Trustees' Annual Report

The trustees have pleasure in presenting their report and the unaudited financial statements for the charity for the year ending August 2022.

The main aims of the Pre-school are to enhance the development and education of children in their care. At Lyndhurst Pre-School we are committed to developing the 'whole child' emotionally, socially and physically regardless of their culture, ability or race.

We aim to provide a safe, friendly and stimulating environment in which each child is encouraged to explore and discover.

We work to a specially tailored curriculum called the Early Years Foundation Stage. Our staff undertake training to ensure that our provision meets all legislation in Early Years.

It is our philosophy that purposeful play is an essential part of a child's learning

process and helps them to acquire the skills necessary for a smooth transition to school life. We aim to provide our children with the opportunity to engage in rewarding and structured play in a wide range of learning experiences. We therefore build a curriculum based around children's needs and interests, we provide resources to enable them to ponder, create, practice and repeat. We provide a safe place for children to move freely, chooses resources independently, play and be active thinkers and learners.

Public Benefit

The Trustees confirm that they have had due regard to guidance published by the Charity Commission on Public Benefit.

Financial review

The Pre-School receives the majority of its income from Hampshire County Council based on the Early Years funding formula. We also charge fees for non-funded children to attend and for snack time/admin to help cover our operating costs. Our fees are currently £5.50 per hour plus a snack/admin fee of 75p per session per child.

Our fundraising team raises monies which are used primarily to purchase resources for current children on roll.

We continue to have grave concerns about the sustainability of the current Early Years funding model, as annual increases in local funding rates fall well behind increases in the National Living Wage, which is the underlying driver of staff pay levels. This increasing mismatch between our income and costs is exacerbated by inflation across all other costs. The current funding model materially restricts our

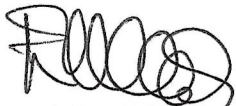

ability to pay our current staff rates which adequately reflect their expertise and qualifications, and their commitment to the delivery of high quality care and education. It is increasingly difficult to recruit staff with the requisite qualifications.

Our income for the period was £64,976 (2021: £74,595) and expenditure was £77,844 (2021: £76,314). The operating loss was £12,868 (2021: loss of £1,719) due primarily to ongoing local demographic challenges and the lingering shift in working patterns following the COVID 19 pandemic.

This year, 97.6% (2021: 83.4%) of our income was spent on staff costs, and 11.2% (2021: 9.7%) was spent on rent. The operating loss is equivalent to 19.8% (2021: 2.3%) of income.

Reserves Policy

Contingency monies are held in a separate bank account called the Reserve Account. It is administered to hold Reserves to cover redundancies (in line with Government Guidelines), Pre-School permanent closure, hazard closure and insurance issues, legal fees and 6 months' rent pending closure or relocation.

1 Basis of Preparation

1.1 Basis of accounting

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The accounts have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and with the Charities Act 2011. The charity constitutes a public benefit entity as defined by FRS 102.

1.2 Going concern

The trustees are not aware of any material uncertainties regarding going concern.

1.3 Change of accounting policy

The accounts present a true and fair view and no changes have been made to the accounting policies adopted in note 2.

2 Accounting Policies

2.1 Income

All income is recognised when the charitable company is legally entitled to the income, when it is probable that the income will be received and when the amount receivable can be measured with sufficient reliability. There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.

Grants and donations are only included in the Statement of Financial Activities when the general income recognition criteria are met.

Income represents amounts receivable in respect of pre-school funding from Hampshire County Council and fees from parents, and from fundraising.

2.2 Expenditure and liabilities

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty. No material item of deferred income has been included in the accounts. The charity has creditors which are measured at settlement amounts less any trade discounts.

2.3 Assets

Debtors are measured on initial recognition at settlement. Subsequently, they are measured at the amount expected to be received.

The charity has cash on deposit with a maturity of less than one year held for investment purposes rather than to meet short-term cash commitments as they fall due.

2.4 Lease rentals

Rentals payable under operating leases are charged against income on a straight line basis over the lease.
