REPORT OF THE DIRECTORS

The directors present their report and the financial statements for the period ended 30 September 2024.

PRINCIPAL ACTIVITY

iNet Trust Limited (“iNet”) supports local churches in global mission. Its mission is to work with churches and their cross-cultural workers (CCWs) to ensure that churches ‘do mission well’ and that workers feel secure in the care and expertise of their sending organisation, which is the local church. iNet uses its expertise and resources to ensure that:

- **Churches** are trained, equipped and enabled to send and support well their members who hear and obey the call of God to ‘Go into all the world...’ This is achieved through prayer, finance and training in member care.
- **Cross-cultural workers** are mobilised, trained, equipped, supported and cared for in their preparation, going, working and returning from cross-cultural overseas mission.
- **Church members** (including youth) are encouraged to get involved in cross cultural mission through prayer, teaching and activities (including short term trips) to produce the next generation of CCWs.

ADMINISTRATIVE INFORMATION

Charitable objectives

iNet is governed by its Memorandum and Articles of Association. The charity’s objects are:

1. To promote and advance the Christian Faith throughout the world generally including by the worship of God, the instruction and edification of Christians, the care and Christian instruction of young people and children and the evangelisation of non-Christians.
2. To relieve poverty, hardship, sickness and distress among all peoples of the world.
3. To promote education and training.
4. To support such other charities and charitable purposes as the trustees shall decide.

Structure, governance and management

The ‘owners’ or ‘members’ of iNet, are churches who have subscribed to the iNet Guarantee, agree with the Statement of Faith, and regularly participate in consultations, both formal and informal, regarding the broader aims and objectives of the charity. They also receive the Directors Report annually at the AGM.

The Board of Directors who act as trustees of the charity are appointed by the members. They are responsible for the overall strategy and management of the charity, and they delegate certain responsibilities to an operating team. The major risks to which the charity is exposed, as identified by the trustees, are reviewed from

time to time and, if considered appropriate, systems or procedures are established to manage those risks

The operating team who are responsible for the day-to-day operations of the charity consist of a small group of part time paid staff and volunteers. Paid staff consist of two Member Care Officers (one of whom left during the year), an internship and Summer24 co-ordinator and an Office Administrator. A number of volunteers (some of whom are Directors), support the team, including former CCWs.

REVIEW OF THE YEAR

iNet provided support and assistance for the benefit of our member and other churches and their CCWs who have opted to receive that support, direction and assistance from the charity. The charity's activities for the past year have included the following:

Regarding churches' cross-cultural workers

- Regular communication
- Pastoral and strategic support
- A summer conference with the aim of providing fellowship, encouragement, training and envisioning
- Annual appraisals
- UK and on field visits
- Provision of information regarding education, health and finance
- Financial support

During the year iNet and its member churches supported 46 CCWs and their children in 18 countries outside the UK. One new person was prepared through the launch pad process and is now serving overseas with a second preparing to go overseas. iNet also supported the children of CCWs studying in the UK. Two new CCWs joined iNet through their church New Community Church in Southampton.

Regarding churches

- Providing advice and help with recruiting, preparing and sending new workers overseas
- Providing monthly informational and prayer updates.
- Developing member care strategies for churches both overseas and in the UK
- Providing training on member care, mission and cross-cultural awareness
- Preaching at churches, attending youth meetings and attending bible studies on mission and the work of iNet.
- With member churches held a youth weekend with a focus on cross cultural mission.
- Working with Global Connections

iNet organised two short term trips for young people to experience overseas mission in August. Twenty young people and their leaders travelled to Hong Kong and Zimbabwe engaging in a variety of activities. In addition, iNet in partnership with Reach London arranged a weeklong youth mission events in Forest Hill and Woolwich in partnership with two member churches.

Other activities include:

- Continuing the iNet internship programme with two interns completing the programme and returning to home churches.

- The annual curry night and Advent ignite events were held during the year with over 100 people attending the events which highlight the work of iNet and its CCWs.
- Continued social media presence.

The trustees have complied with the duty imposed by Section 4 of the Charities Act 2006 to have due regard to the public benefit guidance published by the Charity Commission in December 2008.

FUTURE PLANS

The charity plans to continue its activities in the forthcoming years providing its support and services to CCWs and churches. It will continue to seek new member churches and church networks.

Specific plans for the forthcoming year include:

- Training courses and events to facilitate and explore recruitment and preparation of potential applicants for overseas work
- Various courses, seminars and materials for member churches and other churches to help their appreciation of and involvement in the challenge of world mission and member care for those on the field
- A conference for CCWs workers and their supporters
- Events to showcase the activities of CCWs and mission opportunities to iNet churches (and other interested parties)
- Explore and if appropriate arrange, promote and lead mission trips for young people in the UK and overseas.
- Explore opportunities for new churches and networks to join iNet
- Promote short term teams and individuals to assist overseas mission activities
- Promote the activities of iNet through speaking engagements at iNet churches and other interested church groups
- The recruitment of further interns from the UK and overseas to promote the work of iNet

FINANCIAL REVIEW

The Directors are grateful to member churches, other churches, and individuals for their continued financial support throughout the period and for their willingness to participate in this tangible way in the extension of God's kingdom around the world.

During the year under review to 30th September 2024 total income increased by £21,377 to £128,360. This was due to higher donations from individuals and fees for Summer24 partially offset by lower Summer Conference fees. Total expenditure increased by £30,015 to £128,262 due to the costs of Summer24 and higher payments to CCWs.

Overall, there was a surplus of £98 for the year. Prior to transfers between funds this is attributable to a surplus of £8,192 on the general fund offset by deficits on designated funds of £4,000 and restricted funds of £4,094. A transfer of £4,000 to designated funds was made during the year resulting in a net increase of the general fund of £4,192.

RESERVES POLICY

The trustees have reviewed the reserves policy and concluded that it is appropriate to maintain cash reserves equal to three months budgeted general expenses,

approximately £14,250 if the costs of the summer conference are included. At the end of the financial year the general fund stood at £57,017. It is planned to utilise the surplus above the cash reserves to fund the existing operations of iNet.

GRANT MAKING POLICY

iNet operates a small Youth Bursary Fund from which grants may be made from time to time to young people from member churches to assist them to explore overseas mission work opportunities.

RISK MANAGEMENT

The Trustees have conducted their own review of the major risks to which the charity is exposed and systems designed to mitigate those risks. All major insurable risks are subject to commercially available charities and employers insurance. The most significant risk is considered to be a significant shortfall in donations from member churches which is mitigated by the reserving policy. Internal risks are minimised by the implementation of procedures for authorisation of all transactions and projects. These procedures are reviewed periodically to ensure that they still meet the needs of the charity.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The law applicable to charities in England and Wales requires the directors to prepare accounts for each financial year which give a true and fair view of the company's financial activities during the year and of the income and expenditure and financial position of the company as at the end of that period. In preparing these accounts, the directors are required to:

- Select suitable accounting policies and then apply them consistently.
- Make adjustments and estimates that are reasonable and prudent.
- Prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in operation.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 2006 and the Charities Act 1993. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The directors confirm that the accounts comply with current statutory requirements and those of the company's governing documents.

INET TRUST LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH SEPTEMBER 2024

1. STATUTORY INFORMATION

The charity is a charitable company limited by guarantee and is incorporated in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

These financial statements are prepared on a going concern basis, under the historical cost convention.

These financial statements have been prepared in accordance with the "Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) ("the Charities SORP"), with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland ("FRS 102"), with the Companies Act 2006 and with the Charities Act 2011. The charity meets the definition of a public benefit entity as set out in FRS 102.

The principles adopted in the preparation of the financial statements are set out below.

a. Going Concern

The trustees (who are the charitable company's directors for the purposes of company law) have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of approval of the financial statements. In particular the trustees have considered the charity's forecasts and projections and the possible implications should projected income and/or expenditure vary unexpectedly. The trustees have concluded that there is a reasonable expectation that the charity has adequate resources to continue to operate for the foreseeable future. The charity therefore continues to adopt the going concern basis in preparing its financial statements. In making this assessment, the trustees have considered how Covid-19 might affect projections.

b. Income

Income including investment income is recognised in the period in which the charity becomes entitled to receipt, the amount receivable can be measured with reasonable certainty, and receipt is probable. For the most part, income is generally recognised when it is received. Income is only deferred when the charity has to fulfil conditions before becoming entitled to it or where the donor has specified that the income is to be expended in a future period.

Income from donations and legacies includes:

- I. Recoverable gift aid. This is recognised when the related donation is received. Gift aid that has not been recovered by the balance sheet date is included as a debtor.
- II. The charity relies on volunteers to carry out many of its activities. However, in accordance with the SORP, the value of these services has not been included in these financial statements as they cannot be reliably measured.
- III. Legacies. Income from legacies is recognised when a distribution is received from the estate or, if earlier, when the charity has been notified that a distribution will be made and the amount receivable can be measured reliably.

