GRANTMAKING

APARU sponsors two projects carried out by Argentine charities all along 2 fiscal years. To do so, the Executive Committee appoints a group of members that:

- Reviews the selection criteria.
- Communicates the opportunity to charities in Argentina
- Receives and processes applications
- Analyses applications
- Calls for members of APARU to participate in different instances of filtering and selection.
- Submits a shortlist of projects to be voted on by the wide group of APARU's volunteers.
- Presents a final proposal for approval of the Executive Committee.
- Interviews the representative of the 2 winners to clarify expectations and confirms the selection.

Every year APARU transfers half of its profits to each of the selected charities in Argentina. At the end of each year, each of them must report the progress made on their projects and explain how the funds had been used.

INVESTMENT: APARU's Executive Committee decides on what activities and events to invest on, in line with our main focus areas of support for the local community: Argentine topics and celebrations, practical information for and from Argentinians, Sport challenges and general personal/professional development.

VOLUNTEERS: APARU does not have any paid employees and all its work is performed by trustees and volunteers (unpaid). Volunteers are not expected to make any financial contribution but to contribute with their time. They worked on the organization of events, creation of communication and social media campaigns, selection and implementation of sport related fundraising campaigns, contact with our Sponsored charities as well as internal and administrative work. They also develop relationships with new donors, sponsors, venues and bring to APARU new potential members.

Summary of the main achievements of the Charity during the year

- £15,353 net income generated (charitable activities + donations)
 - £8,333 profit made
 - +868 participants in our Local Impact events and activities
 - 11 events held + 1 together with Canning House
 - 2 sports challenges
 - 1 own raffle
 - Funds raised in 2023/2024 and transferred in 2024/2025:
- ✓ **To Cynnal Asociación Civil: Modelling life in Piruj Bajo: £5,041** Established in 2020, the project focuses on developing a circular economy model by nurturing ceramic skills within the indigenous Lule-Vilela community of Piruj Bajo in Santiago del Estero. With its direct impact on 10 individuals and indirect reach to 12 vulnerable families, the project represents a transformative shift from the sale of charcoal and timber to sustainable ceramics production. It stands as a testament to community empowerment, economic advancement, and environmental stewardship.
 - ✓ **Fundación Escolares: Education, settlement and sustainable rural development: £5,041** The project is an initiative aimed at improving the comprehensive and professional education of 795 students and 172 teachers in agro-technical schools in rural areas of the Chaco province. In collaboration with 7 Family Agricultural Schools (EFA), this project aims to refurbish and equip industrial

facilities and educational environments, improve access to safe water, enable industrial facilities and products produced by the schools, and provide financial support for projects that promote the use of digital media in education, playing a vital role in isolated rural communities.

Other achievements:

- Implemented a “paid” participation scheme for our events: requesting participants to pay for a ticket or make a donation when registering. Successful as it didn’t affect the level of participation at all
- Our calendar of social, professional and sports events included new ones - like Writing Workshop for migrants, Keep Calm and Carry On and Brighton 10k and kept others that have become “traditions” such as Friends Day, Christmas “the argentine way” , our annual raffle and 25 de mayo peña
- Participated in the organization of the 1st Latinamerican Pride Fest in UK.
- Hold 12 monthly meetings of the Executive Committee + volunteers alternating between online and face-to-face meetings.
- Continued with the onboarding process for new members, changing it into a rotation basis of presenters and having induced more than 15 new volunteers.
- Maintained a productive and continuous relationship with the 2 sponsored charities: not only by sending the agreed funds but meeting representatives in London and in Buenos Aires as well as bringing a sample of the pottery made by Cynnal’s women to be sold in the UK.
- Ran the 3rd round of the first mentoring program for and by Argentine women in the UK, that allowed 17 pairs to get in contact through meaningful conversations.
- Implemented our APARU Big Argentine Raffle which was drawn during a successful Argentine Peña. Both events surpassed expectations in terms of sales and participation
- Participated in the Brighton 10k challenge for the first time with 2 runners fundraising for APARU.
- Formalized the Sports Area within our structure which supports the promotion of the sports challenges that are part of our calendar as well as recruiting interested participants
- Used new venues in London like the Magdalen Hall, Battersea Park, St Augustine’s Priory School and BGF office lounge.
- Implemented an ad hoc fundraising campaign to support the Neonatology area of the local Hospital during the horrible floods that battered Bahia Blanca back in Argentina. Raised £2,011 plus £512 that APARU contributed from its reserves
- New partnership with Argentina Football Club.
- 2 new social projects to support over the 2025-27 period selected. Record reception of 168 answers to our call for projects in Argentina: Asociación Civil Soles and Espartanas, by Fundación Espartanos.

Brief statement of the charity’s policy on reserves

APARU doesn’t have a written policy on reserves but as a practice we keep 5% of the final net profit as such every year. Reserve at the end of fiscal year: £9,546 (£512 donated to Bahia Blanca £594 added from this year’s profit)

Details of any funds materially in deficit
