SYDENHAM GARDEN: TRUSTEES' ANNUAL REPORT & FINANCIAL STATEMENTS

GOVERNANCE

Governing Document:

Sydenham Garden is a charitable company limited by guarantee and is established under a Memorandum of Association and governed by its Articles of Association.

Trustee Recruitment and Appointment:

Under the Articles of Association, the Board of Trustees consists of at least six and not more than thirteen individuals. One third (or the number nearest) of the Trustees, excepting those being elected or retiring, must offer themselves for re-election at each AGM, with those longest in office retiring first and the choice between any of equal service being made by drawing lots.

At the AGM in November 2023 Fran Bristow stepped down as a Trustee after five and a half years' service. Fran used her NHS and strategy experience to make a big contribution during her time as trustee. Fran will always be welcome at our sites.

One new trustee was appointed during the year. Laura Saksena brings experience in dementia and mental health settings at a strategic level. Laura was also appointed the Trustee Board Safeguarding Lead during the year.

Trustee Benefit:

Trustees of the Charity do not receive any benefits from their position. Trustees are entitled to reclaim travel and other reasonable expenses incurred in their duties. No Trustees made a claim in the 2023/24 period (22/23: nil). The charity pays for trustee indemnity insurance.

Trustee Induction and on-going training:

All Trustees are provided with a detailed role description and given informal guidance and support regarding their role from the Chair and Vice Chairs of Trustees. All new Trustees receive a copy of the NCVO Good Trustee Guide. Trustees are encouraged to attend training to help them in their roles.

Trustees' Responsibilities:

The Trustees are responsible for the strategic direction of the Charity, setting its aims and monitoring progress towards these. Day to day management is delegated to the Director.

Trustees' Meetings:

The Board of Trustees have met seven times during the year. The Officers sub-group met a similar number of times during the year.

Trustee Sub-Committees:

During the financial year, two of the three Trustee Sub-Committees met periodically. These Committees are Finance and Governance (Chair: Jon Sherman) and Services and People (Chair: Anne Sykes). The Fundraising Sub-committee held its first meeting in May 2024 (Chair: Natasha Ratter)

OBJECTIVES

Objects:

The objects of the Charity as set out in our governing document are:

To promote the physical and mental health of the residents of the Boroughs of Lewisham, Bromley and other South London Boroughs, in particular by providing:

(a) a community garden where horticulture is used for therapy and rehabilitation;

(b) the protection and preservation of the environment for the benefit of the public by the conservation or promotion of biological diversity through:

SYDENHAM GARDEN: TRUSTEES' ANNUAL REPORT & FINANCIAL STATEMENTS

(i) the provision, conservation, restoration or enhancement of the natural habitat in Sydenham Garden;

(ii) the maintenance or recovery of a species in its natural habitat in Sydenham Garden.

(c) opportunities for training for work and education; and

(d) opportunities for artistic and creative expression

Mission Statement:

Sydenham Garden aims to transform lives through therapeutic activities, enabling people to move forward in a supportive community environment. We aspire to be a diverse, inclusive, sustainably funded, quality assured organisation. We will continue to develop a range of high quality and inspiring activities and opportunities for the local community, primarily for those experiencing mental ill health or other significant illness.

Public Benefit:

To achieve our objects, Sydenham Garden provides services to the people of Lewisham, Bromley and other South London boroughs that improve their mental and physical health, and their quality of life and provide opportunities for social interaction.

Sydenham Garden's Trustees confirm that the activities of the Charity are carried out in line with its objects, for the benefit of the public, and the impact of our work on our beneficiaries is a key criterion when deciding what activities to undertake and how best to achieve our mission. Sydenham Garden's Trustees therefore confirm that they have complied with the duty in section 4 of the Charities Act 2006 to have due regard to the public benefit guidance published by the Charity Commission in determining the activities undertaken by the Charity.

During the year, we developed a new multi-year strategic plan to guide us until 2027. The strategic plan was developed through several sessions involving trustees, staff, volunteers and co-workers. The strategic plan, which was approved by the Board in September 2023, includes six sections: Our Activities, Our Learning and Sharing, Our Volunteers, Our Environment, Supporting Our Activities and Resourcing Our Activities. Four overall strategic aims are:

1. To develop Sydenham Garden services to reach a larger cohort of co-workers
2. To continuously improve the effectiveness and impact of Sydenham Garden's activities
3. To solidify and diversify Sydenham Garden's funding sources
4. To increase Sydenham Garden's diversity at all levels.

