The Warburg Charitable Trust

Trustees Report for the year ended 31 October 2024

The Trustees of The Warburg Charitable Trust, 'The Trust,' are pleased to present the Annual Report and Financial Statement for the year ended 31 October 2024.

The Trustees, who are also directors under company law, confirm that the financial statements comply with current statutory requirements, the memorandum and articles of association and the Statement of Recommended Practice-Accounting and Reporting by Charities: SORP applicable to charities preparing their accounts in accordance with FRS 102.

Structure, Governance and Management

Governance and Management

The Trust is a charitable company limited by guarantee, incorporated on 7 October 1998 and registered as a charity on 20 June 2005.

The company was established under a Memorandum of Association, which established the objects and powers of the charitable company, and is governed under those Articles.

The members of the Board of Trustees are elected for three years at the Annual General Meeting (AGM).

Objectives and Principal Activities

The charity's purposes, as set out in the objects contained in the company's Memorandum of Association, are the advancement of education in the history of the classical tradition of the arts and sciences, in particular but not by way of limitation by supporting the activities of the Warburg Institute, by such exclusively charitable means as the trustees shall from time to time determine.

We review our aims, objectives and activities at trustee meetings. The review looks at achievements and plans future outcomes. We produce reports on key achievements and the benefit that they have brought to those groups of people that we are set up to help. The review also helps us to ensure that our aims, objectives and activities remain focused on our stated purposes.

Public Benefit

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

Recruitment and appointment of the Trustees

The directors of the company are also charity trustees for the purposes of charity law, and under the company's Articles. All members of the Management Committee give their time voluntarily and receive no benefit from the charity. Any expenses reimbursed to trustees by the charity are set out in a note to the accounts.

Organisational Structure

The Warburg Charitable Trust has a Committee of up to 9 members (amended to 10 trustees at the AGM in June 2022), who meet when required during the year and are responsible for the strategic direction and policy of the charity.

The Warburg Charitable Trust

Trustees Report for the year ended 31 October 2024

Risk Management

The trustees actively review the major risks facing the charity on a regular basis. They have established systems and procedures to mitigate those risks identified and implemented procedures designed to minimise any potential impact on the charity should those risks materialise.

The trustees review the organisation's financial situation and the resources available to the organisation.

Procedures are in place to ensure the health and safety of staff and visitors to the organisation.

Financial Review

Investment Policy

The policy of the Management Committee is to place surplus funds into an interest bearing account whilst maintaining sufficient funds in a current bank account to cover immediate liabilities.

Reserves Policy

The Trustees have considered their reserves policy in light of the main risks to the organisation. The committee recognises that the organisation needs to have sufficient reserves to allow it to cover known liabilities and contingencies, absorb setbacks and take advantage of change and opportunity.

Statement of Responsibilities of the Trustees

The Trustees (who are also directors of charitable company for the purposes of company law) are responsible for preparing the Trustees' annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period.

In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently.
- Observe the methods and principles in the Charities SORP.
- Make judgements and estimates that are reasonable and prudent.
- State whether applicable UK Accounting Standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements.
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Warburg Charitable Trust

Trustees Report for the year ended 31 October 2024

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Small Company Exemptions

This report has been prepared and delivered in accordance with the provisions of Part 15 of the Companies Act 2006 applicable to companies subject to the small companies' regime and with the Charities Statement of Recommended Practice (FRS 102).

This report was approved by the trustees on **8/7/2025** and signed on their behalf by:

A handwritten signature in black ink, appearing to read 'Bill Sherman', followed by a long horizontal line extending to the right.

**Professor Bill Sherman
Director and Trustee**

The Warburg Charitable Trust

Trustees Report for the year ended 31 October 2024

Financial Statements Report

The Warburg Charitable Trust had another active and successful year, highlighted by the reopening of the Warburg Institute in October 2024. The Warburg Renaissance building project has enhanced the Institute's academic resources and teaching spaces, created new facilities for special collections, exhibitions and events, and opened its holdings and expertise to new audiences. The Institute's new gallery and auditorium invite visitors to explore the Institute's transformed spaces and expanded programmes.

The Trust has continued to work to raise the profile of the Warburg Institute and to support the Warburg Renaissance project. The building works progressed steadily throughout the year, culminating in the successful reopening. With this major milestone now achieved, our focus is turning toward supporting the Institute's ongoing activities, outreach, and long-term impact.

The reopening month concluded with a celebratory reception on 1 October 2024. This event was the highlight of a series of reopening engagements that included press briefings, private views for partners and supporters, and a private dinner for long-standing friends of the Institute. These events marked a significant moment in the life of the Institute and offered an opportunity to reintroduce it to the wider public and academic communities.

