Report of the trustees for the year ended 1st April 2025

The trustees present their report along with the financial statements of the charity for the year ended 01/04/2025. The financial statements have been prepared in accordance with the accounting policies set out on page 7 and comply with the charity's trust deed and applicable law.

Constitution and objects

Clowns in the Sky is constituted under a trust deed dated 16 April 2004 and is a registered charity No. 1105195.

Our aim is to bring a smile to the face of a child and their family, by providing distraction from their treatment.

Clowns in the Sky offers discretionary support grants to enhance the quality of life for those who have been affected by childhood brain tumours.

Organisation

The trustees who have served during the year and since the year end are set out on page 1

Trustees are appointed by the board of trustees and serve for up to five years after which period they may put themselves forward for re-appointment. The trustees meet annually but will when appropriate meet quarterly and monthly.

Review of the activities and future developments

The Charity has carried out fundraising throughout the year to raise funds for our charitable aims via fundraising activities, sourcing corporate donations, and funding from charitable organisations, community groups along with direct donations.

The trustees are pleased with the success of the fundraising which has allowed us to meet our charitable objectives. During the year our focus has been on continuing with our response to the increased needs from the Hospitals in the post pandemic environment.

We have successfully funded additional refills on our Activity and Sensory Trolleys throughout the UK whilst maintaining our aims and continuing to ensure the sustainability of the Charity. We have enhanced the services provided under our Childrens Entertainer sessions, providing Childrens Author visits to the Hospitals.

The trustees communicate throughout the year for decisions and discussions via email to approve Family Grants and new trolley locations.

1. Activity and Sensory trolleys.

We now have **103** trolleys nationwide in hospital wards. We aim to refill these trolleys three times a year, we do accept requests from all our hospitals for additional refills when required. These trolleys continue to bring the playroom to the child when the child may be unable to visit the playroom. **£450** pays for a trolley in a hospital to be refilled for a year.

2. Children's Entertainers.

We provide children's entertainers in partnership with another registered charity who specialise in providing entertainers to visit the children's bedside in hospitals and know there is a huge demand. **£50** pays for an entertainer's session.

2a. Childrens Author visits.

Following a pilot scheme begun in the post pandemic hospital environment, and under the umbrella of our Childrens entertainer visits, we launched, the Childrens Author visits. These visits build on the relationships we have developed with the Play Therapists in the Hospital environment. Each visit consists of a Children's Author joining us in one of the Hospitals we support. The Author will read from one of their books in a group setting within the main playroom and engage in a group discussion about the characters in the story, truly bringing their book to life. In addition, if requested by the hospital, the Author will visit the bedside of a child who may be too poorly to visit the playroom. Clowns in the Sky, purchase copies of the Authors books and these are gifted to each child, often signed by the Author during the visit. The sense of inclusion for the children is evident, and we have expanded these during 2025. This scheme continues to grow each year, we have been pleased to see the engagement with teenage children; an area that has proven hard to connect with in previous years.

3. Grants to parents in financial need.

In 2024/2025 we made **8** grants to families, of £500.00 each and a two second grants of £350.00 to a family. Families apply to Clowns in the Sky through an application process via the website or direct email, phone, and postal contact methods. All applications are independently verified by the Hospital Clinical Teams.

4. Research.

The understanding of brain cancer in children has improved significantly in recent years and modern treatment means that 7 out of 10 children can now survive for at least 5 years. We continue to support research with an annual donation of £4,300.00 made during this financial year.

Trustees responsibilities in relation to the financial statements

Charity law requires the trustees to prepare financial statements for each financial year which give a true and review of the state of affairs of the charity at the year end and of its incoming resources and resources expended during that year. In preparing those financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently.
- Make judgements and estimates that are reasonable and prudent.
- State whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the financial statements.
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 1993. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. We have fulfilled these obligations.

Voluntary help

The trustees are very grateful to many volunteers who helped by carrying out fund-raising on our behalf and giving administrative and practical support.

Approved by the trustees and signed on their behalf by:

Independent Examiner's Report

To the Trustees of Clowns in the Sky, Charity number 1105195

I report to the trustees on my examination of the accounts of Clowns in the Sky ("the Trust") for the year ended 1 April 2025.

Responsibilities and basis of report

As the charity trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in accordance with section 130 of the Act; or
2. the accounts do not accord with the accounting records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than that any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
