THE PETER JOHN FOORD CHARITABLE TRUST

TRUSTEES' REPORT

FOR THE YEAR ENDED 5 APRIL 2025

The Trustees present their annual report and financial statements for the year ended 5 April 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Trust's [governing document], the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)".

Objectives and activities

The objectives of the Trust include the relief of sickness and the preservation of health by providing and assisting in the provision of facilities, support services and equipment not normally provided by the statutory authorities.

The Trustees have confirmed that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities and setting the grant making policy for the year.

There have been no changes in the policies adopted by the Trust during the year.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Trust should undertake.

The Trustees hold the capital and income of the Trust Fund upon trust to pay or apply the whole thereof to or towards or for the benefit or furtherance of such charitable purposes, charitable institutions or charitable foundations as they, from time to time, decide.

The Trustees have unrestricted powers to apply Trust Funds towards these Charitable objectives.

Achievements and performance

The Statement of Financial Activities on page 5 shows the results for the year.

The Trust had investment income of £95,588 (2024: £16,270) during the year, an increase of £79,318 on the previous year.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2025

Financial review

The Statement of Financial Position on page 6 shows the financial position of the Trust as at 5 April 2025.

Total assets less liabilities amounted to £567,214 (2024: £604,326) which is represented by the accumulated balances on the unrestricted income and capital funds. The net assets of the capital fund are held to meet the ongoing overheads and administrative expenses and also to be applied towards the Trust's charitable objectives.

The Trust has made no future commitments with regards to the funds held.

It is the Trustees' intention to use the remaining reserves of the Trust to continue to make distributions each year to various registered charitable organisations that meet the Trust's overall objectives, with a view to simplifying the Trust's affairs over the next few years.

The Trustees have assessed the major risks to which the Trust is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks. The Trustees have also examined the operational risks which they face and they consider that the Trust's internal control systems are appropriate, given the size and nature of the operations, to mitigate the significant risks.

Structure, governance and management

The Peter John Foord Charitable Trust is a registered Charity and was established by a Charitable Trust Deed on 7 October 2004.

The Trustees, who are also the directors for the purpose of company law, and who served during the year were:

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 5 APRIL 2025

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Trust and of the incoming resources and application of resources of the Trust for that year.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the Trust and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 5 APRIL 2025

1 Accounting policies

Charity information

The Peter John Foord Charitable Trust is a registered charity in England and Wales. Its principal address is 5th Floor, 3 Dorset Rise, London, EC4Y 8EN.

1.1 Accounting convention

The financial statements have been prepared in accordance with the Trust's [governing document], the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)". The Trust is a Public Benefit Entity as defined by FRS 102.

The Trust has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the Trust. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared on the historical cost convention, modified to include the revaluation of investment and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

The Trust's endowment fund is attributable to the original amount settled on the Trust, subsequent donations by the settlor and the accumulated realised and unrealised gains thereon. The income generated by the funds held on this endowment is unrestricted and is, therefore, included as part of the unrestricted income funds for the year.

The unrestricted income funds consist of funds to be used for the purposes of the Trust's objectives at the discretion of its board of trustees and to meet ongoing overheads and administrative expenses.

1.4 Income

Income is recognised when the Trust is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Legacies are recognised on receipt or otherwise if the Trust has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1 Accounting policies

(Continued)

1.5 Expenditure

Governance costs include those incurred in the governance of the trust and its assets and are primarily associated with constitutional and statutory requirements.

Other expenditure is included in the accounts on an accruals basis,

1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand and deposits held at call with banks.

1.7 Financial instruments

The Trust has elected to apply the provisions of Section 11 'Basic Financial Instruments'.

Financial instruments are recognised in the Trust's balance sheet when the Trust becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include trade and other receivables and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the Trust transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Basic financial liabilities

Basic financial liabilities, including trade and other payables are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade payables are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Trust's contractual obligations expire or are discharged or cancelled.
