Constitution:

The Schroder Foundation is registered in England and Wales as an unincorporated charity (number 1107479) and is governed by its Trust Deed.

THE SCHRODER FOUNDATION

Report of the Trustees for the year ended 5 April 2022

The Trustees present their report and the accounts of The Schroder Foundation ('the Foundation') for the year ended 5 April 2022.

The financial statements comply with the charity's Trust Deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) (Charities SORP (FRS 102)).

Reference and administrative information set out on page 1 form part of this report.

Structure, governance and management

The Schroder Foundation (registered charity number 1107479) is an unincorporated grant-making trust established by Bruno L Schroder and Charmaine B Mallinckrodt under a Trust Deed dated 6 December 2004. The Deed provides for a maximum of ten Trustees.

The Foundation does not actively raise funds and seeks to continue its philanthropic work through the careful stewardship of its financial resources.

The induction process for any newly appointed Trustee comprises an initial Meeting with the Chairman of Trustees on powers and responsibilities of the Trustees, the governing document and the philanthropic approach of the Foundation. This is followed by a Meeting with the Charity Manager on the Foundation's grant-making process as well as the relevant internal policies and procedures of the Foundation.

The Trustees are sad to report that Mick May, who had been a Trustee since 2015, died on 7th March 2022 and wish to note his significant contribution to the Foundation during his tenure.

The Trustees meet four times a year when they consider broad strategy, grant-making activity, investment policy and reserves. There are agreed policy documents in use to support these decisions. The day to day administration of the Foundation, including the processing of applications prior to consideration by the board, is delegated to the Charities Director.

The Schroder Foundation manages the Charities Office which provides administration services to four charities: Charities Administered by Kaiser Wilhelm II Fund, German Christ Church London Charity, The Mallinckrodt Foundation and Schroder Charity Trust. The costs for services are recharged to the charities on a percentage basis, based on the level of activity. There are some trustees in common between the charities.

The remuneration of the Charity's key management personal is reviewed by the Trustees on an annual basis taking into account the requirements of their role. From time to time the Trustees benchmark pay levels against comparable positions in similar organisations.

The Trustees ensure that they consider the major risks to which the Foundation is exposed and they have established systems and procedures to manage these risks according to best practice. They have constructed a risk register which prioritises these risks and identifies the mitigating factors, systems and controls in relation to each risk. The Trustees also ensure that there is a comprehensive monitoring and review process in place to capture new risks as they may arise and that systems are in place to manage these.

The Trustees have established a 'Register of Interests' as a measure of good practice and also to ensure that no conflicts occur. This register is updated on an annual basis. In addition the Trustees have established a 'Fraud and Whistleblowing' policy to further protect the assets of the charity.

Objects and activities

The objects of the Foundation are to apply the income and capital for the benefit of any charitable object or purpose, in any part of the world, as the Trustees think fit. The Trustees have a policy of supporting a broad range of activities within the areas of the arts, culture & heritage; education & young people; environment & conservation; health & medicine; and social welfare & community.

The Trustees identify projects and organisations they wish to support and the Foundation does not make grants to people or organisations who apply on an unsolicited basis.

The Trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing their aims and objectives and in planning their future activities.

THE SCHRODER FOUNDATION

Report of the Trustees for the year ended 5 April 2022

Procedures and policy for grant-making

At their quarterly Meetings the Trustees consider what grants they will make and receive reports from grant recipients. The Trustees travel widely in the UK and abroad and use the knowledge gained to support the work of the Foundation and to inform grant-making policy. Organisations identified by the Trustees for potential support are normally invited to submit a formal application outlining the project, its beneficiaries and how the funds will be applied according to the guidance of the Trustees and the Charity Manager.

Investment policy

The allocation of investments is delegated to the investment manager who provides progress reports to Trustees on a regular basis. The Trustees regularly review current strategy thereby ensuring the careful stewardship of The Schroder Foundation funds.

The investment manager is tasked with maintaining or increasing the value of the portfolio, while ensuring there are sufficient funds to meet all commitments in full. During the year ended 5 April 2022, net gains on investments were £692,490.

The Charity Multi-Asset Fund is authorised and approved by the Charity Commission and is designed specifically for charities. As well as exposure to equities, bonds and cash the fund also includes exposure to alternative asset classes such as commodities, property and absolute return. The Fund has a target return objective of Inflation (CPI) +4% per annum over an economic cycle.

Achievements and performance

During the year the Foundation has awarded 44 grants (2021: 58) totalling £2,274,290 (2021: £1,313,500) within the Trustees' themes for support.

Financial review

The market value of investments and portfolio cash at 5 April 2022 was £14,522,971 (2021: £11,297,200). During the year the Foundation received income of £5,604,098 (2021: £484,954) and expended £2,455,891, of which £2,442,979 was on charitable activities. The Foundation's net assets at 5 April 2022 were £15,439,185 (2021: £11,598,488).

