Aims of Charity for the public benefit

Our objectives to accomplish the above aims are:-

- To manage the men's and women's refuges offering temporary accommodation to men, women and their children who are victims of domestic abuse.
- To provide comprehensive needs-led support to residents and therapeutical support to children in refuge.
- To provide a domestic abuse counselling project for *all* victims of domestic abuse over 16 years of age.
- To provide resettlement support to residents as they leave refuge to resettle in the community.

- To attend relevant forums and meetings to ensure CRT is kept up to date on local and national domestic abuse strategic planning.

OVERVIEW

The past 12 months brought further challenges as the Covid-19 pandemic continued but we have continued to deliver high quality services and support to service users throughout. We have continued to ensure that a high percentage of our income goes on frontline service delivery. We have maintained consultation with service users, making use of remote means such as telephone and video conferencing whenever face to face meeting was inadvisable. Our staff and residents have complied with UK government guidance on covid testing and PPE to maintain a safe working and living environment.

CORNWALL REFUGE TRUST**TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 2022 (continued)****OVERVIEW (continued)**

We have been able to maintain a service delivery for all projects by successful funding applications and working closely with the Local Authority, Cornwall Council. Our core business of refuge provision has been maintained for the female refuge, and this year also our male refuge, by the Local Authority. Our child and family work is now fully funded by the Local Authority, our BBC Children in Need funding having ended in September 2021. Our 24-hour domestic abuse helpline is also partly funded by the Local Authority.

Our Resettlement Project, which supports our residents as they leave refuge to set up homes in the community, has been funded by the Tudor Trust, with this year additional funding received from the Local Authority. This project greatly improves the likelihood of a successful outcome for families and individuals once they have left the refuge. The Tudor Trust have kindly granted us flexibility to use unspent funds towards our male refuge running costs, and in future towards our Waves Counselling Project in the coming financial year.

Our Volunteer Project, which includes Waves Counselling, is partly funded by the Local Authority via First Light, with additional funding from The Lloyds Bank Foundation. In addition, this year we received a one-off additional Covid-19 grant via Cornwall Council and First Light to help reduce our Waves waiting list that had built up during the covid pandemic by paying qualified Waves counsellors to deliver counselling. This need had increased greatly due to not being able to train volunteer counsellors during the pandemic.

We have 8 Management Committee members, 5 of whom are Directors and Trustees, all offering their time and specialist skills voluntarily.

We have had a staff team of between 14 and 18 over the year, including full-time and part-time staff.

As a result of the pandemic we have not been able to run our usual volunteer programmes and so although we began the year with 37 Waves volunteer counsellors, by the end of the year this had dropped to 2, and we have had no refuge volunteers this year.

PUBLIC BENEFIT

The Trustees have complied with their duty to have due regard to guidance published by the Charity Commission on the operation of the Public Benefit requirement.

CORNWALL REFUGE TRUST**TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 2022 (continued)****ACHIEVEMENTS AND PERFORMANCE**

We have been awarded the following grants:

- First Light Southwest Ltd - part funding for the Waves Counselling Project. One-off Covid-related grant for Waves
- BBC Children in Need, started September 2018 to pay Child and Family Support Worker 12.5 hours per week - ended August 2021.
- Lloyds Bank Foundation - from April 2019 for the Volunteer Project (including Waves) and core costs – now ends March 2023 (has been extended for one year)
- Tudor Trust - From October 2019 for the Refuge Resettlement Project (will now end September 2023 as final year payment delayed by one year due to underspend in years 1 & 2).
- Tudor Trust Wellbeing grant for staff, trustees and volunteers (received February 2021, funds remain)
- Big Lottery Awards for All - funding for Norda Child and Family Work (received October 2018 funding was initially for 1 year but some funds remain).
- The Pat Newman Memorial Trust – grant for running parenting classes – on hold due to the pandemic
- Cornwall Community Foundation - Crisis Fund Grant - to assist with crisis expenses for residents.
- DWP Household Support Grant – to distribute to families and individuals in need (food, energy & water costs etc)
- Acts 435 - funding for ad hoc residents' needs (e.g. school uniform, travel, mobile phones, legal costs, moving costs, curtains for new homes)
- British Science Association – British Science Week grant for children's science activities

We have again received many one-off financial donations this year from individuals and community groups. Additionally, we have received Gift Aid and some regular donations. In-kind donations include assistance from Hidden Help who supply furniture and home goods for residents moving out of refuge. Several church and community groups offer continued support with clothing, toiletries and homeware for both male and female residents and those moving out into the community. We are also well supported by the community for Easter and Christmas, helping our service users to enjoy these celebrations.

Cornwall Refuge Trust (CRT) projects have achieved the following service figures:

- Refuges - 31 adults and 22 children received comprehensive residential support (2020-21: 35 adults and 32 children)
- The Helpline – 3658 support calls received or made within our 24-hour service (2020-21: 6232)
- The WAVES Project - 915 referrals were made to WAVES, with 70% engagement in counselling (2020-21: 652, 71% engagement)
- The Resettlement Project – 8 families and 16 single adults were successfully supported to resettle in the community (2020-21: 13 families, 10 single adults).