During the year we completed reports for our funding from a range of sources including Lewisham Council, Together for Mental Wellbeing, South-East London Mind, City Bridge Foundation, Mercer's Company, Henry Smith Charity amongst others. At the end of the year, we conducted surveys of our co-workers (56 respondents in total) and volunteers (36 respondents in total), with the following results:

Adult Mental Health groups are run for people recovering from ill-health in Lewisham and the surrounding boroughs. People were referred to us through Lewisham Wellbeing Hub, by secondary mental health services, or via primary care services from other boroughs. All groups have social, therapeutic, creative and training based activities at their core.

Sow & Grow groups are for people in the early stages of Dementia and the Families group is for people in the early stages of Dementia and their carers. People were referred to these projects by the Lewisham Dementia Support Hub. Groups also have social, therapeutic and creative activities at their core, and

SYDENHAM GARDEN: TRUSTEES' ANNUAL REPORT & FINANCIAL STATEMENTS

underpin the activities with Cognitive Stimulation Therapy (CST), which is an evidence-based approach to treating dementia.

School sessions are delivered to four classes (aged between 6 and 18) of Brent Knoll specialist school on a weekly basis and two classes of Greenvale school on a weekly basis during term time.

Clubs are led by a staff member or volunteer and are open to all current and past co-workers as well as other staff and volunteers. In December, we were excited to become part of Lewisham Local's 'Warm Welcomes' initiative for the first time, which saw our clubs transform into welcoming spaces for new visitors to the gardens. Warm Welcomes were set up to support individuals affected by increased living costs in winter. We secured a grant of £5,500 to deliver Warm Welcomes sessions from December to the end of March 2024 and had 472 visits to the groups over this time.

February saw the design and delivery of an intergenerational LGBTQIA+ History Month project, *Supportive Herbs*. Intertwining our 18-25-year-old's group, m. u. d. with elders from the LGBTQIA+ community, we decided upon a project that revolved around medicinal herbs. We explored our nature reserve, spent considered time with wild herbs, and conducted research at Chelsea Physic Garden. Filmmaker, Jack Hogan, composed a 28-minute film collaging our research and intergenerational conversations together. Screening this to the public, and exhibiting our botanical art, gave us the chance to meet new people from this community.

In partnership with Trinty Laban we held summer, autumn and winter series of dance for wellbeing workshops open to our current co-workers. Eighteen co-workers took part in the dance sessions which received very positive feedback. One co-worker said: "I can't tell you how much this experience has helped my mental and physical health."

In total, we received 277 total referrals during the year and 241 co-workers attended at least one session.

We were pleased to hold summer and winter plant sales, the De Frene Summer Festival, and participate in Sydenham Artist's Trail during the year. Co-workers and volunteers actively participated in these events, showing friends, family and local community members around our sites and selling tea, coffee, cake, food, plants, produce and craft items. We also held six bring and share community lunches during the year, attended by co-workers, past co-workers, volunteers and staff, receiving excellent feedback about these opportunities to participate actively in the Sydenham Garden community.

We also hosted four corporate groups during the year with 50 people participating in activities. The groups undertook work on both of our sites including constructing a new wildlife pond; replacing two of our raised brick planter beds with new timber beds; building a new wood store and cleaning the greenhouse. This year, we had a total of 93 hire bookings, including church meetings, children's nature parties, reiki workshops, art workshops and charity training. We generated income of £12,000 from corporate days and venue hire which supports our charitable work.

FINANCIAL REVIEW

The charity planned to spend more than its income for the year in order to support both restricted and core projects. This was made possible by using leftover unrestricted reserves from the Covid period. Consequently, the charity spent £16,085 more than its income (compared to a deficit of £140,570 in

SYDENHAM GARDEN: TRUSTEES' ANNUAL REPORT & FINANCIAL STATEMENTS

2023). The total income for the year was £429,703 (compared to £343,762 in 2023), and total expenses were £445,788 (compared to £484,332 in 2023). Despite this, the charity is continuing to make progress in delivering its services.

Reserve Policy

The Trustees continued with a policy of maintaining an unrestricted reserve of approximately six months of operating costs (approximately £241k in the 24/25 financial year), which they consider remains appropriate given the challenges and uncertainties facing the charity. The total reserves as of year-end were £228,383 which is less than six months of the operating cost. The charity is expected to achieve the target reserve through the new fundraising strategy to bring more multiyear funding. The charity holds a restricted reserve of £310,707 on fixed assets: this non-cash item is depreciated every year as set out in the accounting policies.

Progress since the end of the year:

- Lauren's Goddard's post was upgraded to m.u.d Project Lead from 1 April 2024.
- Clare Phipps joined as Sow & Grow Sessional Worker on 11 April 2024.
- Ollie Moss joined as Head of Services on 20 May 2024.

In total, we currently have 17 members of staff, three full-time, twelve part-time and two on-call.

Risk Management

The trustees have assessed the major risks to which the charity is exposed. Strategies continue to be developed to mitigate these risks and are reviewed by the Trustees at board meetings.

