**Independent Examiner's Report to the Trustees of
REDEEMED CHRISTIAN CHURCH OF GOD
Kingdom Life Assembly Doncaster
For the year ended 31st December 2024**

I report on the accounts for the year ended 31st December 2024 set out on pages four to nine.

Respective responsibilities of trustees and examiner

The charity's trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 43(2) of the Charities Act 1993 (the 1993 Act)) and that an independent examination is required. The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of FCCA.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under Section 43 of the 1993 Act
- to follow the procedures laid down in the General Directions given by the Charity Commission (under Section 43(7)(b) of the 1993 Act); and
- to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that, in any material respect, the requirements

- to keep accounting records in accordance with Section 386 and 387 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of Sections 394 and 395 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities
- have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

- Accounting and Reporting by Charities – Statement of Recommended Practice (SORP 2005);
- and with* Accounting Standards;
- or Financial Reporting Standards for Smaller Enterprises (FRSSE);
- and with the Charities Act 1993.

** - If no departures from the chosen standards have been made then delete these words; otherwise give details of any changes in the boxes.

1.2 Change in basis of accounting

There has been no change to the accounting policies

Note 2 Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31st DECEMBER 2022

Introduction

It gives me great pleasure on behalf of the Board of Trustees to present our annual report and financial statements for the year ended 31st December 2022.

Structure, Governance and Management

Kingdom-Life Assembly, Doncaster is a parish of the Redeemed Christian Church of God – a worldwide mission with parishes in more than 198 countries of the World. RCCG, Kingdom Life Assembly as a registered charity is governed by two documents namely a Deed of Trust and Agreement of Common Purpose which regulates her conduct with the central body.

The trustees set and monitor the fundamental goals of the Charity but delegate authority to the Pastor and the management team to carry out the day to day operations.

Objectives and Activities of the Charity

The main objectives of the charity are:

1. The advancement of the Christian Religion
2. Elimination of poverty through social, economic, moral and physical inclusiveness.

In furtherance of the above objectives, the activities of the Charity are classified under the following themes:

[a] Impactful Christian worship

[b] Provision of Bible-based teachings and counselling to members and the needy public.

[c] Teaching the value of prayer and praying for the neighbourhood, City and nations of the world particularly the United Kingdom.

[d] Play active roles in social action that impacts the Community. For example, offering projects and programmes that promotes social inclusion. This includes the provision of supplementary educational provision to children and young adults in the community and city at large.

[e] Forster unity and love among people of different races and nationalities such as networking with other Christian organisations to promote societal cohesion and inter-faith unity.

[f] Evangelise our community with the message of the gospel of Jesus Christ and follow up on many who will voluntarily give their lives to Jesus.

[g] Disciple many believers who are ready and willing to grow in Christian leadership.

Developments, Activities and Achievements in the Year

The Charity made substantial progress in the implementation of their charitable objectives. The Board is happy to report that there has been appreciable progress in all departments of the Charity. For instance, her investment in Youth and children's departments yielded spectacular results. There was also an enhancement of the momentum of prayers for members as well as the Community through the Weekly, Monthly and the annual programme - 'The Mountain Movers' Conference' to galvanise prayer support for members of the public and governmental agencies in the city of Doncaster. Many families in and around our neighbourhood and Doncaster continue to receive Bible-based Counselling and spiritual support from the Church. Our membership is increasing not only numerically but also spiritually. We receive overwhelming feedback from our members about the positive impact the ministry is making in their lives.

It is also worthy of mention that substantial amount and effort was invested in enhancing the security architecture of the church building. We are grateful to God and the government for enabling us to improve the security structure of the church.

Social Action

The Charity made huge contributions in the area of social cohesion. Communal-bonding and enhancement of the living standards of people within and outside our geographical location continue to be an important focus of our organisation. The Annual Summer fair and Feeding the Multitude was held with great excitement and joy. It was a remarkable experience of bonding. The youth were not left out. Various educational programmes that were either compensatory or supplementary were also on offer throughout the year. In 2022, our Ministry engaged actively in the distribution of free food to many poor homes who are yet to recover from pandemic impoverishment. We were a major food distribution outlet to many stores in the city. We thank God for all our partners like Morrison Departmental Stores. We look forward continuing to work with them in the coming year.