The Trust continued to support the Institute's academic mission through the funding of bursaries and studentships. It also worked to elevate the Institute's public profile by sponsoring the communications campaign surrounding the Warburg Renaissance and the reopening. To strengthen relationships with supporters, the Trust supported improvements to the Friends of the Warburg Institute programme and organised several events for donors and members throughout the year. The Friends programme saw an encouraging increase in paying members, reinforcing the Trust's ability to provide long-term support for the Institute.

The Trust also worked closely with the Warburg Visionary Circle to deepen outreach and engagement. This included artistic programming inspired by Aby Warburg and the Institute's inclusive approach to culture, memory, and scholarship. In April 2024, the Visionary Circle supported key events for the Institute at the Venice Biennale, a reception hosted at a private home and a breakfast and private tour of the Peggy Guggenheim Collection. These events helped connect the Institute with new and existing communities of supporters in a global cultural context.

To further support the relaunch of the Institute, the Trust funded an impact and positioning review in advance of the reopening. This project gathered insights into the Warburg's identity and place within the wider intellectual and cultural landscape, and included a review of its branding and public communications. The findings have already informed planning for the new Artistic Programme and provided valuable input into fundraising proposals as the Institute's needs transition from the successful capital campaign to a focus on people and programmes.

We remain deeply grateful for the continued support of our friends, alumni, donors, and institutional partners. In particular, we would like to thank the Warburg Institute, the School of Advanced Study, the University of London, and the University's Philanthropy and Alumni Engagement Office for their support and engagement. We look forward to building on this successful year as we support the Institute and its dedication to the study of global cultural history in our challenging times.

Christopher Rossbach, Chair

The Warburg Charitable Trust

Independent Examiner's Report to the Members of The Warburg Charitable Trust

I report to the charity trustees on my examination of the accounts of the Charitable Company for the year ended 31 October 2024.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the year ended 31 October 2024 the charitable company was entitled to exemption under section 477 of the Companies Act 2006 relating to small companies.

No members have required the company to obtain an audit of its accounts for the year in question in accordance with section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and preparation of accounts.

The financial statements have been prepared in accordance with the special provisions relating to companies subject to the small companies regime.

The accounts were approved by the trustees on **8th July 2025** and signed on their behalf by:

.....
Professor Bill Sheman

Director

Company Registration Number: 3645747

Charity Registration Number : 1110097

The attached notes form part of the financial statements.

The Warburg Charitable Trust

Notes to the financial statements

For the year ended 31 October 2024

1 Accounting policies

The accounts are prepared in accordance with the charity's memorandum and articles of association, Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102), and the Companies Act 2006. The charity is a Public Benefit Entity as defined by FRS102.

The accounts are prepared in sterling, which is the functional currency of the charity.

The accounts have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

Going concern

The trustees consider that there are no material uncertainties about the charitable company's ability to continue as a going concern. The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Donations are recognised on receipt.

Expenditure

The expenses classified as 'Charitable Activities' are those directly attributable to the general objects of the charity. 'Raising funds' are those expenses incurred in seeking funding for the charity. 'Governance costs' comprise all costs incurred in governing the charity.

Charitable funds

Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charity without further specified purpose and are available as general funds.

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes.

Restricted funds are to be used for specific purposes as laid down by the donor. Expenditure which meets these criteria is charged to the fund together with any other costs agreed by the donor.

Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Fixed assets with a useful life greater than one year and a purchase price exceeding £500 are capitalised, and depreciated over its expected useful life, usually 4 years.

Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held on call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

The Warburg Charitable Trust

Notes to the financial statements

For the year ended 31 October 2024

1 Accounting policies (continued)

Financial Instruments

The charity has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Critical Accounting Estimates and Judgements

In the application of the charity's accounting policies the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period or in the period of the revision and future periods where the revision affects both current and future periods.

The Warburg Charitable Trust

Trustees Report for the year ended 31 October 2023

The Trustees of The Warburg Charitable Trust, 'The Trust,' are pleased to present the Annual Report and Financial Statement for the year ended 31 October 2023.

The Trustees, who are also directors under company law, confirm that the financial statements comply with current statutory requirements, the memorandum and articles of association and the Statement of Recommended Practice-Accounting and Reporting by Charities: SORP applicable to charities preparing their accounts in accordance with FRS 102.

Structure, Governance and Management

Governance and Management

The Trust is a charitable company limited by guarantee, incorporated on 7 October 1998 and registered as a charity on 20 June 2005.

The company was established under a Memorandum of Association, which established the objects and powers of the charitable company, and is governed under those Articles.

The members of the Board of Trustees are elected for three years at the Annual General Meeting (AGM).

Objectives and Principal Activities

The charity's purposes, as set out in the objects contained in the company's Memorandum of Association, are the advancement of education in the history of the classical tradition of the arts and sciences, in particular but not by way of limitation by supporting the activities of the Warburg Institute, by such exclusively charitable means as the trustees shall from time to time determine.

