STRUCTURE, GOVERNANCE AND MANAGEMENT

The Foundation is an unincorporated charity, constituted under a trust deed dated 29 November 2004.

As per the trust deed the statutory powers of appointing new and additional trustees shall apply. Trustees are selected based on their charitable, business and financial experiences and their sharing in common charitable goals. Trustees are appointed by way of a recommendation and agreement by the other trustees.

The Foundation is operated out of the offices provided by the Getty Family's private family office and applications and correspondence are received into this office and distributed for consideration and then agreed upon.

The Foundation has no employees but benefits from the staff at the aforementioned office, where accountancy, cash management, and administrative matters are delegated by the trustees for an annual fee.

The trustees have complied with their duty to have due regard to the guidance on public benefit published by the commission in exercising their power or duties.

Risk Management

The trustees have considered and reviewed the major risks to which the Foundation is exposed and have established systems which have been put in place to manage those risks.

The Foundation reviews each grant application on an individual basis, assessing the merits of each charity and considering whether they meet the Foundation's priorities at the time of application. Subject to the funds available and any grants pledged, a shortlist of charities may be compiled following the initial review and each shortlisted charity is contacted to request more detailed information to enable the Foundation to consider their application further. We request a full breakdown of any project for which funding is requested, detailed financial statements and a breakdown of secured and projected income for the upcoming year to ensure that the charity can meet their future liabilities.

TARA GETTY FOUNDATION

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2024

A report on each of the shortlisted charities is submitted to the trustees for review to decide which charities the Foundation would like to meet with to consider allocating a grant. The Foundation's administrators and trustees meet with charities face to face where possible, and where geographical restrictions do not permit a meeting a conference call is conducted. Once meetings have been undertaken a follow up report with suggested donations is issued to all trustees for their agreement prior to any grants being issued and a due diligence checklist is completed before grants are made to successful charities.

The Foundation writes to all successful charities confirming details of the grant in writing, including any specific terms or restrictions of the grant and outlining any requirements for regular updates. Written agreements are put in place in respect of all grants to charities of £5,000 or more and we ask all charities to confirm their understanding by acknowledging receipt of the grant in writing. The Foundation also requests regular updates from charities we support to mitigate the risk of grants not being applied in line with the restrictions set out and accepted by the charities.

OBJECTIVES AND ACTIVITIES

The Foundation's original core focus was to:

- Revitalise existing charities and individual charitable projects that are failing in their objectives due to financial constraints and/or lack of exposure and publicity;
- Fund projects that will alleviate poverty and financial hardship, relieve sickness and poor health;
- Emphasise the promotion of self-help, overall community values and to assist individuals and communities in making changes themselves thereby bringing positivity in their future endeavours.

The current priorities of the trustees are to support and target charitable endeavours that aim to:

- Facilitate the empowerment and development of rural people living in or adjacent to conservation areas in different parts of the world, by forging unique partnerships between conservation initiatives and communities, working in the fields of education, health and income generating initiatives.
- Support environmental, educational and community projects that protect the environment and surrounding wildlife.
- Support sustainable marine conservation programs, protection of the oceans and climate change.
- Save lives, promote safety and rescue service efficiency, and provide relief from disaster at sea and on inland and flood waters, including the advancement of education in these areas.
- Support disadvantaged young people in their chance to succeed and transform their lives by developing their confidence and skills to live, learn and earn.
- Raise awareness, and distribute funding for, supporting orphaned and vulnerable children.
- Support those who are affected by poor health, both mental or physical incapacity as well as research programmes to shape policies and treatments thereof and relieve suffering.
- Make grants to the most deserving charitable causes generally, ensuring that each charitable project has a clear sense of objectives, how to achieve them, and have a good chance of making a difference in the communities that they serve.

There has been and will continue to be exceptions made by the trustees to fund other charitable endeavours they consider worthy. The trustees have paid due regard to guidance issued by the Charity Commission on public benefit.

FINANCIAL REVIEW

During the year, the Foundation received a total of £1,184,007 of voluntary income, which included £236,803 of Gift Aid. At the end of the period the Foundation had cash on hand of £903,692 including £775,000 on fixed deposit.

At this time, the Foundation has not yet engaged in any form of fundraising and does not consider it necessary to do so at the current time. The Foundation has placed surplus cash, not required for charitable activities in the short term, on to fixed deposits up to 12 months in order to obtain market rates of interest returns.

The Foundation has the unique advantage of operating out of a private family office, utilising resources and staff with professional qualifications. As a consequence, the Foundation has minimal annual expenses. The benefit of this set up is that a large percentage of the donations received by the Foundation go directly to charitable causes as opposed to covering administrative expenses.

Reserves policy

The Foundation's trustees maintain a level of reserves required to fund future projects that they may want to undertake where no previous commitments have been made. At the year end there were reserves of £875,924.

