Structure, governance and management

Description of the charity's trusts

Type of governing document (Deed/Constitution)	The Charity Trust Constitution – Trust Deed first adopted 22/3/2005 - Amended 11/5/2007
How the charity is constituted	TRUST
Trustee selection methods (eg. appointed by, elected by)	Approved and Appointed by Board of Trustees Should be a regularly contributing donor for at least 12 months, before nomination and should continue with standing order of a minimum £30/month

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

All Trustees are non-paid volunteers. They remain amongst the largest donors by Standing Orders to the Trust as well. They take part in various activities of the trust, and all are regular donors paying monthly standing orders.

The Board of Trustees holds fairly regular monthly meetings (**on average 10 meetings per year – these have been less face to face during Covid-19 Pandemic, and created a Whats-up group for the Trustees that offered meetings and discussion platform not only during the Covid period but continues currently, even after the return to face-to-face board meetings**). There are sometimes, additional ad hoc emergency meetings, though these have been superseded by the the virtual board meetings. Other individuals (non-trustees) **IMAN Trust Friends** who support the Charity Trust financially, and/or participate in organising and supporting various activities in the Trust may sometimes attend the meetings ad hoc, unless confidential matters are going to be discussed. Since 2013, the meetings were more restricted to Trustees, except when necessary, to enable reaching decisions and avoid engagement in lengthy discussions by large number of attendees. The Imam and Caretaker attend ad hoc meetings when necessary as invited by the Secretary. A youth representative also attends ad hoc.

Additional people are allowed to attend according to topics on the agenda, and when no matters of confidentiality are discussed.

Only Trustees are eligible to vote on matters that require voting.

To enable the day to day management and execution of actions, based on those Trust Board decisions, a management structure is approved by the Board of Trustees to include the following:

Charity Trust Chairman (Honorary role) -resigned Spring 2021
Charity Trust Secretary
Charity Trust Deputy Secretary
Charity Trust Finance Officer
Charity Trust Deputy Finance Officer and co-signatory

In the year 2017-18, we expanded "designation of specific roles" to different Trustees to make the best of their contribution and specialist interests:

Charity Lead Trustee for Maintenance & Repairs
Charity Lead Trustee for Administrative Duties & Human Resources
Charity Lead Trustee for Liaison
Charity Lead Trustee for Education & Schooling Activities

The Board also sanctioned that at least 2 Trustees one of them is either the secretary, deputy secretary or finance officer can take decisions on urgent matters, and later bring it to the board of trustees at the earliest opportunity to second and approve.

Trustees are advised to have Standard Criminal Record Clearance. In fact by virtue of their professions (doctors), the majority have 'Enhanced' CRC anyway.

Section C	Objectives and activities
------------------	----------------------------------

<p>Summary of the objects of the charity set out in its governing document</p>	<p><i>To advance Islamic religion by establishment of an Islamic centre & facilities for the practice of religion of Islam and its duties for the Muslim community, and to provide for community activities.</i></p> <p><i>Advancement of Islamic education by provision of facilities for Islamic education for children & adults.</i></p> <p><i>Promoting religious harmony & positive citizenship with all other religions and different constituents of the community that collectively enrich the society in a successful multicultural society.</i></p> <p><i>Provide an informed point of contact for advice when possible on Islamic religion and public harmony and citizenship to local public bodies such as Schools, the Council & the Police or the public at large.</i></p>
<p>Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)</p>	<p>This year (17 Feb 2022 – 16 Feb 2023), was, again like last year, very different from the previous years. There were much fewer community based activities.</p>

Additional details of objectives and activities (Optional information)

