TRUSTEES' REPORT (INCLUDING DIRECTOR'S REPORT)

FOR THE YEAR ENDED 31 MARCH 2025

The trustees are pleased to present their annual directors' report with the unaudited financial statements of the charity for the year ended 31 March 2025, which are also prepared to meet the requirement of a directors' report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their annual accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

St Martin's Centre was completed in 2006 and is a large, bright space consisting of four multipurpose rooms, a coffee shop, a kitchen, nursery and a church. Situated on the border of Byker and Walker in Newcastle upon Tyne, the centre provides a facility which is used by all sections of this community as a safe meeting and learning place.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects as set in the Governing Document are:

- to promote the physical, intellectual and social development of young children, particularly those who are disadvantaged, to ensure that they are ready to flourish when they go to school;
- to promote the benefit of the inhabitants of the City of Newcastle upon Tyne, and in particular the East End of that City (the area of benefit) by associating together the local inhabitants and the local authorities, voluntary and other organisations in a common effort to advance education and to provide facilities in the interests of social welfare for recreation and leisure time occupation with the object of improving the conditions of life of the said inhabitants;
- to advance the Christian religion;
- to establish or secure the establishment of a Community Centre and to manage and to maintain the same and to do all such things as are usually carried out in such a centre in furtherance of these aims.

The Charity fulfils these objects by:

- The delivery of children's services specifically for the local community in liaison with partners, including Children and Families Newcastle East, through which the Charity seeks to provide opportunities for personal and social development of children and their families to address issues that affect their lives and maximise opportunities for children.
- The provision of quality childcare in St Martin's Centre Nursery, providing term time day care for local children aged between two and five.
- Providing volunteering and training opportunities, principally in the coffee shop and nursery, to help local people move closer to employment, increase their skill set and confidence levels.
- Delivering a wide timetable of activities for older people, providing a welcoming environment where people feel supported and new friendships are made.
- The provision of outreach support to those who are most vulnerable in our community, and the provision of food parcels for families and individuals in their times of need
- Working in a wide number of partnerships, including statutory bodies and other voluntary sector organisations, and in consultation with the local community to provide facilities and activities to increase awareness and opportunities for residents of all ages.
- St Martin's Centre incorporates St Martin's Church and the centre works in partnership with the church, although the charity does not promote any religion and the centre is welcoming to people from all faiths or none.
- In addition to delivering the Charity's own activities and services, space within the centre is also available to hire by local organisations, thereby maximising the use of the space and providing the best possible facilities for local residents. The Charity aims to include services and activities for all age ranges, cultures, circumstances and abilities.

The mission of St Martin's Centre Partnership is to work with local people to live happy, healthy and safe lives.

FOR THE YEAR ENDED 31 MARCH 2025

Significant activities

The trustees approved a revised business plan, which outlined the programme of activities and development areas for the year. This focused mainly on the continued support for the community during the ongoing cost-of-living crisis and the development and adaptation of projects to respond to the needs of our community. These are highlighted in more detail below:

Children and families

Following the 'outstanding' judgement in July 2022, St Martin's Centre Nursery has worked hard to maintain the same level of service, maximising the opportunity for children to reach their potential and be in the best possible position to start school. The number of children with special educational needs continues to be high compared to pre-pandemic levels and we employed a SENCO Leader and a specialist SEN Early Years Practitioner during the year to provide one-to-one focused activities with the children in the nursery and ensure each child can access the maximum amount of support available during their time with us as well as providing support to the families. Daily attendance at the nursery is good, with an average attendance of 82% for the year.

We have continued to offer a 'Stay and Play' session for parents with young children funded from our reserves. This has been well attended during the year, with an average of 30 each session.

Volunteering

Volunteers receive a full induction and training, relevant to their role in the centre. Opportunities are available in the coffee shop, nursery, older people's groups and young children's activities. We are a small staff team and recognise that without volunteers we would not be able to offer the wide range of services and activities that we do. We also understand the beneficial impact volunteering has on the volunteers themselves, with improved confidence, feelings of wellbeing and skills gained. An amazing 1,796 hours (2024:993 hours) were donated by volunteers in the year, equivalent to 1 FTE post.

Older People and Befriending and Wellbeing project

We offer a full in-house timetable of activities for older adults, including exercise classes, social groups, IT support groups, hot meal provision and trips and excursions. During the year, the provision of physical activities was expanded to include line dancing and stretch, with ongoing classes including chair-based exercise, Zumba Gold, Tai Chi and Gentle Circuits. On average, we welcome 115 (2024:76) older adults to the groups each week. This work is funded by the Kellett Fund through the Community Foundation serving Tyne & Wear and Northumberland, with the expansion of physical activities funded by the Pargiter Trust, together with the Pamela and Dorothy Denham, Joseph Brough Charitable Trust, Brian & Margaret Thompson and Pamela Denham Grassroots funds, all through the Community Foundation serving Tyne & Wear and Northumberland.