Plans for Future Periods

The Foundation will continue to review and consider any UK postal applications received. The trustees also expect to make a much larger proportion of grants to charities which the Foundation has researched itself. The Foundation will also support overseas charities, in particular those working in Africa assuming they meet the charitable criteria outlined under English Law principles under Charity Commission guidelines.

The trustees' report was approved by the Board of Trustees.

TARA GETTY FOUNDATION

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 DECEMBER 2024

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Foundation and of the incoming resources and application of resources of the Foundation for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Foundation will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Foundation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

TARA GETTY FOUNDATION

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF TARA GETTY FOUNDATION

Opinion

We have audited the financial statements of Tara Getty Foundation (the 'charity') for the year ended 31 December 2024 which comprise the statement of financial activities, the statement of financial position, the statement of cash flows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2024 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other matters

The financial statements for the year ended 31 December 2023 were not audited. Accordingly, we do not express an opinion on the comparative figures included in these financial statements.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

TARA GETTY FOUNDATION

INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE TRUSTEES OF TARA GETTY FOUNDATION

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or

Responsibilities of trustees

As explained more fully in the statement of trustees' responsibilities, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the company, including the Charities Act 2019, tax legislation, data protection, anti-bribery. An understanding of these laws and regulations and the extent of compliance was obtained through discussion with management and inspecting legal and regulatory correspondence.

We assessed the susceptibility of the company's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by making enquiries of management and considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- reviewed journal entries to identify unusual transactions
- assessed whether judgements and assumptions made in determining accounting estimates were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

TARA GETTY FOUNDATION

INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE TRUSTEES OF TARA GETTY FOUNDATION

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reading the resolutions of meetings of those charged with governance; and
- enquiring of management as to actual and potential litigation and claims;

Due to the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities is available on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

TARA GETTY FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2024

1 Accounting policies

Charity information

The Tara Getty Foundation is an unincorporated charity, constituted under a trust deed dated 29 November 2004.

1.1 Accounting convention

The accounts have been prepared in accordance with the Foundation's governing document and the Charities Act 2011.

The accounts have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective 1 January 2019 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The Foundation is a Public Benefit Entity as defined by FRS 102.

The Foundation has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the Foundation. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the accounts where relevant.

1.3 Incoming resources

Income is recognised when the Foundation is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Foundation has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation. Gift Aid amounts are recognised based on the date of the underlying donation and are unrestricted unless specified differently by a donor within a pledge agreement.

1.4 Resources expended

Expenditure is accounted for on an accruals basis and has been classified under Charitable activities, comprising Grant funding and Governance costs.

1.5 Cash and cash equivalents

Cash and cash equivalents include cash in hand and bank balances.

TARA GETTY FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2024

1 Accounting policies (Continued)

1.6 Financial instruments

The Foundation has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Foundation's balance sheet when the Foundation becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Liabilities are recognised as soon as there is a legal or constructive obligation committing the Foundation to pay out resources.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Foundation's contractual obligations expire or are discharged or cancelled.

Investments

Cash placed on fixed term deposits longer than 3 months in duration are classified as investments.

1.7 Foreign exchange

Transactions in currencies other than pounds sterling are recorded at the rates of exchange prevailing at the dates of the transactions. At each reporting end date, monetary assets and liabilities that are denominated in foreign currencies are retranslated at the rates prevailing on the reporting end date. Gains and losses arising on translation are included in net income/(expenditure) for the period.

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2023

The trustees present their report and accounts for the year ended 31 December 2023.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Foundation's Trust Deed and the Charities Act 2011.

The accounts have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective 1 January 2019 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Foundation is an unincorporated charity, constituted under a trust deed dated 29 November 2004.

As per the trust deed the statutory powers of appointing new and additional trustees shall apply. Trustees are selected based on their charitable, business and financial experiences and their sharing in common charitable goals. Trustees are appointed by way of a recommendation and agreement by the other trustees.

The Foundation is operated out of the offices provided by the Getty Family's private family office and applications and correspondence are received into this office and distributed for consideration and then agreed upon.

The Foundation has no employees but benefits from the staff at the aforementioned office, where accountancy, cash management, and administrative matters are delegated by the trustees for an annual fee.

The trustees have complied with their duty to have due regard to the guidance on public benefit published by the commission in exercising their power or duties.

Risk Management

The trustees have considered and reviewed the major risks to which the Foundation is exposed and have established systems which have been put in place to manage those risks.

The Foundation reviews each grant application on an individual basis, assessing the merits of each charity and considering whether they meet the Foundation's priorities at the time of application. Subject to the funds available and any grants pledged, a shortlist of charities may be compiled following the initial review and each shortlisted charity is contacted to request more detailed information to enable the Foundation to consider their application further. We request a full breakdown of any project for which funding is requested, detailed financial statements and a breakdown of secured and projected income for the upcoming year to ensure that the charity can meet their future liabilities.