We have secured £342,000 of the budgeted income of £483,000 for the year 2024-25 (as at June 2024).

We have funding applications totalling £265,000 currently being considered by a variety of funders. In addition to this, all secured grants and Service Agreement funds continue to be received such that 71% of 24/25 projected grant income for the year has been secured.

The charity's initial budget for 2024-24 indicated a surplus of £1,924 for the year.

During the year we have engaged the services of a Freelance Fundraiser and developed a multi-year funding strategy.

We have been awarded a £125,000 endowment fund from the Edward Gostling Foundation. Terms state that for five years the capital and/or interest from the endowment fund must be used to ensure our reserves meet our policy of six months operating costs at the end of the each year. After five years, the restrictions lift and trustees may decide how to use the endowment fund, while meeting Charity Commission rules.

We have also been awarded a grant of £278,000 over three years from the National Lottery Reaching Communities Fund. The grant will start on 1 September 2024.

Banking Arrangements:

CAF Bank remains our banker. Funds are placed in the Gold Savings account with an arrangement that a balance of £1,000 is maintained in our current account at the end of each day.

Accountants

Carleys were re-appointed as the charitable company's accountants at the last AGM. A resolution to re-appoint Carleys for the ensuing year as independent examiner will be proposed at the 2024 AGM.

The report has been prepared having taken advantage of the small companies exemption in the Companies Act 2006

Approved by the Trustees on 19 November 2024 and signed on their behalf by:

Julia Brandreth (Chair)

INDEPENDENT EXAMINER'S REPORT

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF SYDENHAM GARDEN FOR THE YEAR ENDED 31ST MARCH 2024

I report to the charity trustees on my examination of the accounts for the year ended 31st March 2024 which are set out on pages 13-21.

Respective responsibilities of trustees and examiner

The Charity's Trustees and also its directors for the purposes of company law are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act"). They consider that an audit is not required for this year under Section 144 of the Charities Act 2011 ("the 2011 Act") and that they are eligible for an independent examination.

It is my responsibility to:

- examine the accounts (under S145 of the 2011 Act)
- follow the procedures laid down in the General Directions given by the Charity Commissioners (under S145(5)(b) of the 2011 Act): and
- state whether particular matters have come to my attention

Basis of independent examiner's statement

My examination was carried out in accordance with the general directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiner's Statement

In connection with my examination, I confirm that no material matters have come to my attention giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act: or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a "true and fair view" which is not a matter considered as part of an independent examination: or
4. the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST MARCH 2024****1. Accounting Policies**

The financial statements have been prepared under the historical cost convention and in accordance with FRS 102, the Statement of Recommended Practice, Accounting and Reporting by Charities (SORP FRS 102), applicable accounting standards and company law. The charity is a public benefit entity. The principal accounting policies adopted in the preparation of the financial statements are as follows:

Incoming Resources

Charitable trading activities: income is included in the period in which the Charity is entitled to its receipt.

Donations and Grants

Income from donations and grants is included in incoming resources when these are receivable. Income is also included when the charity is entitled to it, when it is probable it will be received, and the amount can be measured reliably. The exception is as follows:

When donors impose conditions which have to be fulfilled before the Charity becomes entitled to use such income, the income is deferred and not included in incoming resources until the pre-conditions for use have been met.

Resources Expended

Resources expended are included in the Statement of Financial Activities on an accruals basis, inclusive of any VAT which cannot be recovered. All support costs are included under "charitable activities" rather than apportioned between each of the charity's activities (such as fundraising), as such an apportionment would result in small, immaterial amounts attributable to non-charitable activities. The costs and time involved of calculating such an apportionment would vastly outweigh the usefulness of doing so.

Pension Costs

The Charity participates in a defined contribution scheme.

Tangible Fixed Assets

Tangible Fixed Assets are depreciated by reference to their estimated useful lives. The rates are:

IT and garden furniture, garden equipment, bee hives, water tank, floodlights and bicycle	33%	straight line basis
Canopy sail and water irrigation system	20%	straight line basis
Other equipment, fencing, buggy, heat source pump, PV panels, air conditioning, greenhouse electrics and office furniture	10%	straight line basis
De Frene greenhouse, hub, education hub, compost toilet, solar kit, path shelter and sheds	10%	straight line basis
Wynell Road Garden Buildings	Length of lease	straight line basis
De Frene Lease	Length of lease	straight line basis

Funds Accounting

Funds held by the Charity are either:

- Unrestricted - these are funds which can be used in accordance with the charitable objects at the discretion of the Trustees.
- Designated Unrestricted – The trustees intend to investigate expansion of services and physical space.
- Restricted - these are funds that can only be used for particular restricted purposes within the objects of the Charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.
