## DIRECTORS' REPORT ~ FOR THE YEAR ENDED 31<sup>ST</sup> DECEMBER 2024

The directors present their report and financial statements for the year ended 31<sup>st</sup> December 2024.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)"

### Objectives and activities

The objectives of the Trust are the provision and maintenance of facilities, amenities and services for use by the inhabitants of the parish of Marcham and its neighbourhood and the relief of persons resident in the parish who are in need, hardship or distress (including making of grants to bodies who provide goods, services or facilities to them). There has been no change in these during the year.

In accordance with section 4 of the Companies Act 2006, the directors have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

### Achievements and performance

In 2024 the Trust continued to deliver on its charitable purposes, which are now primarily met by supporting the establishments, organisations, societies, clubs and groups that service and support the local community through the provision of financial grants.

To encourage the local community to approach the Trust with grant requests that fall under its objectives, the Trust continued to place adverts in the local community newsletter and use digital social media and a regularly updated website to raise awareness of the types of grant opportunities available from the Trust. These initiatives bore fruit in terms of the volume, value and range of purpose of grant applications that were received in 2024.

### Financial review

The Trust's financial performance in 2024 continued the strong performance of the previous couple of years with an operating surplus of income over expenditure, prior to charitable grants, of £24,594 compared to £24,432 in 2023. Once grant payments of £30,300 are taken into account, the Trust made an operating deficit of £5,706 in 2024 compared to a deficit of £2,036 in 2023. The cumulative effect of this and previous years' performance means that by end of 2024 the Trust had just over £10,000 still available for new grant requests, having approved grant requests totalling nearly £75,000 during 2023 and 2024.

The Trust regularly reviews its investment strategy for both its restricted and unrestricted funds. The Trust continues to, where practical from cash flow considerations, maximise the interest income on its cash holdings whilst at the same time building a long-term investment portfolio for the sinking fund that the Trust requires to ensure that the Trust can maintain and modernise its physical assets in the decades to come. The Trust experienced an 7% increase in the value of its investment funds in 2024 (excluding additional investments), compared to an 14% increase in 2023.

In addition to the restricted funds of £139,883, held in the form of investment trusts and funds, the Trust also

owns, as part of its endowment, a commercial nursery facility conservatively valued at £600,000, and the Anson Field, both of which adjoin Barrow Close (a private road owned by the Trust) and the Marcham Centre that was erected on land previously owned by the Trust. The Anson Field is leased to Marcham Parish Council until 2119 (subject to the application of the terms of the lease).

The income generated from the nursery facility is the main source of the Trust's income and the directors have adopted what they consider to be a suitably prudent approach to its use of this income to fund its grant making opportunities in service of its charitable objectives and the Trust's need to build the sinking fund referred to previously.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level at least equivalent to between six and twelve months' anticipated expenditure. The directors consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The directors have assessed what they consider to be the major risks to which the charity is exposed and are satisfied that systems and procedures are in place to mitigate the threat that such risks pose to its operating model.

**Plans for the future**

The directors are keen that the Trust continues to be recognised and used as a source of community supporting grants and will actively seek out opportunities and continue to market the Trust accordingly, whilst at the same time exercising appropriate stewardship of its assets and their relevant income streams for the benefit of the Trust's charitable objectives.

**Structure, governance and management**

The charity is a company limited by guarantee which was incorporated on 11 June 2004 and does not have share capital.

The directors who served during the year and up to the date of signature of the financial statements were:

2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS ~ FOR THE YEAR ENDED 31<sup>ST</sup> DECEMBER 2024**

**1 Accounting policies**

**Company information**

The Arthur Anson Memorial Trust Ltd is a private company limited by guarantee incorporated in England and Wales. The registered office is 9 The Farthings, Marcham, Abingdon, Oxfordshire, OX13 6QD.

**1.1 Accounting convention**

The accounts have been prepared in accordance with the charity's memorandum and articles of association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The accounts are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared on the historical cost convention modified to include the revaluation of certain assets. The principal accounting policies adopted are set out below.

**1.2 Going concern**

At the time of approving the financial statements, the directors have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the directors continue to adopt the going concern basis of accounting in preparing the financial statements.

**1.3 Charitable funds**

Restricted funds are subject to specific conditions by donors as to how they may be used.

**1.4 Incoming resources**

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt.

**1.5 Resources expended**

Expenses are included in the financial statements as they become due.