We review our aims, objectives and activities at trustee meetings. The review looks at achievements and plans future outcomes. We produce reports on key achievements and the benefit that they have brought to those groups of people that we are set up to help. The review also helps us to ensure that our aims, objectives and activities remain focused on our stated purposes.

Public Benefit

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

Recruitment and appointment of the Trustees

The directors of the company are also charity trustees for the purposes of charity law, and under the company's Articles. All members of the Management Committee give their time voluntarily and receive no benefit from the charity. Any expenses reimbursed to trustees by the charity are set out in a note to the accounts.

Organisational Structure

The Warburg Charitable Trust has a Committee of up to 9 members (amended to 10 trustees at the AGM in June 2022), who meet when required during the year and are responsible for the strategic direction and policy of the charity.

The Warburg Charitable Trust

Trustees Report for the year ended 31 October 2023

Risk Management

The trustees actively review the major risks facing the charity on a regular basis. They have established systems and procedures to mitigate those risks identified and implemented procedures designed to minimise any potential impact on the charity should those risks materialise.

The trustees review the organisation's financial situation and the resources available to the organisation.

Procedures are in place to ensure the health and safety of staff and visitors to the organisation.

Financial Review

Investment Policy

The policy of the Management Committee is to place surplus funds into an interest bearing account whilst maintaining sufficient funds in a current bank account to cover immediate liabilities.

Reserves Policy

The Trustees have considered their reserves policy in light of the main risks to the organisation. The committee recognises that the organisation needs to have sufficient reserves to allow it to cover known liabilities and contingencies, absorb setbacks and take advantage of change and opportunity.

Statement of Responsibilities of the Trustees

The Trustees (who are also directors of charitable company for the purposes of company law) are responsible for preparing the Trustees' annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period.

In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently.
- Observe the methods and principles in the Charities SORP.
- Make judgements and estimates that are reasonable and prudent.
- State whether applicable UK Accounting Standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements.
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Warburg Charitable Trust

Trustees Report for the year ended 31 October 2023

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Small Company Exemptions

This report has been prepared and delivered in accordance with the provisions of Part 15 of the Companies Act 2006 applicable to companies subject to the small companies' regime and with the Charities Statement of Recommended Practice (FRS 102).

This report was approved by the trustees on **22/7/2024** and signed on their behalf by:

A handwritten signature in black ink, appearing to read 'Bill Sherman', followed by a long horizontal line extending to the right.

**Professor Bill Sherman
Director and Trustee**

The Warburg Charitable Trust

Trustees Report for the year ended 31 October 2023

Financial Statements Report

The Warburg Charitable Trust had another active and successful year. We continued to raise both the profile of the Warburg Institute and the funds needed for the Warburg Renaissance project. The building project is progressing well and we look forward to opening of the new spaces in October 2024. As it nears completion, our sights are moving from helping to raise funds for the building project to supporting the ongoing activities, outreach and impact of the Institute.

The Trust continued its important work of supporting the Institute's core academic mission through bursaries and studentships. It worked to increase the profile of the Warburg Institute by sponsoring the communications campaign surrounding the Warburg Renaissance and the reopening of the Institute and its new spaces next year. It supported the stewardship of donors by making improvements to the Friends of the Warburg Institute programme, and by organising a number of events for donors and supporters during the year. The Friends of the Warburg saw an increase in paying members, which is critical for the ongoing ability of the Trust to support the Warburg Institute. The Trust also worked with the members of the Warburg Visionary Circle to further the outreach to broader communities through artistic engagement with artists who have been inspired by Aby Warburg and the open, diverse and inclusive approach to culture and memory the Institute represents.

We are grateful for the support of our many friends, alumni, donors and supporters, as well as of the Warburg Institute, the School of Advanced Studies and the University of London, in particular the UoL Development Office, and look forward to an active and exciting year ahead.

Christopher Rossbach, Chair

The Warburg Charitable Trust

**Independent Examiner's Report to the Members of
The Warburg Charitable Trust**

I report to the charity trustees on my examination of the accounts of the Charitable Company for the year ended 31 October 2023.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Since the Company's gross income exceeded £250,000, I confirm that I am qualified to undertake the examination because I am a member of the ICAEW, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The Warburg Charitable Trust

Notes to the financial statements

For the year ended 31 October 2023

1 Accounting policies

The accounts are prepared in accordance with the charity's memorandum and articles of association, Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102), and the Companies Act 2006. The charity is a Public Benefit Entity as defined by FRS102.

The accounts are prepared in sterling, which is the functional currency of the charity.

The accounts have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

Going concern

The trustees consider that there are no material uncertainties about the charitable company's ability to continue as a going concern. The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Donations are recognised on receipt.