Community Outreach Programmes

In 2022, the charity organised several programmes aimed at eradicating poverty and promoting social inclusiveness such as Women and Men conferences which drew participants from all walks of life.

Risk Management

The Trustees are quite satisfied with the management of the finances to fulfil the charity objectives despite the unpredictable nature of our income. Despite the instability in the economy of the church owing to the post pandemic effect, the Charity was still able to do better in the fulfilment of her role.

Future Developments

The trustees hold the opinion that the management should continue to enhance the aesthetic state of the church and to reach out to more people by engaging more volunteers.

It is also the resolve of the charity to make better contribution to mission work in the coming year while we continue to pursue our church planting drive with ever-increasing commitment.

Volunteers

We are pleased to report that increasing number of volunteers are now coming forward to offer support in different departments of the Ministry. Periodic trainings are offered to prepare new workers to enhance quality performance in their respective roles.

Thank you

Pastor Kemi Akanbi

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

**Basis of independent
examiner's statement**

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

**Independent
examiner's statement**

In connection with my examination, no matter has come to my attention (other than that disclosed below *)

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

REDEEMED CHRISTIAN CHURCH OF GOD

Kingdom Life Assembly Doncaster

REPORT OF THE TRUSTEES FOR 1ST JANUARY TO 31ST DECEMBER 2021

Introduction

It is with great pleasure that we present our Annual report and financial statements for the year ended 31st December, 2021. The financial statement has been prepared in accordance with the provisions of the Statement of Recommended Practice [SORP] Accounting and Reporting by Charities issued in March 2005.

Structure, Governance and Management

Kingdom-life Assembly, Doncaster is a parish of the Redeemed Christian Church of God – a worldwide mission with parishes in 170 countries of the World. RCCG, Kingdom life Assembly as a charity is governed by two documents namely a Deed of Trust and Agreement of Common Purpose which regulates her conduct with the central body.

The trustees set and monitor the fundamental goals of the Charity but delegate authority to the Pastor and the management team to carry out the day to day operations.

Objectives and Activities of the Charity

The main objectives of the charity are:

1. The advancement of the Christian religion
2. Elimination of poverty by social and economic inclusiveness

In furtherance of the above objectives, the activities of the charity are classified under the following themes:

[a] Christian worship;

[b] Provide Bible based teachings and counselling to members and the public

[c] Teaching the value of prayer and praying for the neighbourhood, city and nations of the world particularly the United Kingdom.

[d] Play active roles in social action that impacts the community. Offer complimentary educational provision to children and young adults in the community and city at large.

[e] Forster unity and love among people of different race and nationalities.

Developments, Activities and Achievements in the Year

The Trustees are pleased to report that the Charity has been making steady progress in all spheres of its operation. This year was a challenging year for the church due the COVID 10 pandemic. The church had to move to online service via zoom. We couldnt do much of community involment in order to minimise the risk of infection. We also did our weekly activities online and we were able to get more members to attend. We will be hoping in the new year that things will get better.

Risk Management

The trustees are quite satisfied with the management of the finances to fulfil the charity objectives despite the unpredictable nature of our income.

Future Developments

The Trustees holds the opinion that efforts should be made to improve the aesthetic and the ambiance of the church building when it is viable financially to make it more user friendly and warm for all her users.

Secondly, there is a strong need to work on the capacity building by increasing her team of volunteers in order to accommodate and service more people.

It is also the resolve of the charity to make better contribution to mission work in the coming year while we continue to pursue our church planting drive with increased vigour.

