**Report of the Trustees
for the year ended 31 DECEMBER 2022**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 December 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014 (as amended by Update Bulletin 1 published on 2 February 2016).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objectives of the company, as set out in the Memorandum of Association as amended by Special Resolution, are to advance education and awareness in liver disease and disorder, by the provision or the facilitation of research directed towards the development and evaluation of treatment of such disease and disorders. The trustees confirm that they have referred to the guidance contained in the Charity Commission's guidance on public benefit when reviewing the association's aims and objectives and in planning future activities.

The Trustees carry out these objects by:

- Having educational meetings for medical professionals to attend to further their knowledge and advance education, awareness and research into liver disease.
- Supporting special interest groups to further education of specific areas of liver disease.

Contribution

The contribution of each member is limited to £1 in the event of a dissolution of the Company.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

BASL Annual Meeting (incorporating the annual BTLG and BLNA meeting)

The 2022 BASL Annual meeting was held on a face to face basis for the first time since 2019. The meeting was held at the Queens Hotel in Leeds and proved to be a great success providing interaction and learning opportunities. There were 584 delegates across all three meetings and an excellent profit. The Sheila Sherlock prize went to Dr Miryam Muller and Dr Thomas Marjot received the Andrew Burroughs Young Investigator award.

BASL Schools

BASL Schools are small group meetings provided free of charge to trainee members in Gastroenterology and Hepatology that deliver structured education and interaction with experts in the field. These help the charity to meet its objectives by committing to improving clinical education and training for tomorrow's Hepatology Consultants.

For the first time since Covid a face to face meeting was held as well as 6 interactive Webinars. These proved to be a great success and feedback was excellent with sponsorship obtained to support costs, providing an excellent profit.

BASL Introduction to Hepatology Day

The meeting was held in Birmingham and was the first one held since the pandemic, as this meeting would not transfer well to a Webinar format. This was deemed to be a great success and provided a small profit.

BVHG Meetings

The planned meeting for 2022 was delayed and held in January 2023.

BASL Basic Science Retreat

This was not held in 2022.

Special Interest Groups

BASL provides ongoing administrative support to a number of established Special Interest Groups (SIGs) whose remit is to promote and encourage collaborative research and clinical trials in liver disease. These are held in collaboration with BSG, who make a small contribution.

HCC-UK Annual Meeting

This was held as a face to face meeting at King's College Hospital. This made a small loss.

CCA-UK Annual Meeting

This was held as a Webinar and made an excellent profit.

BAAL

The group was set up in 2022 and a new committee was formed, with initial set up costs covered through sponsorship.

BHPG Educational Meeting

This was held as a virtual meeting and a small profit was made.

Secretariat

Secretariat services were provided by Executive Business Support Ltd.

for the year ended 31 DECEMBER 2022**

FINANCIAL REVIEW

Financial position

Detailed finance reports are produced for the Trustees for every governing board meeting. The Trustees aim to achieve a Profit or Breakeven for every educational meeting. The results for the year are shown on page 16. The trustees aim to hold sufficient reserves to support key meetings in the event of potential shortfalls in income. The membership and subscriptions database has been updated and clarified and the charity currently has 1,423 (2021: 1,404) active members. The BASL website continued to provide a good platform for providing news and information as well as serving as an interactive communications and education hub for members.

The charity managed to achieve income of £397,892 (2021: £223,458) during the year.

Cash reserves have been stable at £206,737 (2021: £211,358) due to the charity continuing to hold events on a virtual basis, resulting in lower costs as a result and in addition, increasing membership fees.

The trustees believe that the charity has sufficient reserves to continue and hopes to achieve a greater surplus in 2023 with the aim of holding events on a face to face basis, as well as some on a virtual basis. The charity always hopes to retain reserves in unrestricted funds to cover 24 months operational costs and at the end of the accounting period, these had decreased to £125,001 (2021: £144,031). It is hoped that reserves will return to former levels over the next two years and be able to cover 24 months of operational costs during the 2023 and 2024 accounting periods.