Expenditure

The expenses classified as 'Charitable Activities' are those directly attributable to the general objects of the charity. 'Raising funds' are those expenses incurred in seeking funding for the charity. 'Governance costs' comprise all costs incurred in governing the charity.

Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Fixed assets with a useful life greater than one year and a purchase price exceeding £500 are capitalised, and depreciated over its expected useful life, usually 4 years.

Charitable funds

Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charity without further specified purpose and are available as general funds.

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes.

Restricted funds are to be used for specific purposes as laid down by the donor. Expenditure which meets these criteria is charged to the fund together with any other costs agreed by the donor.

Resources Expended

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include audit fees and costs linked to the strategic management of the charity.

Costs relating to a particular activity are allocated directly. Other costs are allocated on an appropriate basis such as staff time or estimated usage.

Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held on call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

The Warburg Charitable Trust

Notes to the financial statements

For the year ended 31 October 2023

1 Accounting policies (continued)

Financial Instruments

The charity has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Critical Accounting Estimates and Judgements

In the application of the charity's accounting policies the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period or in the period of the revision and future periods where the revision affects both current and future periods.

The Warburg Charitable Trust

Trustees Report for the year ended 31 October 2022

The Trustees of The Warburg Charitable Trust, 'The Trust,' are pleased to present the Annual Report and Financial Statement for the year ended 31 October 2022.

The Trustees, who are also directors under company law, confirm that the financial statements comply with current statutory requirements, the memorandum and articles of association and the Statement of Recommended Practice-Accounting and Reporting by Charities: SORP applicable to charities preparing their accounts in accordance with FRS 102.

Structure, Governance and Management

Governance and Management

The Trust is a charitable company limited by guarantee, incorporated on 7 October 1998 and registered as a charity on 20 June 2005.

The company was established under a Memorandum of Association, which established the objects and powers of the charitable company, and is governed under those Articles.

The members of the Board of Trustees are elected for three years at the Annual General Meeting (AGM).

Objectives and Principal Activities

The charity's purposes, as set out in the objects contained in the company's Memorandum of Association, are the advancement of education in the history of the classical tradition of the arts and sciences, in particular but not by way of limitation by supporting the activities of the Warburg Institute, by such exclusively charitable means as the trustees shall from time to time determine.

We review our aims, objectives and activities at trustee meetings. The review looks at achievements and plans future outcomes. We produce reports on key achievements and the benefit that they have brought to those groups of people that we are set up to help. The review also helps us to ensure that our aims, objectives and activities remain focused on our stated purposes.

Public Benefit

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

Recruitment and appointment of the Trustees

The directors of the company are also charity trustees for the purposes of charity law, and under the company's Articles. All members of the Management Committee give their time voluntarily and receive no benefit from the charity. Any expenses reimbursed to trustees by the charity are set out in a note to the accounts.

Organisational Structure

The Warburg Charitable Trust has a Committee of up to 9 members (amended to 10 trustees at the AGM in June 2022), who meet when required during the year and are responsible for the strategic direction and policy of the charity.

The Warburg Charitable Trust

Trustees Report for the year ended 31 October 2022

Risk Management

The trustees actively review the major risks facing the charity on a regular basis. They have established systems and procedures to mitigate those risks identified and implemented procedures designed to minimise any potential impact on the charity should those risks materialise.

The trustees review the organisation's financial situation and the resources available to the organisation.

Procedures are in place to ensure the health and safety of staff and visitors to the organisation.

Financial Review

Investment Policy

The policy of the Management Committee is to place surplus funds into an interest bearing account whilst maintaining sufficient funds in a current bank account to cover immediate liabilities.

Reserves Policy

The Trustees have considered their reserves policy in light of the main risks to the organisation. The committee recognises that the organisation needs to have sufficient reserves to allow it to cover known liabilities and contingencies, absorb setbacks and take advantage of change and opportunity.

Statement of Responsibilities of the Trustees

The Trustees (who are also directors of charitable company for the purposes of company law) are responsible for preparing the Trustees' annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period.

In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently.
- Observe the methods and principles in the Charities SORP.
- Make judgements and estimates that are reasonable and prudent.
- State whether applicable UK Accounting Standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements.
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Warburg Charitable Trust

Trustees Report for the year ended 31 October 2022

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Auditor

Goldwins Ltd was appointed as auditor for the 2021-22 financial year.

Statement as to Disclosure to our Auditors

In so far as the Trustees are aware:

- There is no relevant audit information of which the charitable company's auditors are unaware; and
- The Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

Small Company Exemptions

This report has been prepared and delivered in accordance with the provisions of Part 15 of the Companies Act 2006 applicable to companies subject to the small companies' regime and with the Charities Statement of Recommended Practice (FRS 102).