Income from charitable activities represents income receivable from goods, services and facilities supplied in furtherance of the charity's charitable objects. It includes income from the summer conference and other events and courses.

c. Expenditure

Expenditure, including irrecoverable VAT, is recognised when it is incurred or, if earlier, when a legal or constructive obligation for a payment arises provided that it is probable that settlement will be required and the amount of the obligation can be measured reliably

The charity makes grants to other institutions and individuals to further its charitable objectives. Grants payable are recognised as constructive obligations arise, which is generally when the charity expresses a commitment to the recipient that can be measured reliably and then only to the extent that any conditions associated with the grant are outside of the control of the charity.

The cost of raising funds is not significant and has not been separately disclosed.

Governance costs, which are included in expenditure on charitable activities but are identified separately in the notes to the accounts, includes costs associated with the independent examination of the financial statements, compliance with constitutional and statutory requirements and any other expenditure incurred on the strategic management of the charity.

d. Fund Accounting

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity. Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. Restricted funds are donations which are to be used in accordance with specific restrictions imposed by donors; they include donations received from appeals for specific activities or projects.

e. Tangible Fixed Assets

Items purchased or donated for the charity's own use are capitalised when the cost of purchased items, or the fair value of donated items, is more than £1,000 and the item is expected to benefit the charity over more than one accounting period. Depreciation is charged on a straight line basis so as to write down the value of each asset to its estimated residual value (if any) over its expected useful economic life. To achieve this objective the following rates of depreciation are charged:

- Leasehold improvements 5 years
- Equipment 5 years

The carrying values of tangible fixed assets are reviewed for impairment in periods when events or changes in circumstances indicate that the carrying value may not be recoverable.

f. Pension Scheme Arrangements

The charity operates defined contribution pension schemes for its employees. Obligations for contributions to these schemes are recognised as an expense when the liability arises. The assets of these schemes are held separately from those of the charity in independently administered funds. For CCWs, payments are received from churches and CCWs and paid into an International Retirement Benefit Plan. Expenditure is accounted in the Statement of Financial Activities in the period to which it relates.

g. Taxation

The company is a registered charity; it has taken advantage of the various reliefs from taxation available to charities and no tax is payable on the charity's income.

h. Financial Instruments

The charity's financial assets and financial liabilities all qualify as basic financial instruments, as defined by FRS102. Creditors and debtors are measured at their expected settlement value (normally the amount of cash that the charity expects to pay or receive).

i. Exemption from Preparing a Cashflow Statement

The charity has taken advantage of an exemption conferred by the Charities SORP and has not prepared a cash flow statement.

j. Critical Accounting Estimates and Areas of Judgement

The trustees do not consider that there any material sources of estimation or uncertainty at the balance sheet date that could result in a material adjustment to the carrying values of assets and liabilities in the next reporting period.

3. DONATIONS AND LEGACIES

Donations and legacies comprise donations from member churches, individuals and from other charities. These are shown below:

| £ | 2024 Total | 2023 Total |

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF INET TRUST LIMITED

I have examined the accounts for the year ended 30th September 2024 on pages 8 to 15 following which have been prepared on the basis of the accounting policies set out on page 10.

Respective responsibilities of the Directors/Trustees and Examiner

The directors/trustees of the company are responsible for the preparation of accounts; they consider that the audit requirements under Section 144 of the Charities Act 2011 do not apply but that an independent examination is needed. I have been appointed to conduct an Independent Examination required by Section 145 of the Charities Act, 2011 and to report in accordance with the regulations made under Section 145 of that Act. It is my responsibility to examine the accounts, without performing an audit, and to report to the trustees.

Having satisfied myself that the company is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- (1) examine the accounts under Section 145 of the Charities Act 2011;
- (2) follow the procedures laid down in the general Directions given by the Charity Commission under Section 145(5)(b) of the Charities Act 2011;
- (3) state whether particular matters have come to my attention.

Basis of Examiner's Statement

This report is in respect of an examination carried out under Section 145 of the Charities Act 2011, and in accordance with the general directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity, and a comparison of the accounts presented with those records. It also includes a review of the accounts and making such enquiries as are necessary for the purpose of this report. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Examiner's Statement

In my opinion:-

Based on my examination, no matter has come to my attention which gives me reasonable cause to believe that in any material respect, accounting records have not been kept in accordance with section 386 of the Companies Act 2006, or that the accounts presented do not accord with those records, or comply with the accounting requirements of section 396 of the Companies Act 2006. No matter has come to my notice in connection with my examination to which, in my opinion, attention should be drawn to enable a proper understanding of the accounts.

INET TRUST LIMITED

REPORT OF THE DIRECTORS

The directors present their report and the financial statements for the period ended 30 September 2023.

PRINCIPAL ACTIVITY

iNet Trust Limited (“iNet”) supports local churches in global mission. Its mission is to work with churches and their cross-cultural workers (CCWs) to ensure that churches ‘do mission well’ and that workers feel secure in the care and expertise of their sending organisation, which is the local church. iNet uses its expertise and resources to ensure that:

- **Churches** are trained, equipped and enabled to send and support well their members who hear and obey the call of God to ‘Go into all the world...’ This is achieved through prayer, finance and training in member care.
- **Cross-cultural workers** are mobilised, trained, equipped, supported and cared for in their preparation, going, working and returning from cross-cultural overseas mission.
- **Church members** (including youth) are encouraged to get involved in cross cultural mission through prayer, teaching and activities to produce the next generation of CCWs.

ADMINISTRATIVE INFORMATION

Charitable objectives

iNet is governed by its Memorandum and Articles of Association. The charity’s objects are:

1. To promote and advance the Christian Faith throughout the world generally including by the worship of God, the instruction and edification of Christians, the care and Christian instruction of young people and children and the evangelisation of non-Christians.
2. To relieve poverty, hardship, sickness and distress among all peoples of the world.
3. To promote education and training.
4. To support such other charities and charitable purposes as the trustees shall decide.

Structure, governance and management

The ‘owners’ or ‘members’ of iNet, are churches who have subscribed to the iNet Guarantee, agree with the Statement of Faith, and regularly participate in consultations, both formal and informal, regarding the broader aims and objectives of the charity. They also receive the Directors Report annually at the AGM.

The Board of Directors who act as trustees of the charity are appointed by the members. They are responsible for the overall strategy and management of the charity, and they delegate certain responsibilities to an operating team. The major risks to which the charity is exposed, as identified by the trustees, are reviewed from

time to time and, if considered appropriate, systems or procedures are established to manage those risks

The operating team who are responsible for the day-to-day operations of the charity consist of a small group of part time paid staff and volunteers. Paid staff consist of two Member Care Officers, an internship co-ordinator and an Office Administrator. A number of volunteers (some of whom are Directors), support the team, including former CCWs.

REVIEW OF THE YEAR

iNet provided support and assistance for the benefit of our member and other churches and their CCWs who have opted to receive that support, direction and assistance from the charity. The charity's activities for the past year have included the following:

Regarding churches' cross-cultural workers

- Regular communication
- Pastoral and strategic support
- A summer conference with the aim of providing fellowship, encouragement, training and envisioning
- Annual appraisals
- UK and on field visits
- Provision of information regarding education, health and finance
- Financial support

During the year iNet and its member churches supported 44 CCWs and their children in 19 countries outside the UK. One new person was prepared through the launch pad process and is now serving overseas. iNet is walking alongside two prospective CCW, one of whom is ready to go. iNet also supported the children of CCWs studying in the UK.

Regarding churches

- Providing advice and help with recruiting, preparing and sending new workers overseas
- Providing monthly informational and prayer updates.
- Developing member care strategies for churches both overseas and in the UK
- Providing training on mission and cross-cultural awareness
- Preaching at churches, attending youth meetings and attending bible studies on mission and the work of iNet.
- With member churches held a youth weekend with a focus on cross cultural mission.
- Working with Global Connections

iNet in partnership with Reach London arranged a weeklong youth mission event in West London comprising running children's clubs, community events, games night, activities for youth and prayer on the streets.

A Going Global weekend was held in November for people exploring their calling to cross-cultural mission.

Other activities include:

- The iNet internship programme continues to develop with one new intern joining from overseas in July.
- The annual curry night and Advent ignite events were held during the year with over 100 people attending the events which highlight the work of iNet and its CCWs.
- Continued social media presence including Lent and Advent prayer campaigns.

The trustees have complied with the duty imposed by Section 4 of the Charities Act 2006 to have due regard to the public benefit guidance published by the Charity Commission in December 2008.

FUTURE PLANS

The charity plans to continue its activities in the forthcoming years providing its support and services to CCWs and churches. It will continue to seek new member churches and church networks.