Risk management

The Trustees have considered the major risks to which the Foundation is exposed and they have established systems and procedures to manage these risks. The major risk to which the Foundation is exposed is that of incurring significant losses in the investment portfolio. General performance targets are set by the Trustees in relation to the investment portfolio, and the investment performance is kept under review by the Trustees.

In particular, the Trustees considered the risks presented by COVID-19 and consider the Foundation to be well positioned to mitigate these risks. There is sufficient cash held to meet its operational, governance and committed grants expenditure. The investment portfolio has a total return approach and is expected to maintain a relatively similar pattern of distributions throughout the year ahead. There are sufficient reserves to meet further income requirements during the period.

Reserves policy

The Schroder Foundation recognises the need to hold reserves for the maintenance of core charitable activities in the event of income shortfalls. Reserves are defined as income that becomes available which is to be expended at the discretion of the Trustees of The Schroder Foundation in furtherance of its objects but which has not yet been spent, committed or designated. The Schroder Foundation carefully budgets and plans charitable expenditure, liaising closely with the Investment Manager. Budget and income information is reported to Trustees at quarterly Meetings.

At the year end, total unrestricted reserves were £15,439,185 (2021: £11,598,488).

THE SCHRODER FOUNDATION

Report of the Trustees for the year ended 5 April 2022

Future plans

During the coming year the Trustees will review the policy for grant-making and they will continue to develop the strategy for providing grants in an efficient and effective way.

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102, the Financial Reporting Standard applicable in the UK and Republic of Ireland.

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Foundation and of the incoming resources and application of resources of the Foundation for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Foundation will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Foundation and enable them to ensure that the financial statements comply with the Charities Act 2011, the Trust (Accounts and Reports) Regulations and the provisions of the Foundation's trust deed. They are also responsible for safeguarding the assets of the Foundation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approval

This report was approved by the Board of Trustees on 26.10.22 and signed on its behalf by:

Claire Fitzalan Howard
Trustee

THE SCHRODER FOUNDATION

Independent auditor's report to the Trustees of The Schroder Foundation

Opinion

We have audited the financial statements of The Schroder Foundation (the 'Foundation') for the year ended 5 April 2022 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

The financial statements have been prepared in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

This has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

In our opinion the financial statements:

- give a true and fair view of the state of the Foundation's affairs as at 5 April 2022 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Foundation in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Foundation's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Annual report other than the financial statements and our Auditors' report thereon. The Trustees are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

THE SCHRODER FOUNDATION

Independent auditor's report to the Trustees of The Schroder Foundation

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' responsibilities, the Trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Foundation or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

How the audit was considered capable of detecting irregularities including fraud:

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- we identified the laws and regulations applicable to the Foundation through discussions with management, and from our commercial knowledge and experience of the sector;
- we focused on specific laws and regulations which we considered may have a direct material effect on the accounts or the operations of the Foundation, including the Charities Act 2011;
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management and inspecting correspondence; and
- identified laws and regulations were communicated within the audit team and the team remained alert to instances of non-compliance throughout the audit.

THE SCHRODER FOUNDATION

Independent auditor's report to the Trustees of The Schroder Foundation

We assessed the susceptibility of the Foundation's accounts to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates set out in the accounting policies were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reading minutes of meetings of those charged with governance; and
- enquiring of management and representatives of Trustees as to actual and potential litigation and claims.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' report.

Use of our report

This report is made solely to the Foundation's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the Foundation's trustees those matters we are required to state to them in an Auditors' report and for no other purpose.

To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Foundation and its trustees, as a body, for our audit work, for this report, or for the opinions we have formed.

THE SCHRODER FOUNDATION

Notes to the financial statements for the year ended 5 April 2022

1. General information

The Schroder Foundation is an unincorporated charity registered in England and Wales (charity number 1107479), governed by its Trust Deed. The registered office is 81 Rivington Street, London, EC2A 3AY. The annual statements are prepared in sterling, being the functional currency of the entity, and have been rounded to the nearest pound.

2. Principal accounting policies

a) Basis of accounting and assessment of going concern

The financial statements have been prepared under the historical cost convention, as modified by the revaluation of fixed asset investments, and in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011. The financial statements are prepared in sterling, being the functional currency of the entity, and have been rounded to the nearest pound.

The Foundation constitutes a public benefit entity as defined by FRS 102.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following Accounting and Reporting by Charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005, which has since been withdrawn.