Expenses include VAT, where applicable, for expenses which the Company is unable to reclaim it.

**1.6 Tangible fixed assets**

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

**1.7 Cash and cash equivalents**

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments.

## **DIRECTORS' REPORT – FOR THE YEAR ENDED 31<sup>ST</sup> DECEMBER 2023**

The directors present their report and financial statements for the year ended 31<sup>st</sup> December 2023.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)"

### **Objectives and activities**

The objectives of the Trust are the provision and maintenance of facilities, amenities and services for use by the inhabitants of the parish of Marcham and its neighbourhood and the relief of persons resident in the parish who are in need, hardship or distress (including making of grants to bodies who provide goods, services or facilities to them). There has been no change in these during the year.

The directors have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

### **Achievements and performance**

In 2023 the Trust was able to deliver on its charitable purposes, which are now primarily met by supporting the establishments, organisations, societies, clubs and groups that service and support the local community through the provision of financial grants.

To encourage the local community to approach the Trust with grant requests that fall under its objectives, the Trust has refreshed its logo, updated its website, continued to place adverts in the local community newsletter and contributed a number of articles to the same publication exhorting local bodies to apply for grants. These initiatives bore fruit in terms of the volume, value and range of purpose of grant applications that were received in 2023.

### **Financial review**

The Trust's financial performance in 2023 maintained the progress made in 2022 with an operating surplus of income over expenditure, prior to charitable grants, of £24,432 compared to £20,534 in 2022. Once grant payments of £26,468 are taken into account, the Trust made an operating deficit of £2,036 in 2023 compared to a surplus of £19,826 in 2022. The cumulative effect of this and previous years' performance means that by end of 2023 the Trust had nearly £25,000 still available for new grant requests.

The Trust regularly reviews its investment strategy for both its restricted and unrestricted funds. The Trust continues to, where practical from cash flow considerations, maximise the interest income on its cash holdings whilst at the same time building a long-term investment portfolio for the sinking fund that the Trust requires to ensure that the Trust can maintain and modernise its physical assets in the decades to come. The Trust experienced an 14% increase in the value of its investment funds in 2023, compared to an 11% decline in 2022.

In addition to the restricted funds of £131,482, held in the form of investment trusts and funds, the Trust also owns, as part of its endowment, a commercial nursery facility conservatively valued at £600,000, and the Anson Field, both of which adjoin Barrow Close (a private road owned by the Trust) and the Marcham Centre that was erected on land previously owned by the Trust. The Anson Field is leased to Marcham Parish Council until 2119 (subject to the application of the terms of the lease).

The income generated from the nursery facility is the main source of the Trust's income and the directors have adopted what they consider to be a suitably prudent approach to its use of this income to fund its grant making opportunities in service of its charitable objectives and the Trust's need to build the sinking fund referred to previously.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level at least equivalent to between six and twelve months' anticipated expenditure. The directors consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The directors have assessed what they consider to be the major risks to which the charity is exposed and are satisfied that systems and procedures are in place to mitigate the threat that such risks pose to its operating model.

**Plans for the future**

The directors are keen that the Trust continues to be recognised and used as a source of community supporting grants and will actively seek out opportunities and continue to market the Trust accordingly, whilst at the same time exercising appropriate stewardship of its assets and their relevant income streams for the benefit of the Trust's charitable objectives.

**Structure, governance and management**

The charity is a company limited by guarantee which was incorporated on 11 June 2004 and does not have share capital.

The directors who served during the year and up to the date of signature of the financial statements were:

2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**Company information**

The Arthur Anson Memorial Trust Ltd is a private company limited by guarantee incorporated in England and Wales. The registered office is 9 The Farthings, Marcham, Abingdon, Oxfordshire, OX13 6QD.

**1.1 Accounting convention**

The accounts have been prepared in accordance with the charity's memorandum and articles of association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The accounts are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared on the historical cost convention modified to include the revaluation of certain assets. The principal accounting policies adopted are set out below.

**1.2 Going concern**

At the time of approving the financial statements, the directors have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the directors continue to adopt the going concern basis of accounting in preparing the financial statements.

**1.3 Charitable funds**

Restricted funds are subject to specific conditions by donors as to how they may be used.

**1.4 Incoming resources**

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt.

**1.5 Resources expended**

Expenses are included in the financial statements as they become due.

Expenses include VAT, where applicable, for expenses which the Company is unable to reclaim it.

