The committee meets regularly and is responsible for all decisions taken in relation to the community facilities and the activities provided by the centre. To assist the smooth running of the charity the day to day management is delegated to volunteers and staff.

The committee is responsible for the recruitment of new trustees seeking to identify people who regularly attend events and functions organized by the charity and who are willing to volunteer to help with community work.

Overall our charity hosts a range of clubs and activities in line with its charitable aims. The trustees consider these activities provide benefit to both local residents and those in surrounding areas.

Financial Review

The main source of income comes from room hire and the sale of food as well as some funding and donations. Ours is already a poor community with few amenities and given the very difficult economic conditions still affecting all households the continued use and support of our centre is encouraging. However the management has examined the reserves and is confident that there are sufficient funds to cover any unforeseen significant drop in income.

Responsibilities of Trustees

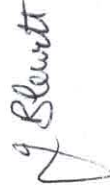

Charity law requires the trustees to prepare financial statements that give a true and fair view of the state of affairs of the charity at the end of the financial year and of its surplus or deficit for the financial year. In doing so the trustees are required to:

- Select suitable accounting policies.
- Make judgments and estimates that are reasonable and prudent.
- State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements and prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enables them to ensure that the financial statements comply with the Companies Act 1985. The trustees are also responsible for safeguarding the assets of the charity and hence of taking responsible steps for the prevention and detection of fraud and other irregularities.
