Trustees' annual report

for the year ended 31 July 2022

The trustees present their report and the unaudited financial statements for the year ended 31 July 2022. Included within the trustees' report is the directors' report as required by company law.

Reference and administrative information set out on page 1 forms part of this report. The financial statements comply with current statutory requirements, the memorandum and articles of association and the Statement of Recommended Practice - Accounting and Reporting by Charities: SORP applicable to charities preparing their accounts in accordance with FRS 102.

Objectives and activities

Our Mission Statement

The Childcare and Community Centres aims to meet the social, physical, spiritual and educational needs, of groups and individuals in their community, through developing and offering, quality, based initiatives, activities and programmes, in order that people can truly belong, contribute and thrive.

Objects of the organisation

1. To further or benefit the residents of Ashton in Makerfield and the neighbourhood, without distinction of sex, sexual orientation, race or of political, religious or other opinions by associating together the said residents and the local authorities, voluntary and other organisations in a common effort to advance education and to provide facilities in the interests of social welfare for recreation and leisure time occupation with the objective of improving the conditions of life for the residents.
2. To enhance the development and education for children primarily under statutory school age by encouraging parents to understand and provide for the needs of their children by offering appropriate play, education, care facilities and development courses, together with promoting parents to become involved in community groups, ensuring that such groups offer opportunities for all children, whatever their race, culture, religion, means or ability. Encouraging the study of the needs of such children and their families while promoting the public interest in and recognition of such needs.
3. To offer sessions to community groups with activities for people at our community to learn, get fit, have fun and socialise with other people.
4. Offer rooms for hire to businesses and individuals for a variety of community events.

The trustees review the aims, objectives and activities of the charity each year. This report looks at what the charity has achieved and the outcomes of its work in the reporting period. The trustees report the success of each key activity and the benefits the charity has brought to those groups of people that it is set up to help. The review also helps the trustees ensure the charity's aims, objectives and activities remained focused on its stated purposes.

The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning its future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives that have been set.

The Organisation

The Childcare and Community Centres, Ashton and District is a voluntary organisation, a company limited by guarantee registered in England & Wales and, a registered charity. The organisation disaffiliated from YMCA England in March 2019 to become the registered charity The Childcare and Community Centres, Ashton and District.

There has been a YMCA in Ashton in Makerfield since 1905 and in 1993 the organisation moved into their Hilton Street premises. The principal activity is a 113 place childcare setting, including; Breakfast, After School and Holiday Clubs, room hire facilities, including a large multi-purpose hall, computer suite and meeting rooms.

The Bolton Road premises were sold and completed on the 1st April 2021 for £160,000 and a £25,000 IT service credit.

On the 10th February 2020 Carr Manor Nursery (Walton-Le-Dale) Limited was purchased. This is an 86 place children's nursery and holiday club, with the aim to offer community activities once allowed.

There are two properties which are rented out at affordable rents to families in the local community.

The Childcare and Community Centres Board of Trustees meet bi-monthly and sub-committees are convened for HR, marketing, fundraising and finance as and when required.

Achievements and performance

Key Objectives and Activities

- Ensure the nurseries operate to the highest standards and be a leader in new innovations and continue to improve occupancy.
- Expand room hire opportunities.
- Develop provision in the interest of social welfare and improving life conditions
- Obtain funding which is responsive to customer requests and needs.

Activities and Results

The year has been very challenging, again we have seen the backlash of COVID with fewer families accessing provision especially 3/4 years olds which are funded by the Government, although babies entering provision have been constant.

Many Childcare provisions have closed due to operating difficulties: increase in national living wages, inflation, energy costs, staffing and Government funding not keeping in line.

Early years education has a curriculum and pedagogy and employment in early years is a very specialised and responsible position, there is a lack of suitably qualified staff available, salaries are NLW.

There have been no nursery closures in the catchment area of Ashton, in fact the opposite, two nurseries have opened. One Primary school has closed due to lack of children, and we have seen an increase in out of school occupancy as a result.

There is a reduced birth rate in the area and fierce competition for all areas of business.

The organisation has tried to ensure that parents receive value for money and to keep prices as low as possible, keeping to our charitable ethos of supporting people so the deficit for the year has been

The Childcare And Community Centres, Ashton And District

Trustees' annual report

for the year ended 31 July 2022

expected. The organisation must now be reactive against losses. This is being addressed with fee increases especially with increased NLW and cost of living.

Achievements

Ensure the nurseries operate to the highest standards and be a leader in new innovations and continue to improve occupancy.