This report was approved by the trustees on **21/07/23** and signed on their behalf by:

Professor Bill Sherman
Director and Trustee

The Warburg Charitable Trust

Trustees Report for the year ended 31 October 2022

Financial Statements Report

The Warburg Charitable Trust had an active and successful year. We made major strides in raising both the profile of the Warburg Institute and the funds needed for the 'Warburg Renaissance' capital project. The project's fundraising target of £5m was met in January 2022, the University of London's Board of Trustees gave its final green light in April 2022 and ground was broken in June 2022. We are grateful for the support of our many donors and supporters, as well as of the Warburg Institute, the School of Advanced Studies and the University of London, in particular the UoL Development Office.

During the year we expressed our appreciation to two outgoing trustees and welcome two new ones, took a number of important steps to strengthen our ability to deliver on our goals and consolidated our relationship with the American Friends of the Warburg Institute (a charitable organisation based in New York).

Despite the ongoing challenges, the year saw a number of major initiatives that improved the visibility and sustainability of the Warburg Institute and greatly advanced its educational mission and public benefits. The highlight of the year was a charity auction at Phillips (4 March 2022) with donated works by leading artists. It not only brought in nearly £200,000 from sales but also led to a number of additional gifts supporting the Institute's new efforts in artistic engagement. The Trust engaged an artist-in-residence for the 'Warburg Renaissance' building project and provided her with an initial stipend.

The Trust continued to increase the profile of the Warburg Institute by supporting and sponsoring the communications campaign surrounding the Phillips auction as well as its Annual Review. It also supported the stewardship of donors by making improvements to the new Friends of the Warburg Institute programme, and by organising a visit of major donors and supporters to Venice to coincide with the vernissage of the 2022 Venice Biennale (May 2022).

Finally, in the year ended 31 October 2022, the Trust awarded just under £30,000 in student bursaries along with £30,000 for Library Collection Development.

We appreciate the support of our many friends, alumni, donors and supporters and hope for a healthy and successful year ahead.

Christopher Rossbach, Chair

The Warburg Charitable Trust

Independent Auditor's Report to the Members of The Warburg Charitable Trust

Opinion

We have audited the financial statements of The Warburg Charitable Trust (the 'charitable company') for the year ended 31 October 2022 which comprise the statement of financial activities, balance sheet, statement of cash flows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- Give a true and fair view of the state of the charitable company's affairs as at 31 October 2022 and of its income and expenditure for the year then ended.
- Have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice.
- Have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other Information

The other information comprises the information included in the trustees' annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

The Warburg Charitable Trust

Independent Auditor's Report to the Members of The Warburg Charitable Trust

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- The information given in the trustees' annual report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- The trustees' annual report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' annual report. We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- Adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- The financial statements are not in agreement with the accounting records and returns; or
- Certain disclosures of trustees' remuneration specified by law are not made; or
- We have not received all the information and explanations we require for our audit; or
- The directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the trustees' annual report and from the requirement to prepare a strategic report.

Responsibilities of trustees

As explained more fully in the statement of trustees' responsibilities set out in the trustees' annual report, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud are set out below.

The Warburg Charitable Trust

Independent Auditor's Report to the Members of The Warburg Charitable Trust

Capability of the audit in detecting irregularities

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, our procedures included the following:

- We enquired of management, which included obtaining and reviewing supporting documentation, concerning the charity's policies and procedures relating to:
- Identifying, evaluating, and complying with laws and regulations and whether they were aware of any instances of non-compliance;
- Detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected, or alleged fraud;
- The internal controls established to mitigate risks related to fraud or non-compliance with laws and regulations.
- We obtained an understanding of the legal and regulatory framework that the charity operates in, focusing on those laws and regulations that had a material effect on the financial statements or that had a fundamental effect on the operations of the charity from our professional and sector experience.
- We reviewed the financial statement disclosures and tested these to supporting documentation to assess compliance with applicable laws and regulations.
- We performed analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud.
- In addressing the risk of fraud through management override of controls, we tested the appropriateness of journal entries and other adjustments, assessed whether the judgements made in making accounting estimates are indicative of a potential bias and tested significant transactions that are unusual or those outside the normal course of business.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities is available on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charitable company's members as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

1 Accounting policies

The accounts are prepared in accordance with the charity's memorandum and articles of association, Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102), and the Companies Act 2006. The charity is a Public Benefit Entity as defined by FRS102.

The accounts are prepared in sterling, which is the functional currency of the charity.

The accounts have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Donations are recognised on receipt.

Expenditure

The expenses classified as 'Charitable Activities' are those directly attributable to the general objects of the charity. 'Raising funds' are those expenses incurred in seeking funding for the charity. 'Governance costs' comprise all costs incurred in governing the charity.

Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Fixed assets with a useful life greater than one year and a purchase price exceeding £500 are capitalised, and depreciated over its expected useful life, usually 4 years.

Charitable funds

Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charity without further specified purpose and are available as general funds.

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes.

Restricted funds are to be used for specific purposes as laid down by the donor. Expenditure which meets these criteria is charged to the fund together with any other costs agreed by the donor.

Resources Expended

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include audit fees and costs linked to the strategic management of the charity.

Costs relating to a particular activity are allocated directly. Other costs are allocated on an appropriate basis such as staff time or estimated usage.

Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held on call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Financial Instruments

The charity has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

The Warburg Charitable Trust

Notes to the financial statements

For the year ended 31 October 2022

1 Accounting policies (continued)

Critical Accounting Estimates and Judgements

In the application of the charity's accounting policies the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period or in the period of the revision and future periods where the revision affects both current and future periods.

The Trustees' Report for the period from 1 November 2020 to 31 October 2021

The Trustees of The Warburg Charitable Trust, "the Trust" are pleased to present their Annual Report and Financial Statement for the year ended 31 October 2021.

The Trustees, who are also directors under company law, confirm that the financial statements comply with current statutory requirements, the memorandum and articles of association and the Statement of Recommended Practice - Accounting and Reporting by Charities: SORP applicable to charities preparing their accounts in accordance with FRS 102

Structure, Governance and Management

Governance and Management

The Trust is a charitable company limited by guarantee, incorporated on 7 October 1998 and registered as a charity on 20 June 2005.

The company was established under a Memorandum of Association, which established the objects and powers of the charitable company, and is governed under those Articles.

The members of the Board of Trustees are elected for three years at the Annual General Meeting (AGM).

Objectives and Principle Activities

The charity's purposes, as set out in the objects contained in the company's Memorandum of Association, are the advancement of education in the history of the classical tradition of the arts and sciences, in particular but not by way of limitation by supporting the activities of the Warburg institute, by such exclusively charitable means as the trustees shall from time to time determine.

We review our aims, objectives and activities at trustee meetings. The review looks at achievements and plans future outcomes. We produce reports on key achievements and the benefit that they have brought to those groups of people that we are set up to help. The review also helps us to ensure that our aims, objectives and activities remain focused on our stated purposes.

Public Benefit

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

Recruitment and appointment of the Trustees

The directors of the company are also charity trustees for the purposes of charity law, and under the company's Articles. All members of the Management Committee give their time voluntarily and receive no benefit from the charity. Any expenses reimbursed to trustees by the charity are set out in a note to the accounts.

Organisational Structure

The Warburg Charitable Trust has a Committee of up to 9 members (retrospectively amended to 10 trustees at the AGM in June 2022), who meet when required during the year and are responsible for the strategic direction and policy of the charity.

Risk Management

The trustees actively review the major risks facing the charity on a regular basis. They have established systems and procedures to mitigate those risks identified and implemented procedures designed to minimise any potential impact on the charity should those risks materialise.

The trustees review the organisation's financial situation and the resources available to the organisation.

Procedures are in place to ensure the health and safety of staff and visitors to the organisation.

Financial Review

Investment Policy

The policy of the Management Committee is to place surplus funds into an interest bearing account whilst maintaining sufficient funds in a current bank account to cover immediate liabilities.

Reserves Policy

The Trustees has considered its reserves policy in light of the main risks to the organisation. The committee recognises that the organisation needs to have sufficient reserves to allow it to cover known liabilities and contingencies, absorb setbacks and take advantage of change and opportunity.

Small Company Exemptions

This report has been prepared and delivered in accordance with the provisions of Part 15 of the Companies Act 2006 applicable to companies subject to the small companies' regime and with the Charities Statement of Recommended Practice (FRS102).

Approval

This report was approved by the trustees on 25/07/2022 and signed on their behalf by:

.....

Professor Bill Sherman, Director and Trustee

FINANCIAL STATEMENTS REPORT

The Warburg Charitable Trust had an active and successful year. Having transformed the number and nature of its trustees in the previous year, the group has made major strides in raising both the profile of the Warburg Institute and the funds needed for the 'Warburg Renaissance' capital project.

Despite the ongoing challenges introduced by both the Covid-19 pandemic and Brexit, the year saw a number of major initiatives that improved the visibility and sustainability of the Warburg Institute. One major activity funded by the trust saw the creation of the full virtual tours of two international exhibitions: *Aby Warburg: Bilderatlas Mnemosyne* and *Between Cosmos and Pathos: Berlin Works from Aby Warburg's Mnemosyne Atlas*. The virtual tours enabled visitors to explore the content of both exhibitions online and consists of over 100 viewpoints created from over 1000 high-res photographs, alongside audio and video commentaries with directors, curators and experts.