Reserves policy

Reserves are needed as sponsorship by Pharmaceutical companies of educational events, which are one of the key objectives of BASL, can drop suddenly depending on the current focus of the Pharmaceutical Companies. As stated in the Articles of Association: The Association will aim to retain sufficient capital funds in reserve to permit it to conduct its activities as defined by the Governing Board for a period of two years in the absence of any income over this period.

FUTURE DEVELOPMENTS

The Trustees aim to continue to provide educational meetings and other member benefits in accordance with the objectives of the Charity. The experience of the pandemic has resulted in the ability to run meetings on a virtual basis to ensure events still take place, making meetings accessible to members and meaning external risk factors are more manageable.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Induction and training of new trustees

Newly elected trustees attend quarterly meetings with the Chairperson and the governing board to observe the provision of services to members. They are also given guidance which include an outline of their role and a handover from the outgoing Trustee.

Independent Examiner's Report to the Trustees of
The British Association for the Study of
the Liver

Independent examiner's report to the trustees of The British Association for the Study of the Liver ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 December 2022.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Balance Sheet - continued
31 DECEMBER 2022

The trustees acknowledge their responsibilities for

- (a) ensuring that the charitable company keeps accounting records that comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the charitable company as at the end of each financial year and of its surplus or deficit for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the charitable company.

These financial statements have been prepared in accordance with the provisions applicable to charitable companies subject to the small companies regime.

The financial statements were approved by the Board of Trustees and authorised for issue on 22.09.2023 and were signed on its behalf by:

.....
Dr A M Elsharkawy - Trustee

**Notes to the Financial Statements
for the year ended 31 DECEMBER 2022**

I. ACCOUNTING POLICIES

General information

The charity is a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is Executive Business Support, Davidson Road, Lichfield, Staffordshire, England, WS14 9DZ.

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value.

The presentational currency of BASL is considered to be pounds sterling and the financial statements are rounded to the nearest pound.

Incoming resources

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Income received for a specific restricted purpose is credited to a separate restricted fund which is shown in a note to the financial statements. Total incoming resources credited to restricted funds are disclosed on the statement of financial activities which also shows incoming resources in respect of unrestricted funds.

Conference income represents fees and sponsorship received in respect of conference's organised in pursuit of the company's charitable objectives.

Income associated with conferences of future accounting periods is treated as deferred income.

Resources expended

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources. Resources expended are included in the statement of financial activities on an accrual basis exclusive of VAT.

All irrecoverable VAT is charged against the category of resources expended for which it was incurred.

Taxation

The activities of the charity are exempt from Corporation Tax under Section 505 of the Income and Corporation Taxes Act 1988 to the extent that they are applied to the organisation's charitable objects.

Fund accounting

Unrestricted funds are donations and other incoming resources received or generated for the general charitable purposes of the charity.

Within unrestricted funds are designated funds. The nature of each of the designated funds is referred to within the report of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

**THE BRITISH ASSOCIATION FOR THE STUDY OF
THE LIVER**

**Notes to the Financial Statements - continued
for the year ended 31 DECEMBER 2022**

1. ACCOUNTING POLICIES - continued

Debtors and creditors

Short term debtors are measured at transaction price (which is usually the invoice price), less any impairment losses for bad and doubtful debts. Loans and other financial assets are initially recognised at transaction price including any transaction costs and subsequently measured at amortised cost determined using the effective interest method, less any impairment losses for bad and doubtful debts.

Short term creditors are measured at transaction price (which is usually the invoice price). Loans and other financial liabilities are initially recognised at transaction price net of any transaction costs and subsequently measured at amortised cost determined using the effective interest method.

Cash and cash equivalents

Cash and cash equivalents include cash in hand and deposits held at call with banks.

2. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In preparing the financial statements it is necessary to make certain judgements, estimates and assumptions that affect the amounts recognised in the financial statements.

In the view of the trustees in applying the accounting policies adopted, no judgements were required that have a significant effect on the amounts recognised in the financial statements nor do any estimates or assumptions made carry a significant risk of material adjustment in the next financial year.
