TRUSTEES' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2020

The Trustees present their annual report together with the financial statements of the Moretonhampstead Development Trust for the 1 January 2020 to 31 December 2020. The Annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019) as amended by Update Bulletin 1 (effective January 2019).

Since the Company qualifies as small under section 382 of the Companies Act 2006, the Strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

Achievements and performance

a. Main achievements of the Company

Despite our 26th year having to face the challenges of Covid and lockdowns, the Trust has remained focussed on delivering on its objectives. In some ways the advent of Covid enabled the further development of Health and Social Care under the Wellmoor umbrella. It has also provided an opportunity to reflect on achievements and plan for the future.

Despite the Art gallery closure and consequential cancelled art exhibitions, the Arts has maintained a strong presence and embraced new modes of delivering art over the internet. This has inspired the Art group into looking at how to move into the future with a fusion of classical Art exhibition with the online/digital world that has been embraced this year.

We have continued, in anticipation of post covid restrictions, to maintain the Green Hill Centre for Arts, Heritage and Youth as a major centre for Dartmoor.

Green Hill (Objects 2,4,5)

This provides:

- A high-quality base for young people in the town
- A centre for local heritage and artist exhibitions
- Studios for artists and craftspeople, offices and workshops for businesses
- Services such as the Parish Council and our own office all under one roof.

Youth

Moretonhampstead Association for Youth, which is a separate charity, has been hard hit by the Covid closure with no opening since March 2020. The space occupied by the Youth group has been maintained and once restrictions are lifted, we look forward to welcoming the youth group back.

Studios and Offices

We continue to have 100% occupancy of all spaces, as Green Hill is a vibrant community centre and those who use it feel well supported. We have an attractive space for training and small events and a photocopy service which was, prior to lockdown, well used. This provided valuable income to the Trust and reduced the need for external fundraising, allowing us to plan ahead with new projects that meet community need.

Arts in the Community

The first exhibition of 2020 was 'Painting the Land' which ran until early March. This exhibition featured the work of three local landscape painters. The show was very well received with better-than-expected sales and good visitor numbers.

The following exhibition was 'Hinterland' featuring the work of textile artist Gladys Paulus. Sadly, two days into this show we had to close due to COVID-19. To overcome lockdown we were able to collaborate with Chris Chapman to create a successful film of this exhibition for publication on Youtube. This was received extremely well and viewed over three and a half thousand times.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2020

Achievements and performance (continued)

The receipt of an Arts Council England grant of £6,000 enabled us during closure to maintain contact with our network of artists and supporters.

We were able to open again at the end of October with our Winter Show which ran its full course. This show was very well supported both by locals and visitors from further afield. It was helped by a 'support local' campaign that Green Hill coordinated with the Parish Council. Visitor numbers were very good and sales, given the climate, exceeded our expectations.

We supported a hugely successful virtual 'Turning of The Year' event which raised over £1,000 for ArtRaft. The event had over 150 online viewers on the night and has since had many hundreds more.

The period of closure has allowed creative thought for future developments and we intend making a bid in 2021 to the Arts Council to increase our back-office capacity and to reconnect with our artists and community as we reinvent and devise seasonal celebrations appropriate for current circumstances and times, whilst embracing and adapting to the "online" world encountered during 2020.

Business Support and Website (Objects 2,3,5,6)

Moretonhampstead Business Network has continued to act as a communication hub. Despite the restrictions this year we still organised, with a well co-ordinated team of volunteers, the illuminated Christmas trees that go up on the front of buildings to make the town look very festive – a much needed bit of "normality".

The end of the year saw the final installation of the Bidder Memorial, opposite the entrance to library, together with an information board thus enhancing the public amenity. This was carried out by two individual volunteers in particular, but with support and financial management by the Trust.

Health and Social Care (Object 7)

Wellmoor continued to thrive and lockdown saw it expand its activities into the operation of a Care Helpline and the development of a community allotment for the provision of "Green Prescribing", both for growing crops and the provision of an out of doors wellbeing experience for people of all ages.

Lockdown required a need for "virtual care". A series of online support workshops for isolated, vulnerable beneficiaries to capture the effectiveness of the use of Alexa tools was delivered under the Jaw-Jaw project. Using creative content it sought to address loneliness and isolation among identified groups in the community.

Move Moor was a project providing virtual strength and balance sessions for 5 for elderly and vulnerable local residents in North-East Dartmoor. The participants were recruited through Moretonhampstead Health Centre based on level of need. Move Moor also linked with Coppella House to offer sessions to a separate group of around 6 residents. The hour-long sessions were offered to all participants on a weekly basis for 12 weeks, running from September 2020 to January 2021. This has now developed for the beginning of 2021 into "Let's get connected".