THE TARA GETTY FOUNDATION

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2023

A report on each of the shortlisted charities is submitted to the trustees for review to decide which charities the Foundation would like to meet with to consider allocating a grant. The Foundation's administrators and trustees meet with charities face to face where possible, and where geographical restrictions do not permit a meeting a conference call is conducted. Once meetings have been undertaken a follow up report with suggested donations is issued to all trustees for their agreement prior to any grants being issued and a due diligence checklist is completed before grants are made to successful charities.

The Foundation writes to all successful charities confirming details of the grant in writing, including any specific terms or restrictions of the grant and outlining any requirements for regular updates. Written agreements are put in place in respect of all grants to charities of £5,000 or more and we ask all charities to confirm their understanding by acknowledging receipt of the grant in writing. The Foundation also requests regular updates from charities we support to mitigate the risk of grants not being applied in line with the restrictions set out and accepted by the charities.

OBJECTIVES AND ACTIVITIES

The Foundation's original core focus was to:

- Revitalise existing charities and individual charitable projects that are failing in their objectives due to financial constraints and/or lack of exposure and publicity;
- Fund projects that will alleviate poverty and financial hardship, relieve sickness and poor health;
- Emphasise the promotion of self-help, overall community values and to assist individuals and communities in making changes themselves thereby bringing positivity in their future endeavours.

The current priorities of the trustees are to support and target charitable endeavours that aim to:

- Facilitate the empowerment and development of rural people living in or adjacent to conservation areas in different parts of the world, by forging unique partnerships between conservation initiatives and communities, working in the fields of education, health and income generating initiatives.
- Support environmental, educational and community projects that protect the environment and surrounding wildlife.
- Support sustainable marine conservation programs, protection of the oceans and climate change.
- Save lives, promote safety and rescue service efficiency, and provide relief from disaster at sea and on inland and flood waters, including the advancement of education in these areas.
- Support disadvantaged young people in their chance to succeed and transform their lives by developing their confidence and skills to live, learn and earn.
- Raise awareness, and distribute funding for, supporting orphaned and vulnerable children.
- Support those who are affected by poor health, both mental or physical incapacity as well as research programmes to shape policies and treatments thereof and relieve suffering.
- Make grants to the most deserving charitable causes generally, ensuring that each charitable project has a clear sense of objectives, how to achieve them, and have a good chance of making a difference in the communities that they serve.

There has been and will continue to be exceptions made by the trustees to fund other charitable endeavours they consider worthy. The trustees have paid due regard to guidance issued by the Charity Commission on public benefit.

During the year the Foundation has provided support to a number of charities, including those detailed below, to enable them to continue their work in areas including health, community and education.

Ocean Family Foundation (Marine conservation)

The Ocean Family Foundation is a UK registered charity that actively supports a variety of sustainable marine conservation programs.

Africa Foundation (Education)

The Africa Foundation is a UK registered charity which supports various projects via the Africa Foundation South Africa, a South African registered charity, including bursaries for students and the building of a school in Tanzania.

Wellington College (Education)

Wellington College is a UK registered charity which provides world-class education and had set up the Prince Albert Foundation Scholarship.

The Prince's Trust (Community)

The Prince's Trust is a UK registered charity which supports young people and which runs the 'Change a Girl's Life Campaign' as part of its *Women Supporting Women* project.

Woman's Trust (Community)

The Olivia Sieff Foundation (Young people)

The Olivia Sieff Foundation is a UK and South Africa registered charity which aims to help children and young people who are vulnerable or have experienced abuse or neglect.

Western Province Preparatory School (Education)

Western Province Preparatory School is a South African registered non-profit and public benefit organisation which runs a scholarship programme with preference given to students from disadvantaged backgrounds.

FINANCIAL REVIEW

During the year, the Foundation received a total of £368,529 of voluntary income, which included £73,706 of Gift Aid. At the end of the period the Foundation had cash on hand of £56,920.

At this time, the Foundation has not yet engaged in any form of fundraising and does not consider it necessary to do so at the current time.

The Foundation has the unique advantage of operating out of a private family office, utilising resources and staff with professional qualifications. As a consequence, the Foundation has minimal annual expenses. The benefit of this set up is that a large percentage of the donations received by the Foundation go directly to charitable causes as opposed to covering administrative expenses.

Reserves policy

The Foundation's trustees maintain a level of reserves required to fund future projects that they may want to undertake where no previous commitments have been made. At the year end there were reserves of £127,468.

Plans for Future Periods

The Foundation will continue to review and consider any UK postal applications received. The trustees also expect to make a much larger proportion of grants to charities which the Foundation has researched itself. The Foundation will also support overseas charities, in particular those working in Africa assuming they meet the charitable criteria outlined under English Law principles under Charity Commission guidelines.

