CAROLINA TRUST
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30 APRIL 2024

The Trustees present their report and the financial statements of the charity for the year ended 30 April 2024.

The financial statements have been prepared in accordance with the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (SORP FRS 102) published on 16 July 2014 (as amended by Updated Bulletin 1 published on 2 February 2016).

Comparative figures are for the year 1 May 2022 through 30 April 2023.

Objectives and activities

The objects of the charity are to advance the education of the students of the University of North Carolina at Chapel Hill ("the University") and particularly the students of its College of Arts and Sciences ("the College") and to promote the scholarly interests of the University and College faculty in England and Wales and elsewhere by;

- Assisting with the establishment and operation of a London Study Centre to serve the Students, Faculty, Alumni and academic units of the University and in particular the College;
- The provision of academic courses, lectures and programs in the history, culture, politics and society of the United Kingdom and Eire and other countries;
- Promoting relations between the College and the University and institutions of higher education and further education in England and Wales and elsewhere;
- Providing or assisting in the provision of grants or loans to Students, Faculty and academic units of the College and the University;
- Providing services and assistance to students from institutions of higher education in England and Wales and elsewhere enrolling to the University and in particular the College; and
- Assisting in the implementation of joint projects related to the academic mission of the University and the College and its partner institutions of higher education in England and Wales and elsewhere insofar as such projects are charitable.

The strategies employed to achieve these objectives include the following:

- To provide and maintain high standard living accommodation, high standard lecture and classroom facilities for the students by using independent organisations; and
- Promoting wider knowledge of the University and its aims by encouraging use of the facilities during vacations by students, lecturers and others.

When planning the activities of the charity the Trustees have considered the Charities Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of education. In particular, the charity aims to help students benefit from the social and cultural experiences gained from undertaking a period of study in the United Kingdom and operates Winston House with the primary objective of achieving these aims.

CAROLINA TRUST

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 APRIL 2024

Achievements and performance

The Trustees are pleased to report on a year in which the charity fulfilled its objectives. All funds received during the year have been applied in meeting the Charity's charitable objectives.

The Trust holds a lease relating to Winston House, 3 Bedford Square, London granted to it by the University of North Carolina at Chapel Hill Arts and Sciences Foundation. The Trust is funded by fees obtained from renting out classrooms and accommodation and from grants received from the parent entity. These rents and grants are used to maintain the buildings and infrastructure at Winston House. The use of the facilities at Winston House by an increasing number of institutions continues.

The trust has successfully let rooms in Winston House to third party organisations during the year and will continue to seek to increase the rental income it receives from the building.

Any surpluses arising from fees and grants are held for the general benefit of the charity's operations.

We have also developed several internships through our continued relationships with UNC Alumni based in London. These internships last for eleven weeks throughout the Fall and Spring academic terms and find our students benefitting from real world experience with a variety of organizations across London within sectors like Technology, Law, Non-Profit, Research, Public Relations, Finance, the Arts and Theatre. We are enormously grateful to our Alumni who make these terrific opportunities possible.

In addition to the Discovery Series, a variety of alumni receptions were hosted in the space through a variety of different departments within the University including the Gillings School of Global Public Health, Kenan-Flagler Business School, UNC School of Media and Journalism, UNC Department of Exercise and Sport Science, Phi Beta Kappa London alumni community, and the Morehead-Cain Scholarship Program.

To enhance the stay of our visiting faculty, remodelling works were undertaken in our onsite flat. Following consultation with an interior designer, all living room & dining room furniture was replaced in the style of mid-century modern. In addition, the lighting fixtures and fittings were upgraded in the living room and guest bedroom. Further flat improvements are planned with the installation of new carpet throughout due to take place prior to our Spring 2025 semester.

2023-24 was another exciting year at Winston House. Our Summer programming continued to grow and our London Calling program, for incoming freshman Honors students, returned for the first time since before the Covid pandemic. We once again hosted a summer program, on behalf of the Study Abroad Office, and we are in conversations to bring more of their programs to Winston House in the Summer of 2024. From here, we will continue to strive to grow our programming on-site in 2024-25 and ongoing.

2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

(c) **Preparation of the accounts on a going concern basis**

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2024

1. ACCOUNTING POLICIES (continued)

(q) Judgements and key sources of estimation uncertainty

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The following judgements (apart from those involving estimates) have been made in the process of applying the above accounting policies that have had the most significant effect on amounts recognised in the financial statements:

Useful economic lives of tangible assets

The annual depreciation charge for tangible assets is sensitive to changes in the estimated useful economic lives and residual values of the assets. The useful economic lives and residual values are re-assessed annually. They are amended when necessary to reflect current estimates, based on technological advancement, future investments, economic utilisation and the physical condition of the assets. See note 10 for the carrying amount of the property, plant and equipment, and note h for the useful economic lives for each class of assets.

There are no key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.
