REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2023

The trustees, who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The charity's objective and principal activity is to provide adult education facilities together with pre-school childcare in a community of high deprivation.

The objects are:

- the advancement of education, in particular by the provision of adult education;
- to develop the capacity and skills of the members of the socially and economically disadvantaged community of Edlington in such a way that they are better able to identify, and help meet, their needs and to participate more fully in society;
- the relief of unemployment for the public benefit in such ways as may be thought fit, including assistance to find employment; and
- to promote for the benefit of the inhabitants of Edlington and the surrounding area the provision of facilities for recreation or other leisure time occupation of individuals who have need of such facilities by reason of their youth, age, infirmity or disablement, financial hardship or social welfare and with the object of improving the condition of life of said inhabitants.

Significant Activities

The principal activity of the charity is providing a community venue for adult education, community activities, day nursery provision and vocational learning for secondary school students.

Public benefit

The trustees have complied with the duty in section 4 of the 2006 Charities Act to have due regard to guidance published by the Charity Commission.

The charity meets this duty by providing community facilities in an area of high deprivation.

Volunteers

The centre is partly run by volunteers, under the supervision of the Centre Manager and staff. This not only meets the requirement of providing a public benefit by training volunteers with skills which will be useful in employment and social activities, but helps to tie the centre in with the local community.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2023

ACHIEVEMENTS AND PERFORMANCE

Summary of Main Achievements During The Year

The Edlington Hilltop/Helping Hands Centre continued to provide a community centre for adult education, community activities, day nursery provision and has developed a community café following the COVID19 pandemic.

Trustees acknowledge and appreciate the commitment to the community that staff and volunteers demonstrate. Trustees bring a range of educational, financial and management skills and experience that have ensured that the project has continued to grow and reflect the needs of the community.

The strength brought to the project is by far achieved by the volunteering of many individuals of all ages and backgrounds to deliver our core aims. The project is designed to help individuals within the community recognise their own needs and empower the community; to support the community.

Our learning over the past year has meant we are to continue to prioritise health & wellbeing and capacity building through our services and volunteer programme.

The Edlington Hill Top Centre is intergenerational and provides a wide range of services and opportunities for individuals. The staff and trustees are custodians of a valuable community building and aim to maintain, develop and retain the building for future generations. This will continue to build community capacity and ensure the charity is sustainable.

Areas of support include: -

Community Health Team - Staff and volunteers work with NHS staff to engage with patient's regarding health and social isolation that impacts their health and well-being.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2023

FINANCIAL REVIEW

Financial position

The centre made a surplus of £15,511 for the period. This was achieved as a number of grants were received to support the development of the centre and its services. This represents an increase in unrestricted reserves to fund future capital projects. During the year funds were available to install the Air Source Heat Pump heating system to start replacing the solid fuel heating boiler. Capital funds will continue to be used to complete the project.

Reserves policy

The Trustees have ensured that all cash reserves, apart from those required for the day to day operation of the company, are held in an interest bearing account, and that the company aims to have a free reserve to cover costs associated with any future anticipated expenditure.

Financial Controls

The Trustees have approved a Financial Procedures Policy which gives clear guidelines for financial control of the company using a range of Microsoft Excel spreadsheets. The policy includes spending authority levels, banking mandates, reporting and audit requirements.

The Trustees have adopted a policy of 100% depreciation of fixed assets due to the nature of funding requirements. All major funders require portable fixed asset items to be returned to them if for any reason the company does not continue to operate. Since refurbishment costs are against leased premises this means that there is no value to the company on these assets in the case of closure.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, its Memorandum and Articles of Association, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006. Charitable status was granted on 13th July 2004.

Recruitment and appointment of new trustees

Directors and Trustees are appointed by the recommendation of existing trustees.

Organisational Structure and Management

The charity is governed by a Board of Trustees who are responsible for the overall strategy and direction of the company. The Board is responsible for the implementation of the strategy. Service delivery is also achieved through partnership with

- Buttons Nursery for pre school childcare provision;
- Altogether 4 Autism
- NHS/CCG
- Good Things Foundation
- DMBC Well Doncaster
- Active Dearne
- South Yorkshire Police
- Edlington Community Organisation
- Citizens Advice Bureau
- Family Hub
- Exceed Learning Partnership
- Food Aware
- DA Hub
- Age UK

Induction and training of new trustees

New trustees are introduced by an existing board member and are expected to undertake sufficient training to carry out their duties.

Related Parties

Sir Thomas Wharton Community College continues to support the Edlington Hill Top Centre as part of its commitment to the local community.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The trustees examine the major risks that the Trust faces each financial year when preparing and updating the strategic plan. The company has developed systems to monitor and control these risks to mitigate any impact that they might have on the company in the future.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). the accounts do not accord with those records; or

the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
