The company was formed on 13th April 2004 and was registered with the Charity Commission of England and Wales.

CHARITY TRUSTEES

The following trustees have held office during the period:

Zahoor Ahmed	Amjad Ali
Ishtiaq Hussain	Samiya Akhter
Saghir Ahmad	Ashfaq Ahmed
Abid Hussain	
Mohammed Rouf	

OBJECTIVES AND ACTIVITIES

The main aims and objectives of SPMA are as follows:

- * To develop a community based organisation that serves the needs and aspirations of the Pakistani population and the wider community in Sandwell.
- * Establishing an education and training programme.
- * Providing advice and information.
- * Providing a point of reference and access for other groups within Sandwell.

The SPMA provides services and activities to the community in the following areas:

- * Education and Training
- * Social Welfare
- * Debt Management & Support
- * Energy Advice
- * Health Development
- * Youth Development

Promoting well being in the local community, we want people to find help in times of crisis, we also want to support people recovering from problems to work out and implement their own ideas for a better life.

Improving the quality of life and well being are not merely about enduring and coping; they involve taking control and enjoying life to the full. This means valuing individuals experience and talents whatever their current circumstances. We want a centre that stimulates active participation; our visitors will give support as well as receive it through self-help groups and mutual volunteering schemes.

We want people to be able to seek help in a place that is familiar and unthreatening and does not set seekers apart from the rest of the community.

JUSTEES STATEMENT

First and foremost the trustees would like to thank the staff and volunteers for their hard work and commitment over the past very difficult year. We greatly appreciate the invaluable contribution they have made to our work.

On behalf of the Charity we would like to express our thanks to all the donors, both individuals and companies. Their kind contributions are appreciated and their continued support is valued by the Charity.

REVIEW OF DEVELOPMENTS

It has been a very challenging year due to the post pandemic effect and increase in cost of living, but despite this with careful risk and service management, SPMA Ltd has had a productive year under very difficult circumstances.

Management Committee members meet regularly to review the performance of the organisations staff and the projects that they are running as well as ensuring that the organisation is continuing to be run on a financially secure basis. In this financial year, SPMA has continued to work towards securing funding for the core costs of the organisation as well as funds for the main activities and services the organisation provides.

Further refurbishment has been carried out at Victoria Centre, with some works still pending. This will enable the centre, to be fully operational offering the following facilities:

- * Providing multi-interest access.
- * Study support classes for young people.
- * Activities for men and women.
- * Sporting activities for all age groups.
- * Centre hire for various functions and business seminars.
- * Healthy Cooking & Healthy Life Style classes.

The vision for Victoria Centre is to transform it into a vibrant community hub which will cater for all members of the community and also to hire the centre out for various functions, thus resulting in an additional income stream enabling SPMA to be self sustaining and to further increase its activities and guidance which includes:

- * Welfare Rights.
- * Debt Management Service
- * Energy Support / Advice
- * Housing.
- * Benefits.
- * Support and Advocacy.
- * Translations Service.

During 2024/2025 SPMA Ltd has officially supported 16,952 clients and total income generated through Advice Service was £3,991,759.

SPMA Ltd are Authorised and Regulated by the Financial Conduct Authority (FCA) as a consumer credit Firm (629701) , providing a Debt Advice & Management Service to our clients.

This financial year the total number of debt cases was 1,875 with a total debt value of £7,353,698. Through SPMA Ltd intervention and advice/support the total value of debt reduced or written off was £3,719,186. (51%).

Although SPMA have exceeded all targets set by the SLA and have made a huge difference to people's incomes, we are acutely aware that in times of financial hardship and local authority cutbacks, it is very often the voluntary sector which feels the effects. As such SPMA will seek funding from a range of sources including Specialist funding, Trusts and Government sources as well as Contracts with service providers to continue to deliver and improve all aspects of the organisations work.

TRUSTEES STATEMENT

RISK MANAGEMENT

Accounting functions are carried out by the Trustees and staff. The Trustees have reviewed the areas of potential risk for the Charity and concluded that there are sufficient controls in place to protect all the current fund-making activities. The Trustees will review this issue on an annual basis and, where appropriate, take advice from the accountants. The Trustees meet the accountants each year to discuss their report on internal financial controls and their recommendations arising from the preparation of accounts. Their recommendations are adopted.

SPMA will give due consideration to issues such as local culture, traditions and the political situation. They will also consider the advice, information and views from local groups which will play an important part in deciding what projects and purposes will most effectively benefit a community and fulfil the Charity's purposes.

RESERVES

The Trustees consider it prudent that unrestricted funds should be sufficient for the Charity's use. The Trustees have decided that there is a need to maintain unrestricted funds for the following reasons:

- (a) To provide funds which can be designated to specific projects to enable these projects to be undertaken at short notice and
- (b) To cover administration and support costs without which the Charity could not function.

The Board of Trustees are satisfied that the Charity is in a position to meet all its commitments out of income and that its reserves are sufficient for its purposes.
