**REPORT OF THE TRUSTEES**  
**FOR THE YEAR ENDED 31ST MARCH 2024**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st March 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

**OBJECTIVES AND ACTIVITIES**

**Objectives and aims**

The objectives of the charity ("the Objects") are the relief of sickness and the preservation of good health including without limitation by the provision of information and advice and by providing an independent voluntary sector voice and by monitoring, reviewing and seeking to contribute to the improvement of health and social care services, in particular but not exclusively, for people from minority groups and their families.

**Significant activities**

**Service Delivery**

During the reporting year, WCA continued to deliver its charitable activities by contract and commission, enabling it to fulfil its charitable objectives. The Trustees believe that the combination of the activities in hand (described in the paragraphs immediately below) represents a strong fit with the charity's purposes and goals.

**Voluntary Sector Coordination Service (VSCS)**

The work to deliver a Voluntary Sector Coordination Service (VSCS). The aims of the Service include:

"The creation of a more coordinated and better connected third sector, that is, the several hundred community and voluntary organisations, including charities, condition support groups, and faith groups in Wandsworth.

"Helping the ICB and the Wandsworth Borough Council (WBC) identify where resources can be deployed most effectively into the third sector.

"Ensuring better communication and understanding between the third sector and statutory partners."

**Volunteering Wandsworth**

The work, funded by City Bridge Trust, to help promote and facilitate Volunteering and volunteering opportunities in Wandsworth. Including the creation and development of a volunteering brokerage platform to connect volunteers with volunteering opportunities, with around 900 volunteers and around 160 organisations registered.

**Healthy Communities**

The work to increase capacity in the voluntary sector to tackle health inequalities in the Wandsworth community. The aims of the service include:

"Recruitment of Healthy Communities Project Officer to network and engage local community and voluntary organisations on the subject of health inequalities."

"The delivery of a pilot community health champions project, appointing volunteer health champions to engage people in Wandsworth on the topic of healthy lifestyles."

**Healthwatch Wandsworth (HWW)**

HWW, like all Healthwatches, is funded by and accountable to the local authority (in this case, Wandsworth Borough Council). Its main statutory functions are to:

"Obtain the views of people about their needs and experience of local health and social care services. Local Healthwatch make these views known to those involved in the commissioning and scrutiny of care services.

"Make reports and make recommendations about how those services could or should be improved."

"Promote and support the involvement of people in the monitoring, commissioning and provision of local health and social care services."

**Mental Health projects**

WCA's mental health service-user project is called 'Voicing Views'. The aim is to achieve substantive positive improvements in services through service-user involvement in their design and commissioning of services relating to the delivery and development of mental health service provision in Wandsworth. A representative of Voicing Views sits on most of the major groups and forums and attend meetings that relate these matters. They are also involved in one-off consultations and focus groups.

The prevalence of mental health issues within the LGBTIA+ Community is significantly higher than within the general population. The Wandsworth LGBTIA+ Mental Health Project aims to tackle issues surrounding health inequalities

**OBJECTIVES AND ACTIVITIES**

**Significant activities**

faced by the LGBTIA+ Community in the Borough, by engaging with the LGBTIA+ Community in Wandsworth, the local voluntary sector and community groups, young people, adults and older people, and service commissioners and providers (particularly the LGBTIA+ delivery group).

**Engaging with the NHS and the Local Authority**

In the context of these activities, WCA staff, trustees and volunteers contributing their time, were actively engaged participants throughout the year in a range of forums concerned with the design, commissioning and delivery of local health and care services in Wandsworth. WCA was able to present evidence to these bodies, using feedback from service users, residents, and organisations in the voluntary sector with a view to influencing future developments. WCA & HWW representatives also sat on various Boards and committees and steering groups.

**Working with volunteers**

Another vital aspect of WCA's activity is the collective work and hundreds of hours of time contributed by individual volunteers across the organisation. Over the year, they have undertaken a very wide range of tasks.

On WCA's behalf Trustees and all staff at WCA wish to express their gratitude and appreciation for the dedication and support of all its individual volunteers, without whom the organisation could not achieve its aims.

**Public benefit**

The Trustees confirm that they have complied with their duty to have due regard for the guidance of the Charity Commission on public benefit in respect of the scope of WCA's activities.

**STRATEGIC REPORT**

**Achievement and performance**

**Charitable activities**

**Overview**

The reporting year 2023-24 was a year affected by the Cost-of-Living Crisis. The pressure on financial wellbeing has motivated the charity to work responsively with HR policy to ensure the wellbeing of its staff, and consult with the public on challenges to health and social care that intersect with financial insecurity.

They are confident that WCA was able to maintain its position in supporting the community during the year, and that it is adapting and carrying on working towards its objectives with consideration of the current socio-economic context.

During the year, the Board maintained the practice of supplementing its regular agenda of financial and governance matters, with detailed reports from the CEO and with regular presentations by project leaders.

