Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To promote the physical and mental health of children suffering from Leukaemia and cancer by the provision and maintenance of holiday accommodation in the form of six caravans at the Haven site in Mablethorpe and a caravan at Tattershall Lakes so that children and their families can take a holiday with a view to improving the condition of life of such children and their families.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In planning our activities for the year we kept in mind the Charity Commission's guidance on public benefit at our trustee meetings. The focus of our activities at all times is to ensure that the accommodation is safe, well maintained and available free of charge to the children and their families.

This benefits the children and their families by providing some relief from the stress of their illnesses and hospital treatment without any cost as many parents have to give up work to take care of their children and also without financial penalties if for any reason they are unable to keep a booking, for example the need to obtain immediate or unexpected hospital treatment.

Any surplus funds which are not needed to pay for the regular upkeep of the accommodation and associated equipment are kept on deposit to earn interest.

Because of the need to keep the caravans of a suitable standard these surplus funds are built up to try to ensure that the caravans can be renewed once they no longer meet the standards set by the site owners.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

The charity operates a regular weekly competition for the majority of the year to raise funds for the upkeep of the caravans.

In addition to this many supporters of the charity stage events or take place in sponsored activities to raise funds and on occasion local and national businesses do give contributions to the charity.

The charity also operates a raffle each year at Christmas time to raise funds, with many prizes donated by supporters and by local businesses.

During this year the charity has been improved the disabled access and enhanced the accommodation at three of the caravans at Mablethorpe with the additions of ramps and decking.