Specific plans for the forthcoming year include:

- Training courses and events to facilitate and explore recruitment and preparation of potential applicants for overseas work
- Various courses, seminars and materials for member churches and other churches to help their appreciation of and involvement in the challenge of world mission and member care for those on the field
- A conference for CCWs workers and their supporters
- Events to showcase the activities of CCWs and mission opportunities to iNet churches (and other interested parties)
- Explore and if appropriate arrange, promote and lead mission trips for young people in the UK and overseas.
- Explore opportunities for new churches and networks to join iNet
- Promote short term teams and individuals to assist overseas mission activities
- Promote the activities of iNet through speaking engagements at iNet churches and other interested church groups
- The recruitment of further interns from the UK and overseas to promote the work of iNet

FINANCIAL REVIEW

The Directors are grateful to member churches, other churches, and individuals for their continued financial support throughout the period and for their willingness to participate in this tangible way in the extension of God's kingdom around the world.

During the year under review to 30th September 2023 total income increased by £23,329 to £106,983. This was due to higher donations from churches and a larger CCW conference than the previous year. Total expenditure increased by £13,154 to £98,247 due to the employment of an administrator, higher payments to CCWs and increased costs of the CCW conference due to higher attendance..

Overall, there was a surplus of £8,736 for the year. Prior to transfers between funds this is attributable to a surplus of £2,452 on the general fund and a surplus on restricted funds of £6,284. A transfer of £3,000 to restricted funds resulted in a net decrease in the general fund of £548.

RESERVES POLICY

The trustees have reviewed the reserves policy and concluded that it is appropriate to maintain cash reserves equal to three months general expenses, approximately £14,000 if the costs of the summer conference is included. At the end of the financial year the general fund stood at £52,825. It is planned to utilise the surplus above the cash reserves in expanding the existing operations of iNet.

GRANT MAKING POLICY

iNet operates a small Youth Bursary Fund from which grants may be made from time to time to young people from member churches to assist them to explore overseas mission work opportunities.

RISK MANAGEMENT

The Trustees have conducted their own review of the major risks to which the charity is exposed and systems designed to mitigate those risks. All major insurable risks are subject to commercially available charities and employers insurance. The most significant risk is considered to be a significant shortfall in donations from member churches which is mitigated by the reserving policy. Internal risks are minimised by the implementation of procedures for authorisation of all transactions and projects. These procedures are reviewed periodically to ensure that they still meet the needs of the charity.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The law applicable to charities in England and Wales requires the directors to prepare accounts for each financial year which give a true and fair view of the company's financial activities during the year and of the income and expenditure and financial position of the company as at the end of that period. In preparing these accounts, the directors are required to:

- Select suitable accounting policies and then apply them consistently.
- Make adjustments and estimates that are reasonable and prudent.
- Prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in operation.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 2006 and the Charities Act 1993. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The directors confirm that the accounts comply with current statutory requirements and those of the company's governing documents.

INET TRUST LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH SEPTEMBER 2023

1. STATUTORY INFORMATION

The charity is a charitable company limited by guarantee and is incorporated in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

These financial statements are prepared on a going concern basis, under the historical cost convention.

These financial statements have been prepared in accordance with the "Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) ("the Charities SORP"), with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland ("FRS 102"), with the Companies Act 2006 and with the Charities Act 2011. The charity meets the definition of a public benefit entity as set out in FRS 102.

The principles adopted in the preparation of the financial statements are set out below.

a. Going Concern

The trustees (who are the charitable company's directors for the purposes of company law) have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of approval of the financial statements. In particular the trustees have considered the charity's forecasts and projections and the possible implications should projected income and/or expenditure vary unexpectedly. The trustees have concluded that there is a reasonable expectation that the charity has adequate resources to continue to operate for the foreseeable future. The charity therefore continues to adopt the going concern basis in preparing its financial statements. In making this assessment, the trustees have considered how Covid-19 might affect projections.

b. Income

Income including investment income is recognised in the period in which the charity becomes entitled to receipt, the amount receivable can be measured with reasonable certainty, and receipt is probable. For the most part, income is generally recognised when it is received. Income is only deferred when the charity has to fulfil conditions before becoming entitled to it or where the donor has specified that the income is to be expended in a future period.

Income from donations and legacies includes:

- I. Recoverable gift aid. This is recognised when the related donation is received. Gift aid that has not been recovered by the balance sheet date is included as a debtor.
- II. The charity relies on volunteers to carry out many of its activities. However, in accordance with the SORP, the value of these services has not been included in these financial statements as they cannot be reliably measured.
- III. Legacies. Income from legacies is recognised when a distribution is received from the estate or, if earlier, when the charity has been notified that a distribution will be made and the amount receivable can be measured reliably.

Income from charitable activities represents income receivable from goods, services and facilities supplied in furtherance of the charity's charitable objects. It includes income from the summer conference and other events and courses.

c. Expenditure

Expenditure, including irrecoverable VAT, is recognised when it is incurred or, if earlier, when a legal or constructive obligation for a payment arises provided that it is probable that settlement will be required and the amount of the obligation can be measured reliably

The charity makes grants to other institutions and individuals to further its charitable objectives. Grants payable are recognised as constructive obligations arise, which is generally when the charity expresses a commitment to the recipient that can be measured reliably and then only to the extent that any conditions associated with the grant are outside of the control of the charity.

The cost of raising funds is not significant and has not been separately disclosed.

Governance costs, which are included in expenditure on charitable activities but are identified separately in the notes to the accounts, includes costs associated with the independent examination of the financial statements, compliance with constitutional and statutory requirements and any other expenditure incurred on the strategic management of the charity.

d. Fund Accounting

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity. Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. Restricted funds are donations which are to be used in accordance with specific restrictions imposed by donors; they include donations received from appeals for specific activities or projects.

e. Tangible Fixed Assets

Items purchased or donated for the charity's own use are capitalised when the cost of purchased items, or the fair value of donated items, is more than £1,000 and the item is expected to benefit the charity over more than one accounting period. Depreciation is charged on a straight line basis so as to write down the value of each asset to its estimated residual value (if any) over its expected useful economic life. To achieve this objective the following rates of depreciation are charged:

- Leasehold improvements 5 years
- Equipment 5 years

The carrying values of tangible fixed assets are reviewed for impairment in periods when events or changes in circumstances indicate that the carrying value may not be recoverable.

f. Pension Scheme Arrangements

The charity operates defined contribution pension schemes for its employees. Obligations for contributions to these schemes are recognised as an expense when the liability arises. The assets of these schemes are held separately from those of the charity in independently administered funds. For CCWs, payments are received from churches and CCWs and paid into an International Retirement Benefit Plan. Expenditure is accounted in the Statement of Financial Activities in the period to which it relates.

g. Taxation

The company is a registered charity; it has taken advantage of the various reliefs from taxation available to charities and no tax is payable on the charity's income.

h. Financial Instruments

The charity's financial assets and financial liabilities all qualify as basic financial instruments, as defined by FRS102. Creditors and debtors are measured at their expected settlement value (normally the amount of cash that the charity expects to pay or receive).

i. Exemption from Preparing a Cashflow Statement

The charity has taken advantage of an exemption conferred by the Charities SORP and has not prepared a cash flow statement.

j. Critical Accounting Estimates and Areas of Judgement

The trustees do not consider that there any material sources of estimation or uncertainty at the balance sheet date that could result in a material adjustment to the carrying values of assets and liabilities in the next reporting period.

3. DONATIONS AND LEGACIES

Donations and legacies comprise donations from member churches, individuals and from other charities. These are shown below:

| £ | 2023 Total | 2022 Total |

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF INET TRUST LIMITED

I have examined the accounts for the year ended 30th September 2023 on pages 8 to 15 following which have been prepared on the basis of the accounting policies set out on page 10.

Respective responsibilities of the Directors/Trustees and Examiner

The directors/trustees of the company are responsible for the preparation of accounts; they consider that the audit requirements under Section 144 of the Charities Act 2011 do not apply but that an independent examination is needed. I have been appointed to conduct an Independent Examination required by Section 145 of the Charities Act, 2011 and to report in accordance with the regulations made under Section 145 of that Act. It is my responsibility to examine the accounts, without performing an audit, and to report to the trustees.

Having satisfied myself that the company is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- (1) examine the accounts under Section 145 of the Charities Act 2011;
- (2) follow the procedures laid down in the general Directions given by the Charity Commission under Section 145(5)(b) of the Charities Act 2011;
- (3) state whether particular matters have come to my attention.

Basis of Examiner's Statement

This report is in respect of an examination carried out under Section 145 of the Charities Act 2011, and in accordance with the general directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity, and a comparison of the accounts presented with those records. It also includes a review of the accounts and making such enquiries as are necessary for the purpose of this report. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Examiner's Statement

In my opinion:-

Based on my examination, no matter has come to my attention which gives me reasonable cause to believe that in any material respect, accounting records have not been kept in accordance with section 386 of the Companies Act 2006, or that the accounts presented do not accord with those records, or comply with the accounting requirements of section 396 of the Companies Act 2006. No matter has come to my notice in connection with my examination to which, in my opinion, attention should be drawn to enable a proper understanding of the accounts.

