## **Trustees' Annual Report**

### **Structure, governance and management**

The Charity is governed by the Parochial Church Council Powers Measure (1956) as amended and Church Representation Rules.

Elected members normally serve a period of three years and may immediately be re-elected for a further term of three years.

The Housley Gethin, Chapman and Clay Pit Charities were consolidated into a single charity by the Charity Commission on 15 November 2004. The original charities arose out of assets which were willed to St Edmund's Church for specific reasons again broadly covered by the same objects of the PCC charity. The Trustees of this charity were originally the Vicar and Church Wardens of the PCC, but in 2004 this was changed and members of the PCC, whether elected or otherwise, are by virtue of that office, Trustees of the Consolidated Trust Funds.

From a governance point of view, the Consolidated Trust Fund Trustees hold separate meetings as and when required with an AGM in February each year.

### **Objectives and activities**

The objectives of the Charity are the advancement of the religious and other charitable work of The Church of England in the Ecclesiastical Parish of St Edmund King and Martyr, Mansfield Woodhouse, and are achieved by the various activities referred to below.

### **Volunteers**

The charity is grateful for the unstinting efforts of all its volunteers who are involved in any service including the provision of charity shop, social committees and fund-raising and the Foodbank operating from the Stable Centre and other locations. The Trustees particularly wish to thank all those involved in the rebuilding of activities following the disruption caused by the Covid Pandemic and its associated restrictions, without whom, some may have been lost altogether.

### **Public Benefit**

The trustees confirm that they have complied with the requirement in the Charities Act 2011 with regard to Public Benefit.

### **Safeguarding**

The PCC has complied with the duty under section 5 of the Safeguarding and Clergy Discipline Measure 2016 (duty to have regard to House of Bishops' guidance on safeguarding children and vulnerable adults). The Church of England safeguarding policy was re-adopted in November when a new Safeguarding Officer was appointed. Up-to-date safeguarding posters are on display.

### **Financial review**

The broader financial picture shows that whilst some areas are thriving others are taking longer to recover.

Whilst the early lifting of Covid Restrictions in 2022 renewed use of the Turner Hall, some of the regulars did not return immediately as expected due to people monitoring current rates of infection and lower levels of attendance from their groups. Some were not happy to restart until warmer weather allowed open doors. Overall however, it was possible to retain some regular bookings and the hall is now benefiting from increased one off bookings.

In the meantime, the toilet renewal project went ahead in the spring and was completed at a cost of £51,127.00 funded by the sale of Trust Fund Shares. The Turner Hall Kitchen was also refurbished at a cost of £4,500.00 met from previously identified funds.

The cottage 1A Welbeck Road renovation took longer to complete than expected but a new tenant was finally installed in October. However, this has resulted in the need for further unexpected remedial works which are presently being programmed. Unlike 122 Vale Road, this property is now being operated through a Management Agent.

The Partnership Charity Shop has shown a steady improvement in trading during the year and has this year managed to achieve a trading profit on its normal day to day activities. An unexpected donation of £10,000.00 was given to the Charity Shop with a request that it be directed primarily to some predetermined causes. To date some 50% of these funds have been reallocated to deserving causes.

### **Trustees' Annual Report**

From the attached accounts it will be seen that the Foodbank has continued to operate well during 2022. The support from the community and local businesses and agencies has helped greatly for it to be in a healthy position. One of the main expenses is buying stock and this continues to be an issue, particularly in view of the vast increase of users during 2022. The totals of food parcels provided increased from 1,649 in 2021 to 2,229 in 2022, an increase of 580. This in real terms represents an increase in people fed which is up from 3,734 in 2021 up to 5,086 in 2022, an increase of 1,352 people. The Foodbank is operated entirely by volunteers and the question of the Foodbank obtaining its own charitable status is still being investigated but progress is slow and difficult to achieve.

Notwithstanding a reduction in Planned Giving and other church giving the PCC have still been able to achieve full payment of its quota of £55,000.00. However, the PCC are of the opinion that the time is not opportune for a fundraising campaign.

There was very little activity in other small restricted funds.

#### **Reserves**

The accumulated surplus of unrestricted funds continues to be held for further anticipated calls on the resources of the Charity both generally and in respect of the maintenance of the Church and its historical contents.

In addition to the sale of Shares to fund the Turner Hall Toilets Scheme a further sum of £90,000 was withdrawn from Trust Funds to ensure that all other financial commitments were able to be met. The ongoing dependence on Trust Funds is on an upward trend and will need to be reviewed again with a view to ensuring that the availability of this income stream is not completely exhausted or depleted to the point where its benefits become virtually insignificant. This is a somewhat difficult balancing act between perceived present and future needs.

#### **Summary of main achievements**

The resumption of normal church services has been possible, albeit with some modifications to the Holy Communion Service delivery, notwithstanding the continuing presence of Covid in the wider community. In addition some zoom services have been continued.

Unfortunately, the Parish of St. Edmund's are still without a Vicar and service provision has continued to rely heavily on retired clergy who it's fair to say have been well supported by the Church Warden and Readers who have been constantly called on to officiate with funeral services.

The financial review has shown a concentrated programme of renovation work in various areas of the Charity which has highlighted the continued need for careful financial programming in the future.

## Independent Examiners' Report to the Trustees of

### The Parish Church of St Edmund King and Martyr

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31st December 2022, which are set out on pages 5 to 13.

#### Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the Act).

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

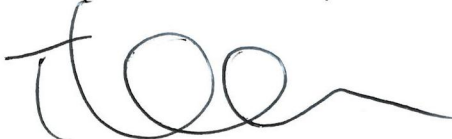

#### Independent examiners' statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales (ICAEW), which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the Act; or
- 2 the accounts do not accord with those records; or
- 3 the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