More broadly, we continued to increase the profile of the Warburg Institute by supporting and sponsoring the Communications campaign carried out by Four Communications.

Most importantly, the Trust coordinated the ongoing fundraising efforts toward the 'Warburg Renaissance,' attracting several major donations taking us close to the £5m target for that project.

Finally, in the year ended 31 October 2021, the Trust awarded £61,308 in student bursaries.

We are grateful to our many friends, alumni and donors for their support and hope for a healthy and successful year ahead.

Christopher Rossbach, Chair

INDEPENDENT EXAMINER'S REPORT

I report on the accounts of the company for the year ended 31st October 2021 which are set out on pages 7 to 12.

Responsibilities and basis of report.

As the charity trustees of the company (who are also the directors of the company for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The company was entitled to exemption from audit under section 477 of the Companies Act 2006, relating to small companies, and no members have required the company to obtain an audit of its accounts for the year in question in accordance with section 476.

The directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and preparation of accounts.

The financial statements have been prepared in accordance with the special provisions relating to companies subject to the small companies regime.

The accounts were approved by the trustees on:

29/07/2022 Date

Director (Professor Bill Sherman)

The notes on pages 9 to 12 form part of these financial statements.

Company Registration Number: 03645747

Charity Registration Number: 1110097

**Notes Forming Part of the Financial Statements
For the Year Ended 31st October 2021**

1. Accounting Policies

- a) The accounts are prepared in accordance with the charity's memorandum and articles of association, Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102), and the Companies Act 2006. The charity is a Public Benefit Entity as defined by FRS102.

The accounts are prepared in sterling, which is the functional currency of the charity. The accounts have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

b) Incoming Resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Donations are recognised on receipt.

c) Resources expended

The expenses classified as 'Charitable Activities' are those directly attributable to the general objects of the charity. 'Raising funds' are those expenses incurred in seeking funding for the charity. 'Governance costs' comprise all costs incurred in governing the charity.

d) Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Fixed assets with a useful life greater than one year and a purchase price exceeding £500 are capitalised, and depreciated over its expected useful life, usually 4 years.

e) Charitable funds

Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charity without further specified purpose and are available as general funds.

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes.

Restricted funds are to be used for specific purposes as laid down by the donor. Expenditure which meets these criteria is charged to the fund together with any other costs agreed by the donor.

**Notes Forming Part of the Financial Statements
For the Year Ended 31st October 2020**

1. Accounting Policies (Continued)

f) Resources Expended:

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include audit fees and costs linked to the strategic management of the charity.

Costs relating to a particular activity are allocated directly. Other costs are allocated on an appropriate basis such as staff time or estimated usage.

g) Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held on call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

h) Financial Instruments

The charity has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

2. Critical Accounting Estimates and Judgements

In the application of the charity's accounting policies the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period or in the period of the revision and future periods where the revision affects both current and future periods.

The Trustees' Report for the period from 1 November 2019 to 31 October 2020

The Trustees of The Warburg Charitable Trust, "the Trust" are pleased to present their Annual Report and Financial Statement for the year ended 31 October 2020.

The Trustees, who are also directors under company law, confirm that the financial statements comply with current statutory requirements, the memorandum and articles of association and the Statement of Recommended Practice - Accounting and Reporting by Charities: SORP applicable to charities preparing their accounts in accordance with FRS 102

Structure, Governance and Management

Governance and Management

The Trust is a charitable company limited by guarantee, incorporated on 7 October 1998 and registered as a charity on 20 June 2005.

The company was established under a Memorandum of Association, which established the objects and powers of the charitable company, and is governed under those Articles.

The members of the Board of Trustees are elected for three years at the Annual General Meeting (AGM).

Objectives and Principle Activities

The charity's purposes, as set out in the objects contained in the company's Memorandum of Association, are the advancement of education in the history of the classical tradition of the arts and sciences, in particular but not by way of limitation by supporting the activities of the Warburg institute, by such exclusively charitable means as the trustees shall from time to time determine.

We review our aims, objectives and activities at trustee meetings. The review looks at achievements and plans future outcomes. We produce reports on key achievements and the benefit that they have brought to those groups of people that we are set up to help. The review also helps us to ensure that our aims, objectives and activities remain focused on our stated purposes.

Public Benefit

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

Recruitment and appointment of the Trustees

The directors of the company are also charity trustees for the purposes of charity law, and under the company's Articles. All members of the Management Committee give their time voluntarily and receive no benefit from the charity. Any expenses reimbursed to trustees by the charity are set out in a note to the accounts.

Organisational Structure

The Warburg Charitable Trust has a Committee of up to 9 members, who meet when required during the year and are responsible for the strategic direction and policy of the charity.

Risk Management

The trustees actively review the major risks facing the charity on a regular basis. They have established systems and procedures to mitigate those risks identified and implemented procedures designed to minimise any potential impact on the charity should those risks materialise.

