**Independent Examiner's Report to the Trustees of Oiraysa Limited**  
**Year ended 31 January 2023**

I report to the trustees on my examination of the financial statements of Oiraysa Limited ('the charity') for the year ended 31 January 2023.

**RESPONSIBILITIES AND BASIS OF REPORT**

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**INDEPENDENT EXAMINER'S STATEMENT**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**Oiraysa Limited**  
**Company Limited by Guarantee**  
**Notes to the Financial Statements**  
**Year ended 31 January 2023**

**1. General information**

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is New Burlington House, 1075 Finchley Road, London, NW11 0PU.

**2. Statement of compliance**

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

**3. Accounting policies**

**Basis of preparation**

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

**Going concern**

There are no material uncertainties about the charity's ability to continue. Any deficiency in funding will ultimately be met by the Trustees personally.

**Judgements and key sources of estimation uncertainty**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

**Fund accounting**

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

**Incoming resources**

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured.

Income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

**Oiraysa Limited**  
**Company Limited by Guarantee**  
**Notes to the Financial Statements** *(continued)*  
**Year ended 31 January 2023**

**3. Accounting policies** *(continued)*

**Resources expended**

Expenditure is recognised as soon as there is a present obligation committing the Charity to pay out resources, it is probable that a transfer of economic benefits will be required in settlement and the amount can be measured or estimated reliably.

**Support costs**

Support costs are those costs which are common to all areas of the organisation. These are allocated across all areas of activity on the basis of the number of service users for each activity.

**Governance costs**

Governance costs are associated with the governance arrangements of the charity and relate to the general running of the charity. These costs include audit, legal advice for Trustees and costs associated with meeting constitutional and statutory requirements such as the cost of Trustee meetings and the preparation of the statutory accounts.

**Tangible assets**

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment.

No depreciation is provided in respect of land and building on the basis that, in the opinion of the Trustees, this accounting policy results in the Financial Statements giving a true and fair view.

**Depreciation**

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures and fittings	- 30% reducing balance
Equipment	- 20% straight line

No depreciation is charged on the freehold land and buildings owned by the Charity.

**Impairment of fixed assets**

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

**Oiraysa Limited**  
**Company Limited by Guarantee**  
**Notes to the Financial Statements** *(continued)*  
**Year ended 31 January 2023**

**3. Accounting policies** *(continued)*

**Financial instruments**

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.