Ofsted Inspections in 2022 for Hilton Street and subsidiary Carr Manor Nursery, both gaining Good Managers and staff constantly updating CPD

Hilton Street, child wellbeing sessions "Things that make you go Um" and parent/child book reading sessions.

Both nurseries are still feeling the effects of COVID and occupancy is very slowly increasing.

Target is 80% occupancy, both nurseries are working at 45-50%

Expand room hire opportunities.

Offering free room hire for 4 weeks to attract new groups plus assist them to build up their client base.

Open day financed via Brighter Borough funds 28th September 2021, a great day but did not generate any room hire.

Room hire to early years professionals has increased which increases foot flow of parents and should increase occupancy in nursery.

Develop provision in the interest of social welfare and improving life conditions

Delivered HAF Holiday Club provision, looking to network with other organisations to ensure children and their parents receive the best possible experience. i.e. extra toys for Christmas, personal hygiene and food parcels.

Obtain funding which is responsive to customer requests and needs

The Deal Recovery Grant paid for CCTV cameras at Hilton Street, due to increased crime in the area.

Feedback from Primary School heads states that children are more school ready when they have been to nursery and the quality of end of nursery reports provides much needed insight into the children and their behaviour.

The HAF holiday club provision is going from strength to strength with the percentage of attendance increasing and feedback is excellent. It is fantastic that we can support these children ensuring they have nutritious meals and are engaged in lots of fun activities during the school holidays.

The Childcare And Community Centres, Ashton And District

Trustees' annual report

for the year ended 31 July 2022

Remain competitive.

Analysis of competitor prices are undertaken at least yearly, nursery is very competitive. Out of School Club struggle to compete with school provision who offer a reduced rate, however they do not offer the flexibility of 7.30 – 6.00.

Marketing

Leaflets are distributed to community hubs in the area, given to room hire operators, on outside notice board and promoted via social media. The vast majority of nursery starts are from recommendations. One priority is raising the organisations social media profile.

Fundraising

Fundraising stopped during COVID, this has recommenced with the raffles at Xmas, swimming, seasonal competitions and photographs.

Finances

The organisation is again running at a deficit, attention is required to re-assess nursery charges.

The increase of NLW has a massive affect on the organisation, 85% of expenditure is staff.

Expenditure is carefully controlled to minimise outgoings.

Co-op Bank is now the preferred bank for all transactions, it is free of charge and an ethical bank. Hilton Street still use Barclays for payroll as there is no option via Co-op.

The organisation has £217,000 invested in the Nationwide 95 day saver, this is an ethical bank with 17 sustainable goals development Goals: They are: No poverty, Zero hunger, Good health and wellbeing, Quality education, Gender equality, Clean water and sanitation, Affordable and clean energy, Decent work and economic Growth, Industry, innovation and infrastructure, Reduced inequalities, Sustainable cities and communities, Responsible consumption and production, Climate action, Life below water, Life on land, Peace, justice and strong institutions, Partnerships to achieve the goal

New Accountants

Slade & Cooper Accountants

The Trustees have appointed Slade & Cooper Accountants, a charity specialist with over 25 years' experience working with charities, co-operatives, registered social housing providers and other social enterprises

Staffing

Staff turnover has increased with staff leaving to other employment which does not have the responsibility of looking after children. Hard to recruit staff especially males into the sector, Hilton Street Childcare have 1 male. After questionnaires to staff to see how we could support, a wellbeing policy was put into place for staff, bonus for Christmas and no sickness and also an extra days holiday for Birthday. There is also a counselling hotline for all staff as part of our company insurances.

for the year ended 31 July 2022

Qualifications

Distinct lack of Level 3 staff looking for full time positions, seems to be a switch of staff preferring part-time/flexible hours rather than full time. This is a National problem with Early Years since the Government insisted staff have GCSE in Maths and English Grade C, deterred many excellent candidates from undertaking the qualification. Staff must have a passion for caring for children as would earn more money in stacking shelves.

Grants

The organisation has a high level of fixed reserves and funders are reluctant to issue grants. Also reluctant to fund the nursery as receive Government funding and fees. Any smaller grants applicable to the organisation are applied for by the CEO. i.e. Deal for Communities Creative Coders for Out of School Club children learning to code.

The community centre

Dementia Friendly, this is a Luncheon Club for over 60's, approximately 30 attendees attend which is held once per month, restricted funds are spent on guest speakers, lunch and activities.

