TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2024

The trustees, who are also directors of the charity for the purposes of the Companies Act 2006, present their report and the financial statements for the year ended 31 March 2024.

The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

Objects of the charity

The charity is constituted as a company limited by guarantee, as defined by the Companies Act 2006, and is therefore governed by a Memorandum and Articles of Association. The company was incorporated in 2002 and the directors went on to register the company as a charity.

The charity's object and principal activity continues to be that of advancing the education of the public, particularly but not exclusively young people through the promotion of the art of photography, animation, film and related activities in order to develop their physical, mental and spiritual capacities that they may grow to full maturity as individuals and members of society and their conditions of life may be improved.

Related Parties and Partners

Twin Vision has a good relationship with its key partners and funders. All partners contribute to Twin Vision meeting its charitable aims and objectives.

Key partners and funders are as follows:

- Alder Hey NHS Foundation Trust
- Alder Hey Children's Charity
- Awards for All

Development, activities and achievements this year

All Twin Vision projects assist long term objectives concerning community cohesion and wellbeing through a celebration of individual and collective identities and experiences.

The projects use various art forms to achieve this; namely photography, animation and film making. All participants are given the opportunity to learn and develop skills in ICT, emotional literacy, visual literacy and vocational skills. This is achieved through the creation of animations, photographs or films and an increase in awareness of other people and cultures through an educational process, enabling participants to embrace a real sense of social harmony and empathy for others.

Twin Vision projects challenge illogical stereotypes by enabling the development of a positive self-image and confidence. This includes supporting chronically and critically ill children and adults, and bereaved children.

Twin Vision continue to develop original and innovative ideas, teaching photography, film and animation to enhance self expression, intercultural exchange and encouragement of creativity for younger people and adults. This was further developed last year through an animation project with patients at Alder Hey Children's Hospital.

Through Twin Vision projects we can estimate that Twin Vision has worked with approximately 30 direct beneficiaries in 2023-2024. Through the Twin Vision and partner's websites and our Apps we estimate that our work continues to reach tens of thousands of indirect beneficiaries on a national and international scale.

The majority of our work is delivered within clinical environments and educational institutions with vulnerable children, young people and adults. Twin Vision ensures that direct engagement can take place safely and under the terms and policies of government and individual institutions safeguarding practices and guidelines.

Reserves policy

The present level of funding is adequate to support the continuation of the charities operation for the medium term, and the trustees consider the financial position of the charity to be satisfactory.

The charity retained a reasonable level of reserves at the year end. Brought forward unexpended reserves were utilised in accordance with grant and funder allocation and terms. This is reflected in the movement in cash at bank and in hand as shown in the balance sheet for the year, and the movement from net incoming resources to net outgoing resources on the Statement of Financial Activities.

Directors and trustees

All directors of the company are also trustees of the charity, and there are no other trustees. All of the trustees served throughout the year unless otherwise stated. The Board has the power to appoint additional trustees as it considers fit to do so.

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charitable company as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing those financial statements, the directors should follow best practice and:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is not appropriate to assume that the company will continue on that basis.

The director are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. The directors are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Risk management

The trustees actively review the major risks which the charity faces on a regular basis and the management committee has procedures and systems in place to mitigate the major risks where the Charity is exposed. Internal risks are minimised by procedures for authorisation of all transactions and projects and to ensure consistent quality of delivery for all aspects of the charity.

Allocation and apportionment of costs

All costs are allocated between the expenditure categories of the SoFA on a basis designed to reflect the use of the resource.
