Directors.

The Directors of the Company are, R Hinton, Chair. P B J Powell, Company Secretary. A Nickless and M Williams.

Annual report.

At the end of another challenging year, I would like to extend my thanks to the committee, members of staff and volunteers who have worked so hard during the past twelve months. As I look back it is encouraging to see how our actions have been able to continue our outreach into our local community.

Mr P Powell, Ms M Williams, Ms A Nickless and I continue to serve as Directors. We are pleased with the achievements of the past year and look forward with confidence to the future now the restrictions have been lifted

In the view of the Directors the financial audited statements give a true and fair view of the state of the Company's affairs at 30th April 2025, The financial statements have been prepared in accordance with the accounting policies and comply with the charities governing document, the Charities Act 2011 and Accounting and Reporting by Charities; Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland. and we are confident that the current year will prove to be as successful as we further develop our links in the local community.

We have again been successful in obtaining funding from various sources. Our thanks again go to the Trusts that have supported us for the first time or who have provided continuation funding for our activities, The Tudor Trust, The Roger and Douglas Turner Charitable Trust, The Eveson Trust, The Woodstock Trust, Grantham Yorke, The Marsh Christian Trust, The Dorcas Trust, W E Dunn, The Grimmit Trust, Trust, The Edward Cadbury Trust, W A Cadbury, Patrick, HSBC, The Langdale Trust, The Gowing Trust, The Baron Davenports Charity, The Goodman Trust, The Casey Trust, The Dumbreck Trust, The Leigh Trust, The Alchemy Trust, The Ratcliffe Trust, and others who made substantial donations who wish to remain anonymous.

Our building is being used for the development of our outreach into the community and we are pleased that the "Funky Kids" deaf children's groups and Slimming World are now using the centre for their regular weekly activities. Another two counselling rooms have been prepared for the increase in demand for our counselling and play therapy activities

The Children's Play Therapy Section has also seen an increase in referrals and a need to provide family support as there has been an increase in mental health issues since the pandemic.

We have continued with our other community activities Children's and Youth groups, Parent and Toddlers groups, The over 50's groups, Brew and Banter coffee mornings and we are now making plans for some outdoor activities in the coming months.

We continue to support the local family centres and have been actively involved with playgroups, cradle clubs and best start clubs for new mothers and various outings for the children.

Our working relationships with the local schools, family centres, children's centres, health visitors, clinics, police, the Walsall housing group and social workers will continue and we will meet on a regular basis working together to support the families in our community. The local community police officers and local counsellors have been regular visitors to the centre to meet and support local residents.

We are continuing to secure funding for our future development and with your help I am confident that we can succeed with our ambitions for the centre. Again, thanks to all of you who have supported the Directors and the organisation during the past year.