The trustees' report was approved by the Board of Trustees.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 DECEMBER 2023

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Foundation and of the incoming resources and application of resources of the Foundation for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Foundation will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Foundation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

THE TARA GETTY FOUNDATION

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF THE TARA GETTY FOUNDATION

I report on the financial statements of the Foundation for the year ended 31 December 2023, which are set out on pages 8 to 13.

Respective responsibilities of trustees and examiner

The Foundation's trustees are responsible for the preparation of the financial statements. The Foundation's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The Foundation's gross income exceeded £250,000 and I am qualified to undertake the examination being a qualified member of the ICAEW.

It is my responsibility to:

- (i) examine the financial statements under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Foundation and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's statement

In connection with my examination, no other matter except that referred to in the previous paragraph has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 130 of the 2011 Act; and
 - (ii) to prepare financial statements which accord with the accounting records and comply with the accounting requirements of the 2011 Act;have not been met or
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2023

1 Accounting policies

Charity information

The Tara Getty Foundation is an unincorporated charity, constituted under a trust deed dated 29 November 2004.

1.1 Accounting convention

The accounts have been prepared in accordance with the Foundation's governing document and the Charities Act 2011.

The accounts have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective 1 January 2019 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The Foundation is a Public Benefit Entity as defined by FRS 102.

The Foundation has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the Foundation. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the accounts where relevant.

1.3 Incoming resources

Income is recognised when the Foundation is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Foundation has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation. Gift Aid amounts are recognised based on the date of the underlying donation and are unrestricted unless specified differently by a donor within a pledge agreement.

1.4 Resources expended

Expenditure is accounted for on an accruals basis and has been classified under Charitable activities, comprising Grant funding and Governance costs.

1.5 Cash and cash equivalents

Cash and cash equivalents include cash in hand and bank balances.

THE TARA GETTY FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2023

1 Accounting policies

(Continued)

1.6 Financial instruments

The Foundation has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Foundation's balance sheet when the Foundation becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Liabilities are recognised as soon as there is a legal or constructive obligation committing the Foundation to pay out resources.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Foundation's contractual obligations expire or are discharged or cancelled.

1.7 Foreign exchange

Transactions in currencies other than pounds sterling are recorded at the rates of exchange prevailing at the dates of the transactions. At each reporting end date, monetary assets and liabilities that are denominated in foreign currencies are retranslated at the rates prevailing on the reporting end date. Gains and losses arising on translation are included in net income/(expenditure) for the period.

The trustees have considered and reviewed the major risks to which the Foundation is exposed and have established systems which have been put in place to manage those risks.

The Foundation reviews each grant application on an individual basis, assessing the merits of each charity and considering whether they meet the Foundation's priorities at the time of application. Subject to the funds available and any grants pledged, a shortlist of charities may be compiled following the initial review and each shortlisted charity is contacted to request more detailed information to enable the Foundation to consider their application further. We request a full breakdown of any project for which funding is requested, detailed financial statements and a breakdown of secured and projected income for the upcoming year to ensure that the charity can meet their future liabilities.

THE TARA GETTY FOUNDATION

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2022

A report on each of the shortlisted charities is submitted to the trustees for review to decide which charities the Foundation would like to meet with to consider allocating a grant. The Foundation's administrators and trustees meet with charities face to face where possible, and where geographical restrictions do not permit a meeting a conference call is conducted. Once meetings have been undertaken a follow up report with suggested donations is issued to all trustees for their agreement prior to any grants being issued and a due diligence checklist is completed before grants are made to successful charities.

The Foundation writes to all successful charities confirming details of the grant in writing, including any specific terms or restrictions of the grant and outlining any requirements for regular updates. Written agreements are put in place in respect of all grants to charities of £5,000 or more and we ask all charities to confirm their understanding by acknowledging receipt of the grant in writing. The Foundation also requests regular updates from charities we support to mitigate the risk of grants not being applied in line with the restrictions set out and accepted by the charities.

OBJECTIVES AND ACTIVITIES

The Foundation's original core focus was to:

- Revitalise existing charities and individual charitable projects that are failing in their objectives due to financial constraints and/or lack of exposure and publicity;
- Fund projects that will alleviate poverty and financial hardship, relieve sickness and poor health;
- Emphasise the promotion of self-help, overall community values and to assist individuals and communities in making changes themselves thereby bringing positivity in their future endeavours.

