REPORT OF THE TRUSTEES for the Year Ended 31 December 2022

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 December 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The principle activities of the charitable company in the year was those of a Christian mission to contemporary cultures, spreading the Christian message and values via media and leadership development in major cities across Europe and the world.

Significant activities

2021 was a year of new opportunity and predictably, given the pandemic, significant challenge.

Opportunity:

The arrival of Covid 19 saw doors opened, in the church world and beyond.

Educational

Coaching of strategic leaders in the church and marketplace remains a priority.

We are delighted with the reports received from leaders we have equipped in this way. Among the reports are some very exciting stories of growing maturity, favour and influence.

A few months ago, we began planning the first of what we hope will be a series of Digital Round tables on "Church and AI". A great deal of work went into preparing something a little different. It set out to communicate the possibilities of AI not only in the content, but in the presentation - especially visually.

We are committed to running other similar events throughout the year.

In 2022, this mission continued its long-standing commitment to work with churches on a variety of levels. And to help Christians and churches, with their leaders to engage the present culture, and prepare for future influence.

Media

During 2022 through early 2023, Next Wave International, through its media commentary, helped thousands of people in the UK and beyond to better prepare for the future. Videos featuring a number of these interviews, on outlets including the BBC, can be found at youtube.com/malfletcher. Highlights include an extended interview with BBC radio on major technologies to watch for in 2023.

This year also saw a 30-minute special biographical feature interview for the "Sure Reality" TV programme (Revelation/TBN TV); an extended interview on AI (Transworld radio), and podcasts with groups including Evangelical Alliance, UK ("Talking Jesus", Spotify).

Our futures and social commentary and leadership articles featured again in online news and opinion magazines (e.g. SIGHT Magazine, Online Opinion).

Our research and media releases once again focused particularly on the human impact of emerging technologies - particularly on AI, cashlessness and more.

Once again, this year saw a significant, almost daily engagement with social media, across numerous platforms.

Social media represents a significant opportunity to engage - and perhaps to help shape - the cultural conversation, with curiosity. Especially if a percentage of one's "followers" are leaders.

Our media team, launched in 2019, has continued to generate and carry through new ideas.

We continue to push for greater, targeted exposure online and in mainstream media, and will focus particularly on advance co-ordinated approaches to news stories.

Challenges

Many organisations that we work with, are continuing to deal with the negative impact of the pandemic. This has brought challenges regarding speaking engagements, and other income streams.

Financial.

The mission took a major hit with the elimination of travelling ministry, our largest source of income. But there have been positive results with:

Media Missions Appeal

- Launched Feb 2020 on GoFundMe.
- To date, £22,000 has been raised.

NEXT WAVE INTERNATIONAL

REPORT OF THE TRUSTEES for the Year Ended 31 December 2022

OBJECTIVES AND ACTIVITIES

Public benefit

Provide a positive, future-facing and skills-enhancing APOLOGETIC for Christian worldview and values in the mainstream marketplace of ideas, services and civic influence.

Inspire many thousands of emerging and existing marketplace and civic leaders to see their role as a divine vocation and to equip them with future-shaping skills.

Mobilise hundreds of churches and other faith-based organisations to pro-actively engage with the marketplace and civic life, building relationships of trust with influential city leaders.

This year marks the 30th anniversary of the founding of Next Wave International in 1993.

We are deeply grateful for every visionary, faithful church leader and individual who has partnered with us along the journey.

FINANCIAL REVIEW

Reserves policy

The Trustees believe it prudent to hold running costs for 3 months in unrestricted current assets. We hope to achieve this level through the generosity of our donors. We are planning to increase the reserves as finances allow.

FUTURE PLANS

Going into 2023 year, we can look forward to Next Wave International's investment in the following:

- Media and Press Commentary, new platforms, strategic pitches, and a still growing presence on the internet.
- Churches and Christian Events across Europe.
- Leadership Coaching Programme.
- University Missions.
- Digital Roundtables and Webinars.
- Keynotes for non-church/civic events.
- Continued investment in leaders.
- Publishing / New Resources.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Recruitment and appointment of new trustees

Existing trustees for the charity have been recruited over time for the following qualities: long and successful leadership in growing UK churches and Christian charities; a proven long-term record of quality leadership of Christian churches and/or charities; the highest level of personal integrity; competence in strategic planning and fiscal responsibility; a commitment to engagement with social challenges and needs.

In the period covered by this report, no new trustees were recruited. However, the present trustees remain committed to seeking out the best possible talent for consideration as potential additions to the trustee group, using the criteria listed above and government guidelines and requirements.

Trustees are kept up to date with changes in trustee responsibilities via mail-outs and board meetings - including annual meetings in person and extraordinary meetings via phone conferences.

Management

Management of the charity is undertaken by the Director Mal Fletcher, who is employed full-time by the charity. His responsibilities include: promoting the goals and interests of the charity; ensuring day-to-day management; promoting funding of the charity; forward-planning (in consultation with trustees); compliance (in conjunction with trustees). Administrative assistance is provided by Davina Fletcher, who is employed on a part-time basis. Her duties include: bookkeeping; constructing annual accounts (in conjunction with the accountants); travel planning and general office administration.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
NEXT WAVE INTERNATIONAL

Independent examiner's report to the trustees of Next Wave International ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 December 2022.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS

for the Year Ended 31 December 2022

1. ACCOUNTING POLICIES

Basis of preparing the financial statements and assessment of going concern

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

The financial statements are presented in sterling (£).

Critical accounting judgements and key sources of estimation uncertainty

In preparing financial statements it is necessary to make certain judgements, estimated and assumptions that affect the amounts recognised in the financial statements. The following judgements and estimates are considered by the trustees to have most significant effect on amounts recognised in the financial statements.

Useful economic life of tangible fixed assets:

The annual depreciation charge for tangible assets is sensitive to changes in the estimated useful economic lives and residual values of the assets. The useful economic lives and residual values are reassessed annually. They are amended when necessary to reflect current estimates, based on technological advancement, future investments, economic utilisation and the physical condition of the assets.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Computer equipment - 33% on cost

Taxation

The charity is exempt from corporation tax on its charitable activities.

Financial Instruments

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

Fund accounting

Unrestricted funds are those available for use at the discretion of the directors in furtherance of the general objectives of the charitable company and which have not been designated for other purposes.

Debtors

Trade and other debtors are recognised at the settlement amount. Prepayments are valued at the amount prepaid.

Cash at bank and in hand

Cash at bank and in hand includes cash, current bank accounts and deposit bank accounts with no withdrawal limitations.

Creditors

Creditors are recognised where then charity has a present obligation resulting from a past event that will result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are recognised at their settlement amount.