INET TRUST LIMITED

REPORT OF THE DIRECTORS

The directors present their report and the financial statements for the period ended 30 September 2022.

PRINCIPAL ACTIVITY

iNet Trust Limited (“iNet”) supports local churches in global mission. Its mission is to work with churches and their cross-cultural workers (CCWs) to ensure that churches ‘do mission well’ and that workers feel secure in the care and expertise of their sending organisation, which is the local church. iNet uses its expertise and resources to ensure that:

- **Churches** are trained, equipped and enabled to send and support well their members who hear and obey the call of God to ‘Go into all the world...’ This is achieved through prayer, finance and training in member care.
- **Cross-cultural workers** are mobilised, trained, equipped, supported and cared for in their preparation, going, working and returning from cross-cultural overseas mission.
- **Church members** (including youth) are encouraged to get involved in cross cultural mission through prayer, teaching and activities to produce the next generation of CCWs.

ADMINISTRATIVE INFORMATION

Charitable objectives

iNet is governed by its Memorandum and Articles of Association. The charity’s objects are:

1. To promote and advance the Christian Faith throughout the world generally including by the worship of God, the instruction and edification of Christians, the care and Christian instruction of young people and children and the evangelisation of non-Christians.
2. To relieve poverty, hardship, sickness and distress among all peoples of the world.
3. To promote education and training.
4. To support such other charities and charitable purposes as the trustees shall decide.

Structure, governance and management

The ‘owners’ or ‘members’ of iNet, are churches who have subscribed to the iNet Guarantee, agree with the Statement of Faith, and regularly participate in consultations, both formal and informal, regarding the broader aims and objectives of the charity. They also receive the Directors Report annually at the AGM.

The Board of Directors who act as trustees of the charity are appointed by the members. They are responsible for the overall strategy and management of the charity, and they delegate certain responsibilities to an operating team. The major risks to which the charity is exposed, as identified by the trustees, are reviewed from

time to time and, if considered appropriate, systems or procedures are established to manage those risks

The operating team who are responsible for the day-to-day operations of the charity consist of a small group of part time paid staff and volunteers. Paid staff consist of two Member Care Officers, an internship co-ordinator and an Office Administrator. A number of volunteers (some of whom are Directors), support the team, including a number who were previously CCWs.

REVIEW OF THE YEAR

iNet provided support and assistance for the benefit of our member and other churches and their CCWs who have opted to receive that support, direction and assistance from the charity. The charity's activities for the past year have included the following:

Regarding churches' cross-cultural workers

- Regular communication
- Pastoral and strategic support
- A summer conference with the aim of providing fellowship, encouragement, training and envisioning
- Annual appraisals
- UK and on field visits
- Provision of information regarding education, health and finance
- Financial support

During the year iNet and its member churches supported 45 CCWs and their children in 19 countries outside the UK. One new family was prepared through the launch pad process and is now serving overseas. iNet also supported the children of CCWs studying in the UK.

The coronavirus continued to have an impact on some CCWs who are unable to return overseas due to local restrictions or quarantine requirements. We were able to hold the summer CCW conference at All Nations with those CCWs wishing to attend able to do so.

Regarding churches

- Providing advice and help with recruiting, preparing and sending new workers overseas
- Providing monthly informational and prayer updates.
- Developing member care strategies for churches both overseas and in the UK
- Providing training on mission and cross-cultural awareness
- Preaching at churches, attending youth meetings and attending bible studies on mission and the work of iNet. This included providing material to churches for an iNet Global Sunday
- Working with Global Connections

Following on from the previous year, iNet in partnership with Reach London and member churches arranged four events at churches in London for youth to experience mission. They comprised weeklong events in local communities running children's clubs, community gardening, games night, activities for youth and prayer on the streets.

With covid restrictions lifted in the UK, iNet ran a successful Going Global weekend in November for people exploring their calling to cross-cultural mission. Eight adults and children attended with one family subsequently going overseas. In addition, a workshop on pastoring people with addiction to pornography and other issues was held in September with 25 people attending.

Other activities

- The iNet internship programme continues to develop with one new intern joining from overseas in January. One intern returned in September after spending 15 months at iNet.
- Continued social media presence including Lent and Advent prayer campaigns.

The trustees have complied with the duty imposed by Section 4 of the Charities Act 2006 to have due regard to the public benefit guidance published by the Charity Commission in December 2008.

FUTURE PLANS

The charity plans to continue its activities in the forthcoming years providing its support and services to CCWs and churches. It will continue to seek new member churches and church networks.

Specific plans for the forthcoming year include:

- Training courses and events to facilitate and explore recruitment and preparation of potential applicants for overseas work
- Various courses, seminars and materials for member churches and other churches to help their appreciation of and involvement in the challenge of world mission and member care for those on the field
- A conference for CCWs workers and their supporters
- Events to showcase the activities of CCWs and mission opportunities to iNet churches (and other interested parties)
- Explore and if appropriate arrange, promote and lead mission trips for young people in the UK and overseas.
- Explore opportunities for new churches and networks to join iNet
- Promote short term teams and individuals to assist overseas mission activities
- Promote the activities of iNet through speaking engagements at iNet churches and other interested church groups
- The recruitment of further interns from the UK and overseas to promote the work of iNet

FINANCIAL REVIEW

The Directors are grateful to member churches, other churches, and individuals for their continued financial support throughout the period and for their willingness to participate in this tangible way in the extension of God's kingdom around the world.

During the year under review to 30th September 2022 total income decreased by £14,840 to £83,654. This was due to the receipt last year of a legacy of £23,784 partially offset by higher income from the CCW conference and other events. Total expenditure increased by £10,883 to £85,093 due to the increased costs of the CCW conference, and the Going Global and workshop events.

Overall, there was a deficit of £1,439 for the year. Prior to transfers between funds this is attributable to a surplus of £1,010 on the general fund which was more than offset by a deficit on restricted funds of £2,449. A transfer of £1,435 from designated funds resulted in a net increase in the general fund of £2,445.

RESERVES POLICY

The trustees have reviewed the reserves policy and concluded that it is appropriate to maintain cash reserves equal to three months general expenses, approximately £13,000 if the costs of the summer conference is included. At the end of the financial year the general fund stood at £53,373. It is planned to utilise the surplus above the cash reserves in expanding the existing operations of iNet.

GRANT MAKING POLICY

iNet operates a small Youth Bursary Fund from which grants may be made from time to time to young people from member churches to assist them to explore overseas mission work opportunities.

RISK MANAGEMENT

The Trustees have conducted their own review of the major risks to which the charity is exposed and systems designed to mitigate those risks. All major insurable risks are subject to commercially available charities and employers insurance. The most significant risk is considered to be a significant shortfall in donations from member churches which is mitigated by the reserving policy. Internal risks are minimised by the implementation of procedures for authorisation of all transactions and projects. These procedures are reviewed periodically to ensure that they still meet the needs of the charity.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The law applicable to charities in England and Wales requires the directors to prepare accounts for each financial year which give a true and fair view of the company's financial activities during the year and of the income and expenditure and financial position of the company as at the end of that period. In preparing these accounts, the directors are required to:-

- Select suitable accounting policies and then apply them consistently.
- Make adjustments and estimates that are reasonable and prudent.
- Prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in operation.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 2006 and the Charities Act 1993. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The directors confirm that the accounts comply with current statutory requirements and those of the company's governing documents.

INET TRUST LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH SEPTEMBER 2022

1. STATUTORY INFORMATION

The charity is a charitable company limited by guarantee and is incorporated in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

These financial statements are prepared on a going concern basis, under the historical cost convention.

These financial statements have been prepared in accordance with the "Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) ("the Charities SORP"), with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland ("FRS 102"), with the Companies Act 2006 and with the Charities Act 2011. The charity meets the definition of a public benefit entity as set out in FRS 102.

The principles adopted in the preparation of the financial statements are set out below.

a. Going Concern

The trustees (who are the charitable company's directors for the purposes of company law) have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of approval of the financial statements. In particular the trustees have considered the charity's forecasts and projections and the possible implications should projected income and/or expenditure vary unexpectedly. The trustees have concluded that there is a reasonable expectation that the charity has adequate resources to continue to operate for the foreseeable future. The charity therefore continues to adopt the going concern basis in preparing its financial statements. In making this assessment, the trustees have considered how Covid-19 might affect projections.

b. Income

Income including investment income is recognised in the period in which the charity becomes entitled to receipt, the amount receivable can be measured with reasonable certainty, and receipt is probable. For the most part, income is generally recognised when it is received. Income is only deferred when the charity has to fulfil conditions before becoming entitled to it or where the donor has specified that the income is to be expended in a future period.