The preparation of the financial statements requires the Trustees to make estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities at the date of the financial statements. If in the future such estimates and assumptions, which are based on the Trustees' best judgement at the date of the financial statements, deviate from the actual circumstances, the original estimates and assumptions will be modified as appropriate in the year in which the circumstances change. The Trustees consider that there are no key sources of estimation uncertainty.

b) Going concern

The Trustees reviewed the Foundation's investments and operations in response to the impact of the Covid-19 pandemic. The budget for charitable activities in 2022-23 is, at this time, unaffected and there is sufficient cash available to meet pre-existing grant commitments and operations costs. The Foundation holds reserves to supplement income requirements to meet its charitable objectives as required. The Trustees consider that there are no material uncertainties over the Foundation's ability to continue as a going concern for the foreseeable future, being a period of at least 12 months from the date of signing the financial statements.

c) Income

Income is stated on a receivable basis. Income received by way of donations and gifts and is included in full in the Statement of Financial Activities when receivable. Income receivable from Gift Aid claims is recognised when the claim had been submitted.

Investment income is credited gross to the Statement of Financial Activities on the date it becomes payable.

Administration fees receivable are support costs incurred by The Schroder Foundation for the day to day administering and grant processing of other Charitable Trusts that are recharged. The recharges are calculated on a percentage basis, based on the time spent administering other charities.

d) Expenditure

Expenditure is recognised in the period in which it is incurred. Expenditure includes attributable VAT which cannot be recovered.

Expenditure on raising funds includes investment manager fees which are calculated quarterly by Schroder & Co Ltd (the investment manager) and included in investment manager fees on a payable basis.

Expenditure on charitable activities includes charitable grants, administration costs and governance costs.

Charitable grants are charged to the Statement of Financial Activities when approved by the Trustees and any conditions placed on the recipient have been met. Other expenditure is provided on an accruals basis.

THE SCHRODER FOUNDATION

Notes to the financial statements for the year ended 5 April 2022

2. Principal accounting policies continued

Administration costs consist of the costs associated with the administration and grant processing for other charitable trusts and the day-to-day administration of the Foundation's affairs as carried out by staff employed by The Schroder Foundation.

Governance costs charged in these financial statements include auditor's remuneration and other compliance costs, such as legal costs, imposed by the requirements of charities legislation.

e) **Gains/losses on investment assets**

All gains and losses are taken to the Statement of Financial Activities as they arise. Unrealised gains and losses on investment assets represent the difference between their fair value at the end of the year and their fair value at the beginning of the year, or transaction value if acquired during the year. Realised gains and losses on disposal of investment assets represent the difference between the sale proceeds and the fair value at the beginning of the year, or transaction value if acquired during the year.

f) **Taxation**

The Foundation benefits from the tax exemptions available to UK registered charities and accordingly is not liable for income tax or capital gains tax on income and gains derived from its investments.

g) **Financial instruments**

The Foundation only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

h) **Investments**

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using their closing quoted market price. Realised and unrealised gains and losses are shown in the statement of financial activities together as net gains on revaluation and disposals of investment assets. Investments held in the cash liquidity funds are classified within current assets.

The Foundation does not acquire put options, derivatives or other complex financial instruments.

The main form of financial risk faced by the Foundation is that of volatility in the investment markets due to wider economic conditions, the attitude of investors to investment risk and changes in sentiment concerning equities and within particular sectors or sub-sectors.

i) **Debtors**

Debtors are recognised initially at fair value. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses.

j) **Cash at bank and in hand**

Cash and cash equivalents consist of cash on hand and balances with banks, and investments in money market instruments which are readily convertible, being those with original maturities of three months or less.

k) **Creditors**

Creditors are recognised initially at fair value. Subsequent to initial recognition they are measured at amortised cost using the effective interest method.

l) **Unrestricted funds**

Unrestricted funds are donations, investment income and other incoming resources receivable or generated for the objects of the Foundation. The general fund therefore comprises those monies which may be used towards meeting the charitable objectives of the Foundation at the discretion of the Trustees.

m) **Restricted funds**

Any restricted funds would be used for the specific purposes laid down by the donor. Expenditure which meets their criteria is charged to the fund together with a fair allocation of management and support costs.

n) **Pensions**

The Foundation operates a defined contribution pension scheme and the pension charge represents the amounts payable by the Foundation to the fund in respect of the year.

THE SCHRODER FOUNDATION

Notes to the financial statements for the year ended 5 April 2022

2. Principal accounting policies continued

o) Operating leases

Rentals on operating leases are charged to the Statement of Financial Activities on a straight-line basis over the lease term. An operating lease is a lease in which the lessee has not taken on substantially all the risks and rewards of ownership of the leased asset. The benefits of incentives to sign property leases, including rent-free periods, are spread on a straight-line basis over the lease term.

3. Income from donations

	Restricted £	Unrestricted £	2022 £	2021 £