The current priorities of the trustees are to support and target charitable endeavours that aim to:

- Facilitate the empowerment and development of rural people living in or adjacent to conservation areas in different parts of the world, by forging unique partnerships between conservation initiatives and communities, working in the fields of education, health and income generating initiatives.
- Support environmental, educational and community projects that protect the environment and surrounding wildlife.
- Support sustainable marine conservation programs, protection of the oceans and climate change.
- Save lives, promote safety and rescue service efficiency, and provide relief from disaster at sea and on inland and flood waters, including the advancement of education in these areas.
- Support disadvantaged young people in their chance to succeed and transform their lives by developing their confidence and skills to live, learn and earn.
- Raise awareness, and distribute funding for, supporting orphaned and vulnerable children.
- Support those who are affected by poor health, both mental or physical incapacity as well as research programmes to shape policies and treatments thereof and relieve suffering.
- Make grants to the most deserving charitable causes generally, ensuring that each charitable project has a clear sense of objectives, how to achieve them, and have a good chance of making a difference in the communities that they serve.

There has been and will continue to be exceptions made by the trustees to fund other charitable endeavours they consider worthy. The trustees have paid due regard to guidance issued by the Charity Commission on public benefit.

Wellington College (Education)

Wellington College is a UK registered charity which provides world-class education and had set up the Prince Albert Foundation Scholarship.

The Prince's Trust (Community)

The Prince's Trust is a UK registered charity which supports young people and which runs the 'Change a Girl's Life Campaign' as part of its *Women Supporting Women* project.

Team Oasis (Young people)

Team Oasis is a UK registered charity based in Toxteth, Liverpool, which offers inclusive opportunities for children and young people to engage in activities and projects.

The House on the Corner (Young people)

The House on the Corner is a UK registered charity which provides a social outreach programme to the deprived community in Walsall, West Midlands.

ReachOut Youth (Young people)

ReachOut Youth is a UK registered charity which supports the wellbeing of young people from disadvantaged communities in Greater Manchester, Leeds, Liverpool and London.

Woman's Trust (Community)

Woman's Trust is a UK registered charity which provides free counselling to women in London with complex psychological needs due to domestic abuse.

FINANCIAL REVIEW

During the year, the Foundation received a total of £439,470 of voluntary income, which included £87,894 of Gift Aid.

At the end of the period the Foundation had cash on hand of £71,970.

At this time, the Foundation has not yet engaged in any form of fundraising and does not consider it necessary to do so at the current time.

The Foundation has the unique advantage of operating out of a private family office, utilising resources and staff with professional qualifications. As a consequence, the Foundation has minimal annual expenses. The benefit of this set up is that a large percentage of the donations received by the Foundation go directly to charitable causes as opposed to covering administrative expenses.

Reserves policy

The Foundation's trustees maintain a level of reserves that is required to fund future projects that they may want to undertake where no previous commitments have been made. As at the year end there were reserves of £92,819.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2022

Plans for Future Periods

The Foundation will continue to review and consider any UK postal applications received. The trustees also expect to make a much larger proportion of grants to charities which the Foundation has researched itself. The Foundation will also support overseas charities, in particular those working in Africa assuming they meet the charitable criteria outlined under English Law principles under Charity Commission guidelines.

The trustees' report was approved by the Board of Trustees.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 DECEMBER 2022

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Foundation and of the incoming resources and application of resources of the Foundation for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Foundation will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Foundation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

THE TARA GETTY FOUNDATION

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF THE TARA GETTY FOUNDATION

I report on the financial statements of the Foundation for the year ended 31 December 2022, which are set out on pages 8 to 13.

Respective responsibilities of trustees and examiner

The Foundation's trustees are responsible for the preparation of the financial statements. The Foundation's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The Foundation's gross income exceeded £250,000 and I am qualified to undertake the examination being a qualified member of the ICAEW.

It is my responsibility to:

- (i) examine the financial statements under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Foundation and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's statement

In connection with my examination, no other matter except that referred to in the previous paragraph has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 130 of the 2011 Act; and
 - (ii) to prepare financial statements which accord with the accounting records and comply with the accounting requirements of the 2011 Act;have not been met or
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

1 Accounting policies

Charity information

The Tara Getty Foundation is an unincorporated charity, constituted under a trust deed dated 29 November 2004.

1.1 Accounting convention

The accounts have been prepared in accordance with the Foundation's governing document and the Charities Act 2011.

The accounts have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective 1 January 2019 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The Foundation is a Public Benefit Entity as defined by FRS 102.

The Foundation has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the Foundation. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the accounts where relevant.

1.3 Incoming resources

Income is recognised when the Foundation is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Foundation has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation. Gift Aid amounts are recognised based on the date of the underlying donation and are unrestricted unless specified differently by a donor within a pledge agreement.

1.4 Resources expended

Expenditure is accounted for on an accruals basis and has been classified under Charitable activities, comprising Grant funding and Governance costs.

1.5 Cash and cash equivalents

Cash and cash equivalents include cash in hand and bank balances.

THE TARA GETTY FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2022

1 Accounting policies

(Continued)

1.6 Financial instruments

The Foundation has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Foundation's balance sheet when the Foundation becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Liabilities are recognised as soon as there is a legal or constructive obligation committing the Foundation to pay out resources.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Foundation's contractual obligations expire or are discharged or cancelled.

