**Financial Review**

The total income for the year was £232,407 and total expenditure on charitable activities amounted to £204,834. At the year end the balance on unrestricted reserves was £140,800 of which £17,753 has been invested in fixed assets leaving £123,047 free reserves and £35,150 on restricted reserves.

**Reserves Policy**

The trustees have examined the charity's requirements for reserves taking account of the main risks to the organisation. At a time of rising demand for the charity's services and uncertainty of finance the trustees have reviewed the policy whereby the unrestricted funds not committed or invested in tangible fixed assets and held in reserve by the charity should be sufficient to cover 4 months expenditure. Currently £40,879 is held to cover these contingencies. The reserves are to ensure that should the charity not receive sufficient funding to continue work the staff notice period can be covered. There is a designated sum of £35,150 set aside in another account for restricted projects.

**NOTES TO THE ACCOUNTS**  
**for the year ended 31st March 2023**

**1. Accounting Policies**

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

**a) Basis of Preparation**

The Financial Statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Reporting Financial Standard applicable in the UK and the Republic of Ireland (FRS 102) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Nomad Detached Youth and Community Project meets the definition of a public benefit entity under FRS 102.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

**b) Income Recognition Policies**

Items of income are recognised and included in the accounts when all of the following criteria are met:

- The charity has entitlement to the funds;
- any performance conditions attached to the items of income have been met or are fully within the control of the charity;
- there is sufficient certainty that receipt of the income is considered probable; and
- the amount can be measured reliably.

Income received in advance of a specific performance or provision of other specified service is deferred until the criteria for income recognition are met.

**c) Donated Services and Facilities**

In accordance with the Charities SORP (FRS 102) the general time of volunteers is not recognised in the accounts.

**d) Interest Receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the bank.

**e) Fund Accounting**

Unrestricted funds are available to spend on activities that further any of the purposes of the Charity. Designated funds are unrestricted funds of the Charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are donations which the donor has specified are to be solely used for the particular areas of the Charity's work or for specific projects being undertaken by the Charity.

**NOTES TO THE ACCOUNTS**  
for the year ended 31st March 2023 (continued)

f) **Expenditure and Irrecoverable VAT**

- Expenditure on Charitable activities includes the cost of support of the community in Henley on Thames and the surrounding area as described in the Trustees' Report.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

g) **Tangible Fixed Assets**

Individual fixed assets are capitalised at cost and are depreciated over their estimated useful economic lives on the straight line basis as follows:

Asset Category	Annual Rate
Motor Vehicle	25% per annum

Trade and other debtors are recognised at the settlement amounts due after any trade discount offered. Prepayments are valued at the amount prepaid after taking account of any trade discounts due.

Cash at bank and cash in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

j) **Creditors and Provisions**

Creditors and provisions are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

k) **Pensions**

The Charity operates a defined contribution scheme, the assets of which are held outside the Charity. The contributions by the Charity in the year are detailed in note 10.
