Helping Hands Policies

Banking Policies	The three Trustees of the Charity are all signatories on the Bank Account. At least 2 signatures are required for cheques and taking money out of the account requires 2 Trustees present at the bank with ID.
Online Banking	Online banking only requires one person approval. The Treasurer does the majority of online banking, but all Trustees have access to the Online Banking details and information. When someone makes a payment/transaction using the online banking, the other 2 Trustees get an email from the Bank informing them of the activity. There is a payment limit of £1,000 per day on the account.
Parent Pay	We also receive some payments via the School managed system - Parent Pay. The money is paid directly into our bank account from Parent Pay. The Treasurer gets the event breakdown information from the School, because they manage the Parent Parent Pay System.
Sum-up Machines	We also have 2 sum-up machines to use for card payments at events. We can also set up QR codes via Sum-up for online payments at events. Payments go directly into the HH bank account from Sum-up.
Cash	We have a cash float (usually of approximately £50) that the treasurer keeps for school events such as ice cream sales.
Expenses	All payments/expenses are pre-approved/agreed by the Trustees. Our bank account does not have a debit card attached to it, so unless expense payments are made directly online by the Treasurer or by Cheque, PTA members will make the payments themselves. Then once payments are made by PTA members, the Treasurers receives the receipts, and makes reimbursement payments (usually via online banking or by cheque). All receipts/invoices are numbered and referenced on the 'Main Bank Account' tab.
Receipts	Online banking only requires one person approval. The Treasurer does the majority of online banking, but all Trustees have access to the Online Banking details and information. When someone makes a payment using the online banking, the other 2 Trustees get a notification.
Events Income	Cash income from events is counted directly after events by the Treasurer and verified by another Trustee member, and paid into the bank ASAP.
Events Summary Information	After each Event, the Treasurer records the summary of income and expenses, and profit. This is broken down by cash, Parent Pay, Sum-up etc
Details for larger Events such as Summer/Xmas Fayres	The Treasurer has a more detailed spreadsheet of all the sponsorship and stall income, floats for the day and cash income, and also expenses for each fayre.
Floats for larger events such as Fayres	For larger events such as School Fayres, the Treasurer provides floats for the separate stalls. Count sheets are provided for each stall, so we have a record of what float was provided at the start of the event. In order to obtain the cash floats from the bank, the Treasurer orders these from HSBC and then another Trustee has to be present at the bank to write a cheque to take the cash out. This is all recorded on the Count sheets and the event summary information.
Reserve Account	We try and keep £2,000 in this account for unexpected situations and as a reserve.

In 2024, St George's School Association had a Board of 3 Trustee volunteers from a variety of professional backgrounds, relevant to the work of the Charity. The Board met regularly throughout the year, as well as annually for the AGMs. All Trustees gave their time freely, and received no remuneration for their time.

In addition to the Trustees, there were 9 other volunteers (and also parents of children at the school) that formed St George's School Association (or the Helping Hands PTA).

Type of Governing document - Constitution.

The Board of Trustees

The Board of Trustees is legally responsible for the strategic direction, policy and overall governance of the Charity. The Trustees are elected annually at the AGM.

Charitable Objectives

The aim and objectives of the Charity are to advance the education of the pupils in the school, in particular by:

- Developing effective relationships between the staff, parents and others associated with the school.
- Engaging in activities or providing facilities or equipment which support the school and advances the education of the pupils.

Our overall aim is to raise much needed funds for our school. Due to cuts in budgets, our school is under immense pressure to be able to provide our children with the basics. So we aim to provide the children at the school with the resources to enhance, enrich and improve the children's experience during their time at St Georges Primary School.

Financial Review

The Charity Remained in a strong financial position in 2024.

The 2024 Summer Fayre was another great success, and was well attended and supported by parents, teachers and local families. In addition, we had support from local businesses via advertising, sponsorship and donations.

As in previous years, it was a great opportunity for us to hold a community, family friendly event. The Summer Fayre raised an income of £15,264 with an impressive £7,678 profit.

