## REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2023

---

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

### Trustees Report 2022-23

#### 1. Overview

This year has seen continuing pressures on services within an antagonistic environment. It has also seen the beginnings of the co-design and implementation of the new NHS Integrated Care Strategy (ICS) infrastructure within which the Voluntary, Charity and Social Enterprise (VCSE) sector will for the first time play a formal role in planning and delivery of health services. We believe that the ICS offers a unique opportunity to improve the enabling environment for autistic people, their parents and carers and for the seamless integration and growth of VCSE services.

Finances have remained strained and following the impact of Covid, and change in working patterns in the population, we have continued to struggle to recruit the staff that we need in the direct personal support area of our work. The significant increase in the rate of inflation and increase in living wage has seen our rates increase despite efforts to improve productivity to avoid this. Given the significant cost pressures on services users and no increases in personal budgets in recent years, many struggle to afford even at cost services.

We have committed a significant amount of time to the many workshops and meetings involved in the development of the Integrated Care Strategy infrastructure in order to ensure that there is an improvement to the enabling environment for our service users. We have also worked hard to engage with partners delivering related services. We believe that our commitment in this respect is paying dividends in the form of positive strategic changes such as pre and post Diagnosis support, easier access to mental health services and improved access to services for parents of children and young people. We continue to contribute meaningfully to existing partnership structures such as the Autism Partnership of which we are a founder member. We are proud of this work.

Following a Care Quality Commission quality survey in December 2022, we retained our "Good Service" rating.

Whilst keeping a strong focus on our existing delivery work and the strategic work on the Integrated Care Strategy, we aim to continue developing new service user needs identified services.

### Independent examiner's report to the trustees of Derbyshire Autism Services Ltd ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2023.

### Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

### Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

---

16. RESTRICTED FUNDS - continued

This project will play an important part in the community by welcoming autistic girls from the whole of Derbyshire to be part of a group that will help to develop their social skills, create opportunities for learning through different activities and help them to feel that they are valued and belong to something. It will be open to females (and those that identify as female) aged 11-18 years from any background. We welcome attendees from all different cultures, races, sexualities etc as we want to reach as many different people as possible and recognise the importance of celebrating diversity.

**ADULT SERVICES**

**DCC ADULTS**

This bid is to help clients to work towards their goals and allow them to become more independent. It is also there to help them secure their own funding to enable them to choose which services will benefit them in achieving these goals.

**DCC FRAMEWORK**

This bid is to take over the Spot Purchases from DCC adults department to help clients become more independent and learn to be interdependent on others. They have a say in what support they require and help co produce their own risk assessments and care plans to achieve their goals.

**PILOT PROJECTS**

**SPECIALIST WELLBEING NAVIGATOR**

To expand the capacity of community-based organisations in providing pre-diagnostic support for people who are on the local waiting list for an adult autism assessment.

- To expand the capacity of community-based organisations in providing post-diagnostic support for people who receive an autism diagnosis locally.
- To support the capacity of the Adult Autism Assessment Team in maintaining contact with individuals on the waiting list, directing and signposting to post-diagnosis support offers, and providing additional support for the assessment process when needed.

**COMMUNITY OF PRACTICE - PEER SUPPORT**

We propose to offer a Peer Support service in Derby City that supports 16+ individuals who do not have access to a personal budget and are in need of Trusted Friend based mentoring support.

**DERBY WELLBEING**

The NHS Long Term Plan (LTP) and Community Mental Health Framework (CMHF) recognises the social, self-care and prevention value of the voluntary, community and social enterprise (VCSE) sector and has a strong steer towards working in partnership with the VCSE sector to create a successful integrated care system.
