TRUSTEES REPORT for the year ended 30 September 2024

The trustees present their report and the audited financial statements of the charity for the year ended 30 September 2024. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102) in preparing the annual report and financial statements of the charity.

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102). The charity is registered with the Charity Commission under Charity Number: 1109326.

Trustees of the charity

The trustees who have served during the year and since the year end were as follows:

Mrs Julieta Duque Cuartas
Mr John Mauricio Londono Rios
Mrs Lisbeth Vivian Zuleta Castro
Mrs Martha Lucia Martinez Garcia
Mrs Mayerlin Restrepo Chacon

Power to appoint trustees rests with the board of trustees, by reference to a process defined in the Articles.

Training of the New trustees

The charity recognises the requirement to keep Trustees current in order to best administrate the charity and give help and advice to the staff team. Training and updates from the Charity Commission will be given and circulated as frequently as possible.

Charitable objectives

The church opens daily and provides three different types of service; teaching, bible study and worship.

The charity currently operates from seven different sites as detailed in the information section.

The charity continues to endeavour to reach out to more people in the community and to make steps to open more branches to serve other communities.

Organisation of the charitable company

The Board of Trustees has five members administering the charity. The board meets every four months to discuss and take decisions on behalf of the charity.

Fundraising Practices

The charity does not carry out regular significant fundraising activities, the charity has always been blessed by regular generous gifts and regular standing order payments into the bank account.

Related parties

Two trustees receive remuneration for their work with the charity, J. M. Londono and J D Cuartas. Any connection between a trustee or senior manager of the charity with any contractor must be disclosed to the full board of trustees. In the current year no such related party transactions were reported.

Financial activities and results

The charity's collections rose from £857,9359 in 2023 to £1,219,367 due to the charity now having an additional church and holding more services throughout the year.

The charity's aim for the forthcoming year is to continue to grow and increase collections by expanding its London base and to set up meetings outside of the London area to make it possible for the charity to reach out to more people spiritually. The church has also acquired a new freehold property .The charity is also looking to set up more meetings in other parts of the United Kingdom in the coming year to meet growing demand.

Plans for the future

A full review of the charity's future plans and strategy can be found in the trustees annual report.

Public Benefit

the charity exists to proclaim the gospel by preaching in churches and halls to introduce people in the UK to Jesus Christ and operates across the nation so people can hear and learn of the teachings of Jesus Christ.

In compiling the report the trustees confirm that they have had due regard to the public benefit guidance issued by the Charity Commission.

The charity believes that the teachings it provides is a benefit to society and individuals through transforming peoples' lives and the impact on themselves,their families and society as a whole.

Reserves Policy

The trustees' policy is to aim to retain sufficient cash and liquid assets to meet commitments in case the charity ceases to operate. Wherever possible we would consider this to be 2 months salaries and overheads.

Investment Policy

There is a freehold reserve held to cover any unexpected costs in repair and improvement of the freehold property owned by the charity.

The charity does not hold any long-term investments or endowments. Cash surplus to monthly requirements is held in a savings account.

Risk Analysis

Risk management is the process of making and carrying out decisions that will minimise the adverse effect of accidental losses upon the charity. The risk management process is vital to the personal health and safety of employees and the safety of the public. In financial terms, it is vital to our ability to pursue our goals, commence and operate programs and events, and work out our charitable aim in an efficient and professional manner.

The trustees of the charity have put in place a risk management strategy to pursue our risk management goals and objectives. These goals and objectives include:

1. Avoiding exposure to accidental loss by not undertaking events, contracts or activities where the potential loss is greater than the potential benefit to be derived from these undertakings.
2. Preventing loss by identifying potential loss exposures and implementing policies and procedures to reduce risk of these losses occurring.
3. Controlling losses that occur by:
 - a. Developing contingency plans for possible loss scenarios
 - b. Proper documentation and investigation of losses
4. Raising the awareness of all Trustee board members, employees, and volunteers concerning risk management within the charity.

