### Trustees' Responsibilities

The trustees, who are also the directors of Home-Start Southport & Formby for the purpose of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application or resources, including the income and expenditure, of the charitable company for that year. In preparing the financial statements, the trustees are required to:

- 1) select suitable accounting policies and then apply them consistently;
- 2) observe the methods and principles on the Charities SORP;
- 3) make judgements and estimates that are reasonable and prudent;
- 4) state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- 5) prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for the safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud or other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

## **Independent Examiner's Report To the trustees of Home-Start Southport & Formby For the year ended 31 March 2021**

I report on the charity trustees on my examination of the accounts of Home-Start Southport & Formby for the year ended 31 March 2021.

### **Responsibilities and basis of report**

As the charity's trustees of Home-Start Southport & Formby (and also its directors for the purpose of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act')

Having satisfied myself that the accounts of Home-Start Southport & Formby are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed all the applicable directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

### **Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe:

1. Accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. The accounts do not accord with those records; or
3. The accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
4. The accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## **Notes to the Accounts**

### **For the year ended 31 March 2021**

---

#### **1 Accounting Policies**

##### **1a Basis of preparation**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), and the Companies Act 2006 and the UK Generally Accepted Accounting Practice as it applies from 1 January 2015.

Home-Start Southport & Formby meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

The accounts have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for Charities applying FRS102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The functional currency used by Home-Start Southport & Formby is the £ Sterling.

##### **1b. Reconciliation with previous Generally Accepted Accounting Practice**

In preparing the accounts, the trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 the restatement of comparative items was required.

##### **1c. Preparation of the accounts on a going concern basis**

Income in the year exceeded expenditure by £66,3778. General Funds of £67,822 were equivalent to 5 months' expenditure. The trustees expect to have sufficient funds to meet liabilities as they fall due for at least 12 months from the date of the signing of the accounts. The accounts have therefore been prepared on the going concern basis.

## **Home-Start Southport & Formby Notes to the Accounts (cont.) For the year ended 31 March 2021**

### **1 Accounting Policies (cont.)**

#### **1d. Income**

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

For legacies, entitlement is taken as the earlier of the date on which either: the charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the Trust that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to Home-Start Southport & Formby, or Home-Start Southport & Formby is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed, if material, (see note 2).

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Dividend income is recognised when the right to receive payment is established, usually when the investment is declared ex-dividend.

#### **1e. Deferred income**

Income from donations and grants, including capital grants are deferred when the following conditions are met:

- a) when donors specify that donations and grants given to the charity must be used in future accounting periods, the income is deferred until those periods
- b) when donors impose conditions which have to be fulfilled before the charity becomes entitled to use such income, the income is deferred and not included in incoming resources until the preconditions for use have been met.

## **Home-Start Southport & Formby Notes to the Accounts (cont.) For the year ended 31 March 2021**

---

### **1 Accounting Policies (cont.)**

#### **1f. Donated services and facilities**

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and that the economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), the general volunteer time is not recognised and refer to the trustees' annual report for more information about their contribution.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

#### **1g. Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- a) Costs of raising funds comprise the costs of commercial trading.
- b) Expenditure on charitable activities includes the costs of performances, exhibitions and other educational activities undertaken to further the purposes of the charity and their associated support costs.
- c) Other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

#### **1h. Allocation of support costs**

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include back office costs, finance, personnel, payroll and governance costs which support the charities programmes and activities. These costs have been allocated between cost of raising funds and expenditure on charitable activities. The bases on which support costs have been allocated are set out in note 5.

## **Home-Start Southport & Formby Notes to the Accounts (cont.) For the year ended 31 March 2021**

---

### **1 Accounting Policies (cont.)**

#### **1i. Funds Accounting**

All income and expenditure together with gains and lossess are allocated to a specific charitable fund.

Unrestricted funds are available to spend on activities that further any of the purposes of the charity.

Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Further details of designated funds together with their purpose are set out in note 15.

Restricted funds are donations which the donor has specified are to be used solely for particular areas of the charity's work or for specific projects being undertaken by the charity. Further details of restricted funds together with their purposes are set out in note 16.

#### **1j. Tangible fixed assets and depreciation**

Tangible assets are stated at cost (or deemed cost) less accumulated depreciation and accumulated impairment losses. cost includes the original purchase price, costs directly attributable to bringing the asset into its working condition for its intended use, dismantling and restoration costs and borrowing costs capitalised.

The difference between depreciation based on the deemed cost charged in the Statement of Financial Activities and the assets original cost is transferred from revaluation reserve to the fixed asset fund.

plant and machinery and fixtures, fitting, tools, and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

Depreciation is provided at the following annual rates in order to write each asset off over its anticipated useful economic life. A full year's depreciation charge is charged in the year of acquisition and no depreciation is charged in the year of disposal.

Equipment	25% pa on a reducing balance basis
Repairs, maintenance and minor inspection costs are expensed as incurred.	

#### **1k. Debtors**

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

## **Home-Start Southport & Formby Notes to the Accounts (cont.) For the year ended 31 March 2021**

---

### **1 Accounting Policies (cont.)**

#### **1l. Cash at bank and in hand**

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

#### **1m. Creditors and provisions**

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

#### **1n. Taxation**

The charity is exempt from tax on income and gains falling within section 505 of the Taxes Act 1988 or section 252 of the Taxation of Chargeable Gains Act 1992 to the extent that these are applied to its charitable objects.

#### **1o. Pension costs**

The company operates a defined contribution plan for its eligible employees. A defined contribution plan is a pension plan under which the charity pays fixed contributions into a separate entity. Once the contributions have been paid the charity has no further payment obligations, the contributions are recognised as an expense when they are due. Amounts not paid are shown in creditors or accruals in the balance sheet. The assets of the plan are held separately from the charity in independently administered funds.