Income from donations and legacies includes:

- I. Recoverable gift aid. This is recognised when the related donation is received. Gift aid that has not been recovered by the balance sheet date is included as a debtor.
- II. The charity relies on volunteers to carry out many of its activities. However, in accordance with the SORP, the value of these services has not been included in these financial statements as they cannot be reliably measured.
- III. Legacies. Income from legacies is recognised when a distribution is received from the estate or, if earlier, when the charity has been notified that a distribution will be made and the amount receivable can be measured reliably.

Income from charitable activities represents income receivable from goods, services and facilities supplied in furtherance of the charity's charitable objects. It includes income from the summer conference and other events and courses.

c. Expenditure

Expenditure, including irrecoverable VAT, is recognised when it is incurred or, if earlier, when a legal or constructive obligation for a payment arises provided that it is probable that settlement will be required and the amount of the obligation can be measured reliably

The charity makes grants to other institutions and individuals to further its charitable objectives. Grants payable are recognised as constructive obligations arise, which is generally when the charity expresses a commitment to the recipient that can be measured reliably and then only to the extent that any conditions associated with the grant are outside of the control of the charity.

The cost of raising funds is not significant and has not been separately disclosed.

Governance costs, which are included in expenditure on charitable activities but are identified separately in the notes to the accounts, includes costs associated with the independent examination of the financial statements, compliance with constitutional and statutory requirements and any other expenditure incurred on the strategic management of the charity.

d. Fund Accounting

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity. Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. Restricted funds are donations which are to be used in accordance with specific restrictions imposed by donors; they include donations received from appeals for specific activities or projects.

e. Tangible Fixed Assets

Items purchased or donated for the charity's own use are capitalised when the cost of purchased items, or the fair value of donated items, is more than £1,000 and the item is expected to benefit the charity over more than one accounting period. Depreciation is charged on a straight line basis so as to write down the value of each asset to its estimated residual value (if any) over its expected useful economic life. To achieve this objective the following rates of depreciation are charged:

- Leasehold improvements 5 years
- Equipment 5 years

The carrying values of tangible fixed assets are reviewed for impairment in periods when events or changes in circumstances indicate that the carrying value may not be recoverable.

f. Pension Scheme Arrangements

The charity operates defined contribution pension schemes for its employees. Obligations for contributions to these schemes are recognised as an expense when the liability arises. The assets of these schemes are held separately from those of the charity in independently administered funds. For CCWs, payments are received from churches and CCWs and paid into an International Retirement Benefit Plan. Expenditure is accounted in the Statement of Financial Activities in the period to which it relates.

g. Taxation

The company is a registered charity; it has taken advantage of the various reliefs from taxation available to charities and no tax is payable on the charity's income.

h. Financial Instruments

The charity's financial assets and financial liabilities all qualify as basic financial instruments, as defined by FRS102. Creditors and debtors are measured at their expected settlement value (normally the amount of cash that the charity expects to pay or receive).

i. Exemption from Preparing a Cashflow Statement

The charity has taken advantage of an exemption conferred by the Charities SORP and has not prepared a cash flow statement.

j. Critical Accounting Estimates and Areas of Judgement

The trustees do not consider that there any material sources of estimation or uncertainty at the balance sheet date that could result in a material adjustment to the carrying values of assets and liabilities in the next reporting period.

3. DONATIONS AND LEGACIES

Donations and legacies comprise donations from member churches, individuals and from other charities. These are shown below:

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF INET TRUST LIMITED

I have examined the accounts for the year ended 30th September 2022 on pages 8 to 16 following which have been prepared on the basis of the accounting policies set out on page 10.

Respective responsibilities of the Directors/Trustees and Examiner

The directors/trustees of the company are responsible for the preparation of accounts; they consider that the audit requirements under Section 144 of the Charities Act 2011 do not apply but that an independent examination is needed. I have been appointed to conduct an Independent Examination required by Section 145 of the Charities Act, 2011 and to report in accordance with the regulations made under Section 145 of that Act. It is my responsibility to examine the accounts, without performing an audit, and to report to the trustees.

Having satisfied myself that the company is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- (1) examine the accounts under Section 145 of the Charities Act 2011;
- (2) follow the procedures laid down in the general Directions given by the Charity Commission under Section 145(5)(b) of the Charities Act 2011;
- (3) state whether particular matters have come to my attention.

Basis of Examiner's Statement

This report is in respect of an examination carried out under Section 145 of the Charities Act 2011, and in accordance with the general directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity, and a comparison of the accounts presented with those records. It also includes a review of the accounts and making such enquiries as are necessary for the purpose of this report. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Examiner's Statement

In my opinion:-

Based on my examination, no matter has come to my attention which gives me reasonable cause to believe that in any material respect, accounting records have not been kept in accordance with section 386 of the Companies Act 2006, or that the accounts presented do not accord with those records, or comply with the accounting requirements of section 396 of the Companies Act 2006. No matter has come to my notice in connection with my examination to which, in my opinion, attention should be drawn to enable a proper understanding of the accounts.

INET TRUST LIMITED

REPORT OF THE DIRECTORS

The directors present their report and the financial statements for the period ended 30 September 2021.

PRINCIPAL ACTIVITY

iNet Trust Limited (“iNet”) supports local churches in global mission. Its mission is to work with churches and their cross-cultural workers (CCWs) to ensure that churches ‘do mission well’ and that workers feel secure in the care and expertise of their sending organisation, which is the local church. iNet uses its expertise and resources to ensure that:

- **Churches** are trained, equipped and enabled to send and support well their members who hear and obey the call of God to ‘Go into all the world...’ This is achieved through prayer, finance and training in member care.
- **Cross-cultural workers** are mobilised, trained, equipped, supported and cared for in their preparation, going, working and returning from cross-cultural overseas mission.
- **Church members** (including youth) are encouraged to get involved in cross cultural mission through prayer, teaching and activities to produce the next generation of CCWs.

ADMINISTRATIVE INFORMATION

Charitable objectives

iNet is governed by its Memorandum and Articles of Association. The charity’s objects are:

1. To promote and advance the Christian Faith throughout the world generally including by the worship of God, the instruction and edification of Christians, the care and Christian instruction of young people and children and the evangelisation of non-Christians.
2. To relieve poverty, hardship, sickness and distress among all peoples of the world.
3. To promote education and training.
4. To support such other charities and charitable purposes as the trustees shall decide.

Structure, governance and management

The ‘owners’ or ‘members’ of iNet, are churches who have subscribed to the iNet Guarantee, agree with the Statement of Faith, and regularly participate in consultations, both formal and informal, regarding the broader aims and objectives of the charity. They also receive the Directors Report annually at the AGM.

The Board of Directors who act as trustees of the charity are appointed by the members. They are responsible for the overall strategy and management of the charity, and they delegate certain responsibilities to an operating team. The major risks to which the charity is exposed, as identified by the trustees, are reviewed from

time to time and, if considered appropriate, systems or procedures are established to manage those risks

The operating team who are responsible for the day-to-day operations of the charity consist of a small group of part time paid staff and volunteers. Paid staff consist of two Member Care Officers and an Office Administrator. A number of volunteers (some of whom are Directors), support the team, including a number who were previously CCWs.

REVIEW OF THE YEAR

iNet provided support and assistance for the benefit of our member and other churches and their CCWs who have opted to receive that support, direction and assistance from the charity. The charity's activities for the past year have included the following:

Regarding churches' cross cultural workers

- Regular communication
- Pastoral and strategic support
- A summer conference with the aim of providing fellowship, encouragement, training and envisioning
- Annual appraisals
- UK and on field visits
- Provision of information regarding education, health and finance
- Financial support

During the year iNet and its member churches supported over 40 CCWs and their children in 20 countries outside the UK. One new worker was prepared through the launch pad process and is now serving overseas. iNet also supported the children of CCWs studying in the UK.

Due to the Covid19 pandemic a number of CCWs returned to the UK while others have remained in country due to travel restrictions. The team have used video conferencing to maintain contact and provide support to CCWs both overseas and in the UK. As the restrictions on travel have eased so CCWs have or are planning to return overseas. The summer conference was once again held at All Nations College for CCWs in the UK with an online element for those who were unable to travel.

Regarding churches

- Providing advice and help with recruiting, preparing and sending new workers overseas
- Providing monthly informational and prayer updates.
- Developing member care strategies for churches both overseas and in the UK
- Providing training on mission and cross cultural awareness
- Hosting on-line iGnite prayer events throughout the year that focused on cross cultural mission both Overseas and in the UK
- Preaching at churches, attending youth meetings and attending bible studies on mission and the work of iNet. This included providing material to churches for an iNet Global Sunday
- Working with Global Connections

In the summer iNet along with its member churches and Reach London arranged three events at churches in London for youth to experience mission. They comprised

weeklong events in local communities running children's clubs, community clean up and fun days, barbecues, senior citizens tea parties and prayer on the streets

Covid restrictions in place for most of the year resulted in many meetings being held on-line. This included Going Global which is an opportunity for those exploring cross cultural mission to meet with iNet and other like-minded people. As restrictions eased so some in-person meetings resumed.

