## **TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)**

### **FOR THE YEAR ENDED 31 DECEMBER 2020**

---

The trustees present their report and financial statements for the year ended 31 December 2020.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the articles of Association, the Companies Act 2006 and the Statement of Recommended Practice, "Accounting and Reporting by Charities", issued in March 2005.

#### **Objectives and activities**

The objectives of the Project, as established, continue unchanged, is to alleviate poverty of individuals and to further education according to the tenets of the orthodox Jewish faith.

The basic purposes and objectives of the company are to raise funds on an ongoing basis in order to provide for needy families and religious educational institutions. However most donations went to the institutions directly, who then distribute the fund to various recipients. The basis of their distribution varied from recipient to recipient, some recipients received regular payments based on the trustees calculation of their weekly requirements and adjusted from time to time when the circumstances altered. Other recipients received help on a one-off basis with the opportunity of applying on future occasions as and when necessary.

Approval for distributions is obtained from one of the trustee's to obtain the necessary information to decide on the justification of payments. Once approval is obtained, the details are given to other two trustee for each recipient for making decision. The necessary funds are raised mainly from the two connected companies, Novaheight and Tempophase Limited even though there are outside donors occasionally.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

#### **Achievements and performance**

##### **Financial review**

In the period under review, the Charity made a surplus of £8,773 (2019 : £545,551, including one off revaluation on investments in Novaheights Ltd of £453,687).

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The reserve policy is to hold only sufficient funds need to provide donations of up to one month estimated needs.

There is no policy to invest other than to hold short term funds to enable the Reserve Policy to be met.

The trustees has assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

#### Charity information

Ondawn Limited (A Company Limited By Guarantee) is a private company limited by guarantee incorporated in England and Wales. The registered office is 220 THE VALE, LONDON, NW11 8SR.

#### 1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's [governing document], the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

#### 1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

#### 1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

#### 1.5 Expenditure

There is no other expense apart from charity payments. Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the Charity to that expenditure. It is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated or apportioned to the applicable expenditure headings.

### 1 Accounting policies

(Continued)

#### 1.6 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

An associate is an entity, being neither a subsidiary nor a joint venture, in which the charity holds a long-term interest and where the charity has significant influence. The charity considers that it has significant influence where it has the power to participate in the financial and operating decisions of the associate.

#### 1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

#### 1.8 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

#### **Basic financial assets**

Trade debtors, loans and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as 'loans and receivables'. Loans and receivables are measured at amortised cost using the effective interest method, less any impairment.

Interest is recognised by applying the effective interest rate, except for short-term receivables when the recognition of interest would be immaterial.

#### **Basic financial liabilities**

Financial liabilities classified as other financial liabilities are stated at fair value with any gains or losses arising on remeasurement recognised in profit or loss.
