- To maintain our range of accessible and diverse community-based learning opportunities, in a high quality and safe environment.
- To actively seek innovative ways to develop, widen and improve our services and partnership working.

#### **Strategic themes**

- Innovation and development
- Communication
- Management and quality
- Finance

### **b. Strategies for Achieving Objectives**

As detailed above, the main purpose of the Trust is to promote lifelong learning. The activities undertaken for this purpose include a variety of workshops, courses and life enhancing activities promoting community cohesion, personal development and clearly demonstrating the many, diverse benefits of re-engaging with learning.

### **c. Public Benefit**

Within the wider local community, the Charity organises and delivers fundraising events and activities. The trustees have given due consideration to the Charity Commission's published guidance on the Public Benefit requirement under the Charities Act 2011.

## **ACHIEVEMENTS AND PERFORMANCE**

### **a. Review of Activities**

July 2023 marked the end of another challenging year for the Trust due to the continued impact of the Covid 19 pandemic the additional impact of the cost-of-living crisis. Our delivery continued throughout, however, and we adapted our methods to ensure the safety of our participants and staff. Following all government guidelines, we delivered workshops and activities to limited numbers of learners in outdoor spaces, when possible. Venues were still restricting numbers and participants were reluctant to re-engage with workshops limiting numbers in 2022 with slow recovery into 2023.

The Trust saw the existing CEO retire and a new CEO recruited and come into post, this signified a period of transition as the handover took place but delivery was not disrupted during this period.

We continued to focus on the wellbeing of our participants and our Key and Development Workers kept in regular contact to offer support, provide access to ongoing activities and information on support offers and the cost-of-living crisis.

The Employability project and the Wisbech Post were both successfully completed with all targets over-achieved. All projects were delivered in some of the most deprived wards in the UK, with the overall objective of improving the life chances of adults, both socially and economically, thereby impacting on their wellbeing, that of their families and the communities where they live.

The Trust continues to work closely with existing formal strategic and community learning and skills partnerships to ensure a contribution is made to local policy and strategy development. The Trust's CEO is involved in high level strategic groups in both Cambridgeshire and Peterborough.

### **b. Services successfully delivered to July 2023 include:**

#### **National Lottery/European Social Fund: 'Employability'**

This project is aimed at supporting long-term unemployed and/or socially isolated adults and our delivery areas are Peterborough and Kings Lynn/West Norfolk. Working collaboratively, we deliver a service tailored to the needs of individuals, removing barriers and providing practical support and training. Our participants have been upskilled, undertaken confidence building activities and progressed towards and into volunteering and employment.

#### **Community Led Local Development Fund: 'The Wisbech Post'**

Delivered in Wisbech, Fenland, this project is designed to engage local residents in community matters, building confidence and developing skills to encourage personal progression. Participants are encouraged and supported to produce a quarterly magazine, 'The Wisbech Post'. Topics covered are chosen by the participants and facilitated by our Project Development Worker, they report on local events, provide photographs for publication and edit and distribute the magazines.

#### **National Lottery Heritage Fund: 'Fenland Orchards Project'**

This project is designed to highlight the rich heritage and history of orchards to the Fenland area. Local residents are encouraged to learn heritage crafts and participate in traditional celebrations connected to the orchard year e.g. Wassailing, Blossom Day, and Apple Day. Volunteers have supported to design, plant and develop a community orchard in Wisbech using heritage rootstock, re-introducing local produce to the area, developing wildlife, and encouraging sustainability.

## **Community Learning Trust: ‘Crafts in the Community’**

This project was delivered in the most deprived wards of Peterborough. Designed to encourage people to engage with their community following the Covid pandemic through a series of craft activities and workshops. To help to support people to feel more confident to re-engage with their community and learning.

### **FINANCIAL REVIEW**

#### **a. Reserves Policy**

The trustees have established the level of reserves (that is those funds that are freely available) that the charity requires. The trustees have reserves to cover liabilities - both actual and potential and in line with the Trust’s policy to allow up to three months running costs, providing the opportunity to search for alternative funding should core funding cease.

The statement of financial activities shows income for 2022/23 to be £139,081. Expenditure was £119,558. Overall reserves available were £23,732.

#### **b. Principal Funding**

The principle funding sources for the year were from:

- European Social Fund and National Lottery combined funding
- National Lottery Heritage Fund
- Community Led Local Development Fund

### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

#### **Constitution**

The Charity’s governing document is a Constitution. It is constituted by Association and the trustee selection method is election by association members.

The Learning Partnerships of Cambridgeshire and Peterborough set up the charity on 9th April 2003, to provide a ‘contracting’ facility for the two partnerships. The two Learning Partnerships subsequently merged in April 2005. The registered name of the charity is C P Learning Trust, with registered company number 04728521 and registered charity number 1107631. The registered and principal office address is at Allia Future Business Centre, Peterborough United Football Club, London Road, Peterborough, England, PE2 8AN.

The Trust’s governing documents are in the form of Articles of Association and Memorandum of Association. The documents confirm that the Trust was constituted as shown above. A minimum of three trustees is necessary for the Board of Management, with no upper figure, as agreed by the Board. Trustees are retired by rotation, longest serving first and individuals may be reappointed through due process and with the agreement of the Board of Management.

The Board of Trustees is responsible for corporate governance, setting the business strategy and overseeing the development and implementation of policies and procedures. The day to day running of the Trust is the responsibility of the Chief Executive Officer.

Through a procedure for risk management, the Trustees regularly monitor and review potential risks at Board meetings and, where appropriate, take mitigating action. A procedure for the management of finances is dealt with similarly.

The company was incorporated on 9th April 2003 and commenced trading on that date.

The principal object of the company is to educate the local community.

The management of the company is the responsibility of the Trustees who are elected and co-opted under the terms of the Trust deed.

## PLANS FOR FUTURE PERIODS

### a. Future developments

As indicated above, the Trust is managing the still unknown challenges that lay ahead due to the Covid 19 pandemic. We are confident that we will manage these, adapting as necessary and without losing our focus on accessible learning and the building of communities. The Trust is still planning for growth and our Strategic Plan is now well established with activities commenced to address the following strategic themes.

- CP Learning Trust will continue to develop and deliver innovative models of learning to meet the identified needs of our target individuals and communities
- CP Learning Trust will build and maintain an effective and positive high profile
- CP Learning Trust will strive to continuously improve in all aspects of its operations
- CP Learning Trust will grow and maintain a strong financial base

Evidence links those disadvantaged by their educational and employment status with many traits of poverty as well as low levels of health and wellbeing. Evidence also exists, however, to demonstrate the strong links between participation in learning and improved health and social-economic wellbeing. It is based on this evidence that the Charity plans for the future.

### Trustees' Responsibilities Statement

The trustees (who are also directors of CP Learning Trust for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year, which will give a true and fair view of the state of the affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

Approved by order of the board of trustees on 15<sup>th</sup> May 2024 and signed on its behalf by:

T Jordan – Trustee