<p>You may choose to include further statements, where relevant, about:</p> <ul style="list-style-type: none"> • policy on grantmaking; • policy programme related investment; • contribution made by volunteers. 	<p>The target area of benefit is St Helens, Knowsley, Widnes & Halton, and the wider community overall. The area of practice is expected mainly to cover Merseyside, Cheshire & Lancashire.</p> <p>The charity's activities will include the provision of place for Islamic religious activities such as daily prayers & Friday Sermons, general charitable purposes, education and training for the local Muslim community and for the benefit of the wider community and general public such as promoting religious harmony. It is the Trust's intention and aim to promote the spirit of citizenship and religious harmony between all religions and to celebrate the multicultural contribution in enriching the common society for all. The means to this will include primarily the provision of buildings, facilities and materials. This will also include advocacy, advice and information.</p> <p>The Iman Trust Islamic Centre was privileged by having its first Imam (religious minister), whose first tongue is English and is an eloquent speaker. The first Imam limited his activities to the school and was replaced in 2018 by another eloquent Imam, whose first tongue is English and who was educated in the UK. The second Imam left our Trust and mosque late in 2022. Once again we endeavoured to replace him with equally eloquent Imam, and we were successful in recruiting a young person who was born and educated in the UK, who spoke eloquent English. The medium of instruction in the Centre is English, though other languages such as Arabic and Urdu are also catered for when needed for facilitating users' needs. Arabic is also taught because of its importance for understanding the Quran.</p> <p>The Imam facilitates the religious activities and conducts the prayers and gives the Friday Sermons. However, the educational activities were not restricted to this, but were enriched by various speakers and organisers as necessary.</p>

**Summary
of the main
achievements of the
charity
during the
year**

ACTIVITIES, PERFORMANCE & EVENTS 2022-2023:

In the year February 2022 - February 2023 the Trust continued to build on the previous years' successes with further activities to fulfil the Charity's aims, objectives and ambitions. When possible, the Trust concentrated on the activities that received the highest rating by feedback and popularity as well as those that provide the most benefit to the users and the overall society.

But the overall activity this year, like the year before, were limited due to various reasons.

PREMISES & FACILITIES and their uses:

The Trust's facilities provide the main Mosque / Masjid facilities locally and an Islamic Educational Centre.

The premises of the Iman Trust Centre has the following facilities:

Main Hall (for Prayer sermons, Lectures, and Study Days)

Side Hall (for women prayer and other private activities)

Small Office (for administration)

Male & Female & Disabled Toilet, Shower & Wudu facilities

Small kitchenette (for small services, hot drinks, warming food etc..)

Leisure & Sports Hall/Conservatory (for kids activity, functions, space)

Porch (for shoes storage, and leaflet stands)

Car Parking Facility for over 24 cars, including 2 disabled pays, and an internal overflow parking facility for additional 10-12 cars. All marked.

There is also full security facility with flood lights and 24 hours CCTV as advised by the Merseyside police, and regularly inspected. Recently it has been recommended by the police to consider an upgrade to this in the near future, which may benefit from some help under the provisions of Security of Places of Worship Programme.

The building is fully compliant with safety & fire regulations and passed previous inspections in this regard. The internal car parking facility help prevent creating parking inconvenience to neighbours, and we also give permission for its use to St Helens Council during special functions such as on bonfire night for the benefit of the local community of St Helens. The Councils' Sutton Leisure Centre and Sutton Academy reciprocally allow the users of our centre to use their Car Parking Facilities as an overflow parking, especially during large functions such as Friday Congregational Prayers and Eid Events.

In addition the piece of land that the Trust gift-lent (dedicated) to the Local Council free of charge to complete the public footpath was also finished to the benefit of the public at large. The Fence & gate were erected in consultation with the local police advice. The last of the major building work involved the internal conversion of the main premises into a large hall as per the building regulation. Additional work involved security CCT and lighting, broadband connection and Audio Visual facilities necessary for the running of education activities. Bird boxes were previously installed to promote the environment and further trees were implanted.

Currently there are plans to modernise the building that are still in the discussion and planning process. Fundraising for the project has just started ahead of plans in 2021.

We have also recently bought a nearby house to facilitate the imam's accommodation, save on rental expenses, and be a reserve asset for future modernisation of the centre.