We are into our final year of funding from Henry Smith Charity to develop and deliver our Befriending and Wellbeing project, which was identified as a need through our outreach work during the pandemic. The project continues to do well, with social prescribers referring those most in need for friendship and support in their own home. The funding also includes the continued provision of food parcels to families and individuals, with 540 (2024:613) parcels distributed in the year.

For part of the year, Search Newcastle funded our fortnightly Memory Tea sessions for those diagnosed with dementia. The group offered a variety of activities and trips, including pet therapy, drumming and singing sessions. This relaxed group was so beneficial, both to people living with dementia and their carers, that we have continued delivery of the group, funding it from reserves until alternative funding can be sourced.

The Avenue coffee shop

The Avenue is at the heart of the centre, offering affordable, delicious meals, snacks, barista coffees and drinks as well as a place to feel welcomed and make new friends. It also provides volunteering opportunities where local people can gain customer service and barista skills, as well as improving confidence and feelings of wellbeing.

Cost of living crisis

In February 2025, we received funding from Newcastle City Council to support our wellbeing hub. This has enabled the provision of free snacks and drinks in the coffee shop from March and into the new financial year, with 442 free snacks provided in the first month. We also generated fundraising from local businesses and at the Christmas Fair to supply Christmas hampers containing gifts, treats and food staples to 57 families most in need.

FOR THE YEAR ENDED 31 MARCH 2025

Public benefit

When planning the activities for the year, the trustees have regard to the Charity Commission's guidance on public benefit. St Martin's Centre runs activities and programmes for all age ranges and the services are open to all members of the local community.

The people accessing our services benefit directly through the services and activities we provide. Through participation in our programmes and activities they develop the skills and confidence to be able to make positive choices and are able to increase their living standards, health and wellbeing. Working with our staff they are able to identify barriers to success and develop the skills and strategies to overcome them and progress into education, employment, volunteering or training. They are able to form better relationships with peers and families and work towards contributing to the local community in a positive way. This also benefits the family and the local community.

Less than 1% of nursery income was received in the form of fees, highlighting the level of deprivation in the area we serve.

The Centre has arguably benefited the public more during recent times than at any other time in its history. People are increasingly in need following the pandemic and continuing cost-of-living crisis and we have extended our reach, been flexible in our delivery and secured sufficient funding to be able to carry this out.

Volunteers

St Martin's Centre has a volunteering policy in place, together with volunteer agreements and staff policies which also relate to volunteers. During the year we worked with 23 volunteers (2024:29), with 23 active volunteers at the year end. Currently we have 22 active volunteers.

ACHIEVEMENTS AND PERFORMANCE

Charitable activities

Our general activities within the centre are driven by the community around us in Byker and Walker, Newcastle upon Tyne, and we offer a wide range of activities for all age groups, such as the under-five play groups, nursery provision for two to five year olds, baby socials and breastfeeding support groups. For the over 55s, we offer a weekly nutritious, home-made lunch and social/support groups to tackle the key problem of social isolation amongst the elderly within Byker and Walker. We have extended our provision with our outreach Befriending and Wellbeing project, providing social support for people in their homes and the continued provision of food parcels to those most in need via referrals from social prescribers, schools, GPs and local organisations. We also offer a volunteering project, providing skill building, training and volunteering experience in a professional workplace for local people. We work closely with the Children and Families Newcastle East, targeting those families most in need of our services. We are a dynamic and evolving centre that looks to identify the need within our community and develop services appropriately.

FINANCIAL REVIEW

Financial dependency

St Martin's Centre continues to be impacted by the uncertainty of financial support to the voluntary sector and the cost-of-living crisis. However, the charity has received sufficient income to operate its essential services and support core costs, including from Newcastle City Council for Children and Families Newcastle East activities, room hire contributions and payments under government offers for nursery occupancy.

In addition to this income, the centre has benefited from the support of many funders in the year, including: Henry Smith Charity; Garfield Weston Foundation; Kellett Fund at the Community Foundation Tyne & Wear and Northumberland; Greggs Foundation; Ballinger Charitable Trust; Sir James Knott Trust; The Joicey Trust; 1989 Willan Charitable Trust through the Community Foundation Tyne & Wear and Northumberland; The National Lottery Community Fund; Shepherds Offshore; the Newcastle Wellbeing Hub Fund 2024/25 through Newcastle City Council; Pargiter Trust at the Community Foundation Tyne & Wear and Northumberland; Search Newcastle; Winn Group and the Pamela and Dorothy Denham; Joseph Brough Charitable Trust; Brian & Margaret Thompson and Pamela Denham Grassroots funds at the Community Foundation Tyne & Wear and Northumberland.

ST MARTIN'S CENTRE PARTNERSHIP

TRUSTEES' REPORT (INCLUDING DIRECTOR'S REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2025

Investment policy and objectives

The fund balances carried forward at 31 March 2025 show a surplus total of £415,827 (2024: £357,509). An operating surplus at 31 March 2025 amounting to £58,318 (2024: £3,361) is shown in the Statement of Financial Activities.