Thank you,

Board of Trustees

RCCG[KLA] Doncaster

**Independent Examiner's Report to the Trustees of
REDEEMED CHRISTIAN CHURCH OF GOD
Kingdom Life Assembly Doncaster
For the year ended 31 December 2021**

I report on the accounts for the year ended 31 December 2021 set out on pages four to nine.

Respective responsibilities of trustees and examiner

The charity's trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 43(2) of the Charities Act 1993 (the 1993 Act)) and that an independent examination is required. The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of FCCA.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under Section 43 of the 1993 Act
- to follow the procedures laid down in the General Directions given by the Charity Commission (under Section 43(7)(b) of the 1993 Act); and
- to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts present with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
- to keep accounting records in accordance with Section 386 and 387 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of Sections 394 and 395 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities
- have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

- and with* Accounting Standards;
- or Financial Reporting Standards for Smaller Enterprises (FRSSE);

1.2 Change in basis of accounting

There has been no change to the accounting policies

Note 2 Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

It is with great pleasure that we present our Annual report and financial statements for the year ended 31st December, 2020. The financial statement has been prepared in accordance with the provisions of the Statement of Recommended Practice [SORP] Accounting and Reporting by Charities issued in March 2005.

Structure, Governance and Management

Kingdom-life Assembly, Doncaster is a parish of the Redeemed Christian Church of God – a worldwide mission with parishes in 170 countries of the World. RCCG, Kingdom life Assembly as a charity is governed by two documents namely a Deed of Trust and Agreement of Common Purpose which regulates her conduct with the central body.

The trustees set and monitor the fundamental goals of the Charity but delegate authority to the Pastor and the management team to carry out the day to day operations.

Objectives and Activities of the Charity

The main objectives of the charity are:

1. The advancement of the Christian religion
2. Elimination of poverty by social and economic inclusiveness

In furtherance of the above objectives, the activities of the charity are classified under the following themes:

[a] Christian worship;

[b] Provide Bible based teachings and counselling to members and the public

[c] Teaching the value of prayer and praying for the neighbourhood, city and nations of the world particularly the United Kingdom.

[d] Play active roles in social action that impacts the community. Offer complimentary educational provision to children and young adults in the community and city at large.

[e] Forster unity and love among people of different race and nationalities.

Developments, Activities and Achievements in the Year

The Trustees are pleased to report that the Charity has been making steady progress in all spheres of its operation. This year was a challenging year for the church due the COVID 10 pandemic. The church had to move to online service via zoom. We couldnt do much of community involment in order to minimise the risk of infection. We also did our weekly activities online and we were able to get more members to attend. We will be hoping in the new year that things will get better.

Risk Management

The trustees are quite satisfied with the management of the finances to fulfil the charity objectives despite the unpredictable nature of our income.

Future Developments

The Trustees holds the opinion that efforts should be made to improve the aesthetic and the ambiance of the church building when it is viable financially to make it more user friendly and warm for all her users.

Secondly, there is a strong need to work on the capacity building by increasing her team of volunteers in order to accommodate and service more people.

It is also the resolve of the charity to make better contribution to mission work in the coming year while we continue to pursue our church planting drive with increased vigour.

Thank you,

Board of Trustees

RCCG[KLA] Doncaster

**Independent Examiner's Report to the Trustees of
REDEEMED CHRISTIAN CHURCH OF GOD
Kingdom Life Assembly Doncaster
For the year ended 31 December 2020**

I report on the accounts for the year ended 31 December 2020 set out on pages four to nine.

Respective responsibilities of trustees and examiner

The charity's trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 43(2) of the Charities Act 1993 (the 1993 Act)) and that an independent examination is required. The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of FCCA.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under Section 43 of the 1993 Act
- to follow the procedures laid down in the General Directions given by the Charity Commission (under Section 43(7)(b) of the 1993 Act); and
- to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts prepared with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that, in any material respect, the requirements

- to keep accounting records in accordance with Section 386 and 387 of the Companies Act 2006; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of Sections 394 and 395 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

1.2 Change in basis of accounting

There has been no change to the accounting policies

Note 2 Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.