Sit Be Fit

Chair based exercise, funds pay for teacher and resources.

Shared Reading

Parents and pre-school children, funds pay for resources including cooking materials, books, dress-up for themed activities.

Coding Club

Funded by The Deal, monies pay for tutor and resources for Out of School club.

Asda Grant

Paid for nutritious food for Holiday Club

The Deal Community Recovery

Resources bought related to enhanced cleaning to minimise COVID for the building, purchased room steamers

The Deal Community Safety Grant

Purchased CCTV system to reduce crime in the area

Houses

Have two properties which are rented to members of the public at a reduced rental rate. Both are long term tenants.

Significant positive and negative factors

Positives

Relationship with service users

Parents kept informed via social media of child's day in nursery. Good rapport between staff and parents, we work with other charities in the area to provide food, toys, household items for parents whose children attend our HAF Holidays and Food program, these are primary school children who receive free school meals. We have offered reduced room hire rental to providers of children's activities and cancer support groups. There is always a friendly greeting from our receptionist, and we have people call in who have lost their way, dementia issues and need a little help to get home.

Relationships with employees

Many staff have been with the organisation for over 20 years, those who do leave tend to as they cannot progress any further at our nursery and seek a higher role elsewhere, or staff who go onto care for people with special needs, less hours for increased pay. We pride ourselves in having a good atmosphere and staff enjoy their work, we have introduced an extra day holiday for birthdays, Xmas and sickness bonus. Staff development is a high priority and staff are given all training which is required for their role and any other training they maybe interested in i.e. speech and language, management and SENCO.

There is a severe shortage of Level 3 qualified staff, the pressures of working in nursery are great and there is huge responsibility. The Government's reform mandating childcare workers to have GCSE Maths and English has ruined the employee pool, many people would love to work in the area and are passionate about children but cannot gain GCSE's. Many training providers have ceased operating and those who deliver, deliver on the job training which does not provide the necessary skills that our Apprentices need.

Beneficiaries

We prepare children for primary school and take a pride in having children ready for this leap. Since COVID many children are lacking in self-help skills and overall social emotional development such as sharing, taking turns, toileting, can't dress themselves, reading below that expected, behavioural issues. We are focussing on addressing these delays. We work with other organisations to support the community, we had an Open Day with More than Words young people singing and dancing, taster sessions for Tai-Chi, chair-based exercise, yoga and children's activities. Food was provided by Ashton Pantry who ensure that food wastage is significantly reduced, it was a fantastic day.

Funders

Ofsted Inspection 7th June 2022 gaining a good result for Hilton Street and Good on the 24th January 2022 for Carr Manor. This is a stressful day, but everyone took pride in showing off what they do and are so good at. We have good relationship with the Local Authority and Local Councillors receiving The Deal, Brighter Borough monies. Asda and the Co-op have funded our programs and Awards for All provided the new floor in the hall, allowing more activities to take place.

Underfunding from the Government is a major problem within the sector, for years the funding has slightly increased whilst there has been huge increase in National Living wage. This is seriously

The Childcare And Community Centres, Ashton And District

Trustees' annual report

for the year ended 31 July 2022

affecting the Hilton Street premises and we have seen many nurseries and childcare providers close, especially around Carr Manor, however at Hilton Street, two further nurseries have opened. Why anyone would wish to open a nursery in this volatile time is a mystery.

Position in the wider community

Always known as a clean and welcoming place to attend. There are lots of other organisations such as churches, public houses and other charities offering room hire. Hilton Street is more expensive than other facilities in the evening but we provide a concierge service, so our attendees feel safe and have no worries regarding locking up.

Financial review

Since COVID we have seen a reduction in the number of children especially in Pre-School. Historically we had 40 plus children in pre-school, now we have 16. There is a reduction in birth rate but not significant to explain this reduction, and the other two nurseries operate on a very small scale. We can only presume that parents are choosing to stay at home with their children or use extended families as 15 – 30 hours funding does not appear appropriate for their lifestyle. i.e. work 40 hours and could not afford the extra 10 hours childcare.

The Hilton Street building is very large and a very expensive building to run, now over 25 years old items need replacing. The lift will have a limited life so will kitchen units and windows. We have received a grant for the hall floor and had the roof sealed. Lucky to have entered a 5-year fixed energy deal in 2019 so have not been affected by increased prices, these deals expire in May 2024.

All expenses are managed very carefully, Management are aware that nursery numbers are low and the deficit is very large. The Board have confirmed that the nursery is a going concern for the next two years. This gives time for numbers to increase or to look at other revenues of income to allow the charity to continue to operate in Ashton-in-Makerfield.