**Financial review**

**Financial position**

WCA reported a surplus for 2023-24 of £58,563 (2023 - £60,483) and reserves at the year-end was £382,019 (2023 - £323,456), including restricted funds of £1,107.

**Principal funding sources**

The charity's principal funders are NHS South West London CCG and LB Wandsworth Council.

**Reserves policy**

The trustees have in place an agreed policy that each year a reserves calculation paper to identify and justify reserves targets for the charity will be produced and presented to the Board for approval.

This implements the review of the organisation's policy on its reserves which the trustees carried out in the light of the Charity Commission's guidance. The review recognised that the identification of the WCA's reserves was relatively straightforward as it had no endowment funds and only minimal restricted income and tangible fixed assets. The Trustees concluded in the review that the WCA might need reserves for three areas:

- (i) contingencies;
- (ii) liquidity/cash flow; and
- (iii) future commitments.

**WANDSWORTH CARE ALLIANCE**  
**REPORT OF THE TRUSTEES**  
**FOR THE YEAR ENDED 31ST MARCH 2024**

**STRATEGIC REPORT**

**Financial review**

The Trustees accordingly monitored the level of reserves and reserves targets during the course of 2023-24 against the background of the target range that had been agreed for the year and was set out in the policy. The outcome is set out above.

Following the end of the financial year the reserves policy was again reviewed, recognising relevant new factors, such as continued uncertainty of the operational context, inflationary pressure, cost of living and possibly the impact on public and voluntary sector resources, as in previous years an annual reserves calculation paper was prepared by the financial subgroup and presented to the board for consideration.

**Going concern**

We have considered and assessed if the charity's financial statements should be prepared on the basis that the entity will have sufficient financial resources to operate for the next 12 months. We have concluded that the charity will indeed have sufficient resources for the next 12 months.

**Principal risks and uncertainties**

The trustees have considered the major risks based on our services delivered and our responsibilities to all our partners and employees and we are satisfied that appropriate actions have been taken to mitigate those risks.

**Future plans**

Although 2024-25 is likely to be a continuing period of uncertainty both internally with the current Voluntary sector Coordination Service contract and funding due to end 31st December, and external national and local factors, with the changing national political landscape, the shape of the local integration and the resources available, the Trustees intend to maintain the Charity's mission of working to improve health and wellbeing through community involvement, collaboration, action and through a stronger voluntary sector. At the same time, maintaining staff wellbeing especially in the context of heightened pressures and anxieties relating to the cost-of-living crisis.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Governing document**

The Charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

**Recruitment and appointment of new trustees**

The Board has the power to appoint additional Trustees as required.

None of the Directors and Trustees has any beneficial interest in the Company.

**Organisational structure**

WCA was founded in 1991 and was governed by its constitution until its date of incorporation. The Company was incorporated on the 14th April 2004 and was not registered as a charity until the 23rd June 2005.

The aim of the Trustees continues to be to maintain an operational and governance framework to maximise the value of WCA's work and the economy and propriety with which it is delivered, its coherence within the organisation and externally; to build up the capacity of WCA to continue to deliver its goals; and to facilitate its success in doing so.

**Related parties**

There were no related party transaction to report for the year under review.

**WANDSWORTH CARE ALLIANCE**  
**REPORT OF THE TRUSTEES**  
**FOR THE YEAR ENDED 31ST MARCH 2024**

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Risk management**

The Trustees have regularly conducted a review, undertaken bi-monthly, of the major risks to which WCA might be exposed.

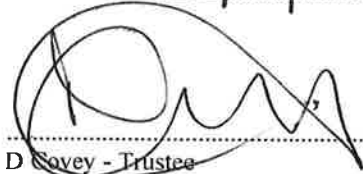

The approach taken in the Risk Register is to identify potential risks and set out mitigatory measures together with planned actions. These and related policies are updated in the light of Charity Commission and government guidance. Sections cover for example, contractual arrangements for funding, health and safety for staff, volunteers and clients. Other entries cover safeguarding measures and training, whistle blowing protection and counter-fraud measures.

The appropriate level of financial reserves to hold is set out in the Financial Reserves Policy which takes into consideration a variety of possible contingencies.

The Board decided to increase the minimum target reserves level in respect of liquidity/cash flow to allow for an increase in operating costs and considered that the appropriate target range for March 2024 should be from £193,000 to £417,500, relating to a range of 3 to 6 months of operation, up to the level of the cumulative total of identified risk mitigations.

The Trustees remain mindful of the circumstances requiring them to make a report to the Charity Commission of any serious incident in relation to the operations of the WCA. The Board have duly considered this. We confirm that there has been no reason in respect of the activities during 2023-24 or previously for us to consider that any event had constituted a Serious Incident requiring a report to the Charity Commission.

Report of the trustees, incorporating a Strategic report, approved by order of the board of trustees, as the company directors, on 22/07/2024 and signed on the board's behalf by:

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31st March 2024.

**Responsibilities and basis of report**

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
