HENHAM STEAM RALLY LIMITED

Directors' report for the year ended 31 December 2023

The directors present their report and financial statements for the year ended 31 December 2023.

Structure, governance and management

Governing document

The organisation is a charitable company limited by guarantee, incorporated on 14 September 2004 and registered as a charity on 17 December 2004. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

Recruitment and appointment of directors

The directors of the company are also charity trustees for the purposes of charity law.

Under the Articles of Association one third of the directors shall retire from office, by rotation, annually.

Mr R Baker, Mr J Crisp and Mr A Hardwick retire by rotation and being eligible, offer themselves for re-election.

Directors' induction and training

All of the current directors are already familiar with the work of the charity having been encouraged to attend and take part in the events organised by the charity and to attend various meetings structuring those same events.

The directors are made aware of their responsibilities by being circulated with documentation as issued from time to time by the Charities Commission.

The directors are aware of the current changing legislation and will be taking steps to ensure they are aware of the requirements placed upon them as soon as possible.

Risk management

The directors arrange for a risk assessment to be carried out for each event organised by the charity. Where appropriate, systems or procedures have been established to mitigate the risks faced by the charity. Internal control risks are minimised by the implementation of procedures for authorisation of all transactions and events.

As part of the structure and management of the charity, a health and safety officer is appointed to oversee the organised events and to liaise with the necessary authorities.

Procedures are in place to ensure compliance with health and safety of volunteers and visitors to the organised events.

These procedures are periodically reviewed to ensure that they continue to meet the needs of the charity.

HENHAM STEAM RALLY LIMITED

Directors' report for the year ended 31 December 2023

Related parties

In so far as it is related to the charity's objects, the charity is guided by both local and national policy and in particular takes guidance and advice from NTET. No Director has any financial interest in this organisation.

Objects and activities

The company's objects and principal activities are to advance the education of the public by increasing knowledge of and interest in historical mechanically propelled vehicles including (but without prejudice to the generality of the foregoing) traction engine, steamrollers and other steam vehicles; other historic machinery including fair organs, fairground and showman's equipment and agricultural machinery and equipment, historic crafts and craftsmanship.

The method used to achieve the charity's objectives is to organise events where large variety of exhibits, working displays and examples are gathered together. The public is invited to attend these events where they can see the machinery and equipment in action, talk, discuss and receive information on not only how they operate but also the social history surrounding them.

Achievements and performance

2023 built on the return of the show in 2022 after the break due to Covid 19. Nervousness was still evident amongst some sectors and we hope to dispel that in future years as we continue to grow. The weather was good on the Saturday but very mixed on Sunday leading to a lower attendance than we would have liked. However, the rally was a successful event leading to good results.

The ethos of providing different types of visitor attractions will be continued in future, and making more use of the exhibits already on site. The steam engines will continue to be heavily involved with the public in popular events. In addition, the tractor demonstrations and other exhibits are being planned along with other educational benefits envisaged.

At this year's rally we held our second education day for children from local schools. Again, this had wide appeal and it is planned to continue it in future years. It really goes without saying that we also plan to continue expanding the type of attractions and provide an even greater variety of working displays for the public education and enjoyment.

Sponsorship remains a very tough nut to crack and the rally would really benefit from this enabling us to increase the educational exhibits to be invited to attend providing further attractions and public benefit.

Public benefit

The directors are confident that the rally will be performing a useful function in raising public awareness of our mechanical heritage in agriculture and transport. Visitor numbers when weather permits, as well as the positive feedback, continue to support this view.

HENHAM STEAM RALLY LIMITED

Directors' report for the year ended 31 December 2023

Financial review

The charity is entirely self sufficient, receiving no grants or other financial assistance. However, it is extremely grateful for the huge amount of volunteer workers - without which it would be difficult to achieve the required results.

Investment policy

Under the Memorandum and Articles of Association, the charity has the power to invest in any way the directors wish.

Aside from taking a prudent amount to reserves, the charity's funds are spent in the short term so there are no funds available for long term investment.