Other activities

- iNet applied for and received approval from the Home Office to sponsor Religious Worker Visas which will be utilised for an internship program for individuals both from overseas and in the UK to train in and experience cross cultural mission. One intern was recruited during the year.
- Increased social media presence including Lent and Advent prayer campaigns.

The trustees have complied with the duty imposed by Section 4 of the Charities Act 2006 to have due regard to the public benefit guidance published by the Charity Commission in December 2008.

FUTURE PLANS

The charity plans to continue its activities in the forthcoming years providing its support and services to CCWs and churches. It will continue to seek new member churches and church networks.

Specific plans for the forthcoming year include:

- Training courses and events to facilitate and explore recruitment and preparation of potential applicants for overseas work
- Various courses, seminars and materials for member churches and other churches to help their appreciation of and involvement in the challenge of world mission and member care for those on the field
- A conference for CCWs workers and their supporters
- Events to showcase the activities of CCWs and mission opportunities to iNet churches (and other interested parties)
- Building on the success of Summer21 arrange, promote and lead mission trips for young people in the UK and overseas.
- Explore opportunities for new churches and networks to join iNet
- Promote short term teams and individuals to assist overseas mission activities
- Promote the activities of iNet through speaking engagements at iNet churches and other interested church groups
- The recruitment of further interns from the UK and overseas to promote the work of iNet

FINANCIAL REVIEW

The Directors are grateful to member churches, other churches, and individuals for their continued financial support throughout the period and for their willingness to participate in this tangible way in the extension of God's kingdom around the world.

During the year under review to 30th September 2021 total income reduced by £8,324 to £98,494. This was due to the high level of donations received in the previous year for the emergency evacuation of a CCW taken ill overseas. This was partially offset by a legacy received from the estate of Kathy McGuire, holding the summer

conference once more at All Nations and a grant of £4,000 towards the costs of the new intern program. Total expenditure decreased by £26,302 to £74,210 due to the repatriation costs of the CCW taken ill last year partially offset by higher office costs, holding the summer conference and summer 21 events.

Overall, there was a surplus of £24,284 for the year. Prior to transfers between funds this is attributable to a surplus of £21,036 on the general fund, a surplus of £3,248 on restricted funds partially offset by a deficit on designated funds of £1,728. A transfer of £4,000 was made from the general reserve to a new internship fund.

RESERVES POLICY

The trustees have reviewed the reserves policy and concluded that it is appropriate to maintain cash reserves equal to three months general expenses, approximately £11,000 if the costs of the summer conference is included. At the end of the financial year the general fund stood at £50,928. It is planned to utilise the surplus above the cash reserves in expanding the existing operations of iNet.

GRANT MAKING POLICY

iNet operates a small Youth Bursary Fund from which grants may be made from time to time to young people from member churches to assist them to explore overseas mission work opportunities.

RISK MANAGEMENT

The Trustees have conducted their own review of the major risks to which the charity is exposed and systems designed to mitigate those risks. All major insurable risks are subject to commercially available charities and employers insurance. The most significant risk is considered to be a significant shortfall in donations from member churches which is mitigated by the reserving policy. Internal risks are minimised by the implementation of procedures for authorisation of all transactions and projects. These procedures are reviewed periodically to ensure that they still meet the needs of the charity.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The law applicable to charities in England and Wales requires the directors to prepare accounts for each financial year which give a true and fair view of the company's financial activities during the year and of the income and expenditure and financial position of the company as at the end of that period. In preparing these accounts, the directors are required to:-

- Select suitable accounting policies and then apply them consistently.
- Make adjustments and estimates that are reasonable and prudent.
- Prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in operation.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 2006 and the Charities Act 1993. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The directors confirm that the accounts comply with current statutory requirements and those of the company's governing documents

For the year ended 30th September 2021, the company was entitled to the exemption from audit under Section 477 of the Companies Act 2006 relating to small companies.

Responsibilities of trustees:

- (a) The members have not required the charitable company to obtain an audit of its accounts for the year in question in accordance with Section 476 of the Companies Act - however, in accordance Section 145 of the Charities Act 2011 the accounts have been examined by an independent examiner whose report forms part of this document.
- (b) The trustees acknowledge their responsibilities for complying with the requirements of the Companies Act with respect to accounting records and the preparation of accounts.

These accounts are prepared in accordance with the provisions applicable to companies subject to the small companies regime.

Approved by the board of Trustees on the 9th June 2022 and signed on its behalf by:

PJ Piper
Trustee

Company number: 5188360
Charity number: 1105670

The notes on pages 11 to 17 form part of these accounts.

INET TRUST LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH SEPTEMBER 2021

1. STATUTORY INFORMATION

The charity is a charitable company limited by guarantee and is incorporated in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

These financial statements are prepared on a going concern basis, under the historical cost convention.

These financial statements have been prepared in accordance with the "Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) ("the Charities SORP"), with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland ("FRS 102"), with the Companies Act 2006 and with the Charities Act 2011. The charity meets the definition of a public benefit entity as set out in FRS 102.

The principles adopted in the preparation of the financial statements are set out below.

a. Going Concern

The trustees (who are the charitable company's directors for the purposes of company law) have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of approval of the financial statements. In particular the trustees have considered the charity's forecasts and projections and the possible implications should projected income and/or expenditure vary unexpectedly. The trustees have concluded that there is a reasonable expectation that the charity has adequate resources to continue to operate for the foreseeable future. The charity therefore continues to adopt the going concern basis in preparing its financial statements. In making this assessment, the trustees have considered how Covid-19 might affect projections.

b. Income

Income including investment income is recognised in the period in which the charity becomes entitled to receipt, the amount receivable can be measured with reasonable certainty, and receipt is probable. For the most part, income is generally recognised when it is received. Income is only deferred when the charity has to fulfil conditions before becoming entitled to it or where the donor has specified that the income is to be expended in a future period.

Income from donations and legacies includes:

- I. Recoverable gift aid. This is recognised when the related donation is received. Gift aid that has not been recovered by the balance sheet date is included as a debtor.
- II. The charity relies on volunteers to carry out many of its activities. However, in accordance with the SORP, the value of these services has not been included in these financial statements as they cannot be reliably measured.
- III. Legacies. Income from legacies is recognised when a distribution is received from the estate or, if earlier, when the charity has been notified that a distribution will be made and the amount receivable can be measured reliably.

Income from charitable activities represents income receivable from goods, services and facilities supplied in furtherance of the charity's charitable objects. It includes income from the summer conference and other events and courses.

c. Expenditure

Expenditure, including irrecoverable VAT, is recognised when it is incurred or, if earlier, when a legal or constructive obligation for a payment arises provided that it is probable that settlement will be required and the amount of the obligation can be measured reliably

The charity makes grants to other institutions and individuals to further its charitable objectives. Grants payable are recognised as constructive obligations arise, which is generally when the charity expresses a commitment to the recipient that can be measured reliably and then only to the extent that any conditions associated with the grant are outside of the control of the charity.

The cost of raising funds is not significant and has not been separately disclosed.

Governance costs, which are included in expenditure on charitable activities but are identified separately in the notes to the accounts, includes costs associated with the independent examination of the financial statements, compliance with constitutional and statutory requirements and any other expenditure incurred on the strategic management of the charity.

d. Fund Accounting

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity. Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. Restricted funds are donations which are to be used in accordance with specific restrictions imposed by donors; they include donations received from appeals for specific activities or projects.

e. Tangible Fixed Assets

Items purchased or donated for the charity's own use are capitalised when the cost of purchased items, or the fair value of donated items, is more than £1,000 and the item is expected to benefit the charity over more than one accounting period. Depreciation is charged on a straight line basis so as to write down the value of each asset to its estimated residual value (if any) over its expected useful economic life. To achieve this objective the following rates of depreciation are charged:

- Leasehold improvements 5 years
- Equipment 5 years

The carrying values of tangible fixed assets are reviewed for impairment in periods when events or changes in circumstances indicate that the carrying value may not be recoverable.

f. Pension Scheme Arrangements

The charity operates defined contribution pension schemes for its employees. Obligations for contributions to these schemes are recognised as an expense when the liability arises. The assets of these schemes are held separately from those of the charity in independently administered funds. For CCWs, payments are received from churches and CCWs and paid into an International Retirement Benefit Plan. Expenditure is accounted in the Statement of Financial Activities in the period to which it relates.

g. Taxation

The company is a registered charity; it has taken advantage of the various reliefs from taxation available to charities and no tax is payable on the charity's income.

h. Financial Instruments

The charity's financial assets and financial liabilities all qualify as basic financial instruments, as defined by FRS102. Creditors and debtors are measured at their expected settlement value (normally the amount of cash that the charity expects to pay or receive).

i. Exemption from Preparing a Cashflow Statement

The charity has taken advantage of an exemption conferred by the Charities SORP and has not prepared a cash flow statement.

j. Critical Accounting Estimates and Areas of Judgement

The trustees do not consider that there any material sources of estimation or uncertainty at the balance sheet date that could result in a material adjustment to the carrying values of assets and liabilities in the next reporting period.

