Activities and performance

The principal activity of the charitable company continued to be to provide accommodation for needy persons over the age of 55 and to relieve persons who are in conditions of need, hardship or distress as a result of local, national or international disaster or by reason of their social or economic circumstances.

Plans for future periods

At the year end, the charitable company's general reserves had increased. The Directors are confident that the current investment portfolio gives the company the best opportunity to provide income to meet its objects. The Directors continue to give active consideration to projects that would advance the aims of the charity.

The charity had total general funds of £2,912k as at 31 December 2021 (2020: £2,561k), of which £2,412k were general reserves (2020: £1,723k) and £500k were unrealised gains on investments (2020: £838k). The current investment portfolio was set up in 2012 and the intention of the Board of Directors is to maintain the bulk of the fund to be invested to provide a mixture of income and capital growth. The Directors policy is normally only to distribute the income generated in any year.

Notwithstanding the general intention of the Directors, should substantial projects arise, that meet the charity objectives and require substantial sums, the Directors have agreed that the use of capital is not precluded. In the meantime, the Directors have continued to make grants deemed appropriate to the objectives of the charity. In order to protect against any adverse market conditions and unforeseen circumstances, the Directors have set a minimum unrestricted reserve threshold to be maintained of an amount at least equal to the sum of the previous two years' expenses per the annual accounts including investment management fees, plus the total grants made over the previous two years. As at the end of December 2021, this amounts to £100k (2020: 100k).

Structure, governance and management**Statement of directors' responsibilities - charitable company accounts**

Company law requires the Directors to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the net income or expenditure for the year. In preparing these financial statements, the Directors are required to :

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and that enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Trustees' Annual Report (Including Directors' Report) for the year ended
31 December 2021**

Management of risk

The Directors recognise their responsibility to identify the major risks to which the charity is exposed, to review these risks and establish systems to mitigate them.

Risk management is an ongoing process and the Directors are committed to regular reviews and a means of understanding the risks to which the charity is exposed.

Future operations

Since the year end the Covid 19 pandemic has caused an economic downturn affecting the world stock markets. This has had a significant effect on the value of the Charity's investments and income generation since the year-end. Whilst at present it is unknown how quickly the economy will recover, the Directors are of the opinion that the Charity has sufficient funds to be able to continue its charitable purpose.

- There is no relevant information of which the independent examiners are unaware; and
- We have taken all the steps that we ought to have taken as trustees and directors in order to make ourselves aware of any relevant information and to establish that the independent examiners are aware of that information.
