Governing Document

UnitedLife is a company limited by guarantee governed by its Memorandum and Articles of Association dated 2nd August 2004. It is registered as a charity with the Charity Commission. Members of the charitable company guarantee to contribute amounts not exceeding £10 to the assets of the charitable company in the event of winding up.

Organisational structure

The Trustees and Directors work closely with the senior leadership team respecting the leadership structure of the church. New trustees are appointed by the Trustees from those who regularly attend the church.

Policy for training Trustees

Potential trustees meet the other trustees before they are appointed so that they can understand their responsibilities within the board and how the charity operates. This ensures that new trustees are aware of the scope of their responsibilities.

Relationship with related parties.

Remuneration policy

The remuneration of management personnel is reviewed annually by trustees. Consideration is given to equivalent salaries of similar positions within the marketplace, using published salary information.

Objectives and Activities

The main objects of the charity are:

- a) The advancement of the Christian faith in the UK or overseas.
- b) The relief of persons in conditions of hardship and distress or who are aged or sick.

In planning the activities of the charitable company, the directors have considered the Charity Commission's guidance on public benefit and the specific guidance on charities for the advancement of religion.

The principal activity of the charitable company is that of a church, known as UnitedLife. We function as a part of the global C3 family with a vision to be the family of God on the mission of God shaping the future in Jesus' name.

Achievements and Performance

C3UnitedLife is a dynamic contemporary Christian church providing an environment for local people to discover and grow in faith in God.

Our main events are a weekly morning event at Bourne Hall for all ages using contemporary music with relevant activities for children and young adults as well as adults, a weekly evening event in Sutton High Street at TazZa Coffee, and various small group meetings in homes during the week.

In a year still affected by Covid-19, we have maintained engagement and attendance through in-person gatherings, observing laws and guidelines in force at the time, but continuing with an online presence across multiple social channels. Overall attendance has stayed level across the year.

Small group settings to suit across a broad range of ages, have continued both in-person and online, ensuring a continuation of community.

In association with *Christians Against Poverty* we run a free debt-centre for those in financial difficulty, providing befrienders, a weekly drop-in, a job club, and free money-management courses. This has continued at pace to ensure that those that need the help the most have still been supported. The church has continued to be generous in supporting those most in need even during the hardest times.

We have started offering Wellbeing courses, in association with *Kintsugi Hope*, through a combination of in-person and online gatherings. These have been well attended throughout the year.

We maintain a presence on Sutton High Street through the activities of *TazZa Coffee*, operated on our behalf by *UnitedLife Trading*.

We have continued to support and make grants and facilitate community projects internationally. Over this year, we have supported Christian projects involved in education, feeding and orphanage projects in developing countries such as Burundi and Zimbabwe as well as a church in Poland.

Much of our administration and most of our activities are supported by volunteers. This has enabled the trust to fulfil its objectives and devote most of its resources to the provision of sustainable and worthwhile projects and services.

REPORT OF THE TRUSTEES
for the year ended 31st March 2022 (Continued)

Achievements and Performance (cont.)

We thank God for His continuing provision and grace for the vision he has given to UnitedLife. We are also very grateful to the members of our Church for their continued generosity, giving financially and of their time as they serve God faithfully through UnitedLife.

The trustees consistently monitored income and expenditure and although income fell slightly, expenses have been tightly controlled, and a small surplus was achieved for the year.

Financial Review

The total income for the year was £178,589 and total expenditure on charitable activities amounted to £177,124.

Reserves Policy

The intention of the trustees is to ensure general reserves are maintained at around £100,000 as this enables the charitable company to remain financially stable and resilient and ensure its continued successful operation, regardless of income.

Investment

The charity has no long-term investments. Our cash reserves are held in money market and deposit accounts.

Risk Management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. Potential risks are regularly reviewed by Senior leadership and any significant concerns raised at Trustees meetings.

The Health and Safety policy is annually reviewed, along with the policy for the Safety of vulnerable people. The charity has a safeguarding manager responsible for ensuring that safeguarding checks are made on all team members involved with children or vulnerable adults.

This report has been prepared in accordance with the special provisions relating to companies subject to the Small Companies Regime within part 15 of the Companies Act 2006.

NOTES TO THE ACCOUNTS
for the year ended 31st March 2022

1. Accounting Policies

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of Preparation

The Financial Statements have been prepared in accordance with the Charities: Statement of Recommended Practice (applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

b) Public Benefit Entity

UnitedLife meets the definition of a public benefit entity under FRS 102.

c) Going Concern

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

d) Income Recognition Policies

Items of income are recognised and included in the accounts when all of the following criteria are met:

- The charity has entitlement to the funds;
- any performance conditions attached to the items of income have been met or are fully within the control of the charity;
- there is sufficient certainty that receipt of the income is considered probable; and
- the amount can be measured reliably.

Income received in advance of a specific performance or provision of other specified service is deferred until the criteria for income recognition are met.

e) Interest Receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the bank.

f) Expenditure and Irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

NOTES TO THE ACCOUNTS
for the year ended 31st March 2022

g) **Tangible Fixed Assets**

Individual fixed assets costing £1,000 or more are capitalised at cost and are depreciated over their estimated useful economic lives on the straight line basis as follows:

Asset Category	Annual Rate
Freehold Property	Nil
Equipment	25% per annum

h) **Debtors**

Trade and other debtors are recognised at the settlement amounts due after any trade discount offered. Prepayments are valued at the amount prepaid after taking account of any trade discounts due.

i) **Cash at Bank and in Hand**

Cash at bank and cash in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

j) **Creditors and Provisions**

Creditors and provisions are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.