CORNWALL REFUGE TRUST**TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 2022 (continued)****ACHIEVEMENTS AND PERFORMANCE (continued)****The Women's Refuge and Norda House**

The level of support offered when entering our refuges is very comprehensive. From the point of receiving the referral, we assist with safety planning for the person or family to leave their abuser and area of risk. We support them to arrange safe transport and their rooms are prepared with welcome packs for both adults and children. Residents are supported to access benefits, including housing benefit, GP services and schools. We ensure emotional needs are met by offering support, a listening ear and a friendly welcoming environment.

For the period of their stay our residents are appointed a key worker who meets with them regularly and offers individual needs-led support for single adults and families. Support is offered to children and young people with therapeutic sessions, outings, activities, birthday and seasonal events and treats.

Additional services are offered by the refuges when residents are moving out to support them in establishing new homes in the community. These additional services include providing furnishings, emotional support on moving, support for children and young people, help with getting to know the community, accessing services and school placements.

The refuge and resettlement staff are dedicated, hardworking people who are passionate about what they do and go the extra mile in supporting residents.

The Volunteer Project & WAVES Counselling

The Waves Counselling Project has one full-time Coordinator / Project Manager who recruits, trains and supervises all counselling volunteers and sessional workers. Normally we also employ a part-time Volunteer Supervisor, who recruits, trains and supervises all refuge volunteers. However, since the start of the Covid-19 pandemic we have had to put our refuge volunteer project on hold for the time being.

Our counselling volunteers are mainly students studying counselling who are required to gain experience in counselling, whilst our refuge volunteers come from all walks of life. We are able to offer them all a vast array of training opportunities and professional supervision. There have been several volunteers who have gone on to be employed by CRT or other DA providers.

We continue to use qualified counsellors as sessional workers to assist the Waves manager in taking referrals and processing assessments, and to provide additional counselling sessions in order to reduce the Waves waiting list as a result of funding received for this purpose.

Donated services

Donated services were received from Phillips Frith LLP who do not charge for processing our wages and payroll. We have several community groups (including the Rotary Club, Inner Wheel Club, Lions Club, the Soroptomists, Women's Institute, Mothers' Union and many church groups and local businesses) who have donated to general funds, residents' support and the children's project, as well as gifts for adults and children, household items, money for school uniforms and funds for Christmas and Easter celebrations. Additionally, we received financial donations from individuals and donated items which were offered to refuge residents to assist in their resettlement.

CORNWALL REFUGE TRUST**TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 2022 (continued)****CURRENT STATUS AND FUTURE PLANNING**

CRT will continue to deliver high quality, life changing services.

We continue to work closely with the Local Authority and other DASV providers to ensure our services continue and our high standards of support are maintained.

We plan to continue to deliver domestic abuse services, ensuring that we are able to offer excellent support to those who enter our projects. We have a very dedicated team of staff and volunteers who have specialist skills and a work ethos that is outstanding.

We are pleased to have received additional funding from the Local Authority for our male refuge (Norda House project) from April 2021 and also additional funding for our Children's Project and our Resettlement Project from August 2021.

Our values are to lead and deliver domestic abuse services with passion and dedication; to be accountable and have integrity in all we do; to embrace diversity, and to always work towards a high quality of service delivery. We are determined to continue to strive to support those people harmed by abuse in the home, assisting them to move towards a safer and happier future.

FINANCIAL REVIEW

In 2022, CRT had a surplus of £105,992 (2021: surplus of £55,578). Total income increased by £99,705 to £643,496.

The principle funding sources of the Charity continue to be grants received from various organisations which are used to support the running costs of both refuges and various counselling and support projects. Housing benefit is also received to help fund the running costs of both refuges, more detail is provided in notes 2 and 14 of these financial statements.

Expenditure has increased by £50,162 to £538,375.

Net assets increased to £844,292 (2021: £737,885). During the year the Charity had a positive cash flow of £76,372.

At 31 March 2022, the Charity held total cash balances of £619,230 (2021: £542,858).

Reserves Policy

It is the policy of the Cornwall Refuge Trust to maintain unrestricted funds, which are the free reserves of the Charity (excluding fixed assets), at a level which equates to the approximate six month total expenditure. This provides sufficient funds to cover management, administration, support costs and to respond to emergency expenditure which arises from time to time.

As at 31 March 2022 free reserves totalled £416,137. This compares with £359,023 at the previous year end.

The Trust holds £200,000 in a designated reserve to cover the costs of interim accommodation to assist those moving from intensive support in the Refuge to community living or for the potential purchase of suitable refuge accommodation. The designated reserves are not included in free reserves.

Restricted reserves held at 31 March 2022 amounted to £350,010 (2021: £300,900). A description of these funds is provided in note 14. Included in the restricted reserves is £221,858 (2021: £227,136) that relates to tangible fixed assets, which includes the freehold property.