PREVENT- Merseyside Inter-faith Forum & Other liaison with Merseyside Police:

Our Trust & Islamic Centre works in close partnership with Merseyside Police for the benefit of the wider community and for the safety and cohesion of the society. We have a longstanding activity record from representation on the previously held community diversity meetings to the interfaith forum first held on 3 June 2015 under PREVENT, and other relevant meetings. We also previously organised training sessions for Merseyside Police Officers to facilitate their work with the Muslim community. We also had social joint activities such as football matches in the past. We continue to keep open liaison and communication at least ad hoc, and we welcome all the advice and support we receive from Merseyside Police.

The month of Ramadan:

The month of Ramadan is a very special occasion for Muslims world-wide. It's a large annual event that provides an opportunity for reflection and help to the poor and needy. The amount of Charity giving in this month alone constitutes one of the largest charitable activities. It's also a month where Muslims like to be even closer to Allah with more prayers and observing the fasting from dawn to sunset every day for the duration of the month.

The year 2020-2021, Covid-19 left its mark on it, to be the first year not to have congregational Taraweeh Evening Prayers during the month of fasting – Ramadan. However, this year after (Feb 2021-2022) we managed to have a limited evening congregational prayers. There were also regular 2 hour lectures followed by Q&A, online on Zoom, on Saturdays and Sundays during the month of Ramadan in 2021-2022. This financial year Feb 2022-2023 (Ramadan fell in April 2022), and evening Taraweeh prayers were held in full congregation every night in Ramadan. Sheikh Mohammed Allam, an Egyptian Scholar from Azhar, conducted the Taraweeh prayers this year.

On 20th March 2022, a new initiative was launched by Masjid Bilal (London) and was made freely available to all our community members online through the month of Ramadan. This was "Quranic Diagrammatic Overview". Harnessing the technology and making the best of flexibility, by online provision, and unrestricted access and benefit, being free of charge. Thanks to Dr Usama Munir for facilitating this.

Another one, "A Guide to An Amazing Ramadan" was also made available online on Saturday 26th March 2022.

Various other selected material such as health advice for diabetics during Ramadan was also made available as links on the "Views and News Iman Trust" WhatsApp group.

During this Ramadan, we were able to resume our popular weekend sessions of having a collective (all families) iftar (breaking the fast and having the evening meal) in the Islamic Centre – mosque (St Helens), every Saturday during Ramadan. This is proceeded by a lecture by an invited speaker and Q&A session between the Asr and Maghrib prayers. Booking for up to 150 participants was made available to all community members on Evenbrite App, on the bases of first come first served. All events and meals were free of charge, and covered by voluntary donations by some members of the community and supplemented by the Trust.

Quran & Arabic Language Lessons:

In addition, the centre hosts regular weekly (Saturdays & Sundays) Quranic and Arabic Language Lessons which proved very popular, particularly amongst the young ones. The previous Imam heads the provisions of this educational activity, supported by the main Imam and other volunteer teachers. The organisation of this schooling activity is seen by the Trustee with responsibility for Education and School.

Other educational & training activities:

*Other educational activities, aimed at improving the character and conduct of the members of the Muslim community to be better citizens for the overall benefit of the wider society. This is a traditional educational activity central to Islamic teachings and prophetic tradition. It involves ad hoc **lectures or discussions** which are led by various established speakers from various parts of the country. Many of these were conducted during the month of Ramadan. Other **lectures and presentations** were conducted in the centre. Women's Quranic Lessons were also conducted, though ad hoc recently.*

This year Feb 2020-2021 seen a change in how this is provided. We created a community group on WhatsApp for Views & News and provision of advice.

Friday Khutba (weekly mass sermon):

*Perhaps one of the most outstanding activities is the regular **Friday Khutba (Sermon)** given by our eloquent and highly educated young Imam, which attracts over 120 people every week. Khutbas (religious lectures) which cover modern topics and subjects very important in building citizens' character which is integral to Islamic education. Islam provides a way of life, and the khutbas aim to deliver those messages.*

St Helens Muslim Community Eid Prayer & Event 2nd May 2022:

We were able to conduct the Eid prayers fully this year. There were 2 sessions to be able to accommodate all participants without causing over crowding.