3. DONATIONS AND LEGACIES

Donations and legacies comprise donations from member churches, individuals and from other charities. These are shown below:

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF INET TRUST LIMITED

I have examined the accounts for the year ended 30th September 2021 on pages 9 to 17 following which have been prepared on the basis of the accounting policies set out on page 11.

Respective responsibilities of the Directors/Trustees and Examiner

The directors/trustees of the company are responsible for the preparation of accounts; they consider that the audit requirements under Section 144 of the Charities Act 2011 do not apply but that an independent examination is needed. I have been appointed to conduct an Independent Examination required by Section 145 of the Charities Act, 2011 and to report in accordance with the regulations made under Section 145 of that Act. It is my responsibility to examine the accounts, without performing an audit, and to report to the trustees.

Having satisfied myself that the company is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- (1) examine the accounts under Section 145 of the Charities Act 2011;
- (2) follow the procedures laid down in the general Directions given by the Charity Commission under Section 145(5)(b) of the Charities Act 2011;
- (3) state whether particular matters have come to my attention.

Basis of Examiner's Statement

This report is in respect of an examination carried out under Section 145 of the Charities Act 2011, and in accordance with the general directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity, and a comparison of the accounts presented with those records. It also includes a review of the accounts and making such enquiries as are necessary for the purpose of this report. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Examiner's Statement

In my opinion:-

Based on my examination, no matter has come to my attention which gives me reasonable cause to believe that in any material respect, accounting records have not been kept in accordance with section 386 of the Companies Act 2006, or that the accounts presented do not accord with those records, or comply with the accounting requirements of section 396 of the Companies Act 2006. No matter has come to my notice in connection with my examination to which, in my opinion, attention should be drawn to enable a proper understanding of the accounts.

INET TRUST LIMITED

REPORT OF THE DIRECTORS

The directors present their report and the financial statements for the period ended 30 September 2020.

PRINCIPAL ACTIVITY

iNet Trust Limited (“iNet”) supports local churches in global mission. Its mission is to work with churches and their cross-cultural workers (CCWs) to ensure that churches ‘do mission well’ and that workers feel secure in the care and expertise of their sending organisation, which is the local church. iNet uses its expertise and resources to ensure that:

- **Churches** are trained, equipped and enabled to send and support well through prayer, finance and in practical ways, their members who hear and obey the call of God to ‘Go into all the world...’
- **Cross-cultural workers** are mobilised, trained, equipped, supported and cared for in their preparation, going, working and returning from cross-cultural overseas mission.

ADMINISTRATIVE INFORMATION

Charitable objectives

iNet is governed by its Memorandum and Articles of Association. The charity’s objects are:

1. To promote and advance the Christian Faith throughout the world generally including by the worship of God, the instruction and edification of Christians, the care and Christian instruction of young people and children and the evangelisation of non-Christians.
2. To relieve poverty, hardship, sickness and distress among all peoples of the world.
3. To promote education and training.
4. To support such other charities and charitable purposes as the trustees shall decide.

Structure, governance and management

The ‘owners’ or ‘members’ of iNet, i.e. churches whose trusts have subscribed to the iNet Guarantee, regularly participate in consultations, both formal and informal, regarding the broader aims and objectives of the charity. They also receive the Directors Report annually at the AGM.

The Board of Directors who act as trustees of the charity are appointed by the members. They are responsible for the overall strategy and management of the charity and they delegate certain responsibilities to an operating team. The major risks to which the charity is exposed, as identified by the trustees, are reviewed from time to time and, if considered appropriate, systems or procedures are established to manage those risks

The operating team who are responsible for the day to day operations of the charity consist of a small group of part time paid staff and volunteers. Paid staff consist of

two Member Care Officers and an Office Administrator. A number of volunteers (some of whom are Directors), support the team, including a number who were previously CCWs.

REVIEW OF THE YEAR

iNet provided support and assistance for the benefit of our member and other churches and their CCWs who have opted to receive that support, direction and assistance from the charity. The charity's activities for the past year have included the following:

Regarding churches' cross cultural workers

- Regular communication
- Pastoral and strategic support
- A summer conference with the aim of providing fellowship, encouragement, training and envisioning
- Annual appraisals
- On field visits
- Provision of information regarding education, health and finance
- Financial support

During the year iNet and its member churches supported over 40 CCWs and their children in 15 countries outside the UK. One new worker was prepared through the launch pad process and is now serving overseas. iNet also supported the children of CCWs studying in the UK.

Due to the Covid19 pandemic a number of CCWs returned to the UK while others have remained in country due to travel restrictions. The team have used video conferencing to maintain contact and provide support to CCWs both overseas and in the UK. The summer conference was held online due to the restrictions on social distancing.

Regarding churches

- Providing advice and help with recruiting, preparing and sending new workers overseas
- Providing monthly informational and prayer updates.
- Developing member care strategies for churches both overseas and in the UK
- Providing training for individuals on mission and cross cultural awareness
- Provide advice to people going on "gap year" trips who wish to experience cross cultural mission
- Hosting iGnite prayer events throughout the year that focused on cross cultural mission both Overseas and in the UK
- Providing information to churches for an iNet Global Sunday
- Working with Global Connections
- Through the Youth Bursary Fund help young people to gain experience of overseas, cross cultural mission

Three gap year students experienced cross cultural mission overseas during the year. One two day house party was held for those contemplating cross cultural mission.

Due to Covid19, many meetings have been held utilising video conferencing in the second half of the year. This included an event for youth held on Zoom.

Other activities

- Increased social media presence including Lent and Advent prayer campaigns.
- Review of iNet's Policy and Procedures.
- Working with other organisations to mobilise young people in cross cultural mission both overseas and in the UK.

The trustees have complied with the duty imposed by Section 4 of the Charities Act 2006 to have due regard to the public benefit guidance published by the Charity Commission in December 2008.

FUTURE PLANS

While the covid19 epidemic has impacted the charity financially and operationally, the charity plans to continue its activities in the forthcoming years. Training and meetings have been adapted to being held online with increased support utilising video conferencing to support CCWs. It is planned that iNet will continue to provide its support and services to CCWs and churches. It will actively seek new member churches and church networks.

Specific plans for the forthcoming year include:

- Training courses and events to facilitate and explore recruitment and preparation of potential applicants for overseas work
- Various courses, seminars and materials for member churches and other churches to help their appreciation of and involvement in the challenge of world mission and member care for those on the field
- A conference for CCWs workers and their supporters
- Events to showcase the activities of CCWs and mission opportunities to iNet churches (and other interested parties)
- Promote and mobilise local UK based cross-cultural mission opportunities, including a London based "Summer 21" event incorporating, teaching, worship and experience of mission.
- Explore opportunities for new churches and networks to join iNet
- Promote short term teams and individuals to assist overseas mission activities
- Promote the activities of iNet through speaking engagements at iNet churches and other interested church groups
- Investigate and commence the process of recruiting interns from overseas to promote the work of iNet

FINANCIAL REVIEW

The Directors are grateful to the member churches and individuals for their continued financial support throughout the period and for their willingness to participate in this tangible way in the extension of God's kingdom around the world.

During the year under review to 30th September 2020 total income increased by £32,034 to £106,818. This was due to raising finance for the emergency evacuation of a CCW taken ill overseas, increased donations for CCWs and a legacy received from the estate of Kathy McGuire for the Youth Bursary Fund. This was partially offset by significantly lower conference income due to Covid19. Total expenditure increased by £29,659 to £100,512 due to the cost of repatriating the CCW taken ill and higher grants to CCWs. There was considerable savings from the conference

moving online as well as a five month rental holiday granted by our landlord due to not using the building during the “lockdown” period.

Overall, there was a surplus of £4,850 for the year prior to transfers between funds. This is attributable to a surplus of £1,728 on the general fund and a surplus of 4,850.

RESERVES POLICY

The trustees have reviewed the reserves policy and concluded that it is appropriate to maintain cash reserves equal to three months general expenses, approximately £12,500 if the costs of the summer conference is included. At the end of the financial year the general fund stood at £31,954.

GRANT MAKING POLICY

iNet operates a small Youth Bursary Fund from which grants may be made from time to time to young people from member churches to assist them to explore overseas mission work opportunities.