1.7 Foreign exchange

Transactions in currencies other than pounds sterling are recorded at the rates of exchange prevailing at the dates of the transactions. At each reporting end date, monetary assets and liabilities that are denominated in foreign currencies are retranslated at the rates prevailing on the reporting end date. Gains and losses arising on translation are included in net income/(expenditure) for the period.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Foundation is an unincorporated charity, constituted under a trust deed dated 29 November 2004.

As per the trust deed the statutory powers of appointing new and additional trustees shall apply. Trustees are selected based on their charitable, business and financial experiences and their sharing in common charitable goals. Trustees are appointed by way of a recommendation and agreement by the other trustees.

The Foundation is operated out of the offices provided by the Getty Family's private family office and applications and correspondence are received into this office and distributed for consideration and then agreed upon.

The Foundation has no employees but benefits from the staff at the aforementioned office, where accountancy, cash management, and administrative matters are delegated by the trustees for an annual fee.

The trustees have complied with their duty to have due regard to the guidance on public benefit published by the commission in exercising their power or duties.

Risk Management

The trustees have considered and reviewed the major risks to which the Foundation is exposed and have established systems which have been put in place to manage those risks.

The Foundation reviews each grant application on an individual basis, assessing the merits of each charity and considering whether they meet the Foundation's priorities at the time of application. Subject to the funds available and any grants pledged, a shortlist of charities may be compiled following the initial review and each shortlisted charity is contacted to request more detailed information to enable the Foundation to consider their application further. We request a full breakdown of any project for which funding is requested, detailed financial statements and a breakdown of secured and projected income for the upcoming year to ensure that the charity can meet their future liabilities.

THE TARA GETTY FOUNDATION

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2021

A report on each of the shortlisted charities is submitted to the trustees for review to decide which charities the Foundation would like to meet with to consider allocating a grant. The Foundation's administrators and trustees meet with charities face to face where possible, and where geographical restrictions do not permit a meeting a conference call is conducted. Once meetings have been undertaken a follow up report with suggested donations is issued to all trustees for their agreement prior to any grants being issued and a due diligence checklist is completed before grants are made to successful charities.

The Foundation writes to all successful charities confirming details of the grant in writing, including any specific terms or restrictions of the grant and outlining any requirements for regular updates. Written agreements are put in place in respect of all grants to charities of £5,000 or more and we ask all charities to confirm their understanding by acknowledging receipt of the grant in writing. The Foundation also requests regular updates from charities we support to mitigate the risk of grants not being applied in line with the restrictions set out and accepted by the charities.

THE TARA GETTY FOUNDATION

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 DECEMBER 2021

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Foundation and of the incoming resources and application of resources of the Foundation for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Foundation will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Foundation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

THE TARA GETTY FOUNDATION

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF THE TARA GETTY FOUNDATION

I report on the financial statements of the Foundation for the year ended 31 December 2021, which are set out on pages 8 to 13.

Respective responsibilities of trustees and examiner

The Foundation's trustees are responsible for the preparation of the financial statements. The Foundation's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The Foundation's gross income exceeded £250,000 and I am qualified to undertake the examination being a qualified member of the ICAEW.

It is my responsibility to:

- (i) examine the financial statements under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Foundation and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's statement

In connection with my examination, no other matter except that referred to in the previous paragraph has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 130 of the 2011 Act; and
 - (ii) to prepare financial statements which accord with the accounting records and comply with the accounting requirements of the 2011 Act;have not been met or
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

1 Accounting policies

Charity information

The Tara Getty Foundation is an unincorporated charity, constituted under a trust deed dated 29 November 2004.

1.1 Accounting convention

The accounts have been prepared in accordance with the Foundation's governing document and the Charities Act 2011.

The accounts have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective 1 January 2019 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The Foundation is a Public Benefit Entity as defined by FRS 102.

The Foundation has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the Foundation. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the accounts where relevant.

1.3 Incoming resources

Income is recognised when the Foundation is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Foundation has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation. Gift Aid amounts are recognised based on the date of the underlying donation and are unrestricted unless specified differently by a donor within a pledge agreement.

1.4 Resources expended

Expenditure is accounted for on an accruals basis and has been classified under Charitable activities, comprising Grant funding and Governance costs.

1.5 Cash and cash equivalents

Cash and cash equivalents include cash in hand and bank balances.

THE TARA GETTY FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2021

1 Accounting policies

(Continued)

1.6 Financial instruments

The Foundation has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Foundation's balance sheet when the Foundation becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Liabilities are recognised as soon as there is a legal or constructive obligation committing the Foundation to pay out resources.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Foundation's contractual obligations expire or are discharged or cancelled.

