The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Companies Act 2006 and the Statement of Recommended Practice, "Accounting and Reporting by Charities", issued in March 2005.

Objectives and activities

The Charity is established to promote the relief of poverty, sickness and distress by the provision of education, medical care and facilities, to provide and manage or assist in the provision and management of facilities for recreation and other leisure time occupation in the interest of social welfare with the objectives of improving the conditions of life for the inhabitants of London Borough of Hounslow and adjoining areas.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the should undertake.

Managing Committee Members are elected or appointed on an annual basis, with officers being elected from the membership of the Managing Committee.

The Charity was established by a Trust Deed dated 12th July 2004 and is registered with the Charity Commission under the number 1107282. It was incorporated on 12th July 2004.

Achievements and performance

Financial review

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The Trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The attached financial statements show the current state of finances which the Committee consider to be sound.

The management committee continue to review the bookkeeping, recording and overall systems in order to provide an improved and efficient system, which will be able to cope adequately with the charity's future expansion.

The Trustees have assessed the major risks to which the is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

The Trustees who served during the year were;

Mr Sutantar Kumar Soni
Professor Nathun Ram Puri
Mrs Simta Patel

The report was approved by the Board of Trustees.
