**TRUSTEES' REPORT**  
**FOR THE YEAR ENDED 30 JUNE 2023**

The Trustees present their annual report together with the audited financial statements of the Company for the 1 July 2022 to 30 June 2023. The Annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the Company qualifies as small under section 382 of the Companies Act 2006, the Strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

**Objectives and activities**

● **Policies and objectives**

The company is constituted under a Memorandum of Association dated 10 January 2005 and is a registered charity number 1107956.

The principal objects of the company are to advance the Christian faith in particular but not exclusively by:

- the establishment of Christian fellowship meetings;
- the establishment of Christian teaching classes and distribution of Christian teaching material;
- the promotion of Christian Evangelistic events and literature;
- the promotion and support of international Christian ministries and events; and
- the production and distribution of creative Christian media.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

**Achievements and performance**

• **Review of activities**

During the year under review the church continued to host Sunday celebration services, weekly homecell and prayer meetings, trainings and community outreaches for the benefit of the members of the church and local communities in and around Greater London, Kent, Essex, Hertfordshire and North East England.

In September 2022 the church launched a new campus in Sawbridgeworth, Hertfordshire in close proximity to Essex, to accommodate the growing community of members in the surrounding areas.

The church also hosted several 'Encounter' events at the church's campus in Durham and at CRC Manchester and CRC Amsterdam.

During the year under review the church added a second residential property to its property portfolio. The property is being used as a manse for the Pastor of the church's campus in Sevenoaks, Kent.

The church's annual 'Bags of Love' campaign had a record number of its signature red bags delivered to prisons around the UK over the festive period.

In addition to the above, financial contributions were made towards other missions with similar causes including:

- Support to Pastors of CRC Churches in India and Pakistan;
- Outreaches, Bible distribution and community work in Israel; and
- Anti-human trafficking campaigns and feeding schemes through CRC Cares' initiatives.

**Financial review**

• **Going concern**

After making appropriate enquiries, the Trustees have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

• **Reserves policy**

The directors have considered the level of reserves they wish to retain, appropriate to the charity's needs. This is based on the charity's size and level of financial commitments held. The directors aim to ensure the charity will be able to continue to fulfil its charitable objectives even if there is a temporary shortfall in income or unexpected expenditure. The directors will endeavour not to set aside funds unnecessarily.

• **Principal risks and uncertainties**

The Trustees have assessed the major risks to which the company is exposed, in particular those related to the operations and finances of the company, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

**REVIVAL CHURCH EUROPE**  
**(A company limited by guarantee)**

**TRUSTEES' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 30 JUNE 2023**

● **Principal funding**

The church's main source of income remains donations from church members. Income increased by 13% with expenses increasing by 18% resulting in a net surplus of £90,955 (2022: £183,101).

Total reserves stood at £2,426,782 (2022: £2,335,827) at 30 June 2023 of which £1,080,489 (2022: £1,172,678) were unrestricted funds.

**Structure, governance and management**

● **Constitution**

Revival Church Europe is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association.

● **Methods of appointment or election of Trustees**

The management of the Company is the responsibility of the Trustees who are elected and co-opted under the terms of the Memorandum of Association.

● **Policies adopted for the induction and training of Trustees**

The management of the company is the responsibility of the Trustees who are elected and co-opted under the terms of the Articles of Association.

**Statement of Trustees' responsibilities**

The Trustees (who are also the directors of the Company for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Auditors**

The auditors, Baldwin Scofield Limited, have indicated their willingness to continue in office. The designated Trustees will propose a motion reappointing the auditors at a meeting of the Trustees.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF REVIVAL CHURCH EUROPE**

**Opinion**

We have audited the financial statements of Revival Church Europe (the 'charitable company') for the year ended 30 June 2023 which comprise the Statement of financial activities, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 30 June 2023 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

**REVIVAL CHURCH EUROPE**  
**(A company limited by guarantee)**

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF REVIVAL CHURCH EUROPE (CONTINUED)**

**Other information**

The other information comprises the information included in the Annual report other than the financial statements and our Auditors' report thereon. The Trustees are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of trustees**

As explained more fully in the Trustees' responsibilities statement, the Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

**REVIVAL CHURCH EUROPE**  
**(A company limited by guarantee)**

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF REVIVAL CHURCH EUROPE (CONTINUED)**

**Auditors' responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We obtained an understanding of the legal and regulatory frameworks that are applicable to the charitable company and determined that the most significant are those that relate to the reporting framework in conformity with the requirements of the Companies Act 2006 and Charities Act 2011 and the relevant direct and indirect tax compliance regulations in the United Kingdom.

We understood how the charitable company is complying with those frameworks by making enquiries of management to understand how the charitable company maintains and communicates its policies and procedures in these areas and corroborated this by reviewing supporting documentation and minutes of meetings of those charged with governance.

We assessed the susceptibility of the charity's financial statements to material misstatement, including how fraud might occur by considering the risk of management override to be a fraud risk. In addition, we considered the risk of management override by sampling from the entire population of journals, identifying specific transactions which did not meet our expectations based on specific criteria and investigated these to gain an understanding and then agree back to source documentation.

Based on this understanding we designed our audit procedures to identify noncompliance with such laws and regulations. Our procedures involved verifying that material transactions were recorded in compliance with Financial Reporting Standards in conformity with the requirements of the Companies Act 2006 and Charities Act 2011.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Auditors' report.

**Use of our report**

This report is made solely to the charitable company's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charitable company's trustees those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

**REVIVAL CHURCH EUROPE**  
**(A company limited by guarantee)**

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2023**

**1. General information**

Revival Church Europe is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association.

**2. Accounting policies**

**2.1 Basis of preparation of financial statements**

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Revival Church Europe meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

**2.2 Income**

All income is recognised once the Company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

**2.3 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on raising funds includes all expenditure incurred by the Company to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Company's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

**REVIVAL CHURCH EUROPE**  
**(A company limited by guarantee)**

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2023**

**2. Accounting policies (continued)**

**2.4 Tangible fixed assets and depreciation**

Tangible fixed assets costing £500 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, on a reducing balance basis.

Depreciation is provided on the following bases:

Freehold property	- 2% straight line
Short-term leasehold property	- Over the remaining term of the lease
Plant and machinery	- 25% reducing balance
Motor vehicles	- 25% reducing balance
Fixtures and fittings	- 10% reducing balance
Computer equipment	- 33% reducing balance
Other fixed assets	- 25% straight line

**2.5 Investments**

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of financial activities.

Investments in subsidiaries are valued at cost less provision for impairment.

**2.6 Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**2.7 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**REVIVAL CHURCH EUROPE**  
**(A company limited by guarantee)**

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2023**

**2. Accounting policies (continued)**

**2.8 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

**2.9 Financial instruments**

The Company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

**2.10 Pensions**

**2.11 Fund accounting**

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Company and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Company for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.