The directors having regard to the liquidity requirements of operating the charity and the reserves policy have operated a strategy of keeping available funds in an interest bearing deposit account and seeks to maximise the interest received. Because of the actual amounts retained in the cash reserves, the interest received remains at a low level. Given the existing policies, this situation is likely to remain.

Reserves policy

The directors have examined the charity's requirements for reserves in the light of the risks to the organisation. The reserves are needed to meet the working capital requirements of the charity and the directors are confident that at the present level they would be able to continue the current activities of the charity.

The amount of the reserve is calculated at a level which will fund the following year in the event of a disaster which would prevent the rally going ahead at very short notice.

This policy is reviewed on an annual basis.

Plans for future periods

The directors and trustees are working hard on continuing to provide an entertaining and educational show whilst bearing in mind the needs of the public and the demonstrations of the large number of exhibits on show.

Future years will continue to provide new challenges and the directors are actively looking for volunteers to take on significant roles within the organisation.

The rally is looking to changing the trading name to encompass the wide variety of exhibits, stalls, demonstrations and attractions to widen the marketing opportunities that are available and to increase the awareness of everything that is on offer at the show.

HENHAM STEAM RALLY LIMITED

Directors' report for the year ended 31 December 2023

Responsibilities of the directors

Company law requires the directors to prepare financial statements for each financial year which gives a true and fair view of the state of affairs of the charitable company as at the balance sheet date and of its income and expenditure for the financial year. In preparing the financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the company will continue on that basis

The directors are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that financial statements comply with the Companies Act 2006. The directors are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Accountants

Cunninghams were the company's accountants during the year and have expressed their willingness to continue in that capacity.

Accordingly, a resolution will be proposed at the Annual General Meeting that Cunninghams be re-appointed as accountants to the charity for the ensuing year.

This report has been prepared in accordance with the Charities Statement of Recommended Practice (FRS 102), and in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

Approved by the directors on 2-7-24

HENHAM STEAM RALLY LIMITED

Independent examiners report to the trustees of Henham Steam rally Limited ('the Charity')

I report to the trustees on my examination of the accounts of the above charity (The Trust) for the year ended 31 December 2023.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of your charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5) (b) of the Act.

Independent examiners' statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

1. the accounting records were not kept in accordance with section 130 of The Charities Act; or
2. the accounts did not accord with the accounting records; or
3. the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

HENHAM STEAM RALLY LIMITED

Notes forming part of the Financial Statements For the year ended 31 December 2023

1 Statutory information

The company is limited by guarantee, registered in England and Wales. The company has no share capital and the liability of each trustee in the event of a winding up is limited to £1. The company's registered number and office address can be found on the legal and administrative information page.

2 Accounting policies

a) Basis of preparation of the financial statements

These financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), with FRS 102 and with the requirements of the Companies Act 2006 and the Charities Act 2011.

b) Incoming resources

All incoming resources are included in the statement of financial affairs and are recognised on the following policies:

Investment Income is recognised on a receivable basis.

Income from other activities is recognised as earned.

Sponsorship income is raised from donors for specific purposes and is recognised contemporaneously with the expenditure on those same purposes.

c) Volunteers and donated services and facilities

The value of services provided by volunteers or donors are not incorporated into these financial statements.

d) Resources expended

Expenditure is recognised on an accrual basis when a liability is incurred. Expenditure includes any VAT which cannot be recovered, and is reported as part of the expenditure to which it relates.

Governance Costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the audit fees and costs linked to the management of the charity.

e) Fixed assets

No major item of capital expenditure has been incurred and a policy of not capitalising any item of less than £500 has been operated.

3 Related party transactions

The charity directors received no emoluments or payment for professional services provided during the year.

Expenses incurred wholly and exclusively on behalf of the charity amounting to £521 (2022 - £422) were reimbursed to a director.

No trustee or other person related to the charity had any personal interest in any contract or transaction entered into by the charity.