DISCOVER ISLAM ACTIVITIES:

Over the past few years we continued on the major public awareness activities in partnership with museums and educational institutions.

Our lead trustee Dr Usama Munir who lead those pioneering activities supported by his family, sadly resigned from our Board of Trustees. But luckily for the wider community in the Merseyside, he continued to do these activities with various Islamic Trusts/Mosques rather than just with St Helens Trust. These activities included the Discover Islam events in museums, Know Your Muslim Neighbour projects, Mother's Day Primary Schools events and various other events. We are sad to lose him as the most active and innovative trustee, but we wish him all the best with his endeavours in serving the wider community.

A day in the Islamic Centre / Mosque:

1- For Primary Schools:

*The centre also caters for primary school visits as '**A Day in Islamic Centre/Mosque for Schools**'. This has been a successful, popular and ongoing activity for many years. Sometimes when particular school was unable to visit for logistics reasons, and preferred an event in their school, we offered that the Imam and suitably trained staff do the visit and the Q&A session.*

Fund Raising for the Iman Trust Islamic Centre:

We continue fund raising for the Iman Trust centre to meet its running costs and financial obligations. All Trustees and many IMAN-Trust Friends sat up standing orders donations. Users of the centre also donate regularly into the donation box or directly via the Trust bank accounts.

We opened fund raising for the planned future reconstruction of the centre. We have also introduced automated electronic stands for receiving the donations at the centre. This proved very successful and very popular.

Fund raising for national and international charitable projects:

In the past Friday Sermons provides an opportunity to make collections for other approved charities that are registered with the Charity Commission if they are UK based. These included support for natural disasters or refugees of war etc...We do not provide direct support, but allow select UK Registered Charities to occasionally collect during Ramadan or Friday sermons.

Working together with the local Metropolitan Councils:

We always liaise and work together with St Helens, Knowsley and Whiston MB Councils for the benefit of the wider community. For example the St Helens MBC helps with providing access to the Leisure centre Car Park during Eid sermons to avoid parking problems and we reciprocate this joint work by providing our Iman Trust Centre's Car Park for the MBC Parking services for the bone-fire event of fire workers every year on 5th November.

No major activity this year.

Obituary & Tribute: Muhammad Yusuf Pervez

With heavy hearts, the board of trustees received the sad news that the Trust's Secretary, and longstanding voluntary serving trustee, Dr Muhammad Yusuf Pervez, has passed away on Monday 27th November 2023, after patiently struggling with an illness for the past year. We say "***we belong to Allah, and to Him is our return***", and we pray to Allah the Almighty to grant him mercy and forgiveness, and accept him among the righteous.

Muhammad Yusuf was one of the original founders of this Islamic Community Centre and mosque. He worked tirelessly, on voluntary bases since 2005. He also served the wider community as a dedicated consultant psychiatrist. He is a kind and caring husband and father to one son and two daughters, and a proud grandfather.

May Allah have peace, mercy and forgiveness on his soul.

Section E

Financial review

Brief statement of the charity's policy on reserves

The Trust managed to collect enough funds to enable the repayment of all its original outstanding interest-free loans by 2015. The Trust will continue to endeavour to collect further funds to enable the Charity Trust to continue to improve the premises to accommodate the local public needs for the Trust's activities and aims. This will also be necessary for funding the various educational and public activities, and the appointment of the Imam or religious minister, and teachers. Funds will also be necessary for the utility & insurance bills & services.

The Trustees and the IMAN Trust Friends remain amongst the regular donors to the Trust, and they continue working in a voluntary capacity to minimise the Trust's expenditure.

Last year 2021 we purchased new house close to the centre for the accommodation of the Imam. This will allow the Trust to save on regular monthly rental expenses and provide an asset to help with the future rebuilding of the centre.

The Trust has not and does not depend on or receive any public funds except the Gift Aid claims which is provided to all registered charities in the UK.

Details of any funds materially in deficit

No outstanding interest-free loans since 2015.