1.7 Foreign exchange

Transactions in currencies other than pounds sterling are recorded at the rates of exchange prevailing at the dates of the transactions. At each reporting end date, monetary assets and liabilities that are denominated in foreign currencies are retranslated at the rates prevailing on the reporting end date. Gains and losses arising on translation are included in net income/(expenditure) for the period.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Foundation is an unincorporated charity, constituted under a trust deed dated 29 November 2004.

As per the trust deed the statutory powers of appointing new and additional trustees shall apply. Trustees are selected based on their charitable, business and financial experiences and their sharing in common charitable goals. Trustees are appointed by way of a recommendation and agreement by the other trustees.

The Foundation is operated out of the offices provided by the Getty Family's private family office and applications and correspondence are received into this office and distributed for consideration and then agreed upon.

The Foundation has no employees but benefits from the staff at the aforementioned office, where accountancy, cash management, and administrative matters are delegated by the trustees for an annual fee.

The trustees have complied with their duty to have due regard to the guidance on public benefit published by the commission in exercising their power or duties.

Risk Management

The trustees have considered and reviewed the major risks to which the Foundation is exposed and have established systems which have been put in place to manage those risks.

The Foundation reviews each grant application on an individual basis, assessing the merits of each charity and considering whether they meet the Foundation's priorities at the time of application. Subject to the funds available and any grants pledged, a shortlist of charities may be compiled following the initial review and each shortlisted charity is contacted to request more detailed information to enable the Foundation to consider their application further. We request a full breakdown of any project for which funding is requested, detailed financial statements and a breakdown of secured and projected income for the upcoming year to ensure that the charity can meet their future liabilities.

THE TARA GETTY FOUNDATION

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2020

A report on each of the shortlisted charities is submitted to the trustees for review to decide which charities the Foundation would like to meet with to consider allocating a grant. The Foundation's administrators and trustees meet with charities face to face where possible, and where geographical restrictions do not permit a meeting a conference call is conducted. Once meetings have been undertaken a follow up report with suggested donations is issued to all trustees for their agreement prior to any grants being issued and a due diligence checklist is completed before grants are made to successful charities.

The Foundation writes to all successful charities confirming details of the grant in writing, including any specific terms or restrictions of the grant and outlining any requirements for regular updates. Written agreements are put in place in respect of all grants to charities of £5,000 or more and we ask all charities to confirm their understanding by acknowledging receipt of the grant in writing. The Foundation also requests regular updates from charities we support to mitigate the risk of grants not being applied in line with the restrictions set out and accepted by the charities.

Covid-19

The Foundation has not been affected by the Covid-19 pandemic with regard to its ability to meet its obligations. The trustees regularly review the Foundation's cashflow to ensure that it can fulfil pledged grants.

OBJECTIVES AND ACTIVITIES

The Foundation's original core focus was to:

- Revitalise existing charities and individual charitable projects that are failing in their objectives due to financial constraints and/or lack of exposure and publicity;
- Fund projects that will alleviate poverty and financial hardship, relieve sickness and poor health;
- Emphasise the promotion of self-help, overall community values and to assist individuals and communities in making changes themselves thereby bringing positivity in their future endeavours.

Further to a review of the above charitable objectives, the trustees have affirmed, with effect from 15th March 2019, their updated position to support and target charitable endeavours that aim to:

- Facilitate the empowerment and development of rural people living in or adjacent to conservation areas in different parts of the world, by forging unique partnerships between conservation initiatives and communities, working in the fields of education, health and income generating initiatives.
- Support environmental, educational and community projects that protect the environment and surrounding wildlife.
- Support sustainable marine conservation programs, protection of the oceans and climate change.
- Save lives, promote safety and rescue service efficiency, and provide relief from disaster at sea and on inland and flood waters, including the advancement of education in these areas.
- Support disadvantaged young people in their chance to succeed and transform their lives by developing their confidence and skills to live, learn and earn.
- Raise awareness, and distribute funding for, supporting orphaned and vulnerable children.
- Support those who are affected by poor health, both mental or physical incapacity as well as research programmes to shape policies and treatments thereof and relieve suffering.
- Make grants to the most deserving charitable causes generally, ensuring that each charitable project has a clear sense of objectives, how to achieve them, and have a good chance of making a difference in the communities that they serve.

There has been and will continue to be exceptions made by the trustees to fund other charitable endeavours they consider worthy. The trustees have paid due regard to guidance issued by the Charity Commission on public benefit.

During the year the Foundation has provided support to a number of charities, including those detailed below, to enable them to continue their work in areas including health, community and education.

Ocean Family Foundation (Marine conservation)

The Ocean Family Foundation is a UK registered charity that actively supports a variety of sustainable marine conservation programs.

Wellington College (Education)

Wellington College is a UK registered charity which provides world-class education and had set up a COVID-19 Financial Hardship Fund to assist pupils.

Maven Project (Medical)

The Maven Project is a US charity which uses Telehealth technology to support primary care providers in delivering comprehensive care to patients across the country.