These goals and objectives will be accomplished by:

- a. Establishing a Risk Management Committee led by the chairman, whose responsibilities will be to implement, monitor, evaluate and revise plans to achieve our goals and objectives.
 - b. Financial risk management to be monitored on a continual basis by the executive staff and any risks forthcoming to be reported to the chairman of the trustees at the regular meetings.
 - c. Risk management is a standing item for discussion at each monthly team meeting.
5. Cooperation is needed from all trustees, employees and volunteers. Only by working as a team with common goals and objectives can we ensure the success of this risk management strategy and its part in working out our aims and vision.

Trustees responsibilities

The trustees are responsible for preparing financial statements in accordance with applicable law and United Kingdom generally accepted accounting practice.

Select suitable accounting policies and apply them consistently,

Make judgements and estimates that are reasonable and prudent,

Prepare financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue.

Auditors

A resolution proposing that G C Forest & Co be appointed as auditors of the charity will be put to the Annual General Meeting.

Trustees statement of disclosure to the auditor

We, the trustees of the charity who held office at the date of approval of these financial statements, as set out above, each confirm so far as we are aware, that:

- there is no relevant audit information of which the charity's auditors are unaware; and
- we have taken all the steps that we ought to have taken as trustees in order to make ourselves aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

By order of the board of trustees

John Mauricio London Rios / 14/03/2025 13:16 GMT.....

Iglesia De Dios Ministerial De Jesucristo Internacional

Independent Auditor's Report to the Trustees of Iglesia De Dios Ministerial De Jesucristo Internacional

Opinion

We have audited the financial statements of Iglesia De Dios Ministerial De Jesucristo Internacional for the year ended 30 September 2024 which comprise the Statement of Financial Activities, Statement of Financial Position, Statement of Cashflows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, Including, Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 30 September 2024 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the trustees' annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or the trustees' report.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is available on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Section 130 of The Charities Act 2011. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

IGLESIA DE DIOS MINISTERIAL DE JESUCRISTO

Notes to the Accounts

for the year ended 30 September 2024

1 Accounting policies

a. Basis of accounting

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), and the Charities Act 2011.

The financial statements are prepared on a going concern basis under the historical cost convention. The financial statements are presented in sterling which is the functional currency of the charity.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

b. Judgements and key sources of estimation uncertainty

In the application of the company's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

c. Critical judgements

The following judgements (apart from those involving estimates) have had the most significant effect on amounts recognised in the financial statements.

Impairments

The trustees review fixed assets for indications of impairment in conjunction with review of depreciation below. The charity has policies in place to review assets on an ongoing basis.

Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Land and buildings	No depreciation provided
Equipment	15% on written down value
Motor vehicles	25% on written down value

d. Going concern

These financial statements are prepared on the going concern basis. The trustees have a reasonable expectation that the charity will continue in operational existence for the foreseeable future.

The trustees have considered the level of cash, current assets held and the expected level of income and expenditure for 12 months from authorising these financial statements and reinforce decision making with forecasting, making allowance for all available information.

The trustees consider that the Charity's main activities are underpinned adequately by donations and income from charitable activities. After careful consideration and evaluation of current management information and forecasts they continue to adopt the going concern basis of preparation.

e. Income

Donations and other forms of voluntary income are recognised within the accounts when received.

Legacies are accounted for when notified. Income tax recoverable on gifts received is recognised in the period when the gift is received.

Income received in respect of the Gathering is deferred and released at the time of the event.

f. Investment assets and the income arising

Investment income is treated as income when received.

g. Fund raising

These costs are an allocation of expenses incurred.

h. Funds accounting

Funds held by the charity are:

(a) Unrestricted general funds - these funds can be used in accordance with the charitable objects at the discretion of the trustees.

(b) Restricted funds - these are the funds that can only be used for a particular restricted purpose within the objects of the charity. Restrictions arise when specified by the donor when funds are raised for particular purposes.

i. Pension costs

The charity operates a defined contribution pension scheme. Contributions payable to this scheme are charged to the profit and loss account to which they relate. These contributions are invested separately from the charity's assets.

j. Hire purchase agreements

Assets held under hire purchase agreements are capitalised and disclosed under tangible fixed assets at their fair value. The capital element of the future payments is treated as a liability and the interest is charged to the profit and loss account on the written down value method.