The majority of funds are expected to be spent in the short term, so there are few funds for long term investment; however excess funds are deposited in an interest-bearing instant access account and a six-month fixed rate deposit account.

Reserves policy

The Charity currently has a contingency fund of reserves and any interest accrued is applied to the work of the charity.

At 31 March 2025 the free reserves amounted to £266,795 (2024: £257,599). The trustees agreed a new reserves policy in May 2024, which comprises of a cessation reserve together with an income risk reserve. The cessation reserve includes potential redundancy costs and exit costs for leases and contracts and the income risk reserve is based on three months' worth of unrestricted running costs. These combine to give a target reserve at the year-end of £242.9k. We are holding reserves slightly above this level; however we expect the level of unrestricted reserves to fall in the new financial year, given the increased competition on funding streams, the continued impact of inflation and the cost-of-living crisis and the reduction in self-generated income from room hire.

Designated reserves

The trustees had previously designated £10,000 to spend on marketing and a new website. The majority of this has been spent, with the balance of £1,468 being carried forward for a further year to cover any remaining costs. In addition, the trustees have approved a designated reserve of £36,000 to cover specific repairs and maintenance costs in the coming year. These include the replacement of external doors, new outdoor flooring within the nursery gardens and refurbishment of the ladies' toilets. Designated reserves also includes the capital asset fund, which represents the net book value of assets purchased using specific grant funding.

Insurance

St Martin's Centre Partnership used Ecclesiastical Insurance plc as the main insurers for the year and Victor Insurance as the insurers for the nursery.

Political contributions

The Charity made no political contributions during the year.

Policy of payments of creditors

It is St Martin's Centre's policy to pay all suppliers within their settlement terms.

Pension Commitment

St Martin's Centre Partnership has a pension scheme arrangement with Royal London and makes employer's contributions to the scheme. Membership is offered to all staff and includes death-in-service cover. The company also has a NEST scheme to meet its auto enrolment duties.

PLANS FOR FUTURE PERIODS

A new project supporting early years children displaying speech and language delay started in April 2025. The three-year project, funded by The National Lottery Community Fund, focuses on developing and delivering activities for children and building trust with local families to maximise benefits to the children and the families as a whole.

We will also be focussing on securing continuation funding for our groups and activities for older adults, as the funding for these ends in the new financial year.

TRUSTEES' REPORT (INCLUDING DIRECTOR'S REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2025

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity's governing documents are its Memorandum and Articles of Association, which constitute the charity as a limited company, limited by guarantee, as defined by the Companies Act 2006.

The charity's full name is St Martin's Centre Partnership. It is a registered charity in the United Kingdom, Charity No: 1108131 and a company limited by guarantee, registered in England No: 05235539.

Recruitment and appointment of new trustees

Trustees may from time to time appoint a new member of the charity as a trustee, whether to fill a casual vacancy or by way of addition to the Board, provided that the appointment does not cause the number of trustees to exceed the maximum number allowed. Trustees are appointed for three years and are eligible for re-election for further three-year terms.

Organisational structure

The charity is managed by a Board of Trustees together with a Finance Sub-Committee. Both of these meet bi-monthly. The Chief Executive and Director of Finance and Business Development attend meetings of the Board of Trustees and the sub-committee but have no voting rights.

A scheme of delegation is in place and day to day responsibility for the provision of services rests with the Chief Executive. The Chief Executive is responsible for ensuring that the charity delivers the services agreed by the Board of Trustees and ensuring adequate support and supervision of the staff team.

Induction and training of new trustees

When recruiting trustees, the Board looks for individuals with skills and experience which are of value to St Martin's Centre and which may not be represented by existing trustees. Trustees are recruited through advertisement or by recommendation, personal invitation, representatives from partnerships, or from current or historic service users. Anyone wishing to become a trustee is required to undergo a check with the Disclosure and Barring Services (DBS) at enhanced level and sign a declaration that they are not debarred from holding office. After appointment all new trustees go through an induction led by staff and board members.

Key management remuneration

The trustees consider the board of trustees, senior staff and in particular the Chief Executive and the Director of Finance and Business Development as comprising the key management personnel of the charity in charge of directing and controlling the charity and running and operating the charity on a day-to-day basis. Other key personnel during the year include the Befriending and Wellbeing Manager and Nursery Manager. All trustees give of their time freely and no trustee remuneration was paid in the year. Details of trustee expenses, key management remuneration and related party transactions are disclosed in notes 9, 10 and 21 to the accounts.

Trustees are required to disclose all relevant interests and register them with the Chief Executive and in accordance with the charity's policy withdraw from decisions where a conflict of interest arises.

The pay of the charity's key management is reviewed annually. The remuneration is also bench-marked with charities of a similar size and activity to ensure that the remuneration set is fair and not out of line with that generally paid for similar roles.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The Chief Executive presents a risk register to the Board of Trustees annually. Services delivered to children, young people and vulnerable adults are risk assessed in accordance with the appropriate guidelines before commencement of any activity.
