Trustees' Annual Report for the period

From: 1st September 2024

To: 31st August 2025

Charity name: The Friends of Bell Farm School

Charity registration number: 1109386

Objectives and Activities

The primary objective of the Friends of Bell Farm School is to advance the education of pupils in the school by developing effective relationships between the staff and parents and engaging in activities that provide facilities or equipment which support the school and advance the education of the pupils.

We typically have regular fundraisers in the year, notably, our summer fair, Santa fun run and Christmas fair, non-uniform days, school discos and parents and staff quiz night.

These events and activities aim to raise money and provide a memorable experience for those who attend. We aim to provide a supportive community for all the families at Bell Farm Primary School and our local community.

We consider the Charity Commission's general guidance on public benefit when setting our own objectives and planning our activities.

Achievements and Performance

The Friends of Bell Farm School have had a very successful year of fundraising and creating memorable experiences for our school and local families. We had a wonderful Santa Fun Run, a colourful May Fair with some impressive Rainbow themed bakes, and another sold out Quiz Night.

A new event this year was the £20.25 challenge, which was hugely successful financially but also very heartwarming with the amazing efforts the children put in selling their own art work, bakes, doing cycle laps and much more.

Other highlights for the year were non-uniform days, donut sale, school discos and ice cream sales post sports day.

Since year end we have also received a match funding donation relating to the May Fair in 2025 of £4,000 from one parent showing the huge benefit that corporate match funding can have.

The Friends of Bell Farm School have been delighted to make contributions towards costs of school workshops and trips for the children of Bell Farm School, as well as paying for Christmas crackers and presents for all the children.

Financial Review

Cash funds at 31 August 2024 was £5,626. From 1 September 2024 – 31 August 2025, The Friends of Bell Farm School made net receipts of £14,696 (of which £2,000 was restricted for technology spend) resulting in cash funds at 31 August 2025 of £20,322 (of which £2,000 was restricted, and £18,322 was unrestricted). £8,770 (including £2,000 of restricted funds) had already been pledged to the school for computing and various school resources pending final invoices. The balance of unrestricted funds will allow The Friends of Bell Farm School to cover deposits to be paid for future events and to make further contributions to Bell Farm Primary School.

The accounts have been prepared on a cash-based accounting basis, also known as receipts and payments accounting.

There are no known uncertainties about The Friends of Bell Farm School's ability to continue as a going concern. The trustees will not commit to any purchases without funds being available.
