Achievements and Performance

The company operates in and around Henley on Thames and has several activities which seek to reach out to the local community. In particular the company has sought to fulfil its charitable objectives by running a detached youth and community project. The main aims are:

- To support children, young people and their families experiencing challenges in their lives.
- To help in all aspects of their lives, in particular education, health, training, employment, finances, independence, and recreation.
- To encourage people to make positive contributions to their local community.

The principal source of income for the charity is grants and donations.

During the year the above aims have been met by delivering the following services:

- 1 to 1 Mentoring in schools and online.
- Life Skills Programmes both formal and informal.
- Family Support through 1 to 1 and group parenting training and online support
- Family Focus support workshops for parents and young people together.

- Targeted holiday activities for young people and families including paintballing, mountain biking and stand up paddleboard sessions.
- 16+ project supporting young people who have failed to make the transition from school into further education, training or employment including online support.

During lockdown Nomad remained open and whilst unable to relate to its clients on a face-to-face basis has done so online.

Financial Review

The total income for the year was £184,669 and total expenditure on charitable activities amounted to £184,198. At the year end the balance on reserves was £117,757 on unrestricted reserves of which £27,372 has been invested in fixed assets leaving £90,385 free reserves and £30,620 on restricted reserves.

Reserves Policy

The trustees have examined the charity's requirements for reserves taking account of the main risks to the organisation. At a time of rising demand for the charity's services and uncertainty of finance the trustees have reviewed the policy whereby the unrestricted funds not committed or invested in tangible fixed assets and held in reserve by the charity should be sufficient to cover 4 months expenditure. Currently £40,801 is held to cover these contingencies. The reserves are to ensure that should the charity not receive sufficient funding to continue work the staff notice period can be covered. There is a designated sum of £30,620 set aside in another account for restricted projects.

NOTES TO THE ACCOUNTS
for the year ended 31st March 2022

1. Accounting Policies

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of Preparation

The Financial Statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Reporting Financial Standard applicable in the UK and the Republic of Ireland (FRS 102) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Nomad Detached Youth and Community Project meets the definition of a public benefit entity under FRS 102.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

b) Income Recognition Policies

Items of income are recognised and included in the accounts when all of the following criteria are met:

- The charity has entitlement to the funds;
- any performance conditions attached to the items of income have been met or are fully within the control of the charity;
- there is sufficient certainty that receipt of the income is considered probable; and
- the amount can be measured reliably.

Income received in advance of a specific performance or provision of other specified service is deferred until the criteria for income recognition are met.

c) Donated Services and Facilities

In accordance with the Charities SORP (FRS 102) the general time of volunteers is not recognised in the accounts.

d) Interest Receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the bank.

e) Fund Accounting

Unrestricted funds are available to spend on activities that further any of the purposes of the Charity. Designated funds are unrestricted funds of the Charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are donations which the donor has specified are to be solely used for the particular areas of the Charity's work or for specific projects being undertaken by the Charity.

NOTES TO THE ACCOUNTS
for the year ended 31st March 2022 (continued)

f) **Expenditure and Irrecoverable VAT**

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Expenditure on Charitable activities includes the cost of support of the community in Henley on Thames and the surrounding area as described in the Trustees' Report.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

g) **Tangible Fixed Assets**

Individual fixed assets are capitalised at cost and are depreciated over their estimated useful economic lives on the straight line basis as follows:

Asset Category	Annual Rate
Motor Vehicle	25% per annum
Office equipment	33 1/3% per annum

h) **Debtors**

Trade and other debtors are recognised at the settlement amounts due after any trade discount offered. Prepayments are valued at the amount prepaid after taking account of any trade discounts due.

i) **Cash at Bank and in Hand**

Cash at bank and cash in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

j) **Creditors and Provisions**

Creditors and provisions are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

k) **Pensions**
