Objectives and activities

Aim for Change is committed to helping as many children and adults as possible who are living in poverty; working at present in Uganda and Pakistan through:

- Giving children the opportunity of education
- Improving health care through fresh water boreholes and medical facilities
- Enabling people to support themselves through animal projects/small businesses

To facilitate this work, it is important that we maintain the ethos of Aim for Change.

Achievements and performance

Education

The charity cares for many children and young people, including orphan/street/refugee children of Uganda and orphan/refugee/abused children of Pakistan. We support several schools, in Uganda, constructed by the charity, and help to provide school materials and resources. During the period April 2021 – Mar 2022, at Bakka School, Uganda, the charity built an additional block of 3 classrooms, replaced the wooden kitchen structure with a brick building to cater for the increasing numbers of pupils, secured the whole school site with a perimeter wall and gates, provided more school desks and benches, and equipped the school with equipment, medicines and food to help the staff and pupils cope during the Covid pandemic. A significant number of the young people in our care have now progressed to vocational training and university degree courses, on completion of their Secondary education. In Mbarara, where, through sponsorship, the charity supports a large number of former street children, several students have now graduated, secured employment and are voluntarily contributing towards the education costs of new intake street children. To accommodate the increasing number of youngsters cared for at the project in Mbarara, Aim for Change constructed a second home towards the end of 2021. We also continue to fund the higher education of 3 young people in Lira, Uganda. In Pakistan, the charity continues to help provide school equipment and materials for the school at our orphanage, as the need arises, and also for a small school in a refugee colony in Islamabad. Several of the older youngsters at our orphanage have begun higher education courses and their fees are covered by the charity. Three brothers were taken in at the orphanage in July 2021 and have joined the orphanage school.

Health Care

Through grants many fresh water boreholes have been provided in Uganda in communities and at schools, where the water is also accessed by the wider community. Boreholes have also been provided in Pakistan. During December 2021, sanitiser fluid and thermometers were provided at Bakka School, Uganda, to meet government requirements for re-opening the school after lockdown. During the pandemic, one of our sponsored young people, studying Clinical Medicine, has been volunteering, administering Covid vaccines at a hospital. Also during the Covid-19 lockdown, we sent funding to purchase food for those in need in the local community at many of our projects and also funded some medical treatments.

Self sufficiency

The charity provides individual animal projects/cultivation/farming/large community projects which include; water provision, cultivation, animals, sewing projects and small businesses. We have many chicken/pig/goat projects. We continue to send funds for families to purchase seeds.

Statement of trustees' responsibilities

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 1993, the Charity Regulations 2008 and trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Examiner's Report to the Trustees of Aim for Change (Charity No 1107924)

I report on the accounts of the charity for the year ended 31 March 2022 which are set out on pages 5 to 6.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the general Directions given by the Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the next statement.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- 1 which gives me reasonable cause to believe that, in any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the 2011 Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met; or
- 2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