**1.6 Tangible fixed assets**

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

**1.7 Cash and cash equivalents**

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments.

## **DIRECTORS' REPORT ~ FOR THE YEAR ENDED 31<sup>ST</sup> DECEMBER 2022**

The directors present their report and financial statements for the year ended 31<sup>st</sup> December 2022.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)"

### **Objectives and activities**

The objectives of the Trust are the provision and maintenance of facilities, amenities and services for use by the inhabitants of the parish of Marcham and its neighbourhood and the relief of persons resident in the parish who are in need, hardship or distress (including making of grants to bodies who provide goods, services or facilities to them). There has been no change in these during the year.

The directors have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

### **Achievements and performance**

In 2022 the Trust has concentrated on developing a financially robust operating model and delivering on its charitable purposes which, following the reorganisation of the Trust's assets in 2019, are now primarily supporting the local community and in particular the organisations, societies, clubs and groups that service it.

To encourage the local community to approach the Trust with grant requests that fall under its objectives, the Trust has refreshed its website, placed adverts in the local community newsletter and contributed a number of articles to the same publication exhorting local bodies to apply for grants. By the end of 2022 the Trust had received a number of grant requests and was delighted to be able to approve its first grants in over 20 years.

### **Financial review**

The Trust's financial performance in 2022 built on the progress made in 2021 with an operating surplus of income over expenditure of £19,826. The Trust also experienced a positive cash flow in 2022 and, subject to the charitable grants it feels able to make, is very likely to continue to do so for the foreseeable future.

The Trust regularly reviews its investment strategy for both its restricted and unrestricted funds. Given the prevailing interest rate environment in the UK, the Trust has sought to maximise the interest income on its cash holdings whilst at the same time building a long-term investment portfolio for the sinking fund that it is building to ensure that it can maintain and modernise its physical assets in the decades to come. In line with the wider market the Trust has experienced an 11% decline in the value of its investment funds but as these are funds held for the long term the Trust expects similar and opposite cyclical movements over time and does not see the recent decline as any cause for concern.

In addition to the restricted funds, held in the form of investments, of £114,776 the Trust also owns as part of its endowment a commercial nursery facility conservatively valued at £600,000, the Anson Field, which adjoins Barrow Close (a private road owned by the Trust) and the new community facilities which were erected on land previously owned by the Trust as part of the Trust's successful scheme (that completed in 2020) to restructure and refresh its assets and operating model.

The income generated from this nursery is the main source of the Trust's income and the directors have adopted what they consider to be a suitably prudent approach to its use of this income to service its grant making opportunities in service of its charitable objectives and its need to build the sinking fund referred to previously.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level at least equivalent to between six and twelve months' anticipated expenditure. The directors consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The directors have assessed the major risks to which the charity is exposed and are satisfied that systems are in place to mitigate exposure to the major risks to its operating model.

### **Plans for the future**

The directors are keen that the Trust becomes widely recognised and used as a source of community supporting grants and will actively seek out opportunities and continue to market the Trust accordingly.

**Structure, governance and management**

The charity is a company limited by guarantee which was incorporated on 11 June 2004 and does not have share capital.

The directors who served during the year and up to the date of signature of the financial statements were:

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31<sup>st</sup> December 2022.

**Responsibilities and basis of report**

As the charity's trustees of the Company (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act'). You consider that The Arthur Anson Memorial Trust Ltd is exempt from the statutory audit requirement for the year.

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("2011 Act"). 2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**1 Accounting policies**

**Company information**

The Arthur Anson Memorial Trust Ltd is a private company limited by guarantee incorporated in England and Wales. The registered office is 9 The Farthings, Marcham, Abingdon, Oxfordshire, OX13 6QD.

**1.1 Accounting convention**

The accounts have been prepared in accordance with the charity's memorandum and articles of association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The accounts are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared on the historical cost convention modified to include the revaluation of certain assets. The principal accounting policies adopted are set out below.

**1.2 Going concern**

At the time of approving the financial statements, the directors have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the directors continue to adopt the going concern basis of accounting in preparing the financial statements.

**1.3 Charitable funds**

Restricted funds are subject to specific conditions by donors as to how they may be used.

**1.4 Incoming resources**

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt.

**1.5 Resources expended**

Expenses are included in the financial statements as they become due.

Expenses include VAT, where applicable, for expenses which the Company is unable to reclaim it.

**1.6 Tangible fixed assets**

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

**1.7 Cash and cash equivalents**

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments.