The organisation has reserves of over 1 million so is in a financial position to continue running, we also have houses which could be sold should the financial deficit continue. The organisation also owns Hilton Street and Carr Manor Nursery so has no rental expenditure.

A high priority is to look at digital marketing of the nursery, our IT company is assisting with this, we hope to reach out to more people via social media and attract new starters. If parents do come for a visit to the nursery, they start as the facilities are fantastic, with unique selling points such as sensory room, Smart board technology, large hall for physical activity and well qualified, experienced staff.

Principal funding sources of the charity

Funding is received from the Government via Local Authority for 2/3/4 year old funding

Parents pay a daily or half daily rate for younger children plus out of school and holiday clubs. Funding rates are topped up with hot food costs.

Reserves policy.

The organisation understands the financial environment at present and considered the following:

The Childcare And Community Centres, Ashton And District

Trustees' annual report

for the year ended 31 July 2022

- Funds to allow for unforeseen emergencies.
- Unforeseen day to day operational costs
- Grant income not being renewed.
- Planned commitments which may need higher levels of reserves.
- Need to fund short-term deficits in a cash budget.

Due to the continual changing needs of the organisation during COVID, the financial position of the Charity may change, or plans may alter so this policy is not static and liable to change.

The Trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the Charity, should be approximately three months of expenditure £270,000.

Current unrestricted funds amount to £1,136,563 and included in this amount £773,196 committed and invested in tangible fixed assets and fixed asset investments.

Designated Funds

Marketing £50,000

Business Development £190,000

Business Opportunities £200,000

Staff development £50,000

Plans for the future

CCCAD marketing to promote all business to improve income, IT company B2B are experts in social media clicks, call to action and data collection. We hope to expand the social media impact of Hilton Street and receive more enquiries and interest.

The situation for all early years organisations at present is a chicken and egg scenario, we cannot recruit staff so unable to offer places to children.

Trustees and the management team have looked at price increases in April and August for nursery which will increase income at least in line with inflation.

Looking at other business opportunities, staff remuneration, purchase another nursery, rent space to a third party. The building is very large and bespoke to the requirements of a nursery.

Further training for nursery managers on financial aspects of the business.

COVID has been a hard lesson learned from past and current activities that the organisation needs to stay current with nursery fees and has influenced future plans and decisions about allocating resources to our best effort.

Structure, governance and management

Appointment of Trustees

The organisation is actively looking to recruit trustees, especially from a fundraising and marketing background. We welcome people from all denominations to apply to become a trustee the applicants are interviewed then asked to attend a Board meeting to reach a mutual agreement to accept onto the

Board. We have an advertisement on the Wigan Council website, have communicated to parents, there is an advert on the website and outside on our communal notice board.

New Trustees are provided with a copy of the Memorandum and Articles, Charity Commission guidance "The essential trustee: what you need to know, what you need to do. According to the Trustees specialism, the Strategic Plan, Business Plans, Accounts and Sub-group information are discussed. They are supported by the Chairman and Chief Executive.

Organisation Structure

The Trustees and CEO are responsible for the strategic direction and policy of the Charity. Trustee members are from a variety of professional backgrounds relevant to the work of the Charity. The Chief Executive and management team of three attend Board Meetings but, have no voting rights.

The Chief Executive is appointed by the Trustees to manage the day-to-day operation of the Charity and to facilitate effective operations. A scheme of delegation is in place, with day to-day responsibility for the provision of services resting with the Chief Executive, supported by the Board and Senior Management teams. The Chief Executive is responsible for ensuring that the Charity delivers the services specified and that key performance indicators are met.

Subsidiary undertaking

On the 10th February 2020 The Childcare & Community Centres purchased Carr Manor Nursery (Walton-le-Dale) Limited, an 86 place children's nursery in Walton-Le-Dale, Preston for £290.000, these funds came from company reserves.

The organisation is a charitable company limited by guarantee, incorporated on 18th October 2004 and registered as a charity on 25th January 2005.

The company was established under a memorandum of association which established the objects and powers of the charitable company and is governed under its articles of association.

Members of the charity guarantee to contribute an amount not exceeding £1 to the assets of the charity in the event of winding up. The total number of such guarantees at 31 July 2022 was 5 (2021: 5). The trustees are members of the charity but this entitles them only to voting rights. The trustees have no beneficial interest in the charity.

