried in at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

1.8 Stocks

Stocks, which comprise of food held for distribution at no or nominal consideration, are measured at the lower of cost and replacement cost.

1.9 Cash, cash equivalents and current asset investments

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less.

Deposits with maturities greater than 3 months are shown as current investments and are held on deposit with banks.

1.10 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

(SHREE JALARAM MANDIR - GREENFORD)
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2021**

1 Accounting policies

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

1.11 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.12 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

1.13 Leases

Rentals payable under operating leases, including any lease incentives received, are charged to income on a straight-line basis over the term of the relevant lease.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

The estimates and assumptions which have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities are as follows.

The charity receives donated food for the cooked food program which is then cooked and served at the Mandir free of charge. In order to arrive at an estimate of the value of donated food, the trustees calculate how much it would cost to provide such meals and then deduct from this the food costs which have been incurred by the charity itself, leaving a balance representing the cost value of donated food.

Other food items donated from businesses to be distributed to the homeless on the streets cannot be quantified, therefore, cannot be included in the financial statements but are included in the trustees' report.

Stocks of food at year end are valued at estimated replacement cost.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2021

20 Designated funds

The income funds of the charity include the following designated funds which have been set aside out of unrestricted funds by the trustees for specific purposes:

	Balance at 1 January 2020	Incoming resources	Resources expended	Balance at 1 January 2021	Incoming resources	Resources expended	Balance at 31 December 2021
	£	£	£	£	£	£	£
Existing property reserve	6,097,358	-	-	6,097,358	-	-	6,097,358
Sadavrat fund	143,575	264,780	-	408,355	-	-	408,355
General charitable fund	-	-	-	-	244,678	-	244,678
	<u>6,240,933</u>	<u>264,780</u>	<u>-</u>	<u>6,505,713</u>	<u>244,678</u>	<u>-</u>	<u>6,750,391</u>

The property reserve fund represents the original cost of land and buildings previously bought by the charity plus the cost of re-construction.

The Sadavrat fund is open to all, without reference to caste, creed or colour, to provide hot kitchen facilities. During the year £124,271 (2020: £165,042) was spent providing food for the devotees and homeless and at the year end the funds from unrestricted funds replenished the fund to £400,000 (2020: £400,000) for next year. This equates to approximately one year's worth of expenditure.

The general charitable fund represents the reserves to meet the charity's objects and aims for the public benefit.
