**TRUSTEES' ANNUAL REPORT
FOR THE YEAR ENDED 31 MARCH 2024**

STRUCTURE, GOVERNANCE AND MANAGEMENT**Governing document**

The organisation is a charitable company limited by guarantee. It was incorporated on 13 March 2003 and registered as a charity on 3 September 2004.

The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association.

Recruitment and appointment of trustees

Under the requirements of the Memorandum and Articles of Association, the trustees are elected to serve for a period of three years after which time they must be re-elected at the next Annual General Meeting.

Organisational structure

The Board was chaired by Dr Katherine Winstone during the year to 31 March 2024, assisted by Mr Timothy Bentley as Secretary and Treasurer. Regular contact between the Board members involved face to face, telephone and Zoom meetings.

Risk management

The trustees carry out an annual review of the risks which the charity may face and have established systems and procedures designed to minimise any potential impact on the charity should any risks materialise.

OBJECTIVES AND ACTIVITIES

The company's objects and principal activities are to relieve the suffering of cancer patients and improve the provision of cancer care within the Kent area particularly but not exclusively by the following:

- * The promotion of the development and training of cancer clinicians, medical staff and students in the disease
- * The promotion of research into the cause and treatment of cancer and the dissemination of the results with a view to the development of new treatments and diagnostic aids
- * The advancement of education and awareness of the public in the cause and treatment of cancer.
- * Such other assistance as the trustees shall deem necessary.

Achievements, Performance and Future Plans

During the year, Kent Cancer Trust has raised sufficient funds to enable a small video to be produced to encourage post GCSE students to consider a career in biosciences, thus meeting the objective to advance the awareness of young people in the possibility of working on improvements in the treatment of cancer

Work on the programme to reduce the risk of harmful micro-organisms growing in PEG feeding tubes has continued to a point where Kent Cancer Trust's funding has demonstrated the possibilities of improvement in this area, thus enabling the University of Kent to obtain a significant increase in the funding available for this project.

Kent Cancer Trust has taken part in discussions on cancer treatments at the University of Kent as well as at a major meeting organised by the British Association for Cancer Research in July 2024 that provided a good networking opportunity to investigate potential new funding possibilities

Note 3 to the accounts shows the wide range of projects that have been supported by Kent Cancer Trust since its formation.

In October 2023 a Ball was held at Nurstead Court, Meopham that generated net income of nearly £17,000. After a long period of minimal fundraising as a result of the restrictions imposed due to Covid-19, it was good to be able to start to generate funds again

FOR THE YEAR ENDED 31 MARCH 2024**

FINANCIAL REVIEW**Financial position**

The accounts set out on pages 5 to 10 show the income and expenditure and reserves at the year end.

Reserves Policy and going concern

No formal reserves policy has been adopted but the intention is that spending commitments will be fully covered by available funds before they are undertaken.

Investment Powers

The trustees and directors have the power to invest monies of the organisation in such investments as may be thought fit.

PUBLIC BENEFIT

Reference was made in the report for 2023 about the help that has been provided to MSc and PhD students who have worked on new treatment protocols to reduce biofilm growth when silicone prostheses are used following treatment for throat cancer. That particular project is part of ongoing work within an overall candida management pathway project, thus providing ongoing public benefit.

KENT CANCER TRUST

I report to the Charity trustees on my examination of the accounts of the company for the year ended 31 March 2024 which are set out on pages 5 to 10.

Responsibilities and basis of report

As the Charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your Charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1 accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
- 2 the accounts do not accord with those records; or
- 3 the accounts do not comply with the accounting requirements of section 386 of the 2006 Act other than any requirements that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
- 4 the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024**

1 ACCOUNTING POLICIES**a) Basis of accounting**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities : Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019) - (Charities SORP (FRS102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) and the Companies Act 2006.

Kent Cancer Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

b) Preparation of the accounts on a going concern basis

The accounts have been prepared on a going concern basis as Kent Cancer Trust has an established rule that it will not fund any research work until the full cost of that funding has been raised before agreeing to commit funds to any proposal. This ensures that the research team has full confidence that it can rely on funds being available to meet pre-agreed commitments.

c) Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

d) Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount can be measured reliably. All expenditure is accounted for on an accruals basis and includes VAT where applicable. Expenditure has been included under expense categories that aggregate all costs for allocation to activities.

Charitable expenditure - comprises those costs incurred by the charity in the delivery of its activities and services for beneficiaries. It includes both those costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them, including governance costs (costs associated with meeting the constitutional and statutory requirements of the charity and includes the Independent Examiners fee).

e) Significant judgements and estimates

No significant judgements or estimates have had to be made by the Trustees in preparing these financial statements.

f) Fund accounting

Unrestricted funds are grants, donations and other incoming resources receivable by the Charity without further specified purpose and are available as general funds.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim of each restricted fund is set out in the notes to the financial statements.
