Structure, Governance and Management

The charitable company is incorporated as a company limited by guarantee having no share capital and, in accordance with the Memorandum and Articles of Association, every member is liable to contribute a sum of £1 in the event of the company being wound up.

The Trustees are appointed either as heads of the member Universities or as co-opted members. The board keeps the skill requirements for the trustee body under review. The Trustees meet during the year to agree and review broad strategy, to monitor past activities, to agree areas of activity for the organisation, including risk management policies and performance, and to seek additional funding. In addition, the Chair of the Trustees is in frequent electronic contact with the Executive Chair and with the Director, and members are also consulted regularly to review major operational policy changes and to support the Director in any significant administration work or changes in the work of the trust.

The Executive Chair and the Director are present at all board meetings, while the nominated rectors (or representatives) are *ex officio* members of the Europaeum Academic Council, which oversees academic policy matters for the Association.

Risk management

The Charity Trustees have considered the major risks to which the charity is exposed and have reviewed those risks and established systems and procedures to manage those risks.

THE EUROPÆUM

STATEMENT OF TRUSTEES' RESPONSIBILITIES

YEAR ENDED 31 December 2021

The Trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial period. Under that law the Trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for that period.

In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue its activities.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. The Trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

As directors, the Trustees acknowledge their responsibilities for:

- (i) ensuring that the company keeps proper accounting records which comply with the Companies Act 2006; and
- (ii) preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the financial period and of its profit or loss for the financial period in accordance with the requirements of the Companies Act 2006, and which otherwise comply with the requirements of this Act relating to accounts, so far as applicable to the company.

THE EUROPAEUM

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE EUROPAEUM

YEAR ENDED 31 December 2021

Respective responsibilities of the Trustees and examiner

The charity's Trustees consider that an audit is not required for this period under section 144 of the Charities Act 2011 and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act,
- to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the accounts.

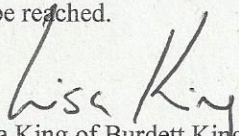

Independent examiner's statement

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in, any material respect, the Trustees have not met the requirements to ensure that:

- proper accounting records are kept in accordance with s.386 of the Companies Act 2006; and
- accounts are prepared which agree with the accounting records and comply with the accounting requirements of the s.396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

THE EUROPAEUM

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31 December 2021

1. Accounting policies

Basis of accounting

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to the accounts. The accounts have been prepared in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and with the Charities Act 2011.

Cash flow statement

The Trustees have taken advantage of the exemption in Financial Reporting Standard No 1 (revised) from including a cash flow statement in the financial statements on the grounds that the charity is small.

Fixed assets and depreciation

All fixed assets are initially recorded at cost. Depreciation is calculated on a straight line basis so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Computer Equipment	15% per annum
--------------------	---------------

Incoming resources

Income from donations, grants, seminars, teaching and other sources is recognised in the period in which the charity is entitled to receipt and the amount can be measured with reasonable certainty.

Resources expended

All expenditure is included on an accruals basis and is recognised when there is a legal or constructive obligation to pay for expenditure. Expenditure has been classified under headings that aggregate all costs relating to the category. Irrecoverable VAT is either charged to the appropriate expenditure heading or it is capitalised as appropriate. Costs of charitable activities relate to the work carried out on the core purposes of teaching, research and academic collaboration. Governance costs are those costs incurred in connection with administration in the charity, compliance with constitutional and statutory requirements and costs of the strategic planning process. Support costs are allocated across specific categories of expenditure mainly on the basis of time spent. Gains and losses on foreign currency transactions are included within the related expenditure heading. Gains and losses relating to the re-translation of foreign currency assets and liabilities are included in governance costs along with interest payable.

Fund accounting

Funds held by the charity are either:

- *Unrestricted general funds* – these are funds which can be used in accordance with the charity's objects at the discretion of the Trustees.
- *Designated funds* – these are funds set aside by the Trustees for specific future purposes or projects.