CORNWALL REFUGE TRUST**TRUSTEES ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 2022 (continued)****FINANCIAL REVIEW (continued)****Reserves Policy (continued)**

The Charity now holds an expendable endowment fund, in the form of investments in Meteor Senior Life Settlements Sterling Fund. This investment was a gift from West Cornwall Youth Trust and the value of the year end was £7,567.

Total funds held by the Charity at 31 March 2022 amounted to £844,293 (2021: £737,885).

Risk Policy

The Trustees have examined the major strategic, business and operational risk which the Charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to mitigate the exposure to these risks.

The principle risks to which the charity is exposed are:

- Risk of fraud perpetrated by trustees or employees of the charity
- Risk of accidental damage to the charity's property
- Risk of losing funding for support costs (Community Safety Partnership) and additional projects

Non-financial risks arising from fire and health and safety are managed by weekly health and safety checks of both refuges and the fire alarms are tested weekly by external companies. Regular health and safety awareness training is provided to staff.

Investment Policy

The management committee has considered the most appropriate policy for investing funds and has agreed that instant access to funds is currently necessary to enable the Charity to operate effectively. The funds, therefore, are currently held in bank deposit accounts with an approved UK regulated bank.

Going Concern

The accounts are prepared on a going concern basis which assumes the Trust will continue to operate for the foreseeable future. The trustees consider this to be appropriate having regard to the circumstances outlined in note 19.

TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The Trustees (who are also directors of the Charity for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under that law the Trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its income and expenditure for that year. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

CORNWALL REFUGE TRUST**TRUSTEES ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 2022 (continued)****TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS (continued)**

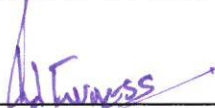

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The Trustees are also responsible for ensuring that the assets are properly applied in accordance with charity law.

DISCLOSURE OF INFORMATION TO INDEPENDENT EXAMINER

They have taken all the steps that they ought to have taken as Trustees in order to make themselves aware of any relevant information and to establish that the examiner is aware of that information.

CORNWALL REFUGE TRUST**NOTES TO THE FINANCIAL STATEMENTS****FOR THE YEAR ENDED 31 MARCH 2022****1 ACCOUNTING POLICIES****Charity Information**

Cornwall Refuge Trust is a private charitable company limited by guarantee and has no share capital, incorporated in England and Wales. The principal address is PO Box 80, Truro, Cornwall.

a) Basis of preparation and compliance with statutory requirements

The individual Charity's financial statements have been prepared in accordance with the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) – (Charities SORP (FRS 102)) (second edition – October 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The accounts are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest £.

The Charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value. The principal accounting policies adopted are set out below.

The financial statements have been prepared on the assumption that the Charity is able to carry on as a going concern, which the Trustees consider appropriate having regard to the circumstances outlined in note 19 to the financial statements. The Trustees have no material uncertainties about the Charity's ability to continue.

b) Fund accounting

The Charity has various types of funds for which it is responsible, and which require separate disclosure. These are as follows:

RESTRICTED FUNDS These are earmarked by the donor, or the terms of an appeal, for specific purposes within the overall aims of the Charity or for specific projects being undertaken by the Charity. The donation and income deriving therefrom will be used in accordance with the specific purposes.

UNRESTRICTED FUNDS Funds which are expendable at the discretion of the board in furtherance of the purposes of the Charity.

DESIGNATED FUNDS The board may at its discretion set aside unrestricted funds for specific purposes. The aim and use of each designated fund is set out in note 13. Discretionary reallocations between designated and general funds are treated as transfers in the notes to the financial statements.

EXPENDABLE ENDOWMENT FUND This was created by a gift of investments from the WCYT. The income from these investments is restricted as described in note 14.

A description of the specific funds in existence during the year is given in note 14.

c) Income

Income is recognised when the Charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Donations required to be retained as capital in accordance with the donor's wishes are accounted for as endowments - permanent or expendable according to the nature of the restriction.

ii) GRANTS AND GOVERNMENT GRANTS

Income from government and other grants, including capital grants, is recognised when the Charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably, except as follows:-

- when donors specify that grants given to the Charity must be used in future accounting years, the income is deferred until those years.
- when donors impose conditions which have to be fulfilled before the Charity becomes entitled to use such income, the income is deferred and not included in incoming resources until the pre-conditions for use have been met. A grant received before the recognition criteria are satisfied is recognised as a liability.

iii) FUNDRAISING EVENTS

e) Expenditure

Expenditure is recognised once there is a legal or constructed obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and is classified under the following activity headings:

CORNWALL REFUGE TRUST**NOTES TO THE FINANCIAL STATEMENTS (continued)****FOR THE YEAR ENDED 31 MARCH 2022****1 ACCOUNTING POLICIES (continued)****f) Allocation of support costs**

Computer equipment	- 25% per annum on the straight line method
Equipment	- 20% per annum on the straight line method

Efficiencies are achieved wherever possible with more use of volunteer time and the Charity seeks to find alternative funding wherever possible.

The Trustees are not aware of any reason why they should not continue to adopt the going concern basis of accounting.
