The Oval Cricket Relief Trust

Trustees' report

For the year ended 31 December 2022

The trustees present their report together with the financial statements for the year ended 31 December 2022.

Objectives and activities

The Trust was formed on 11 March 2005 with the purpose of providing aid for the relief of poverty and financial hardship amongst people and communities affected by natural and man-made disasters such as earthquakes, hurricanes, floods, tsunamis, drought, fire, acts of war or terrorism, aviation, marine or on-shore occurrences or any other disaster anywhere in the world.

During its years of operation the Trust has granted over £890,000 of aid to projects in Sri Lanka, Grenada, Barbados, India and Haiti. The funds have principally been raised through the staging of high profile international Twenty20 cricket matches at the then Brit Oval, London, in 2005 and 2006. In addition, corporate and private donations have also been received for which the Trustees are very grateful. The Trustees will be pleased to receive further donations and legacies, and more information on the activities of the Trust can be obtained by contacting the Kia Oval. While there have not been any fund-raising matches since 2006 it is envisaged that fixtures will take place in future years.

During the year the charitable objectives have been updated to:

The advancement of education including (without limitation) the education of the people and communities affected by natural and man-made disasters, including physical education.

To promote the public benefit by the provision of facilities for recreation and leisure, in the interests of social welfare and with the object of improving the condition of life of persons who have need of such facilities by reason of their youth or social and economic circumstances including (without limitation) in countries affected by natural and man-made disasters.

Procedures and policy for grant making

The trustees normally meet three times a year to consider what grants they will make and to review any feedback they have received.

The Trustees have a policy, which is communicated to all beneficiaries, that they normally make one-off grants with no guarantees of future funding.

The Trustees always seek feedback on the actual use of the grants given and the achievements made. The explanations and feedback received are sufficient for monitoring the quality of grants made.

The financial affairs of the charity are handled by Kennington Oval Limited on a pro-bono basis.

Structure, Governance and Management

Organisation

The charity is managed by the trustees, as stated in the Articles of Association.

Risk management

The Trustees have reviewed the major risks to which the Trust is exposed. The Trustees aim to review these risks on an annual basis and will be seeking to identify means of managing the potential impact on the Trust should any of the risks materialise.

Public Benefit Statement

The charity is a public benefit entity. The Trustees have a duty to report on the 'public benefit' from charitable activities by explaining the significant activities undertaken, their objectives and their achievements. Due regard has been paid to the public benefit guidance published by the Charity Commission.

Achievements and performance of the Trust

Since inception the Trust has raised over £1 million for the purpose of providing grants in accordance with its aims. It continues to support activities in Sri Lanka, the Caribbean, India, Pakistan and other areas affected by both natural and manmade disasters.

Financial Review

The Charity received income of £100,068 in its general fund which includes an £100,000 donation from Surrey County Cricket Club. The Charity had a net expenditure of £45 in 2022. In 2021 the Charity had net expenditure of £25,000. At year end the general fund balance was £115,432 (2021: £15,364).

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime. In accordance with the exemption, no Strategic Report is required to be prepared.

Investment policy

The Trustees have the power to invest in such assets as they see fit. For the time being the Trustees intend to hold surplus cash in short-term deposits.

Reserve policy

Given the nature of the charity's principal activity the Trustees do not consider that it is necessary or appropriate to accumulate long-term reserves.

Fund Policy

All funds held are unrestricted and may be applied for any charitable purpose at the discretion of the trustees in accordance with the governing documents.

Reference and Administrative Details of the Charity and its Trustees

The Trustees who served during the year and up to the date of signing are as follows:

Independent examiner's report to the trustees of The Oval Cricket Relief Trust

Independent examiner's report to the trustees of The Oval Cricket Relief Trust

I report to the charity's trustees on my examination of the accounts of The Oval Cricket Relief Trust ('the company') for the year ended 31 December 2022 which comprise the statement of financial activities, the balance sheet, the statement of cash flows, principal accounting policies and the related notes 1 to 9.

This report is made solely to the charity's trustees, as a body, in accordance with: section 145 of the Charities Act 2011 and regulations made under section 154 of that Act. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for my work, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the charity's trustees (and also its directors for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act"). You are satisfied that your charity is not required by charity law to be audited and have chosen instead to have an independent examination.

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination I have followed the directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The Oval Cricket Relief Trust

Principal accounting policies For the year ended 31 December 2022

Basis of accounting

The Oval Cricket Relief Trust, a public benefit entity, is incorporated in the United Kingdom and registered in England and Wales as a company limited by guarantee not having a share capital. The address of its registered office is The Oval, Kennington Oval, London, SE11 5SS.

The financial statements are prepared under the historical cost convention, in accordance with the Statement of Recommended Practice 'Accounting and Reporting by Charities (SORP 2019)' applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), effective 1 January 2019; and the Companies Act 2006.

The principal accounting policies adopted in the preparation of the financial statements are set out below.

Going Concern

The charity has no overheads and the small governance costs are met by Kennington Oval Limited. The charitable objects are met through the raising of funds through charitable cricket events and designating grants from funds raised. There are no on-going legal commitments to donations or grants. The charity has net assets of £115,432 (2021: £15,364), which is comprised of cash at bank and on hand. During the year the charity has incurred support costs of £45. After making adequate enquiries, the Trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for at least the next 12 months. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

Income

Donations and gifts

All monetary donations and gifts are included in full in the statement of financial activities when receivable, provided that there are no donor-imposed restrictions as to the timing of the related expenditure, in which case recognition is deferred until the pre-condition has been met.

Legacies are included when the charity is advised by the personal representative of an estate that payment will be made and the amount involved can be quantified. They are included in the statement of financial activities.

Gifts-in-kind are accounted for at the trustees' estimate of value to the charity or sale value as follows:

- Assets received for distribution and resale are recognised, where practicable, when receivable or otherwise when sold; and
- Gifts of fixed assets for charity use or funds for acquiring fixed assets for charity use are accounted for immediately on receipt.

Intangible income, which comprises donated services, is included in income at a valuation which is an estimate of the financial cost borne by the donor where such a cost is quantifiable and measurable. An equivalent amount is charged as expenditure. No income is recognised when there is no financial cost borne by a third party. Voluntary help is not included as income.

The Oval Cricket Relief Trust

Principal accounting policies (continued) For the year ended 31 December 2022

Income (continued)

Donations under Gift Aid together with the associated income tax recoveries are credited as income when the donations are received.

Investment income

Investment income, including associated income tax recoveries, is recognised when receivable.

Expenditure

Expenditure is recognised when a liability is incurred. Contractual arrangements and performance related grants are recognised as goods or services are supplied. Other grant payments are recognised when a constructive obligation arises that results in the payment being unavoidable.

- Cost of raising funds are those costs incurred in attracting voluntary income, and those incurred in trading activities that raise funds.
- Charitable activities include expenditure associated with the staging of fundraising cricket matches and include both the direct costs and support costs relating to these activities.
- Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, e.g. allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage. Included within support costs are governance costs which include those incurred in the governance of the charity and its assets and are primarily associated with constitutional and statutory requirements.

Funds Policy

Income represents unrestricted funds which are expendable at the discretion of the trustees in the furtherance of the objects of the charity.

Critical accounting judgements and key sources of estimation uncertainty

In the application of the Charity's accounting policies, which are described above, the Trustees are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The Trustees do not consider there are any critical judgements or sources of estimation uncertainty requiring disclosure beyond the accounting policies listed above.