Royal Albert Hall (Community)

The Corporation of the Hall of Arts and Sciences is a UK registered charity which maintains the Royal Albert Hall.

Wycombe Homeless Connection (Community)

Wycombe Homeless Connection is a UK registered charity which supports the homeless.

Thomas Morley Trust, Disabled Sailors Association (Community)

The Thomas Morley Trust is a UK registered charity which supports disabled people taking part in sailing activities.

THE TARA GETTY FOUNDATION

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2020

The Jubilee Sailing Trust (Community)

The Jubilee Sailing Trust is a UK registered charity which enables people with mixed abilities and circumstances to have the freedom to explore their ability, potential and place in the world through inclusive adventures at sea on their specially adapted tall ship, SV Tenacious.

Fight For Sight (Medical)

The British Eye Research Foundation, operating as Fight For Sight, is a UK registered charity which provides funding for research into sight loss caused by eye conditions and diseases and a voice for people affected by sight loss.

One Can Trust (Community)

One Can Trust is a UK charity with registered charity which operates a foodbank and provides food parcels in High Wycombe and South Buckinghamshire.

Tom's Trust (Medical)

Tom's Trust is a UK registered charity which provides clinical psychology for children with brain tumors within UK hospitals.

Response Organisation (Community)

Response organisation is a UK registered charity which supports individuals with mental health issues.

Leeway Domestic (Community)

Leeway Domestic is a UK registered charity which supports individuals suffering from domestic abuse.

During the year The Cambridge Trust surrendered the grant of £49,327 which was pledged to them in 2019. The grant was intended to provide a scholarship for an African citizen to attend the University of Cambridge but unfortunately The Cambridge Trust was not been able to find any suitable candidates. Therefore both restricted income and expenditure have been reduced accordingly for 2020.

FINANCIAL REVIEW

During the year, the Foundation received a total of £107,088 of voluntary income, which included £21,418 of Gift Aid, and agreed grants amounting to £65,849.

At the end of the period the Foundation had cash on hand of £76,955.

At this time, the Foundation has not yet engaged in any form of fundraising and does not consider it necessary to do so at the current time.

The Foundation has the unique advantage of operating out of a private family office, utilising resources and staff with professional qualifications. As a consequence, the Foundation has minimal annual expenses. The benefit of this set up is that a large percentage of the donations received by the Foundation go directly to charitable causes as opposed to covering administrative expenses.

Reserves policy

The Foundation's trustees maintain a level of reserves that is required to fund future projects that they may want to undertake where no previous commitments have been made. As at the year end there were reserves of £55,304.

THE TARA GETTY FOUNDATION

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2020

Plans for Future Periods

The Foundation will continue to review and consider any UK postal applications received. The trustees also expect to make a much larger proportion of grants to charities which the Foundation has researched itself. The Foundation will also support overseas charities, in particular those working in Africa assuming they meet the charitable criteria outlined under English Law principles under Charity Commission guidelines.

The trustees' report was approved by the Board of Trustees.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 DECEMBER 2020

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Foundation and of the incoming resources and application of resources of the Foundation for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Foundation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

THE TARA GETTY FOUNDATION

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF THE TARA GETTY FOUNDATION

I report on the financial statements of the Foundation for the year ended 31 December 2020, which are set out on pages 8 to 14.

Respective responsibilities of trustees and examiner

The Foundation's trustees are responsible for the preparation of the financial statements. The Foundation's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- (i) examine the financial statements under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Foundation and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's statement

In connection with my examination, no other matter except that referred to in the previous paragraph has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 130 of the 2011 Act; and
 - (ii) to prepare financial statements which accord with the accounting records and comply with the accounting requirements of the 2011 Act;have not been met or
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

1.1 Accounting convention

The accounts have been prepared in accordance with the Foundation's governing document and the Charities Act 2011.

The accounts have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective 1 January 2019 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The Foundation is a Public Benefit Entity as defined by FRS 102.

The Foundation has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the Foundation. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the accounts where relevant.

1.3 Incoming resources

Income is recognised when the Foundation is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Foundation has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation. Gift Aid arising on donations is unrestricted unless specified differently by a donor within a pledge agreement.

1 Accounting policies

(Continued)

1.4 Resources expended

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources. Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

1.5 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.6 Financial instruments

The Foundation has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Foundation's balance sheet when the Foundation becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Liabilities are recognised as soon as there is a legal or constructive obligation committing the Foundation to pay out resources.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Foundation's contractual obligations expire or are discharged or cancelled.

1.7 Foreign exchange

Transactions in currencies other than pounds sterling are recorded at the rates of exchange prevailing at the dates of the transactions. At each reporting end date, monetary assets and liabilities that are denominated in foreign currencies are retranslated at the rates prevailing on the reporting end date. Gains and losses arising on translation are included in net income/(expenditure) for the period.