Instead of our usual Christmas Fayre, we decided to put on a different kind of event at Christmas and held a Laser Show. It was good to do something different, and we had a lot of positive feedback from parents and children who enjoyed the evening. The Laser Show was a success and made a profit of £2,846.

The Annual Accounts show our total income for 2024 was an impressive £28,274, with a profit of £14,847. The Bank Balance at the end of the time period was £21,263, with £2,058 in the Reserve Account. Please see the Annual Accounts 2024 document for further Financial details.

Reserves and Reserves Policy

During the financial year, the cash reserve accounts were monitored to ensure that at any given time sufficient funds were available to manage the day-to-day cash flow and to cover unanticipated expenditures. In addition, we have a Reserve Account which we aim to keep at a balance of £2,000.

Charitable Activities

In addition to the Summer Fayre and Laser Show, we held a variety of other smaller fundraising events throughout 2024.

These included the Freeze Pop Fridays which made £1,090 profit, and the Happy Bag collections which made £601 profit.

Achievements & Performance

In 2024 The St Georges School Association had another incredible year of fundraising which will help to enrich the lives of the children at the school.

The School Senior Leadership Team have a long list of objectives for us to fundraise for in the future.

In 2024 we donated a total of £5,695 to the school, which will make a big difference to the children and their school experience.

Financial Review

The Charity Remains in a strong financial position. Over the course of this time period our work focused on 3 main fundraising events, the Summer Fayre, the Christmas Fayre, and also a new fundraising idea, the Circus.

The Summer Fayre was held on Sunday 11th June 2023. It was a great success and was very well attended and supported by parents, teachers and local families. It was a great opportunity for us to hold a community, family friendly event. The Summer Fayre raised an income of £16,610 with £9,433 profit (which was an improvement on the 2022 Summer Fayre).

The Christmas Fayre was also well supported, and was a fun and festive day of fundraising. Both of the fayres were supported by local business in the form of the donation of prizes and gifts, and also via Sponsorship and Advertising. The Christmas Fayre 2023 made a profit of £5,206.

In 2023 we also hosted Happy's Circus on the 14th October, which was a new fundraising venture for us. The Circus was another fantastic day full of fun and community spirit. The income from the Circus was £9,514 and the profit was £4,507.

The Annual Accounts show our total income for 2023 was an incredible £43,080, with a profit of £24,030. The Bank Balance at the end of the time period was £12,473, with £2,029 in the Reserve Account. Please see the Annual Accounts 2023 document for further Financial details.

Organisational Structure and governance

St George's School Association has a Board of 3 Trustee volunteers from a variety of professional backgrounds, relevant to the work of the Charity. The Board meet regularly throughout the year, as well as annually for the AGMs. All Trustees give their time freely, and receive no remuneration for their time.

The Board of Trustees

The Boards of Trustees is legally responsible for the strategic direction, policy and overall governance of the Charity. The Trustees are elected annually at the AGM.

Charitable Objectives

The aim and objectives of the Charity are to advance the education of the pupils in the school, in particular by:

- Developing effective relationships between the staff, parents and others associated with the school.
- Engaging in activities or providing facilities or equipment which support the school and advances the education of the pupils.

Our overall aim is to raise much needed funds for our school. Due to cuts in budgets, our school is under immense pressure to be able to provide our children with the basics. So we aim to provide the children at the school with the resources to enhance, enrich and improve the children's experience during their time at St Georges Primary School.

Financial Review

The Charity Remains in a strong financial position. Over the course of this time period our work focused on two main fundraising events, the Summer Fair and the Christmas Fair.

The Summer Fair was held on July 1st 2022. It was a huge success and was very well attended and supported by parents, teachers and local families. It was a great opportunity for us to hold a community, family friendly event. The Summer Fayre raised an income of £12,765 with £6,800 profit.

The Christmas Fair was also very well supported, and was a wonderful day of fundraising and community fun. Both of the fairs were supported by local business in the form of the donation of prizes and gifts, and also via Sponsorship and Advertising.

The Annual Accounts show our total income for 2022 was £32,015, with a profit of £19,862. The Bank Balance at the end of the time period was £17,538, with £2,004 in the Reserve Account. Please see the Annual Accounts document for further Financial details.