Payment of Board Members

No fees or remuneration have been paid to any member or board member of the Association during the current year.

Risk management

The Trustees have assessed the major risks to which the Charity is exposed, in particular those relating to operation and finance of the organisation and are satisfied that procedures and systems are in place to mitigate exposure to the risk. Both nurseries have fully opened adhering to guidance for children and staff, this resulted in the return to work of all nursery staff covering smaller numbers of children and placing the organisation under financial strain.

Specialist charity insurers understand the needs of the organisation and additional policies have been purchased offering legal advice and HR support to mitigate risk.

The aims of this risk management process are:

1. Improved management information leading to more informed decision making.
2. Evidence that the organisation is being effectively managed.
3. Ensure that everyone is aware of risk and that risk management is their responsibility.
4. Improve skill sets / motivation of staff.
5. Reduce losses arising from workplace accidents and illnesses.
6. Support strategic planning.
7. Achieve cost savings.
8. Influence internal and external stakeholders.

A risk register is compiled and monitored and contains the principal perceived risks to the organisation.

Statement of responsibilities of the trustees

The trustees (who are also directors of The Childcare and Community Centres, Ashton And District for the purposes of company law) are responsible for preparing the trustees' annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently.
- Observe the methods and principles in the Charities SORP
- Make judgements and estimates that are reasonable and prudent.
- State whether applicable UK Accounting Standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements.
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the provisions applicable to companies subject to the small companies' regime of the Companies Act 2006.

The trustees' annual report has been approved by the trustees on 27/04/2023 and signed on their behalf by

Independent examiner's report
to the trustees of
The Childcare And Community Centres, Ashton And District

I report to the charity trustees on my examination of the accounts of the company for the year ended 31st July 2022 which are set out on pages 14 to 34.

Responsibilities and basis of report

As the charity trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Association of Chartered Certified Accountants, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the accounts for the year ended 31 July 2022

1 Accounting policies

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), second edition - October 2019 (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006 and UK Generally Accepted Accounting Practice.

The Childcare and Community Centres, Ashton And District meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

b Preparation of the accounts on a going concern basis

The trustees consider that there are no material uncertainties about the charitable company's ability to continue as a going concern.

The trustees have made no key judgments which have a significant effect on the accounts.

The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next reporting period.

c Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

For legacies, entitlement is taken as the earlier of the date on which either: the charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the charity that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Income received in advance of a provision of a specified service is deferred until the criteria for income recognition are met.

d Donated services and facilities

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), general volunteer time is not recognised; refer to the trustees' annual report for more information about their contribution.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

e Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

Notes to the accounts for the year ended 31 July 2022 (continued)

f Fund accounting

Unrestricted funds are available to spend on activities that further any of the purposes of charity.

Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose.

Restricted funds are donations which the donor has specified are to be solely used for particular areas of the charity's work or for specific projects being undertaken by the charity.

g Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Costs of raising funds comprise the costs of commercial trading and their associated support costs.
- Expenditure on charitable activities includes the costs undertaken to further the purposes of the charity and their associated support costs.
- Other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

h Allocation of support costs

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include back office costs, finance, personnel, payroll and governance costs which support the charity's programmes and activities. These costs have been allocated between cost of raising funds and expenditure on charitable activities. The bases on which support costs have been allocated are set out in note 9.

i Operating leases

Operating leases are leases in which the title to the assets, and the risks and rewards of ownership, remain with the lessor. Rental charges are charged on a straight line basis over the term of the lease.

j Tangible fixed assets

Individual fixed assets costing £1,000 or more are capitalised at cost and are depreciated over their estimated useful economic lives on a straight line basis as follows:

Freehold property	2%
Fixtures and fittings	25%

Notes to the accounts for the year ended 31 July 2022 (continued)

k Fixed asset investments

The charity held shares in group undertakings. The valuation of the investments is measured initially at cost and subsequently at fair value at the reporting date.

The fair value of the investments is based on the trustees best estimate, they have determined that the fair value does not differ from the cost price significantly at the year end.

l Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

m Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

n Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

o Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

The Childcare and Community Centres, Ashton And District

Notes to the accounts for the year ended 31 July 2022 (continued)

p Pensions

Employees of the charity are entitled to join a defined contribution 'money purchase' scheme. The charity's contribution is restricted to the contributions disclosed in note 11. There were no outstanding contributions at the year end.

2 Legal status of the charity

The charity is a company limited by guarantee registered in England and Wales and has no share capital. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity. The registered office address is disclosed on page 1.