Towards the end of 2020 Wellmoor was appointed to act for the first year as the secretariat for the North Dartmoor care and wellbeing advisory group.

The subsidiary NED Care in 2020 completed its transition to an independent charity and it is understood that they continue to thrive.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2020

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis and the potential uncertainties around this can be found in the accounting policies note 2.2.

b. Reserves policy

This year has been one of challenges for the Trust. The finances of the Trust have remained relatively stable, but the ongoing issue of the outstanding service charges in respect of the Hospital building, recorded in last year's accounts, has continued to be a challenge that remains to be resolved. Additionally, the lockdown restrictions impacted upon the financial resource of the Arts.

We aim to maintain reserves of at least £7,000 to pay staff and running costs in the event that the Trust has to close down. These cover the notice period for staff (1 month), and the costs of keeping the building running until the end of our notice period on the lease of Green Hill. Reserves at 31 December 2020 were £106,890, however £94,797 of this is tied up in fixed assets, with another £16,627 being for restricted purposes, leaving a deficit on remaining funds of £4,534. This assumes the full amounts regarding rent and service charges payable under the current lease agreement of £45,509 (currently in accruals) would be payable. The Charity are currently in negotiations with the lessor to try and reduce this. The Charity has also benefitted from Covid-19 grants since the year end to improve the reserves position.

When reserves drop below the target level the Finance Officer informs the Treasurer immediately who will consult the Finance Committee to agree a plan to bring the level back up. If the plan involves major decisions such as staff redundancies, this will be taken to the full Board of Trustees.

c. Principal risks and uncertainties

Our risk analysis has identified the greatest risks to our organisation as being:

- (1) Loss of income from tenants and building users – we seek to avoid this by choosing our tenants with care and keeping a waiting list in case they move on (which happens rarely, even during the 2020 lockdown);
- (2) Damage to our building, as we have a repairing lease from the County Council – we audit the state of the building every year and maintain a building fund to deal with repairs;
- (3) High turnover of staff or trustees as we rely on high levels of commitment to the community – we have not had to face this because we are seen by most as inclusive, friendly and caring, so a good organisation to work for.
- (4) Over exposure to financial risks associated with the tenancy of Moretonhampstead Hospital – we are negotiating with NHS Property Services with the aim of reducing this.

However we are not complacent and constantly seek to do better.

Structure, governance and management

a. Constitution

Moretonhampstead Development Trust is registered as a charitable company limited by guarantee and was set up by a Trust deed.

b. Methods of appointment or election of Trustees

The management of the Company is the responsibility of the Trustees who are elected and co-opted under the terms of the Trust deed.

c. Organisational structure and decision-making policies

We want to make sure we are responsive to community needs and views, and involve local people as members, volunteers and trustees. We report to them and the wider community at our AGM. We also publish details of our work, our organisation, and the meetings of Trustees on our website, and provide frequent updates in the Community magazine (News in Moreton) and (for specific events) on social media.

Our members are Parish Councillors and representatives of every community organisation.

Trustees have overall financial responsibility for the Trust, and oversight of its operations, which are carried out by a small team of paid staff supported by volunteers.

Strategic and important decisions are taken by the Board of Trustees, normally in a meeting. If an urgent decision is needed, the Chair may arrange for this to be done by email.

The Board of Trustees delegates responsibility for Finance and Staffing matters to the Finance and Staffing Committee, which meets quarterly to review income and expenditure for the previous period and proposals for new items and projects; and prepares a report to the quarterly Board meeting. There is a Spend Authority Policy, with Trustees being required to authorise expenditure above certain levels.

This Committee has devised a Policy for Staff Pay, which it reviews annually along with specific pay levels. Specific Trustees on the Committee have line management responsibility for specific members of staff, and there is a system of staff review and appraisal to support this.

Trustees are elected at an AGM, though occasionally we may co-opt a new trustee in mid-year pending their election. Our policy on the induction of trustees is: (1) to ensure that anyone who volunteers for the role has a good understanding of what the Trust does and what their responsibility will be; (2) once elected, they are offered time with those working on our different projects, as well as information on our policies and induction training by the Chair; (3) they are encouraged to participate in trustee training opportunities offered by Locality and NCVO, usually on-line.

d. Policies adopted for the induction and training of Trustees

Trustees are elected at an AGM, though occasionally we may co-opt a new trustee in mid-year pending their election. Our policy on the induction of trustees is: (1) to ensure that anyone who volunteers for the role has a good understanding of what the Trust does and what their responsibility will be; (2) once elected, they are offered time with those working on our different projects, as well as information on our policies and induction training by the Chair; (3) they are encouraged to participate in trustee training opportunities offered by Locality and NCVO, usually on-line.