The trustees review the organisation's financial situation and the resources available to the organisation.

Procedures are in place to ensure the health and safety of staff and visitors to the organisation.

Financial Review

Investment Policy

The policy of the Management Committee is to place surplus funds into an interest bearing account whilst maintaining sufficient funds in a current bank account to cover immediate liabilities.

Reserves Policy

The Trustees has considered its reserves policy in light of the main risks to the organisation. The committee recognises that the organisation needs to have sufficient reserves to allow it to cover known liabilities and contingencies, absorb setbacks and take advantage of change and opportunity.

Small Company Exemptions

Professor Bill Sherman, Director and Trustee

FINANCIAL STATEMENTS REPORT

The Warburg Charitable Trust had an active and successful year. Having transformed the number and nature of its trustees, the group made major strides in raising both the profile of the Warburg Institute and the funds needed for the 'Warburg Renaissance' capital project. In 2019-20 the Trust welcomed a new trustee in Stuart Roden, bringing the total number to ten and rounding out its expertise in financial management and philanthropic strategy.

Despite the challenges introduced by both the Covid-19 pandemic and Brexit, the year saw a number of major initiatives that improved the visibility and sustainability of the Warburg Institute. The WCT supervised the roll-out of a new programme for Friends of the Warburg (to grow the number of subscribers to regular newsletters and provide a new vehicle for annual giving). The Trust also provided support to the American Friends of the Warburg Institute, helping it to transform its own infrastructure for communication and online giving. Most importantly, the Trust coordinated the ongoing fundraising efforts toward the 'Warburg Renaissance,' attracting several major donations taking us close to the £5m target for that project.

More broadly, we continued to increase the profile of the Warburg Institute by supporting several exciting initiatives around the historic exhibitions and publications of Aby Warburg's *Bilderatlas Mnemosyne* in Berlin—sponsoring and guiding the Communications campaign carried out by Four Communications, organising a special weekend tour for key supporters, and commissioning a complete virtual tour of the exhibitions for people who could not travel to Berlin and to document the historic project for posterity.

Finally, in the year ended 31 October 2020, the Trust awarded £46,880 in student bursaries.

We are grateful to our many friends, alumni and donors for their support and hope for a healthy and successful year ahead.

Christopher Rossbach, Chair

**INDEPENDENT EXAMINER'S REPORT TO THE
TRUSTEES OF THE WARBURG CHARITABLE TRUST**

I report on the accounts of the charitable company for the year ended 31st October 2020 which are set out on pages 7 to 12.

Responsibilities and basis of report.

As the charity trustees of the company (who are also the directors of the company for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The company was entitled to exemption from audit under section 477 of the Companies Act 2006, relating to small companies, and no members have required the company to obtain an audit of its accounts for the year in question in accordance with section 476.

The directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and preparation of accounts.

The financial statements have been prepared in accordance with the special provisions relating to companies subject to the small companies regime.

The accounts were approved by the trustees on:

.....Date

.....Director (Professor Bill Sherman)

The notes on pages 9 to 12 form part of these financial statements.

Company Registration Number: 03645747
Charity Registration Number: 1110097

**Notes Forming Part of the Financial Statements
For the Year Ended 31st October 2020**

1. Accounting Policies

- a) The accounts are prepared in accordance with the charity's memorandum and articles of association, Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102), and the Companies Act 2006. The charity is a Public Benefit Entity as defined by FRS102.

The accounts are prepared in sterling, which is the functional currency of the charity. The accounts have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

b) Incoming Resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Donations are recognised on receipt.

c) Resources expended

The expenses classified as 'Charitable Activities' are those directly attributable to the general objects of the charity. 'Raising funds' are those expenses incurred in seeking funding for the charity. 'Governance costs' comprise all costs incurred in governing the charity.

d) Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Fixed assets with a useful life greater than one year and a purchase price exceeding £500 are capitalised, and depreciated over its expected useful life, usually 4 years.

e) Charitable funds

Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charity without further specified purpose and are available as general funds.

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes.

Restricted funds are to be used for specific purposes as laid down by the donor. Expenditure which meets these criteria is charged to the fund together with any other costs agreed by the donor.

**Notes Forming Part of the Financial Statements
For the Year Ended 31st October 2020**

1. Accounting Policies (Continued)

f) Resources Expended:

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include audit fees and costs linked to the strategic management of the charity.

Costs relating to a particular activity are allocated directly. Other costs are allocated on an appropriate basis such as staff time or estimated usage.

g) Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held on call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

h) Financial Instruments

The charity has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

2. Critical Accounting Estimates and Judgements

In the application of the charity's accounting policies the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period or in the period of the revision and future periods where the revision affects both current and future periods.