RISK MANAGEMENT

The Trustees have conducted their own review of the major risks to which the charity is exposed and systems designed to mitigate those risks. All major insurable risks are subject to commercially available charities and employers insurance. The most significant risk is considered to be a significant shortfall in donations from member churches which is mitigated by the reserving policy. Internal risks are minimised by the implementation of procedures for authorisation of all transactions and projects. These procedures are reviewed periodically to ensure that they still meet the needs of the charity.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The law applicable to charities in England and Wales requires the directors to prepare accounts for each financial year which give a true and fair view of the company's financial activities during the year and of the income and expenditure and financial position of the company as at the end of that period. In preparing these accounts, the directors are required to:-

- Select suitable accounting policies and then apply them consistently.
- Make adjustments and estimates that are reasonable and prudent.
- Prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in operation.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 2006 and the Charities Act 1993. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The directors confirm that the accounts comply with current statutory requirements and those of the company's governing documents

INET TRUST LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH SEPTEMBER 2020

1. STATUTORY INFORMATION

The charity is a charitable company limited by guarantee and is incorporated in the United Kingdom. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

These financial statements are prepared on a going concern basis, under the historical cost convention.

These financial statements have been prepared in accordance with the "Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) ("the Charities SORP"), with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland ("FRS 102"), with the Companies Act 2006 and with the Charities Act 2011. The charity meets the definition of a public benefit entity as set out in FRS 102.

a. Going Concern

The accounts have been prepared on the going concern basis, as there are no material uncertainties about the charity's ability to continue. Based on the adequacy of the charity's reserves as at the balance sheet date, along with their knowledge of the charity's ability to meet bills, payments and other liabilities as they fall due, the directors have a reasonable expectation that the charity has sufficient resources to continue in operational existence for the foreseeable future. In making this assessment the trustees have considered the impact of Covid-19 and have concluded that its impact on net income will not be material.

b. Income

Income including investment income is recognised in the period in which the charity becomes entitled to receipt, the amount receivable can be measured with reasonable certainty, and receipt is probable. For the most part, income is generally recognised when it is received. Income is only deferred when the charity has to fulfil conditions before becoming entitled to it or where the donor has specified that the income is to be expended in a future period.

Income from donations and legacies includes:

- I. Recoverable gift aid. This is recognised when the related donation is received. Gift aid that has not been recovered by the balance sheet date is included as a debtor.
- II. The charity relies on volunteers to carry out many of its activities. However, in accordance with the SORP, the value of these services has not been included in these financial statements as they cannot be reliably measured.
- III. Legacies. Income from legacies is recognised when a distribution is received from the estate or, if earlier, when the charity has been notified that a distribution will be made and the amount receivable can be measured reliably.

Income from charitable activities represents income receivable from goods, services and facilities supplied in furtherance of the charity's charitable objects. It includes income from the summer conference and other events and courses.

c. Expenditure

Expenditure, including irrecoverable VAT, is recognised when it is incurred or, if earlier, when a legal or constructive obligation for a payment arises provided that it is probable that settlement will be required and the amount of the obligation can be measured reliably

The charity makes grants to other institutions and individuals to further its charitable objectives. Grants payable are recognised as constructive obligations arise, which is generally when the charity expresses a commitment to the recipient that can be measured reliably and then only to the extent that any conditions associated with the grant are outside of the control of the charity.

The cost of raising funds is not significant and has not been separately disclosed.

Governance costs, which are included in expenditure on charitable activities but are identified separately in the notes to the accounts, includes costs associated with the independent examination of the financial statements, compliance with constitutional and statutory requirements and any other expenditure incurred on the strategic management of the charity.

d. Fund Accounting

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity. Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. Restricted funds are donations which are to be used in accordance with specific restrictions imposed by donors; they include donations received from appeals for specific activities or projects.

e. Tangible Fixed Assets

Items purchased or donated for the charity's own use are capitalised when the cost of purchased items, or the fair value of donated items, is more than £1,000 and the item is expected to benefit the charity over more than one accounting period. Depreciation is charged on a straight line basis so as to write down the value of each asset to its estimated residual value (if any) over its expected useful economic life. To achieve this objective the following rates of depreciation are charged:

- Leasehold improvements 5 years
- Equipment 5 years

The carrying values of tangible fixed assets are reviewed for impairment in periods when events or changes in circumstances indicate that the carrying value may not be recoverable.

f. Pension Scheme Arrangements

The charity operates defined contribution pension schemes for its employees. Obligations for contributions to these schemes are recognised as an expense when the liability arises. The assets of these schemes are held separately from those of the charity in independently administered funds. For CCWs, payments are received from churches and CCWs and paid into an International Retirement Benefit Plan. Expenditure is accounted in the Statement of Financial Activities in the period to which it relates.

g. Taxation

The company is a registered charity; it has taken advantage of the various reliefs from taxation available to charities and no tax is payable on the charity's income.

h. Financial Instruments

The charity's financial assets and financial liabilities all qualify as basic financial instruments, as defined by FRS102. Creditors and debtors are measured at their expected settlement value (normally the amount of cash that the charity expects to pay or receive).

i. Exemption from Preparing a Cashflow Statement

The charity has taken advantage of an exemption conferred by the Charities SORP and has not prepared a cash flow statement.

j. Critical Accounting Estimates and Areas of Judgement

The trustees do not consider that there any material sources of estimation or uncertainty at the balance sheet date that could result in a material adjustment to the carrying values of assets and liabilities in the next reporting period.

3. DONATIONS AND LEGACIES

Donations and legacies comprise donations from member churches, individuals and from other charities. These are shown below:

| £ | 2020 Total | 2019 Total |
|---------------------|-----------------------|-----------------------|

Conference Fund

This fund was set up to receive gifts to contribute to the costs of CCWs attending the conference, and to receive donations for the running of the conference.

CCWs Donations

These are gifts given for individual CCWs or their work; either for general or specific needs, and are paid on to the CCW concerned.

CCW Pension Payments

This fund was set up to receive payments from individual churches and CCWs to pay into a retirement plan administered by Global Connections with funds placed with Zurich International.

CCW Repatriation Fund

A fund set up following an appeal to enable the repatriation of a CCW taken ill overseas during the coronavirus crisis. The surplus over and above the cost of repatriation was paid to the CCW concerned for their ministry.

Youth Bursary Fund

These are gifts received from churches and individuals to be used to help fund young people travelling overseas to participate in cross cultural mission work.

Short Term Overseas Trips

The receipt and payment of funds for the arrangement of trips overseas for members of iNet churches to experience cross cultural mission.

MD

A designated fund from donations received to be used towards summer conference costs.

Donations

A designated fund resulting from a large donation to be released over three years.

11. TRANSACTIONS WITH RELATED PARTIES

During the year the charity received donations totalling £3,600 (2019: £1,020) from related parties (which includes trustees, any other members of key management and anyone closely connected to them).

During the year the charity also made the following payments to one related party, Melissa Corry, who is closely related to Sam Corry, who is a trustee. Melissa received employment benefits totalling £8,640 (2019: £3,314) for providing administrative services to the charity.

12. MEMBERS

Each member of the company commits to contribute if the charity is wound up an amount of £1.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF INET TRUST LIMITED

I have examined the accounts for the year ended 30th September 2020 on pages 8 to 15 following which have been prepared on the basis of the accounting policies set out on page 10.

Respective responsibilities of the Directors/Trustees and Examiner

The directors/trustees of the company are responsible for the preparation of accounts; they consider that the audit requirements under Section 144 of the Charities Act 2011 do not apply but that an independent examination is needed. I have been appointed to conduct an Independent Examination required by Section 145 of the Charities Act, 2011 and to report in accordance with the regulations made under Section 145 of that Act. It is my responsibility to examine the accounts, without performing an audit, and to report to the trustees.

Having satisfied myself that the company is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- (1) examine the accounts under Section 145 of the Charities Act 2011;
- (2) follow the procedures laid down in the general Directions given by the Charity Commission under Section 145(5)(b) of the Charities Act 2011;
- (3) state whether particular matters have come to my attention.

Basis of Examiner's Statement

This report is in respect of an examination carried out under Section 145 of the Charities Act 2011, and in accordance with the general directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity, and a comparison of the accounts presented with those records. It also includes a review of the accounts and making such enquiries as are necessary for the purpose of this report. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Examiner's Statement

In my opinion:-

Based on my examination, no matter has come to my attention which gives me reasonable cause to believe that in any material respect, accounting records have not been kept in accordance with section 386 of the Companies Act 2006, or that the accounts presented do not accord with those records, or comply with the accounting requirements of section 396 of the Companies Act 2006. No matter has come to my notice in connection with my examination to which, in my opinion, attention should be drawn to enable a proper understanding of the accounts.