Plans for future periods

Our Vision

We have recently updated our Vision, which is to work towards:

- A Sustainable, Connected and Inclusive Community where People Thrive

Our Mission and Values

In line with our Objects, we have agreed that our Mission is to:

- Identify the Needs and Aspirations of our Community, and Work in Partnership with Others to Drive Positive Change

and our Values in doing this are:

- Courage – Integrity - Creativity – Inclusivity – Communication

Themes and Priorities over the next three years

We have agreed that these will be:

Climate Action and Renewable Energy: we are discussing a range of specific projects, and the priority is to obtain expert advice on where our energies should be channelled, and to facilitate a local network of groups working on this.

Business Support: we will review survey results and seek local business ideas. The re-establishment of a Post Office in Moretonhampstead has been explored and whilst the Trust will not itself be able to proceed with such a project it is actively working with other businesses in the town to facilitate and enable potential interest in setting up a post office.

Engaging wider: we will seek out voices that are not readily represented in our discussions, especially those of young people, as well as meeting the needs of an ageing population.

Arts: we will develop our community arts work, with an emphasis on environmental issues.

Health and Wellbeing: we will develop our networking, especially using digital technology to provide services remotely, and piloting green prescribing.

Affordable Housing: we will pursue a new local opportunity for a community-led scheme linked to renewable energy facilities.

Community Facilities: we will support developments at the Library and Hospital, and also at our own building in Green Hill.

MORETONHAMPSTEAD DEVELOPMENT TRUST
(A company limited by guarantee)

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020**

1. General information

Moretonhampstead Development Trust is a standard registered charity registered in England and Wales. The registered office address is Green Hill, Fore Street, Moretonhampstead, Devon, TQ13 8LL.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

2.2 Going concern

The accounts have been prepared on a going concern basis, however when excluding amounts tied up in fixed assets and restricted funds, there is a deficit on unrestricted reserves of £4,534. This assumes the full amounts regarding rent and service charges payable under the current lease agreement of £45,509 (currently in accruals) would be payable. The Charity are currently in negotiations with the lessor to try and reduce this. The Charity has also benefitted from Covid-19 grants since the year end to improve its reserves position, hence the Trustees believe that the entity is still a going concern.

2.3 Income

All income is recognised once the Company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

MORETONHAMPSTEAD DEVELOPMENT TRUST
(A company limited by guarantee)

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020**

2. Accounting policies (continued)

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Company's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.5 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of financial activities over the expected useful lives of the assets concerned. Other grants are credited to the Statement of financial activities as the related expenditure is incurred.

2.6 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Company; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.7 Tangible fixed assets and depreciation

Tangible fixed assets costing £100 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following bases:

Long-term leasehold property	- over the remaining life of the lease
Office equipment	- 5 years

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020**

2. Accounting policies (continued)

2.8 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of financial activities.

Investments in subsidiaries are valued at cost less provision for impairment.

2.9 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.10 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.11 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

2.12 Financial instruments

The Company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.13 Pensions

The Company operates a defined contribution pension scheme and the pension charge represents the amounts payable by the Company to the fund in respect of the year.

2.14 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Company and which have not been designated for other purposes.

18. Statement of funds (continued)

The specific purposes for which the funds are to be applied are as follows:

Designated funds:

The fixed asset depreciation fund was set up to help absorb future depreciation on fixed assets.

The property maintenance fund was set up with the money received from the Devon Youth Service for property delapidations when they ended their lease of the youth centre early.

The contingency fund was set up to help absorb any future costs associated with unpredicted events.

Restricted funds:

Flag Festival grants were towards the cost of running workshops for the community to make flags for a festival in the town as a precursor to the Festival of Food, Drink and the Arts.

Wellmoor is a project to help relieve health and social welfare issues not addressed by statutory or other voluntary organisations.

MBA represents funds received for running the Moretonhampstead Business Association and to assist with the continuing development of the town's website.

Two Valleys Energy project represents project income and expenditure to create energy sources within the community.

Dartmoor Vision is a multi-sited and multi-faceted programme to enable Green Hill Arts to extend its reach and impact by engaging a rural community in the creative process with artists. Working on projects that are directly relevant, it will create a deeper sense of ownership for participants and by extension, their families, friends and neighbours.

Artraft is an arts based project to help local older people who are living with dementia or in social isolation.

The George Bidder Memorial Fund represents project income and expenditure for the memorial of George Bidder, a 19th century engineer who was born in the town of Moretonhampstead.

The transfers made from the Two Valleys Energy Project and Dartmoor Vision (both restricted funds) to unrestricted funds were made to correct the brought forward balances, where expenditure in prior years had been allocated to unrestricted rather than the relevant project.
