Review of Activities

Footprints Family Centre continued to provide benefits to the residents of Buttershaw through:

- Local employment, training and volunteering opportunities
- Pre-school early years education
- Childcare for children aged 0 to 11 helping parents return to work
- Healthy eating and active lifestyle initiatives to tackle obesity and malnutrition
- Hosting services from partners including CHAS @ St Vincent's welfare advice services, Staying Put Community IDVA, Restorative Solutions and Bradford Children's Service
- The leasing of space within our community centres for other community groups
- A wide range of activities that help tackle loneliness and isolation

Childcare

Across our two OFSTED registered early-years settings, we now have capacity for 115 children to be looked after for up to 50 hours a week, for either 38 or 50 weeks of the year. We offer the opportunity of government funding for some parents to have 15 hours of funded childcare for children aged 2 and 3, and 30 hours funding for some 3 and 4 year olds. The Cooperville Centre is now established delivering the same childcare (15 or 30 hours) for 3 year olds as well as the initial offering for 2 year olds only.

Our OFSTED registered Out of School Care provides high quality after school and holiday care for up to 40 children.

We are delighted with our OFSTED inspection reports that are all currently 'GOOD'. We are delivering high quality, affordable care and education to help children and their families have the best possible start to life.

Community

We now have community groups across all three sites - Family Centre, Bedale Centre and Cooperville Centre. It is important that people within the community have a safe place to go where they can develop and establish friendships with one another and trust in organisations seeking to work with people in the community. Since September 2022 we have seen 372 people make 4,280 visits to activities in our Community Groups at The Family Centre, 298 of these are from Buttershaw. That equates to each person making an average of 11.5 visits.

The Family Centre, Bedale Centre, and Cooperville Centre offer a varied and diverse range of activities for the community, and whilst some of these have been impacted by COVID-19 it has also given us the opportunity to open new groups and change how some have been run.

The Family Centre offers:

- Me Time Monday
- Souper Tuesday
- Stay & Play, parent and toddler sessions
- Cook & Eat @ Home
- Warm / welcome spaces
- Community Café

In response to the COVID-19 restrictions we started new activities and adapted others to meet as much of the local need as possible, this resulted in Footprints reaching and supporting more people than ever before. As restrictions continue to ease we will work to find the balance between maintaining existing services and reopening groups.

Report of the Trustees

For the year ended 31st March 2023 (continued)

Reserve Policy

The Trustees are working towards a policy whereby the unrestricted funds, not committed or invested in tangible assets ('the free reserves') held by the charity should be between 1 and 3 months of the resources expended, which equates to £70,000 to £200,000 in general funds. At the proposed reserves level the Trustees recognise the need to continue to build reserves from trading activities.

Investment Policy

The Trustees have considered the most appropriate policy for investing funds. Short term reserves will be held in the Trustees' interest bearing bank account. Future long term reserves will be held in accounts designed for the charity sector, with the requirement to generate income and/or capital growth.

Risk Review

The Trustees have conducted their own review of the major risks to which the charity is exposed and systems have been established to mitigate those risks. Significant external risks to funding have led to the development of a strategic plan which will allow for the diversification of funding and activities. Internal risks are minimised by the use of professional consultants, and the implementation of procedures for authorisation of all transactions and projects and to ensure consistent quality of delivery for all operational aspects of the charitable company. The procedures are periodically reviewed to ensure they still meet the needs of the charity.

Responsibilities of the Trustees

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing those financial statements, the Trustees should follow best practice and:

- > Select suitable accounting policies and then apply them consistently;
- > Make judgements and estimates that are reasonable and prudent; and
- > Prepare the financial statements on the going concern basis unless it is inappropriate to assume that the company will continue on that basis.

The Trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. The Trustees are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention of fraud and other irregularities.

Trustees

The Trustees, who are directors for the purpose of company law and trustees for the purpose of charity law, who served during the period are set out on page 3 of this report.

Members of the charitable company guarantee to contribute an amount not exceeding £10 to assets of the charitable company in the event of winding up.

The total number of such guarantees at 31st March 2023 was 4.

Statement as to Disclosure of Information to Accountants

So far as the trustees are aware, there is no relevant accounts information (as defined by section 418 of the Companies Act 2006) of which the company's accountant is unaware, and each trustee has taken all the steps that they ought to have taken as a trustee in order to make themselves aware of any relevant information and to establish that the company's accountant is aware of that information.

Accountant

The accountant, Torevell Dent Limited, will be proposed for re-appointment at the forthcoming Annual General Meeting.

Notes of the Financial Statements

For the year ended 31st March 2023

1. Accounting Policies

a) Basis of Preparation

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard (FRS102), and with the Charities Act 2011.

b) Fund accounting

Unrestricted funds are corporate funds, which as such are available for use or retention at the discretion of the directors in accordance with the Trust's objects.

Restricted funds are trust funds subject to specific restrictive conditions imposed by the donor or by the declared purpose in appeals literature.

c) Incoming Resources

All income is accounted for on a receivable basis. Any general purpose grants whose use is restricted by the grant or to some future accounting period are accounted for as deferred income until the restriction has been satisfied.

d) Resources expended

All expenditure is accounted for on an accruals basis and, where incurred directly to further the Trust's charitable objects, is shown as project direct costs under the heading of charitable expenditure.

The support costs of these charitable projects include costs apportioned out of the general overheads of the Trust. This apportionment has been calculated by analysing staff time spent on charitable projects and on other activities. The rates thus derived have then been applied to the Trust's general overhead costs to provide an equitable basis for their apportionment under the functional headings of the Statement of Financial Activities.

e) Depreciation

Depreciation is calculated to write off the cost less estimated residual value of all fixed assets over their estimated useful lives at the following rates.

Freehold Property	2%	on cost
Furniture and Equipment	25%	on cost
Computer Equipment	100%	on cost
Motor Vehicle	25%	on cost

f) Pension Costs

The Trust subscribes to a defined contribution pension scheme. The Trust's contributions to the scheme are charged in the statement of financial activities as they accrue.
